Watertown Youth Soccer Programs

ACADEMY (3-5 YEAR OLDS)

Academy level will engage in age-appropriate activities focusing on the "FUN-damentals" of the game by maximizing the number of touches on the ball, while also developing their gross motor and manipulative skills. This program has three seasons - Spring, Fall and Winter.

RECREATIONAL SOCCER (K-6TH GRADE)

At the recreational level everyone plays equally, and emphasis is placed on learning basic skills and nurturing the love of the game and to have fun. This program has two seasons - fall and spring.

COMPETITIVE SOCCER (BIRTH YEAR 2018-2007)

Our Competitive program is for those players and families who want more from soccer and are willing to make the sport a priority. The program offers players the opportunity to visit other soccer communities around the area, and to compete against some of the region's top competition. The distinguishing quality between our Recreational program and our Competitive program is the level of commitment involved.

Players are expected to train and travel more than recreational players do. This program offers some great skill and player development as our players are all getting coaching from licensed coaches. Players will train 2 times per week for U9-U12 and 3 times a week for U13-U19.

If interested in trying a few practices for competitive - scan QR code to fill out participation waiver and email to director@watertownsoccer.com
