The bus routes established for the 2026-2027 school year are listed above. It is important to be prepared for the bus arrival at the time designated. In order to complete a route and arrive at school for breakfast it is essential that all students are ready when the bus arrives. The times established are tentative and may fluctuate for the first week or two. We would appreciate your cooperation and patience in getting the routes established and on time. In the case of inclement weather, we will make announcements on the Watertown Radio Stations, KELO TV and School Reach. If your child is not planning to ride the bus, please contact your bus driver, Kevin Duenwald, or Superintendent Landon Hammer at 605-532-5364.

***If your name is not listed on the bus routes listed above, and you are planning on riding the bus, please call the school at 532-5364 to have your name added.**
