

Welcome back, Warriors!

A New Year of Learning, Connection & Warrior Pride

Thank you to our staff, families, and community members for making this year's back to school season a success across the district. The energy, excitement, and strong attendance were wonderful reminders of what makes Chippewa Hills such a special community.

As we begin the school year, I encourage families to remain actively involved. Attending school events, communicating with teachers, and talking with your children about their learning all make a meaningful difference in student success.

We are also excited to launch a new radio spotlight series featuring the great things happening throughout the Chippewa Hills School District. Be sure to tune in as we celebrate our students, staff, programs and schools and share what makes us proud to be Warriors!

Here's to a successful school year filled with learning, connection, and Warrior pride!

Michelle Newman
Superintendent

Maximizing Resources to Support Students & Facilities

This summer, the district was hard at work completing several major facility improvements funded through our Sinking Fund, which was approved by voters in 2020. With several significant needs across the district, we had to prioritize some of our most critical projects. While we were not able to address every "large-ticket" item this summer, we made important progress in maintaining and improving our facilities.

At both Weidman Elementary and Mecosta Elementary, aging septic tanks and pumps had begun to fail and required immediate attention. Both systems were overhauled and replaced this summer. Once the grass grows back, these projects will be almost unnoticeable, but the work was essential to preventing future sewage issues and ensuring our buildings continue to operate safely and efficiently.

At our secondary complex, the PA system also received a much-needed overhaul. After years of use, some classrooms had lost connection to building announcements. The updated system restores reliable communication throughout the complex, allows us to create separate announcement zones for different areas of the building, and adds exterior speakers to improve communication outside the building as well.

While completing the PA upgrades, we also addressed another long-standing issue in the High School, our clocks. It has been said that a broken clock is right at least twice a day. Unfortunately, that wasn't even the case with some of ours! All High School clocks have now been replaced, synchronized, and most importantly showing the correct time.

In addition to our Sinking Fund projects, grant funding allowed us to make several improvements to other facilities. The Middle School gym floor was completely sanded down and refinished for the first time since the building opened in 2002. We also replaced the lighting in both the Middle School and High School gyms with new LED fixtures. The difference is noticeable as soon as you walk through the doors, creating brighter, more welcoming spaces for our students, staff, athletes, and community.

These projects may not all be the most visible or exciting improvements, but they represent important investments in the safety, functionality, and longevity of our district facilities. We appreciate the continued support of our community and the investment our voters have made in Chippewa Hills Schools.

Kyle Talicska
Assistant Superintendent

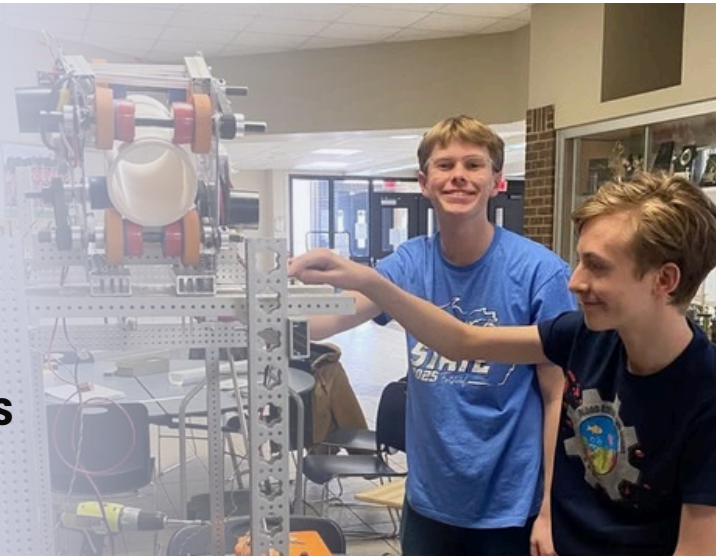

November 2026 Bond Proposal

SAFE & SECURE

Focused on Essential Needs.

\$29.9 MILLION BOND | 20 YEAR TERM | 1.99 MILLS
Zero Mill Increase from Current Levy

We Heard You.

Following our previous bond proposals, we took another look at the plan and the needs of our schools. Our revised November 2026 proposal reflects a several key changes — with a smaller bond amount, a shorter term, and no Auxiliary Gym.

At the heart of the revised proposal is a simple priority: taking care of the schools we have while strengthening safety and security for our students and staff.

What Would the Bond Address?

Safety & Security

Improvements designed to strengthen security and emergency preparedness throughout the district.

Secure Entrances • Classroom Door Security • Up-to-Date Emergency Systems

Essential Building Updates

Investments in aging facilities and infrastructure to help keep our schools functional and reliable.

HVAC & Mechanical Systems • Bathroom Renovations • Parking Lots & Site Improvements

Have Questions?

Community Bond Town Hall

We invite families, staff, and community members to attend our Bond Town Hall to learn more, review project details, and ask questions.

Wednesday, October 21

6:30 PM in the High School Media Center

Tune In to Warrior Weekly!

There's a new way to stay connected with Warrior Nation! This fall, Chippewa Hills is launching Warrior Weekly, a new radio spotlight airing every Wednesday at 8:00 AM on B103.9.

Each week, we'll spend a few minutes highlighting the students, staff, programs, schools, events, and opportunities that make Chippewa Hills special. From conversations with students and staff to behind-the-scenes looks at programs across the district, Warrior Weekly will share the stories happening throughout our schools with the entire community.

Tune in Wednesdays at 8:00 AM on B103.9 and hear what's happening around Chippewa Hills!

Homecoming 2026

Get ready, Warriors! Homecoming Week is September 28–October 3, with a full week of traditions and Warrior pride.

This year, we're especially excited to welcome the Homecoming Parade back to the community! For the first time since before COVID, the parade will return to one of our Chippewa Hills towns, stepping off in Weidman on Wednesday, September 30 at 6 PM.

HOMECOMING WEEK EVENTS

Tuesday, September 29

- **Boys PowerPuff Volleyball Tournament**, HS Gym following home Varsity Volleyball game

Wednesday, September 30

- **Homecoming Parade**, 6 PM in Weidman
- **Girls PowderPuff Football Tournament**, 8 PM in Warrior Stadium

Friday, October 2

- **Cross Country Game Ball Relay**, All day throughout district
- **Homecoming Football Game**, 7 PM in Warrior Stadium

Saturday, October 3

- **Homecoming Dance**, 6-10 PM in Middle School Cafeteria

Win the Day at CHHS!

We are excited to welcome three new staff members to Chippewa Hills High School! Brian Haraburda joins us as Assistant Principal, Nolan Smith as Athletic Director, and Lauren Lowery joins our English Department. We are excited to have them as part of our Warrior family!

Win the Day!

Our focus at the high school this year is positivity and a W.I.N. the Day mentality. We want students and staff to approach each day with a positive attitude, work hard, and celebrate victories—no matter how big or small. Each day is an opportunity to grow and strive to be our best.

There is plenty to look forward to during the first trimester, including fall athletics, testing, field trips, band concerts, a blood drive, community Halloween trick-or-treating, and much more.

Homecoming Week is September 29-October 3, with spirit dress-up days, fun school-wide activities, and the Homecoming Dance on Saturday, October 3. We look forward to a great week of celebrating Warrior pride!

Attendance & Tardies

Regular attendance is a vital part of student learning and success. Families are encouraged to review the High School attendance policies and contact the office with questions regarding attendance or tardies.

Cell Phone Reminder

In accordance with Michigan's new student cell phone law, cell phones may be used before and after school, during lunch, and between classes. During instructional time, phones are expected to remain in student lockers. Thank you for helping us keep classrooms focused on learning.

If you have any questions, please email me at bmumby@chsd.us or call the High School office at 989-967-2100.

Brian Mumby
Principal

Meet Mr. Haraburda

CHHS welcomes Brian Haraburda as our new Assistant Principal! Brian previously taught math, coached golf, and served as Middle School Athletic Director at Allendale Public Schools. A longtime sports official, he has officiated volleyball, football, basketball, and softball for more than 30 years.

Brian is excited to join the Warrior community and build on the traditions already in place at CHHS. Outside of school, he enjoys golf, movies, and building LEGO—especially Star Wars sets!

MIDDLE SCHOOL

Celebrating our Middle School Warriors

At Chippewa Hills Middle School, we believe in recognizing students for the positive choices they make every day. As a PBIS (Positive Behavioral Interventions and Supports) school, we proactively teach and reinforce what it means to be a WARRIOR: Ready, Respectful, Interdependent, Organized, and Responsible.

This year, we are introducing two new ways to recognize positive behavior, encourage academic responsibility, and celebrate student success: WARRIOR Tickets and Reward & Recovery Days.

WARRIOR Tickets: Recognizing Positive Behavior

Our new WARRIOR Tickets replace the previous stamp system. Staff can award tickets whenever they see students demonstrating WARRIOR expectations. Students will deposit tickets into grade-level drawings, track their progress in their planners, and have opportunities to earn weekly prizes and milestone rewards throughout the year.

Reward & Recovery Days

Approximately every six weeks, CHMS will hold a Reward & Recovery (R&R) Day. Students with no missing assignments by the established deadline will participate in Reward Time, featuring fun activities and enrichment opportunities.

Students with missing assignments will begin the day in Recovery Time, where staff will provide additional time and support to help them get caught up. Once their work is complete and approved, students can join the Reward Time activities.

R&R Days will also give students an opportunity to cash in WARRIOR Ticket milestone rewards, connecting positive behavior with academic responsibility and celebration.

Celebrating the Whole WARRIOR

Together, these programs are designed to create a positive school culture where students are recognized for good choices, encouraged to take responsibility for their learning, and celebrated for their accomplishments.

We look forward to celebrating all the ways our CHMS students demonstrate what it means to be a WARRIOR!

Sarah Muscott
Principal

Welcome, Mr. Burtis!

Chippewa Hills Middle School welcomes Patrick Burtis as our new Assistant Principal! Patrick joins CHMS after seven years teaching Social Studies at Munising Middle/High School, where he was also involved with Youth in Government and coached basketball.

He looks forward to building relationships with our students, staff, families, and community. Outside of school, Patrick is an avid reader, sports fan, and self-described "super nerd" who enjoys spending time outdoors with his family.

We're Back!

After a three-week trial run last spring, we are excited to be back fully face-to-face while also offering two virtual learning options!

Students may complete their classes entirely through Apex, our online learning platform, or they may participate in classes with direct teacher instruction through Google Meet. This option gives students the opportunity to interact with their teacher and online peers, as well as students attending face-to-face. Students have been diligently working in all three formats, and some have already completed classes this school year!

We are excited about what this school year will bring! We look forward to creating even more opportunities for real-world learning and life experiences, including college and trade school visits, business and manufacturing visits, and service-learning projects.

Parent Engagement Night

Our first Parent Engagement Night will be held on **September 16 at 5:00 PM**. We hope parents and guardians will join us to share their input as we develop our Title I Parent/Student/School Compact and discuss our PBIS system. Additionally, Emily Panco, the Program Coordinator and School Liaison for Angels of Action will highlight the services Angels has to offer to our students and families.

We look forward to connecting with our families and working together to make this a successful school year for all of our students!

Welcome back—we're excited for a great year!

Dawn Hawley
Principal

Did You Know?

Mosaic Meets Students Where They Are

At Mosaic School, there's more than one path to success. Mosaic is an alternative education option available to Chippewa Hills students in grades 8-12, offering a smaller, supportive environment where students can learn face-to-face and stay connected with teachers and classmates. When traditional in-person learning isn't the right fit, Mosaic also offers flexible options.

Students can learn fully online through Apex courses or use a blended approach with online, teacher-led instruction through Google Meet. Unlike many online schools, Mosaic keeps students connected to real Chippewa Hills teachers, classmates, and Warrior Nation—combining flexibility with the accountability and support of teachers who care.

Different students. Different paths. **One goal: helping every Warrior succeed.**

Oct 1: Fall Conferences
4:00-7:00 PM

A Great Start to the School Year

We have had a strong start to the school year, with a focus on building a positive school culture and establishing clear expectations for our students. We have spent time teaching and reinforcing our WARRIOR Expectations, along with school routines and procedures, so students feel confident and ready to learn.

Our PBIS initiative supports this work by providing a consistent approach to recognizing positive behavior, building relationships, and helping students make good choices. Together, these efforts help create an environment where students feel safe, supported, and ready for success.

WARRIOR Expectations

We Are Ready to be Respectful, Interdependent, Organized and Responsible Students and staff.

Five Houses, One Family

We are excited to continue our Five Houses, One Family theme, building relationships and a sense of belonging across all grade levels. Throughout the year, older students will have opportunities to serve as leaders, mentors, and role models while helping younger students build confidence and connections.

Each house brings its own strengths and personality, but together we are one Barryton family. We want every student to feel supported, valued, and proud to be part of our school community.

Thank you for your continued partnership. When our school and families work together, we create opportunities for our students to grow, learn, and achieve great things.

Joe Szombati
Principal

Safe Routes to School

Chippewa Hills continues to partner with Safe Routes to School to create safer, healthier ways for Barryton students and families to get to and from school.

Through this grant-funded initiative, improvements are planned to help make walking and biking routes safer, including sidewalk and crosswalk improvements in the Village of Barryton, with particular attention to students who cross busy M-66.

Families will also begin to see new features and incentives around the school that encourage safe walking and biking, increase traffic awareness, and help students build healthy habits.

We're excited to see these improvements take shape and create safer connections between Barryton Elementary and our community!

MECOSTA ELEMENTARY

Flock Together: Soaring Into a New School Year

Welcome families! As we kick off this new school year, I want to share something special with you that will be guiding us all year long. Our theme for this school year is Flock Together! 🦋

You've probably heard the old saying, "birds of a feather flock together." When you watch birds fly in a flock, they aren't just flying side-by-side—they travel farther, shield each other when the wind gets rough, and make sure no one gets left behind. That's the kind of community we are building for your kids every single day.

To us, **Flock Together** means:

- **There is a spot for everyone.** Every student, parent, teacher, and staff member belongs here. Your family is an essential part of our flock.
- **We look out for one another.** Learning new things and growing up has its tricky moments! When the wind picks up, we step in with encouragement, extra help, and a friendly smile to lift each other up.
- **We accomplish more as a team.** Whether we're reading in the classroom, learning during WIN Time, playing at recess, or cheering on our teams, we soar highest when we work together.

WIN Time Begins

We are again launching our dedicated WIN Time this year! This is a special block built right into the school day where students get exactly what they need to support literacy instruction. No student misses core class time, and everyone gets tailored support.

We are so glad to have your family flying with us this year. Thank you for partnering with us—let's make it an incredible school year!

Amanda Treacy
Principal

Unified Champion School

Building Connections Through Peer to Peer

Mecosta Elementary is excited to implement Peer to Peer this school year with grant funding awarded through the Special Olympics Unified Champion Schools program.

Peer to Peer brings students with and without disabilities together to build meaningful relationships, develop understanding, and create a stronger culture of inclusion and belonging. Through shared experiences and opportunities to learn from one another, students discover that everyone has unique strengths and something valuable to contribute.

It's another way Mecosta students are learning what it means to Flock Together by supporting one another, building friendships, and making sure everyone belongs.

WEIDMAN ELEMENTARY

A Great Start at Weidman Elementary

Welcome to the 2026-2027 school year at Weidman Elementary. I am G'ne Jorgensen, and I am so excited to begin my first year as principal of this amazing school. This year, we welcomed three new paraprofessionals: Dominique Miles, Jodi Flaughner, and Michaela Schaub. Paraprofessionals are an integral part of making our school function, and we are lucky to have them join our team.

We also have two student teachers in the building for the first part of the school year, and we are excited to watch them grow into the next generation of educators. Please welcome Hadyn Armstrong and Alyssa Tank to Weidman! Our office is also excited to congratulate Marita Ray on her transition from paraprofessional to office secretary! Come on in and say hi!

End of Day Updates

If you need to pick up your child, please sign him/her out at the office doors. Changes to normal schedules should be arranged with the office prior to 12:00 PM to ensure students are at the proper location for dismissal. For 3:15 pickup, parents sign their children out using a sheet passed down the line. Students are then dismissed from the building with the assistance of a staff member. On inclement weather days, we will work with you so that you are not standing out in the rain or snow. Thank you for your assistance in keeping our students safe!

Just a Reminder

It is important to check your child's backpack every night. Teachers may send notes home to share feedback from the day or ask questions. Please also check backpacks before children leave home to make sure toys and other personal belongings remain at home. Labeling clothing, lunch boxes, and other belongings also helps prevent items from being lost.

Literacy Focus

This year we are increasing our library time. K-4 students will go to the library every Tuesday, and DK students will go every Friday. Students will have time to get new books, read together, and hear stories from our staff. You can help improve your child's literacy skills by encouraging reading at home. Have your child read to you, or simply read alongside them to help strengthen their love of reading. When students finish a book, remind them to have it ready to return each Tuesday/Friday.

G'ne Jorgensen
Principal

Never Stop Leveling Up!

During the 2025-2026 school year, Our Warriors showed us that they can rise to challenge in their academics and behavior skill building with the Level Up Warriors theme.

This year, we are continuing to encourage our kids to Level Up, but we are adding a Toy Story theme: You've Got a Friend in Me. To truly be interdependent, we need to be able to rely on each other and work together. This year we will build in the theme of friendship and interdependence. Students will still earn Warrior tokens, but this year they are able to use them at The Cosmic Claw Prize Planet!

Girls XC: Warrior Invite Champions!

Meet Nolan Smith: Our New Athletic Director

I am excited to begin my first year as Athletic Director at Chippewa Hills and to become part of the Warrior community. One of the things I am looking forward to most is building relationships with our student-athletes, coaches, families, and community while creating a positive experience for everyone involved in Warrior Athletics.

My background in athletics has given me the opportunity to experience sports from many different perspectives. I played and coached football at Concordia University Ann Arbor, where I earned my degree in Sports Management. I later worked in athletic operations and facility management at Grand Valley State University and as an athletic operations assistant at the University of Detroit Mercy.

As we begin the 2026-27 school year, I am excited to get to know our Warrior community, support our teams and coaches, and continue building on the pride and traditions of Chippewa Hills Athletics.

I look forward to seeing you in the stands this fall. Go Warriors!

Nolan Smith
Athletic Director

WARRIORS VS CANCER

FRIDAY
OCTOBER
9

Sign up here!

Ring the Victory Bell!

Join us **Friday, October 9**, as Warrior Football hosts Reed City for our annual Warriors vs. Cancer game, a special evening bringing our community together to honor those whose lives have been touched by cancer.

During halftime, we invite cancer survivors, those currently fighting, and community members honoring or remembering a loved one to join us on the field and ring the Victory Bell. Together, we'll celebrate survivors, support those still fighting, remember those we have lost, and recognize the many lives impacted by cancer throughout Warrior Nation.

Have you or someone you love been impacted by cancer? We invite you to be part of this special halftime celebration. Sign up using the QR code to the left, or use this link: <https://forms.gle/3AFaAhHzL97ZcCWx8>
