FALL 2025

CHIPPEWA HILLS SCHOOL DISTRICT

WARRIORQUARTERLY

WE ARE WARRIORS—THE LEADERS AND THE BEST!

Welcome Class of 2038!

Welcome Back, Warriors!

As we begin a new school year, I want to take a moment to welcome back our students, families, and staff. The start of a school year is always filled with excitement and possibility, and this year is no exception. Walking through our buildings, I can already feel the energy and enthusiasm that will come from seeing friends, meeting new teachers, and setting new goals.

In Chippewa Hills, we are proud to be **WARRIORS**: **W**e **A**re **R**eady to be **R**espectful, **I**nterdependent, **O**rganized, and **R**esponsible **S**tudents and Staff. These values guide everything we do, from our classrooms to our athletic fields, and from our music rooms to our community events.

This year, we look forward to continuing our work together to provide a safe, supportive, and challenging learning environment where every student can grow and succeed. I am grateful for our dedicated staff, our supportive families, and our engaged community. I truly believe together we can make Chippewa Hills, the Leaders and the Best!

Here's to a wonderful year ahead. Let's make it our best yet!

Go Warriors!

Your Support in Action: Summer Facility Improvements

I'm Kyle Talicska, beginning my second year as Assistant Superintendent at Chippewa Hills, overseeing grants, facilities, maintenance, and district-wide MTSS (Multi-Tiered System of Supports).

This summer, thanks to the community's support of the 2020 Sinking Fund, we made major upgrades—most notably replacing outdated heating and cooling systems at our Middle and High Schools. With Energy Systems Group leading the project and Control Solutions and Hurst Mechanical doing the work, we:

- Replaced 96 broken classroom units
- Upgraded over 100 temperature controls and 69 in-floor heating valves
- Installed 50 energy-efficient devices, 44 new control panels, and 1,479 sensors
- Restored the Middle School's in-floor heating system
- Added high-efficiency fans in both gyms for year-round comfort

We also secured a state grant to replace our aging, unsafe bus lift—helping keep our buses running safely for years to come.

Thank you for your continued support of Chippewa Hills. Your investment is making a lasting difference for our students and staff.

2025 Bond Proposal

Enhancing Our Schools Without Increasing the Tax Rate

We are excited to share news about our **2025 Bond Proposal**—a plan to make important improvements across the district **without increasing your tax rate**. This bond is a **zero mill increase, keeping the tax rate at 2.41 mills**, which remains one of the lowest in the area.

If approved, the bond will fund upgrades that enhance safety, modernize learning spaces, and expand opportunities for community use. From renovated classrooms to new athletic facilities, these improvements are designed to benefit students, staff, and the entire Chippewa Hills community.

Improvements for Safety, Learning & Community

Safety & Security

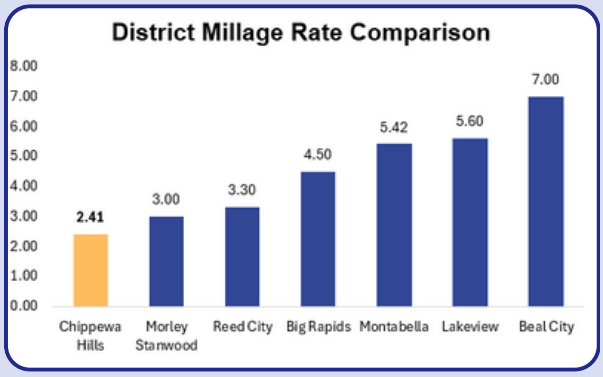

- Upgraded fire alarms and classroom locks
- New exterior doors and metal door frames
- ADA accessibility improvements
- Generators to keep systems running during outages

Community & Student Benefits

- New auxiliary gym, walking track, and wrestling room
- After-hours access for community use and events
- Repurposed Warrior Learning Center for student programs

Additional Upgrades

- Renovated classrooms, skilled trades shops, and science labs
- Restroom, kitchen, and gym floor improvements
- HVAC, flooring, and select window upgrades

VOTE BY NOVEMBER 4, 2025
ZERO MILL INCREASE
FROM CURRENT LEVY

All at a zero mill increase, keeping our tax rate at 2.41 mills—still one of the lowest in the area!

Transportation Updates

Welcome back, Warriors! Here's what's new this year in Transportation:

Shuttle Buses: Elementary shuttles run daily to the secondary site. Please be ready at your stop if your student needs a ride:

- Weidman Elementary Shuttle: 7:30 AM
- Barryton Elementary Shuttle: 7:40 AM
- Mecosta Elementary Shuttle: 7:40 AM

Bus Passes: Bus passes will **not** be issued again this year.

New Office Hours: 5:30–10:30 AM & 2–5 PM on school days.

We appreciate your help in making every bus ride safe and smooth!

Lisa Cole
Transportation Supervisor

Important Update: School Meals & Funding

This past school year, the State of Michigan provided funding for free meals for all students. The School Aid Budget for 2025–26 has not yet been finalized, and it's unclear if this funding will continue. This means school meals may no longer be free for everyone.

To prepare for any outcome, we're asking ALL Warrior families to complete the Child Nutrition and Education Benefit Application. This quick, confidential form helps determine if your child qualifies for free or reduced-priced meals and ensures our schools receive important state and federal funding tied to the application.

While the State finalizes this year's budget, **we will continue offering free breakfast and lunch to all students**. We also encourage parents to contact their legislators to emphasize the importance of funding school meals—it directly affects our students and community.

As always, our menus are available online and on the CHSD App, so families can easily see what's being served each day.

Stay Connected: CHSD App & Rooms

The CHSD App is the easiest way to keep up with school news, events, and messages from your child's teachers. Download it for free in the App Store or Google Play and make sure you're connected so you don't miss important updates.

We send pop up notifications straight to your phone's screen, so you'll always know what's happening. Be sure your phone allows CHSD App notifications and you're subscribed to your child's school(s).

Rooms, built into the CHSD App, is our secure way for parents and staff to communicate. Send and receive messages from teachers, coaches, and advisors, plus stay on top of classroom and extracurricular updates—all in one place. Parents, don't have your Rooms account yet? Fill out this form and we'll get you connected.

Hello Warriors – Let's Win the Day!

Welcome back to Chippewa Hills High School! I hope you had an amazing and restful summer, and that you're as ready as we are to kick off another great year together.

You'll notice a few new faces around CHHS this year, and I'm thrilled to introduce them: Mr. Aisthorpe, Mr. Healy, Miss Kadets, Mr. McGirr, Miss O'Connell, and Mr. Shepard have all joined our teaching staff. If you see them in the halls or out in the community, please give them a warm Warrior welcome.

And since I'm also new to CHHS, let me take a moment to introduce myself. I'm Brian Mumby, and I come to you with many years of experience in education, coaching, and leadership. I'm excited to be part of the Warrior family and can't wait to build on the great things already happening here. My personal motto is "Win the Day", and I'm looking forward to helping our students tackle each day with focus, positivity, and purpose.

A few important things to know:

- **School Hours:** 8:00 AM – 3:00 PM
- **Attendance:** Being in class every day is key to your success. Per our policy, students can have no more than 5 absences per class period each trimester. Please see our Attendance Policy Review for details.
- **Tardies:** If you're tardy for class, you'll report to the H.U.B. during your next lunch period. We'll also have Tardy Sweeps throughout the year, so be sure to get to class on time — the first few minutes are often when the most important instructions are given.

New This Year – Warrior Time
Warrior Time replaces last year's PRIDE time and gives students time for extra help, enrichment, leadership and character development, life skills, and more. It's designed to help every student grow, try new things, and feel ready for what comes next — a perfect chance to "Win the Day".

Let's make this a great year, Warriors!

Homecoming 2025

Homecoming Week: Which Class Will Win?

Get ready, Warriors — Homecoming Week is coming September 22–27, and this year's theme is Ancient Greece! A huge shoutout to our High School Student Council for coordinating all the festivities. Their hard work and creativity make Homecoming a week to remember.

The Class Competition is back! Each grade goes head-to-head to see which class will claim the title of Homecoming Week Champion. Points are earned through the PowerPuff Volleyball tournament, PowderPuff Football games, class floats in the parade, dressing up for Spirit Days, and exciting challenges in the Homecoming Assembly at the end of the week.

It's all about school spirit, teamwork, and having a blast — may the best class win!

Connection, Growth, and Success!

At Chippewa Hills Middle School, we believe every minute of the school day is an opportunity to connect, grow, and succeed. This year, we are excited to bring Homeroom back into our schedule and continue our focus on WIN Time (What I Need).

Homeroom

Homeroom will take place midday, around lunchtime. This provides a natural pause in the day for students to connect with a consistent teacher, build relationships, get organized, and go through our Social/Emotional Learning curriculum, Second Step. It's also a chance to check in on progress, review upcoming events, and make sure students have what they need to finish the day successfully. We did not have Homeroom last year, and we heard from students and staff how much they valued it in the past, so we're excited to welcome it back! This year, each grade level will also have its own 30-minute lunch period, giving students more space and time to enjoy their meal with friends.

WIN Time (What I Need)

WIN Time is a dedicated period where every student receives instruction tailored to their needs. Students are placed into either intervention or enrichment groups based on assessment data and teacher recommendations. Intervention groups focus on strengthening essential literacy or math skills to ensure students are meeting grade-level expectations. Enrichment groups provide opportunities to extend learning, tackle challenging projects, and explore new ideas. Groups are updated after new data is reviewed in order to keep instruction matched to students' needs throughout the year.

By bringing back Homeroom and continuing a structured, data-driven WIN Time, we are creating a balanced schedule that fosters connection, growth, and success for all students.

It's going to be a great year!

New Assistant Principal

Meet Mrs. Jorgensen

We're excited to welcome Mrs. G'ne Jorgensen as the new Assistant Principal at Chippewa Hills Middle School!

Mrs. Jorgensen brings 10 years of teaching experience in secondary English and has served in many advisory roles for student organizations.

Outside of school, she enjoys exploring Michigan, spending time on the lake, visiting local parks, and enjoying the great outdoors with her husband and 3 young children.

Mrs. Jorgensen is looking forward to getting to know our students and parents, developing relationships with our staff, and being an active part of the Warrior community.

Please join us in welcoming her to Chippewa Hills!

Team Mosaic: All In For Our Students

We are looking forward to the start of a brand-new school year! While we'll begin in a fully virtual format, we are excited to share an opportunity we've never before been able to offer our 100% virtual students.

This year, all Mosaic High School students will have a choice:

- Apex Online Platform courses, or
- Direct instruction classes taught by Mosaic teachers via Google Classroom/Google Meet.

Unlike the recorded lessons with "teacher office hours" from the Covid closures, these will be live, regularly scheduled daily classes offering students opportunities to interact with peers and teachers in real time.

For our eighth-grade students: direct instruction via Google Classroom and Google Meets will be the standard. Apex will only be used in rare, extenuating circumstances.

Monthly Off-Site Opportunities

We will also be hosting monthly off-site academic and enrichment activities. Some will be **reward-based** for positive attendance and participation during Google Meet classes and Mentor check-ins. Others will focus on **face-to-face academic support and team building.**

New Learning Space

The district is working hard to create a dedicated Mosaic space within the Middle School facility, complete with its own entrance for both parents and students. Our goal is to have the new space ready when school resumes after winter break.

Staying Connected

We will continue our daily Mosaic **Morning Town Meetings** via Google Meet. This link will remain open and monitored throughout the day for students to log in for help or support as needed.

Students—please check your email for invitations to your Google Classrooms. You can also log in by clicking the **Google Classroom** icon from your Google "waffle" menu and joining your assigned classes.

We can't wait to "see" you online for our first day on Wednesday, August 20th at 8:00 AM. Let's make this year a great one!

Barryton Elementary: Five Houses, One Family

Welcome to a brand new school year at Barryton Elementary! I'm Doug Nichols, and I'm honored to be joining Barryton Elementary as your new principal. As a Marine Corps veteran and former high school teacher, I'm passionate about service, leadership, and building strong connections. I look forward to meeting each of our students and families, and working together to make Barryton the best it can be.

Staffing Updates

We're excited to welcome three new teachers to Barryton Elementary this year! Jenna Odykirk and Bryce Young will be teaching 3rd grade, and Maddie Closson will be joining the 4th grade team. We're thrilled to have them on board and can't wait to see the great things they'll bring to our classrooms and students.

Five Houses, One Family

This year, Barryton Elementary is introducing a new school-wide system inspired by the "house" concept made popular in Harry Potter. Every student will join one of five houses, creating smaller, close-knit communities within our school. The houses will foster belonging, encourage positive behavior, and spark a little friendly competition.

Older students will mentor younger ones, building leadership skills and responsibility, while younger students benefit from guidance and encouragement. Positive choices will be rewarded through our behavior recognition program, with tickets going into each house's box. When a house fills its box, the whole school will celebrate together!

Our shared goal is simple: Five Houses, One Family—making learning, teamwork, and school spirit fun for everyone.

With teamwork, kindness, and school pride, we'll make this year one to remember—thank you for being part of the Barryton family!

Parent Club Needs You!

Join the Fun – Be Part of the Barryton Elementary Parent Club!

We're kicking off a fresh start for the Barryton Elementary Parent Club, and we want YOU to be part of it! This is your chance to meet other families, partner with our amazing staff, and help create unforgettable experiences for our kids. From planning school events to bringing new ideas to life, every moment you spend with the Parent Club will make a difference.

Can't join the Club right now? No problem! There are plenty of ways to get involved – from helping with Popcorn Fridays to lending a hand at school events. Whether you can give an hour, a day, or a few minutes here and there, every bit of help makes Barryton Elementary shine even brighter.

Come be part of the fun, the friendships, and the future of Barryton Elementary! Talk with Mr. Nichols or Mrs. Kerley to get started — we'd love to have you join us!

Level Up, Mecosta Warriors!

Welcome back, Mecosta families! We're excited to start a brand-new school year and can't wait to see all of our students back in the classrooms. This year, we're taking our learning and school community to the next level with our **Level Up Warriors** theme. Every day is a chance to grow, try new things, and celebrate progress—whether in academics, behavior, or teamwork.

We're also energizing our behavior recognition program with more ways for students to earn rewards and be recognized for their positive choices. These moments of celebration help every child feel proud of the difference they make in our school community.

In addition, we're expanding support in math with small-group and one-on-one opportunities, giving students the help they need to build confidence and reach their goals.

Welcome New Staff

We're thrilled to welcome new members to our Mecosta team! Haylee Drake joins us in 4th grade, Melissa Cunningham returns to 3rd grade, and our new paraprofessionals Joselyn Hayden, Brayden Hunt, and Victoria Simon are ready to support our students and classrooms.

Helpful Reminders

- Check your child's backpack daily for notes from school.
- Label all belongings with your child's name to prevent loss.
- Make sure all beginning-of-year forms are completed and returned to the office.

With a focus on growth, celebration, and support for every student, we're ready for an amazing year full of learning, teamwork, and fun!

Principal

Pick-Up Procedures

Picking up your child from school?

- Sign them out at the office.
- Please arrange early pick-ups by noon.
- If your child usually rides the bus, send a note or call by noon—otherwise, they'll go home on the bus.

How We Communicate

Stay Connected with Mecosta Elementary!

Communication is key at Mecosta, and we want to make sure you're always in the loop! Our teachers use the CHSD App every day to share updates, reminders, and important announcements through Rooms. To make sure you don't miss a thing, please download the app and set up your parent Rooms account. If you haven't set up your Rooms account yet, you can do it through the form on our website here.

In addition to the app, teachers also reach out via email and phone calls, so it's incredibly important that we have your current email address and phone number on file. Staying connected helps you support your child's learning, celebrate successes, and stay informed about school events and important updates.

Don't miss out—download the CHSD App, set up your Rooms account, and double-check your contact information today!

Weidman Elementary is Leveling Up!

Welcome to the 2025–2026 school year at Weidman Elementary! I'm Starr Lederer, and I'm honored to begin my 11th year as principal of this incredible school. We're excited to welcome your child back and look forward to a fantastic year ahead. At Weidman Elementary, your child and your family truly matter. Your involvement is key to their academic success, so please reach out anytime to your child's teacher, to me, or to our wonderful secretary, Mrs. Holly Holmes, if you need assistance.

Staffing Updates

This year brings a few exciting changes to our teaching team. Mr. Palmer is moving from 4th grade to 3rd, and we welcome back Mr. Hyde from Barryton Elementary to teach 4th grade. Joining them are two wonderful new faces: Ms. O'Connell, also teaching 4th grade, and Ms. Kaltenbach, our new paraprofessional. We know they'll be fantastic additions to our school family.

Pick-Up Procedures

If you need to pick up your child, please sign them out at the office doors. Early pick-ups should be arranged by 12:00 PM. If your child usually rides the bus and you'll be picking them up, send a note or call by noon — otherwise, they'll ride the bus as usual.

A Few Helpful Reminders

Please check your child's backpack each evening for notes from school, and take a quick peek in the morning to make sure toys or personal items are left at home. Be sure to label outerwear, lunchboxes, and other belongings with your child's name to prevent those items from being lost.

We are looking forward to working with you and your child this year! Together, we can make each day safe, smooth, and full of learning.

Elementary Hours

Full Day: 7:45 AM - 3:15 PM
Half Day: 7:45 AM - 12:15 PM
3-Hour Delay: 10:45 AM - 3:15 PM
Building opens at 7:30 AM for students.

Level Up Warriors

We're excited to kick off the 2025–2026 school year with our new theme: **Level Up Warriors!** This theme encourages students to grow in academics and behavior while supporting each other along the way. Like in a video game, each day brings chances to learn, reach goals, and celebrate progress.

Throughout the year, we'll have school-wide activities, monthly focus areas, and recognition for students as they "Level Up" in their learning. One of our priorities is strengthening support for students in math through MTSS—our Multi-Tiered System of Supports. This approach ensures every child gets exactly what they need, from extra practice to master the basics or challenges to stretch their thinking further. We've seen great results using MTSS in reading, and we're excited to bring that same success to math.

With a Level Up Warriors mindset and a strong plan for all learners, we're ready for a year full of growth, success, and confidence for every student.

Warrior Nation—our 2025 Fall Sports Season is here!

This summer, coaches and athletes worked hard through camps, open gyms, weight training, and fundraising, all with the goal of getting 1% better each day. We're excited to see that dedication pay off in our competitions.

Athletics Updates: Thanks to the continued support of our school district and the Chippewa Hills Sports Boosters, our teams have received new uniforms and much-needed equipment. All coaches are now required by the MHSAA to be certified in First Aid/CPR/AED. Communication with parents, guardians, and athletes will be done through Rooms on the Chippewa Hills App—reach out if you need help accessing it.

A Reminder to Our Fans: Fans play a crucial role in creating a positive atmosphere. Please show respect for all players, coaches, officials, and spectators. Cheer loudly and proudly, but always with sportsmanship. Whether in victory or defeat, our role as Warrior Nation is to uplift and support our student-athletes and coaches throughout the season.
