

**WINTER
2025-2026**

CHIPPEWA HILLS SCHOOL DISTRICT WARRIORQUARTERLY

WE ARE WARRIORS—THE LEADERS AND THE BEST!

Thank you, veterans!

A Season of Thanks

As fall settles in and the days grow shorter, we are reminded to pause and reflect on all that we are grateful for. This year, our sense of thankfulness runs deep.

While our recent bond proposal did not pass, we are appreciative of everyone who took the time to learn about it, ask questions, and cast their vote. Your engagement and care for the future of our schools reminds us how fortunate we are to be part of such a committed and caring community.

This season, and always, we celebrate the power of community, the way we come together to create something better for our children and our future. It is the perfect opportunity to honor the strength of the Chippewa Hills community and the many ways we support one another, whether it's cheering on our WARRIORS, volunteering at school events, or offering a helping hand to a neighbor.

We take pride in the people who make our district thrive: our students who work hard and dream big, our staff who care deeply and give their best, and our families and community members who continue to support and believe in us.

Thank you for your continued partnership and dedication to our schools. Wishing you a wonderful season filled with warmth and gratitude.

Michelle Newman
Superintendent

Strengthening Our Schools Through Grants and Partnerships

Over the past year, we have worked diligently to stretch our district funding and make the most of every opportunity. While we are funded on a "per pupil" basis from the state, that amount does not always provide the level of support we would like to reinvest in our schools.

As a people-driven organization, more than 80% of our per-pupil funding goes toward the staff who support our students each and every day. This is before paying for any supplies or building expenses. To avoid negatively impacting classrooms, we look for alternative ways to generate additional funds, often through grants. Last school year, Chippewa Hills was fortunate to receive several grants that made a meaningful difference.

Did you know that the Saginaw Chippewa Indian Tribe (SCIT) generously gives back to many local organizations? Last year alone, Chippewa Hills received nearly \$190,000 from the SCIT. These funds were used to support district safety and security upgrades, including the installation of new exterior door card readers and security cameras. This winter, each of our elementary buildings will also receive new LED signs. We extend our sincere thanks to the SCIT for their continued partnership and support.

We also secured a \$127,267 grant from the Native American Heritage Foundation to further our rebranding efforts. Among other projects, this funding will allow us to refinish the Middle School gym floor and apply a new design, the first since its original installation in 2001.

We are committed to being good stewards of district resources. These grants help us strengthen our schools while ensuring that per-pupil funding remains focused where it matters most, on our classrooms and students.

Kyle Talicska
Assistant Superintendent

Family Halloween Night

Celebrating a True Community Tradition

Family Halloween Night was a huge success, with over 1,600 visitors trick-or-treating through the decorated hallways of Chippewa Hills High School! This event truly showcases the strength and spirit of our Warrior community.

Hosted by our High School Student Council, the students led all planning and coordination, with the entire high school student body and staff helping to decorate the school and create a spooky haunted house for visitors. All Chippewa Hills school buildings participated in a district-wide candy collection competition, and generous donations from local businesses and families made the night even sweeter.

Thank you to all the students, staff, families, and community partners who helped make Family Halloween Night such a remarkable event. Your support and enthusiasm highlight the power of the Chippewa Hills community coming together!

DISTRICT NEWS

Winter Weather: School Closures & Delays

When winter weather hits, clear and timely communication is our top priority. Whenever a decision is made to close or delay school, we'll share the information as early as possible using all our official communication channels.

Where to Find Updates

- Phone, text, and email alerts
- The CHSD App
- The district website, chsd.us
- The Chippewa Hills district and school Facebook pages
- Radio: 94.5 WCEN, 95.3 WCFX, 100.9 & 102.3 Y102-WYBR, and 104.3 WCZY
- TV: TV 9&10 and Fox 33, NCB 25/Fox 66, ABC 12, ABC 7 & 4, WNEM TV 5, Fox 17, Wood TV 8, and WZZM 13

What to Expect

- School Closure: All buildings are closed for the day and no classes will be held. This includes extracurricular activities and athletics unless otherwise announced.
- 3-Hour Delay: The school day starts three hours later than usual. Bus pick-up times are delayed by three hours, and breakfast is not served. After-school activities and athletic events continue as scheduled, unless otherwise notified.

We encourage all families to check these sources and ensure their contact information is up to date in our system. Thank you for helping us keep everyone informed and safe during the winter months!

Step into the holiday glow at our first-ever Warrior Wonderland Lighted Tree Walk.

Follow the illuminated trails through Warrior Woods,
lined with sparkling trees decorated by our students and school groups.

Enjoy hayrides, a warm bonfire, and plenty of holiday cheer!

December 13 · December 14 · December 20 · December 21

6-8 PM | Free for all ages.

*Warrior Woods is the home of the Chippewa Hills Cross Country course,
on the corner of M-66 and Arthur Road.*

HIGH SCHOOL

Focus and Success for the Second Trimester

With the start of the second trimester, we want to express our gratitude for our students, families, and community. With your support at home, we can help students stay engaged, arrive prepared, and make the most of the opportunities each day brings.

Attendance & Tardies

Regular attendance is a vital part of your student's learning and success. Being in class every day ensures they don't miss important instruction, activities, or classroom experiences. Please review our attendance policies if you have any questions about absences or tardies, and help your student develop the habit of arriving on time and ready to learn each day.

Cell Phone Reminder

Please remember that cell phones and personal devices must remain in lockers throughout the school day and may only be used during lunch. This includes iPads, earbuds, and personal laptops. Students have access to school-issued Chromebooks for all classroom needs.

New Hall Pass System: Securly Pass

To support a safe, respectful, and focused learning environment, the High School is introducing Securly Pass, a digital hall pass system. This new process helps us manage hallway traffic, keep restrooms clean, and make sure students spend as much time as possible engaged in learning in the classroom.

We wish all of our students and families a joyful holiday season and a happy, healthy start to the new year.

Brian Mumby
Principal

Educational Development Plans

Grade-Level Meetings to Plan for Next Year's Courses

Parents, have you heard your student mention their Educational Development Plan (EDP) but aren't quite sure what it is? The EDP is your student's roadmap to success—helping them explore careers, set goals, and plan for high school and beyond. At Chippewa Hills, it's also the tool students use to select next year's classes and stay on track for graduation.

After the holiday break, the Counseling Office will host grade-level meetings for students and parents. These sessions will review the EDP process, cover specific opportunities and requirements for the next grade-level, provide deadlines for class registration, and give families a chance to ask questions.

Be sure to attend so your student has the information they need to plan early and prepare for a successful transition to the next grade.

Thursday, January 29

MIDDLE SCHOOL

Warrior Pride Shines at CHMS!

At Chippewa Hills Middle School, we celebrate students who demonstrate our W.A.R.R.I.O.R. expectations: Respectful, Interdependent, Organized, and Responsible. Each week, teachers give tickets to students who show these qualities, and a few are drawn for special prizes.

More importantly, this program recognizes the positive choices and strong character that make our school community great. Our students have been doing an amazing job living out what it means to be a Warrior, and we are proud of their efforts!

Planning for the Future with Xello

We want students to start thinking about their futures early, and Xello is a powerful tool to help them do just that. Xello allows students to explore careers, identify their strengths and interests, and set goals for high school and beyond. By connecting current learning to future skills, Xello prepares students to make informed decisions about courses, activities, and career paths.

Parents, please support your child by reminding them to log in and work on Xello regularly. The more students engage with Xello, the more they take ownership of their educational journey and set meaningful goals for their own success!

8th Grade Parent Meeting

Time to plan for High School! All 8th graders and their parents are encouraged to attend this important meeting with the High School Counseling Office on **Thursday, January 29** at 6:30 PM in the High School Auditorium. Learn about class options and registration, course pathways, key deadlines, and tips for a smooth transition to high school.

Sarah Muscott
Principal

National Junior Honor Society

Celebrating Our First Inductees

We held our first official National Junior Honor Society (NJHS) Induction Ceremony last month, marking an exciting milestone. This event officially recognized our chapter in the nation's oldest and most prestigious student recognition program.

NJHS membership honors academic achievement, leadership, service, character, and citizenship—qualities our inductees exemplify daily. These students set the standard as dedicated scholars and positive contributors to our school and community.

We are proud of our newest NJHS members for earning this recognition and helping launch this new chapter. Their accomplishments and leadership remind us that the future of Chippewa Hills is bright!

A Fantastic Start to the School Year!

What a fantastic way to begin the year! Students were already in the Mosaic School Town Meeting Google Classroom "waiting room" before 8:00 a.m. on the very first day—ready and excited to get things started. Since then, they've been "showing up" every day with great energy and commitment!

Students have been diligently working toward completing their classes and getting closer to graduation. Some are using the Apex Learning platform, while others are attending virtual classes with their teachers and peers via Google Meet—or a combination of both. It's been wonderful to see the learning and interaction taking place among students, even in a virtual setting.

Miss Angie's Employability Skills class took a field trip to Mid-Michigan College and Central Michigan University, where students learned about different programs offered and explored financial aid opportunities to help them reach their goals.

Since the start of the school year, students have also had the chance to participate in our Scholars and Socials days at Wheatland Township Hall. The mornings are focused on academic support, followed by afternoon activities such as team-building games, pumpkin painting, and Escape Rooms.

Students who have met specific academic milestones have earned invitations to our reward trips—one to Anderson and Girls, another to Morey Courts, and our next one is scheduled for December.

We held our first Parent/Student meeting on September 18th and appreciate all those who were able to attend and provide input. Our next Parent/Student Activity Night will be November 20th at 5 PM in our new Mosaic space. We're so proud of our students' hard work and enthusiasm, and we're looking forward to our next opportunity to meet in person!

Dawn Hawley
Principal

Parent/Student Activity Nights

Join the Fun: Team Up with Your Teen!

At Mosaic, we know students thrive when families are actively involved in their learning. During this season of thanks, we want to express our gratitude to the parents and caregivers who participate in our Parent/Student Activity Nights and other school events. We also recognize that the transition to online learning hasn't been easy, and we truly appreciate the flexibility, patience, and dedication our families show each day to keep students engaged and supported.

To celebrate this partnership, we invite all Mosaic families to our next Parent/Student Activity Night at 5 PM on November 20 for **Team Up with Your Teen for a Kahoot Challenge!** It's a fun, interactive way to connect, learn together, and cheer on your student while testing your trivia skills. We hope you'll join us for this can't-miss night of fun and family connection!

Scholars & Socials

Once a month, our Scholars & Socials day brings students and staff together in person.

Mornings are dedicated to individualized instruction, giving students the opportunity to work directly with teachers for additional support tailored to their learning needs.

In the afternoon, we shift to team-building activities, helping students connect with peers and strengthen our school community.

BARRYTON ELEMENTARY

One United Warrior Family

As we move forward this school year, we want to share a few updates and reminders to help our students succeed each day. Please continue encouraging your child to arrive on time, come prepared, and follow our **WARRIOR Expectations: We Are Ready to be Respectful, Interdependent, Organized and Responsible Student and Staff.** These shared expectations help create a positive, focused environment where everyone can learn and grow.

Halloween Fun

A big thank-you to all the parents and community members who came out to support all of our Halloween fun! Whether you were a judge for the Halloween Pumpkin Decorating Contest, volunteered for your child's classroom party, or supported the kids during the Halloween Parade, your involvement makes these celebrations even more meaningful!

Five Houses, One Family

We're also proud of the ongoing success of our Five Houses, One Family theme. It's wonderful to see students strengthening friendships, building leadership skills, and supporting one another across grade levels. Older students are stepping up as mentors and role models, while younger students are gaining confidence and a strong sense of belonging. Each house represents something special, but together, we truly show that we are one united Warrior family.

Thank you for your continued partnership and support. When families and schools work together, our students achieve remarkable things.

Safe Routes to School

Making Barryton Sidewalks Safer for Students!

Chippewa Hills is partnering with Safe Routes to School to improve sidewalks and crosswalks in the Village of Barryton — especially for students who walk or bike across busy M-66.

Safe Routes to School is a nationwide initiative that collaborates with schools and communities to create safer, healthier, and more connected ways for kids to get to school. By improving walking and biking routes, teaching traffic safety, and encouraging active travel, the program not only boosts student well-being but also helps ease traffic congestion around Barryton Elementary.

Together, we can make Barryton a safer, more walkable place for our Warrior students and families — one step at a time!

Growing and Learning Together!

At Mecosta Elementary, we continue to focus on our Warrior Expectations of being Respectful, Interdependent, Organized, and Responsible. These values create a positive, successful school environment where students can learn, grow, and build strong friendships. We're proud of how our Warriors demonstrate these skills every day!

To celebrate their success, students enjoyed a fun fall activity of pumpkin painting with cider and donuts!

As we move into this busy season of holidays and upcoming Acadience and NWEA benchmark testing, we're excited to see how much our Warriors have grown. The data from these assessments helps us plan WIN (What I Need) Time, where students receive small-group instruction tailored to their individual learning needs.

A Few Important Reminders

- Please call the office if your student will be absent, especially as we enter cold and flu season.
- Check the school app daily for communication from your child's teacher, the front office, or myself.
- Make sure we have your most up-to-date address and phone number on file so we can reach you if needed.

A big thank-you to our **Parent Group**, who raised over \$10,000 at Wheatland this year! This amazing group plays a key role in supporting our school, staff, and students and strengthening the partnership between families and educators.

We also wrapped up our third **Book Blast**, where students raised enough funds to earn 1,431 free books! These books will arrive soon, and we can't wait to see our students' excitement as they dive into new stories.

Thank you for your continued support — we couldn't do this without our amazing Warrior families!

Amanda Treacy
Principal

Mecosta Elementary Santa Shop

Holiday Shopping Made Fun for our Warriors!

Our Santa Shop is back this year on **Friday, December 5**, and students are in for a festive treat! Thanks to our Parent Group, dozens of local vendors will on-site offering fun gifts and goodies at discounted prices. Students can browse the vendors and pick out the perfect gifts for family and friends, making holiday shopping easy and exciting.

Before the big day, a shopping list will go home so students can plan ahead and make sure everyone on their gift list is covered. Parent Group volunteers will help wrap all the presents, so students can take home beautifully wrapped gifts, ready for the holidays. It's a joyful tradition our Warriors look forward to every year, combining giving, planning, and holiday fun—all right here at Mecosta Elementary!

More information will be sent home soon, but be sure to save the date!

WEIDMAN ELEMENTARY

Leveling Up in Learning and Life!

At Weidman Elementary, we are grateful for our students, families, and staff who make our school community so strong. Every day, we celebrate learning, effort, and character as our Warriors Level Up together!

Math WIN Time

We've officially launched Math WIN Time, which is our daily schoolwide time for targeted math instruction and intervention. WIN stands for What I Need, and that's exactly what every student gets! Some students are strengthening foundational skills in small groups, while others are diving deeper with enrichment activities. By making Math WIN Time a consistent part of our day, we're ensuring every student gets what they need to Level Up in math.

Wacky Warrior!

Attendance

Showing up matters and is the first step to success! Each month, students with perfect attendance earn a Level Up charm. Our Wacky Warrior and I dance through classrooms, blasting music and celebrating every student who leveled up. This fun tradition reminds Warriors that showing up daily helps them Level Up in learning and life!

Fluency Trackers

We're building strong readers and mathematicians through practice and perseverance. Each week, students take home a Fluency Tracker to complete with an adult. Returning it earns a small reward and classroom credit for extra recess, plus families are entered into a weekly drawing for a \$25 gift card! Daily practice builds speed, accuracy, and confidence, which are all key for helping every student Level Up their learning!

We're thankful for our Weidman community and proud of every student showing Warrior spirit. Together, we're creating a school where learning, growth, and celebration happen every day!

Starr Lederer
Principal

2025 Blue Ribbon School!

We're thrilled to share that Weidman Elementary has been named one of just 16 schools in Michigan to be designated as a 2025 Blue Ribbon School for high student achievement!

This incredible honor celebrates Weidman Elementary's commitment to excellence in teaching and learning, data-driven instruction, and strong community partnerships that ensure every student thrives. The Blue Ribbon School recognition shines a light on our amazing students, staff, and families who work together every day to make Weidman a place where every Warrior levels up!

Thank you to our entire school community for your dedication, teamwork, and Warrior pride!

JV Football Undefeated Season!

Strength in Team, Pride in Community

It's been an incredible fall season for Warrior Athletics! Our Girls Cross Country team claimed the title of Regional Champions and advanced to the State Finals, where Dory Simon earned All-State honors with an outstanding 15th-place finish. Our Girls Golf team also qualified for the State Finals, and our JV Football team capped off a perfect season with a 9-0 record!

We're also proud to celebrate 16 Warrior athletes who earned All-Conference honors and will be recognized at the CSAA All-Conference Banquet on November 17. It truly takes a village to help our teams succeed. Thank you to our parents, families, coaches, fans, and donors who support Warrior Athletics with such dedication and heart.

Support our Sports Boosters

This winter, our Sports Boosters will be supporting 33 home events, and they could use your help! Concession volunteers play a big role in creating a great game-day experience. Plus, every dollar raised from concessions goes right back to our Warrior athletes. If you'd like to get involved, visit the Chippewa Hills Sports Boosters Facebook page for the volunteer sign-up link and upcoming opportunities.

And don't forget to save the date for the Boosters' biggest event of the year — the Ultimate Warrior on Saturday, March 21 at the Castle in Canadian Lakes. It's an unforgettable evening full of fun, prizes, and lots of Warrior spirit—all in support of our student-athletes.

Let's make it a great winter season! GO WARRIORS!

Joe Szombati
Athletic Director

Warrior Pride in the Stands

As winter sports begin, we're excited to fill the gyms with Warrior pride! Please remember to:

- **Support all players, coaches, and officials.**
- **Keep comments positive and respectful.**
- **Be a role model for our student-athletes.**

Fall 2025 Academic All State

Three Fall Teams Earn Academic All-State Honors

This fall, our Warriors proved they excel in athletics and academics alike. Three of our varsity teams — Girls Cross Country, Girls Golf, and Girls Volleyball — have been recognized as Academic All-State Teams for their excellence in both competition and the classroom.

- Girls Cross Country earned recognition from the Michigan Track Coaches Association with a team GPA of 3.853. Dory Simon, Quinn Hatfield, and Leah Storey also received Individual Academic All-State honors.
- Girls Golf was honored by the Michigan Interscholastic Golf Coaches Association with a team GPA of 3.828.
- Girls Volleyball received recognition from the Michigan Interscholastic Volleyball Coaches Association with a team GPA of 3.756.

We're so proud of these student-athletes and their coaches for representing Warrior excellence. Their efforts prove that hard work, teamwork, and academic achievement go hand-in-hand!
