

PINE CITY PUBLIC SCHOOL DISTRICT NEWSLETTER

OCTOBER 2026

ONE MONTH IN: BUILDING FOR THE FUTURE

It is hard to believe we are already more than a month into the school year! The first several weeks have brought plenty of energy, learning, activities, and opportunities to reconnect across Pine City Public Schools.

Thank you to our students, staff, and families for a strong start. We continue to review our routines, listen to feedback, and make adjustments that support safe, welcoming, and effective learning environments. Our work never really reaches a finish line and that is a good thing. We keep learning and improving together.

If you have been near the Elementary, **check out the brick project on the front of the elementary auditorium!** This work is one example of our continued investment in maintaining and improving our school facilities. These projects protect our community's investment while creating safe and functional spaces for students, staff, families, and community members.

DID YOU KNOW?

Pine City Public Schools is **one of eight Minnesota school districts implementing the Teacher Apprenticeship Program.**

The program creates another pathway for individuals to become licensed teachers while working in our schools and gaining hands-on experience. Participants learn alongside experienced educators while completing the requirements needed to become teachers.

For Pine City, this is about more than filling positions. It is about **growing our own educators, investing in our staff, and creating new opportunities for people who already know and care about our students and community.**

As we move into October, I am excited about the work happening across our district, from improvements to our buildings to new opportunities for our staff and students. Thank you for your continued partnership and support of Pine City Public Schools.

Kids first, always!

FALL CONFERENCES AT PINE CITY ELEMENTARY SCHOOL

The Elementary school will host Fall Conferences in individual classrooms on:

Tuesday, October 13th from 3:00 - 6:30 PM
Thursday, October 22nd from 4:30 - 8:00 PM

During both nights of conferences, the Elementary Media Center will be hosting this year's Scholastic Book Fair!

Stop on by to grab your student's favorite book, the next one in their favorite series, or something new!

Can't make it? No problem! You can still shop at the Online Book Fair tied directly to Pine City Elementary.

<https://bookfairs.scholastic.com/bf/pinecityelementaryschool>

Dear Parents and Families:

Get ready! The Scholastic Book Fair is coming our way (YAY!). Choosing their own books empowers kids and inspires them to become Bolder, Prouder, and Stronger Readers. AND—as always—every book they buy earns rewards for our school.

Here's what you need to know about the Fair. It will take place on Oct. 13th from 3:00-6:30 pm and Oct. 22nd from 4:30-8:00pm during conferences in the Media Center.

This year, say goodbye to cash and hello to **eWallet**—your child's digital payment account. Before the Fair, set up eWallet for worry-free, cash-free purchases. Anyone can contribute! Please go to the Book Fair Homepage linked below to set up your e-wallet. **The e-wallet is an option, we take cash, check, or credit shopping in person.** You are welcome to shop the bookfair even if you don't have a conference planned. Think about taxes when setting up your e-wallet.

[Scan code for e-wallet.](#)

If you can't make it to the Fair, then **shop at our school's Online Book Fair**. All orders ship directly to your home, and shipping is free for book orders over \$25. Your online orders will also benefit our school.

Visit our Book Fair homepage to learn more and get started with eWallet and online shopping.
<https://bookfairs.scholastic.com/bf/pinecityelementaryschool>
The countdown to more Bookjoy is on! Catch you at the Fair!

Taxes are required by Scholastic unless the purchase is being made for a teacher's classroom.

Happy reading,
Miss Lundholm jlundholm@isd578.org (please email if you have any questions)

DRAGON ACTIVITIES NOW ON BOUND

Pine City Schools has moved to a new All-in-one Activities Management Platform to handle student registration, view game schedules and handle communication from coaches to players and parents.

You can view the Pine City Dragon Activities Calendar online or through the app. The calendar includes game information, community ed classes and other special events.

PRINTABLE MENU

Recently, a parent shared with our Food Services team that they liked having a printed menu available at their home each month to reference in the morning as students were getting ready for school. We worked on making an update to the Food Services webpage where a printable PDF is now available during the first week of each month to access the current menus for elementary or high school. Use this link or the QR Code here to find those links.

LEADERSHIP IN EDUCATIONAL EXCELLENCE AWARDS

Pine City educators and administration attended the annual Leadership in Education Excellence event held at the St. Cloud River's Edge Convention Center. Currently in its 35th year, the LEEA recognizes educators throughout the state of Minnesota that have been nominated by their district leadership for the honor.

Each district is responsible for setting their own criteria, but nominees should be selected that serve as excellent examples to inspire fellow colleagues, students and their communities through positive leadership and attitude toward the educational field.

Congratulations to Padrick Judd, Kolette Lind, Felicia Madsen and Eric Wicktor for being outstanding teachers and receiving the Leadership in Educational Excellence Awards for 2026.

*Best
Job Ever
Teacher*

PADRICK JUDD

Padrick began working in the district in 2020 and is enjoying his 7th year in Pine City. He says a highlight of his time in the district has been the friendships of coworkers and the great connections he has developed with students and the school community. "Thank you for recognition and thank you to all of our staff for making a difference in our students' and coworkers lives!"

KOLETTE LIND

Kolette has embarked on her 29th year of teaching 5th Grade in the Pine City School District and brings enthusiasm and positivity to work with her each and every day! "I feel so blessed to get the opportunity to inspire my students to reach their full potential, and my hope is that I can have a positive impact on their lives that will stick with them long after they leave my classroom."

FELICIA MADSEN

Felicia has enjoyed the last 12 years working in the district, all of which have been in 1st Grade. She loves teaching here and says the community is very supportive and fun! "I like to think I excel at embracing the chaos that comes in an Elementary School. I believe learning should be fun!" Her students and colleagues would agree that Felicia makes the 1st grade experience a truly FUN time in her classroom!

ERIC WICKTOR

Eric has been working in the Pine City School District for 32 years and shared that a highlight of working in the district is the number of kids he's gotten to know each year and the lifelong friendships he has made with other staff is invaluable. He describes himself as caring, compassionate and generous and has tried to inspire others to be the same. "I try to be positive and enthusiastic every day so that it rubs off on others!"

PINE CITY BAND FIELD TRIP

On Sunday Sept. 27th, a group of pine city band students attended the Minnesota Winds band concert! Minnesota Winds is a professional concert band made up of the best performers in the state, and students enjoyed an epic concert at Benson Great Hall at Bethel University. The pieces played highlighted many living composers, including Henry Dorn who was in the audience. Students enjoyed getting to meet a few of the musicians during intermission, and after the concert!

DRAGON ZONE DEFENDERS ARE BACK IN ACTION!

The sixth grade student council members have taken on the roles of the Dragon Zone Defenders! Doctor Responsible, Ray of Respect, Captain Cooperative and Star Safety visit classrooms, playgrounds at recess, hallways and even the lunchroom to find students in the Dragon Zone!

DRAGON ACADEMY: MAKING APPLE CIDER - MATHEMATICALLY

Students in Dragon Academy are working on the Apple cider process.

Our math and science lesson involves volume and mass of apples going in and out of the cider press. Students measure the weight of apples going in and volume of cider and weight of apple mash coming out, and compare the mass and volume through the process. It's a tasty lesson we enjoy each year!

Special thanks to Moulton Apple Orchard in Rush City for donating apples each year!!
