From the Superintendent's Desk

Submitted by Frank Jesse, Chambers Public School Superintendent

I have been fortunate to be involved in rural school education now for 29 years, 11 years as a teacher and 18 as an administrator. One of the greatest attributes of working in a smaller district is the students and how they are involved and interact with each other daily. As part of our ongoing Collective Effort initiative this year, I wanted to highlight some of the fantastic things our student body has done already in the early weeks of the school year.

First, the year kicked off with the Student Council and Mrs. Butterfield making locker tags for each student. If you have an opportunity to walk the hallway during an activity, pay attention to the number of lockers that have two, three and even four different stickers identifying the activities they are involved in. Every student in grades 7-12 is involved in at least one activity from One-Act, band, FCCLA, volleyball, etc.

Our Collective Effort goes well beyond participation in extracurricular activities. It is the welcoming environment that has been extended to our foreign exchange student this year, Lola. The connections and hospitality of our student body and community are notable as Tom, a foreign exchange student from last year, has returned to visit and has been a very active and vocal supporter in the student section at football and volleyball games.

Modeling good behavior and expectations is always what we strive for and have made that push with our Caring Coyotes. A Caring Coyote is someone who displays respectful, responsible, and safe behaviors. In our Collective Effort we have had several students such as Rylee (3rd grade), Brayden (7th grade), Reese (1st grade) and Brinley (1st grade) demonstrate these qualities. We have seen the shop class help build a stand for the Hudl camera for the football field and remove and replace sections of bleachers. The 6th grade class has met twice with their 1st grade reading buddies and 3rd grade students have been helping the kindergarten students during lunch. Madden, Maddox, and Michael got to show off their strength by helping remove and install the new kitchen stove and then Carter, Maddox, and Michael took some extra dunks on the dunk tank to ensure all second graders had the chance to dunk someone during our Student Appreciation Day. One final example of how our students put others first in this idea of Collective Effort is the Student Council. They help clean-up after each home contest. These are only a few examples of how our students individually and collectively have stepped up and are making a positive impact for our school and community.

As a reminder, parents, you have a great opportunity to be part of this Collective Effort, too. The perceptual surveys will be closing on

October 3. If you have not yet completed this, we strongly encourage you to do so soon. The survey will take approximately 15 minutes to complete. The questions cover a range of topics that are important in developing long-term goals for the district. We anticipate sharing the survey results during the regular November School Board meeting.

I also want to express my gratitude on behalf of all the faculty for the impressive turn-out for parent-teacher conferences. Your participation in this event is critical for open communication with your child's teacher and is another way to be part of the Collective Effort of our district.

The November Coyote Connection will highlight the collective efforts of our support staff and how integral they are to making the school as successful as it is.

Counselor's Corner

Submitted by Gina Pospichal, School Counselor

I am excited to share lots of upcoming events with you this month.

On Thursday, September 24, students in grades 10-12 attended a college fair hosted by EducationQuest at O'Neill High School. Many representatives from colleges and trade schools from Nebraska and surrounding states were in attendance to share information with students.

On Wednesday, October 21, students in grades 9-12 interested in a career in healthcare will attend the annual Avera Scrubs Camp in O'Neill at the Northeast Community College Extended Campus.

Chambers Public School will welcome many representatives from the military, trade schools, colleges, and universities throughout the school year. When time allows, these representatives will be listed in the monthly calendar and in the announcements. Parents are also invited to meet with these representatives.

The registration date for the December 12, 2026, ACT Test is November 6, 2026. Students qualifying for Free and Reduced Lunch can receive a payment waiver. Please have students visit with me to receive this waiver. Students may register for the test at www.act.org

I encourage seniors and their parents to access the school website to find valuable information under the Guidance tab: https://www.chamberspublic.org/page/guidance. Starting in October, I will try to update the list of scholarships weekly.

The 2027-2028 Free Application for Federal Student Aid (FAFSA) opened in mid-September. Remember, completing the FAFSA is now a graduation requirement for seniors.

If you have any questions, feel free to give me a call at 402-482-5233 or email me at gpospichal@chamberspublic.org

CHILDFIND NOTICE

This notice to inform the patrons of Chambers Public Schools that Public law 94-142 and Nebraska Rules 51 and 52 mandate that a free, appropriate public education is available to each child with a disability, 0-21 years of age, who resides in a local school district.

Child Find for Special Education Services

The Chambers Public School asks you to assist us in our childfind efforts. This is an ongoing statewide search for all unserved children with disabilities, ages birth through 21. If you know of a child who is experiencing difficulties with motor development, speech and language, vision, hearing or learning, please refer the parent to the number below. The Chambers Public School District will provide an educational evaluation at no cost to the parent. If the child qualifies under Nebraska law, a free and appropriate educational program will be developed to meet his/her educational needs. To contact us, please call Mr. Frank Jesse (Supt.) at 402.482.5233.

ACADEMIC FOCUS FOR OCTOBER

- Building on a Strong Start: With the first several weeks of school behind us, October is a good opportunity for students to reflect on their progress and make adjustments where needed. Teachers will continue reinforcing expectations while challenging students to take ownership of their learning.
- Academic Progress: Students and families are encouraged to regularly check JMC and communicate with teachers regarding grades, missing assignments, or other concerns. Early communication allows us to provide support before students fall behind.
- Collective Effort: Our theme of Collective Effort continues to guide our work. Academic success requires students, teachers, staff, and families all working together toward the same goal.
- Attendance & Engagement: Consistent attendance remains an important part of student success. Being present, prepared, and engaged each day gives students the best opportunity to succeed.

IMPORTANT DATES

- Oct. 2 – No School (Fall Break)
- Oct. 16 – 1:00 PM Dismissal (End of 1st Quarter)

October is another busy month at Chambers Public School. Please continue to check the school calendar, website, and school communications for important dates, activity schedules, and any changes throughout the month.

FALL ACTIVITIES CONTINUE

October brings an exciting stretch for our Chambers-Wheeler Central fall activities. Our Cross Country, Football, and Volleyball teams are entering an important portion of their seasons, with conference and postseason competition approaching.

We appreciate the commitment our student-athletes and coaches have demonstrated throughout the fall. Whether competing, practicing, traveling, or supporting teammates, our students continue to represent CWC with pride.

Our FFA, FCCLA, Music, and other student organizations also remain busy with competitions, leadership opportunities, performances, and activities. These programs are an important part of the overall educational experience and provide our students with opportunities to develop skills beyond the classroom.

As postseason competition approaches, we encourage our families and community members to continue supporting the Renegades!

PARENT TIPS

- Check JMC Regularly: Continue monitoring grades, assignments, and attendance. Encourage your student to communicate directly with teachers when they have questions.
- Finish the Quarter Strong: Encourage students to stay on top of assignments and avoid waiting until the end of the grading period to address concerns.
- Maintain Good Routines: As activities become busier, consistent routines for homework, sleep, and organization become even more important.
- Encourage Involvement: Students benefit from being connected to their school. Encourage them to participate in activities, organizations, athletics, or other opportunities that match their interests.

"Mr. Firley's Desk" continued on page 4

"Mr. Firley's Desk" continued from page 3

- Celebrate Progress: Success does not always mean perfection. Recognize the growth, effort, and improvement your student has demonstrated since the beginning of the year.

FINAL THOUGHTS

October is a great month to evaluate where we are and continue building toward where we want to be. The excitement of the beginning of the school year has transitioned into the daily work of learning, growing, competing, and improving.

Our Collective Effort continues to make Chambers Public School a special place. Thank you to our students for their hard work, our staff for their dedication, and our families and community members for their continued support.

As we move through the fall, let's continue working together, supporting one another, and representing Chambers Public School and Chambers-Wheeler Central with pride.

Let's have a great October!

From the Range to the National Stage

Submitted by Mrs. Dexter

The Chambers FFA has had a great start to the school year, and we are excited about all that is ahead!

We recently wrapped up a successful Range Judging season. This year, Weston, Jeb, Trevor, Draeger, Addyson, Rose, Annabelle, and Grace traveled to North Platte to compete at State Range Judging. This was the first time I had taken a group of students to the State Range event, and it was a great experience to see them put their knowledge and skills to work. I am proud of the time and effort they put into preparing for this event.

Our next big adventure will be October 21–24, when we travel to Indianapolis for the 99th National FFA Convention. This trip will be especially exciting for Chambers FFA as Haily Schaaf will receive her American FFA Degree. Haily will be the sixth Chambers FFA member to receive this honor, which is an incredible accomplishment.

We will also get to watch Claire Woeppel round out her year as a National FFA Officer. She will deliver her retiring address during the convention and officially retire her jacket during the Closing Session on Saturday afternoon. It has been an incredible year watching Claire represent Chambers, Nebraska, and the National FFA, and we are excited to be there to celebrate this special milestone with her.

There will be several other special moments for Chambers during the convention as well. Jeremy Woeppel, Ann Woeppel, and Mrs. Dexter will receive their Honorary American FFA Degrees, and Claire will have the opportunity to recognize Mrs. Dexter and her family during the convention.

If you would like to follow along with the National FFA Convention, sessions can be watched on RFD-TV or online at ffa.org/convention-live.

Our chapter was recently selected as a recipient of the Living to Serve FFA Grant. We will be working on plans for a service project this fall that allows our members to give back to our school and community.

As soon as we return from National Convention, the FFA calendar will quickly fill up again. We will soon move into Livestock Judging season, followed by Leadership Development Events (LDEs), including speeches and other communication events, and Career Development Events (CDEs), which focus on career-based knowledge and skills.

One of the best parts of FFA is the support and involvement of our community. If you would like to help train a team, suggest a speech topic, or serve as a judge at one of our events, please let Mrs. Dexter know. Thank you to our families, school, alumni, businesses, and community members for the continued support you show Chambers FFA. Our students have so many opportunities because of the people who continue to invest in them, and we are incredibly grateful.

6th Grade Highlights

Submitted by Mrs. Thornburg

Sixth grade has been busy learning and building leadership skills! Students in grades 4–6 are starting a student council, which will give them opportunities to share ideas and make a positive difference in our school. We have also started book buddies with the first graders. This is something we look forward to every other week!

In reading, we are working through our childhood unit, which focuses on the challenges and triumphs of growing up. Students have completed several writing projects connected to this theme. They wrote personal narratives about overcoming a challenge, created poems about childhood memories, and recently finished short biographies about their classmates. These activities have helped students learn more about one another while strengthening their reading, writing, and communication skills.

FAFSA Completion

Submitted By Mrs. Pospichal, School Counselor

LB 705

On June 1, 2023, Governor Pillen signed LB 705 into law. One of the provisions of this law centers around the Free Application for Federal Student Aid (FAFSA). Starting with the 2024-2025 academic year, Nebraska requires all seniors in public high schools to complete a FAFSA. Parents, guardians, and students who are emancipated or over age of 19 can waive a student out of this requirement.

The 2027-2028 FAFSA opened in mid-September.

FSA IDs

All contributors must have an FSA ID to access the 2025-2026 FAFSA form

- Identity match required for each contributor to verify FSA ID
- Estimated wait for verification is 3-5 days
- A verified email address will be required to establish an account

FAFSA Changes

Parent(s) who provided the most financial support will complete the parent section
Parent(s) can start a FAFSA with student demographic information but cannot give consent or sign
Parents and students must log in separately to complete their respective sections

- Student/Parent will provide legal name, SSN, DOB, email of the student/parent(s) required to contribute after completing their section
- A notification is then sent to the student or parent to complete their section

Student/Parent(s) will need to consent to have tax information transferred from the IRS

- This includes filers and non-filers

Students can list up to 20 colleges
Student Aid Report (SAR) becomes “FAFSA Submission Summary” (FSS)

Assets and Untaxed Income

Assets

- Business and farm net worth will be included
- Child support received will be counted as an asset
  - > Report amount from last completed calendar year.
  - > Child support paid will no longer be reported

"FAFSA Completion" continued on page 6

"FAFSA Completion" continued from page 5

- Untaxed income will no longer be listed (i.e. Worker's compensation, payments to tax-deferred retirement/pension, housing allowances, etc.)

Student Aid Index (SAI)

What you need to know about SAI

- Determined by family size, federal tax information, and assets reported on the FAFSA
- Number of children in college does not impact SAI
- Can be as low as -1500
- Students with SAI at 0 or below will be eligible for a full Federal Pell Grant

Need=Cost of Attendance – SAI – Other Financial Assistance (OFA)

Role-Based Completion

Consent must be given to transfer tax information

- Each contributor has their own section
  - > Must log in separately to complete
  - > Student must provide these details to trigger parent or student contributor(s): Legal first and last name, date of birth, social security number, and email

FAFSA is not completed until each contributor submits their section

- Each contributor will receive an email immediately to log into the FAFSA and complete their section or can go to studentaid.gov
- Student can track contributor progress in studentaid.gov

What Can You Do Right Now?

Students: Create FSA ID with a verified cell phone and email

Parents: Create FSA ID. If you already have one, check and update necessary information
