SPRING 2026

CHIPPEWA HILLS SCHOOL DISTRICT

WARRIORQUARTERLY

WE ARE WARRIORS—THE LEADERS AND THE BEST!

Momentum Into the Final Stretch

Winter certainly didn't hold back this year. Between the cold and the ice, we have been forced to cancel five days of school! This week, with sunshine finally making an appearance, there's a renewed sense that spring is just around the corner.

Spring, as always, is a season of renewal. When we look back from the start of the year to now, we can clearly see the growth, resilience, and achievements of our students and staff. As we head into the final months of the school year, I'd like to take a moment to celebrate our progress, share important updates, and look ahead to what's next.

This year, our schools have been filled with moments that make us proud to serve this community. From academic accomplishments and performances to athletic successes and community projects, our students continue to demonstrate curiosity, creativity, and determination. I am equally grateful for our educators and staff, whose efforts create the conditions for students to thrive every day. Thank you for the energy and heart you bring to your work.

As we enter the final stretch of the academic year, our focus remains on meaningful learning and student well-being. Spring assessments provide one measure of progress, but they are just one part of the larger picture. We remain committed to engaging instruction, strong relationships, and the support students need to finish the year confidently and successfully.

Spring is also a time of thoughtful planning for the future. Our district is actively preparing budgets and plans for the coming year with a focus on aligning resources to our instructional priorities and student needs. As part of this planning, our community will have the opportunity to vote in the district's bond election on May 5. The bond proposal is designed to address long-term facility needs, support safe and effective learning environments, and ensure our schools are prepared to serve students well into the future. We encourage all eligible voters to review the information provided in this newsletter and participate in the election.

Our schools are stronger because of the partnership we share with families and the community. Your involvement, support, and communication make a meaningful difference in the lives of our students. We encourage you to stay connected through upcoming events, district communications, and school activities. As we enjoy the energy and promise of spring, thank you for all you do to support our students and schools.

Together as W.A.R.R.I.O.R.S ~ Leaders and the Best!

Michelle Newman
Superintendent

DISTRICT NEWS

Maximizing Resources to Support Students and Facilities

One question I ask myself daily is: How can we improve our school district and facilities without negatively impacting the classroom?

We have an obligation to carefully weigh every facility improvement and decision by asking how it could affect teaching and learning. Every dollar spent outside the classroom has the potential to impact what happens inside it. Maintaining high-quality facilities while continuing to provide an outstanding education requires a thoughtful and healthy balance.

Over the past year, our district has written and been awarded more than $1 million in competitive grants. We are continually seeking ways to maximize incoming funds and identify alternative resources to strengthen and improve our schools without placing additional strain on classroom budgets.

Our partnership with the Saginaw Chippewa Indian Tribe continues to make a meaningful difference for our district. In the most recent funding cycle, we were awarded $100,305.81. These funds were used to purchase new AEDs for all district buildings, install updated elementary signage to enhance communication, and equip our buses with stop-arm cameras.

Why stop-arm cameras? Each day, our transportation fleet travels more than 1,500 miles across district roads. Unfortunately, we average one to two stop-arm violations per week. These incidents put our students at serious risk. Thanks to this generous grant, every district bus is now equipped with a stop-arm camera. When a vehicle illegally passes a bus with red lights activated, images are captured and shared with local law enforcement to support enforcement and accountability.

We are deeply grateful to the Saginaw Chippewa Indian Tribe for their continued investment in education and student safety. Partnerships like this help us remain leaders and uphold our commitment to being the best for our students and community.

Kyle Talicska
Assistant Superintendent

Step 1: Call to schedule your appointment today!

All families MUST schedule an appointment to attend Kindergarten Round-Up.Please call your child's school to reserve your time:

- Barryton Elementary: 989-382-5311
- Mecosta Elementary: 231-972-7477
- Weidman Elementary: 989-644-3430

Step 2: Complete the enrollment form before your appointment

After scheduling your appointment, please fill out the online enrollment form to save time when you arrive.

Please bring your proof of residency, your child's immunization record, birth certificate, and your child!

Ready to begin kindergarten?

It's a big step and we're here to walk it with you.

Scan the QR code for full Kindergarten Round-up details, enrollment info, and required paperwork.

2026 Bond Proposal: Learn More This March & April

Chippewa Hills School District will place a bond proposal on the May 5, 2026 ballot that continues the facility improvements introduced to the community last fall. The proposal is designed to address key needs across the district, focused on safety, maintaining our facilities, and supporting spaces where students learn and participate each day.

The bond proposal centers on three priority areas:

Safety & Security
Updated entrances, secure spaces, and improved emergency systems.

Facility Upgrades
Repairing and modernizing aging buildings and classrooms.

Multipurpose Space
Athletic, academic, and activity space enhancements to support classes, student programs, and community use.

All without increasing your tax rate!
This is a ZERO MILL increase from the current levy.

Community Bond Town Halls

We invite families, staff, and community members to attend a Bond Town Hall to learn more, review project details, and ask questions.

Tuesday, March 10
6:30 PM at Barryton Elementary

Tuesday, March 17
6:30 PM at Mecosta Elementary

Tuesday, March 24
6:30 PM at Weidman Elementary

Monday, April 13
7:30 PM at Chippewa Hills High School

DISTRICT NEWS

Spring Testing Season: A Quick Guide for Families

Each spring, students participate in several assessments that help us understand their progress and prepare them for future success. Below is a brief overview of the tests you may hear about and what they mean for your child.

M-STEP

Grades: 3–8
Measures: Progress in language arts, math, science, and social studies based on Michigan standards.
Why It Matters: Shows how well students are mastering grade-level expectations and helps guide instruction.

NWEA (MAP Growth)

Grades: K-10
Measures: Individual growth in reading, math, language, and science over time.
Why It Matters: This test is taken 3 times per year and helps teachers tailor instruction to meet each student's learning needs as they grow.

SAT

Grade: 11
Measures: College readiness in reading, writing, and math.
Why It Matters: Required by the State of Michigan and often used for college admissions and scholarships.

PSAT

Grades: 8-10
Measures: College-readiness skills in reading, writing, and math.
Why It Matters: Provides practice for the SAT and helps students see areas for growth.

WIN Career Readiness

Grade: 11
Measures: Real-world workplace skills like applied math, reading for information, and problem-solving.
Why It Matters: Students can earn a National Career Readiness Certificate recognized by employers.

Acadience

Grades: K–8
Measures: Foundational skills in reading and math through brief check-ins that monitor progress and skill development.
Why It Matters: Helps teachers identify strengths, provide timely support, and ensure students stay on track as skills build.

Testing Tips

Prioritize Sleep
A good night's rest helps students stay focused and do their best.

Eat Breakfast
Fueling up is a must and helps with concentration and energy throughout the day.

Be On Time
Arriving at school on time reduces stress and ensures students don't miss instructions.

Encourage Effort, Not Perfection
Remind your child to simply try their best. These tests are only one way we measure growth.

Stay Positive
Your encouragement makes a big difference in how your child approaches testing.

CHIPPEWA HILLS WELLNESS CENTER

PROVIDING MEDICAL & MENTAL HEALTH SERVICES FOR ALL CHIPPEWA HILLS STUDENTS!

- Sick Visits & Injuries
- Well-Child Visits & Sports Physicals
- In-School Counseling

Care That's Close to Home for our Warriors

In a large rural district, access to health services isn't always nearby. The Warrior Wellness Center brings medical and mental health support directly to our students, helping them stay healthy, focused, and ready to learn without leaving school.

HIGH SCHOOL

Finishing the Year Strong

As we enter the final trimester, we are focused on helping students stay engaged, prepared, and successful through a busy spring of learning and milestone moments. This time of year brings important academic work, including state and local assessments, along with opportunities for students to demonstrate their growth as they prepare for the next step in their journey.

Attendance & Tardies

Regular attendance is critical during this final stretch. Being present and on time each day ensures students don't miss valuable instruction and helps them stay on track for success.

Personal Electronic Devices

To help maintain a focused learning environment, personal electronic devices—including cell phones, earbuds, and personal tablets or laptops—must remain in lockers during the school day. Students may use school-issued Chromebooks when technology is needed for class.

We appreciate the continued partnership of our families as we work together to support a strong finish to the school year.

Charity Week

Students Making a Difference Together

One of our most meaningful traditions returns each spring as Student Council hosts Charity Week, a time when fun, friendly competition, and generosity come together for a greater purpose. Students take part in activities throughout the week to raise money for a local charity while building school spirit.

Favorite events include the popular Jail & Bail, themed spirit days, and the culminating Charity Walk, where classes work together to raise funds and earn their chance to take to the track. Our students consistently show up in a big way, far exceeding fundraising goals the past two years.

This year's beneficiary is Angels of Action, a Big Rapids nonprofit serving children and families in Mecosta and Osceola Counties by providing access to food, essential needs, and community resources with compassion and care.

Charity Week is more than a fundraiser. It's a reflection of the generosity and heart of our Warriors and the difference they can make for our community when they work together!

MIDDLE SCHOOL

March Madness for Reading Month!

We are excited to announce our March Madness Reading Month theme this year! Throughout March, students will participate in fun, school-wide activities that encourage reading, build excitement around books, and promote positive literacy habits. With a mix of friendly competition, themed events, and engaging challenges, we're looking forward to making reading both motivating and memorable for our students. We invite families to join us in cheering on our readers as we tip off a month of reading and fun!

Making an Impact Through YAC

Our students are making their voices heard through the Youth Advisory Council (YAC), a partnership with the Warrior Wellness Center. This student leadership group shares ideas and feedback on topics such as healthy eating, physical activity, and programs that promote student well-being.

Their input helps guide school wellness initiatives while giving members the opportunity to build leadership, communication, and advocacy skills.

We commend these students for their leadership and appreciate their willingness to help shape a healthier school community!

Warrior Watch

Middle School News, Produced by Students

We are proud to shine a spotlight on our student-run Digital Media class and the impressive work they produce through their video publication, *Warrior Watch*. This talented group of students is responsible for planning, filming, editing, and producing engaging videos that keep our school community informed and connected.

From highlighting school events and celebrations to sharing important announcements, Warrior Watch reflects the creativity, teamwork, and professionalism of our students. Each episode showcases not only technical skills in digital media, but also strong communication, problem-solving, and leadership skills that will serve students well beyond middle school.

This success would not be possible without the guidance and dedication of Mr. O'Neil. Under his direction, students are challenged to think creatively, take ownership of their work, and hold themselves to high standards. Mr. O'Neil's support and expertise have helped transform Warrior Watch into a production our entire school looks forward to watching each week!

You can view all of this year's Warrior Watch episodes online at: https://www.chsd.us/o/chms/page/warrior-watch

MOSAIC SCHOOL

Mosaic School: Moving Forward Together

Our Mosaic students continue to make great progress in their online coursework, and we are especially encouraged by the strong participation in our daily Mosaic Town Hall meetings. These gatherings have become an important way for students and staff to stay connected, supported, and focused. As we begin the third trimester, we encourage everyone to keep up the hard work and finish the year strong.

New Mosaic School Space

We also want to share an update on the construction of the new Mosaic School space. Work is well underway on a secure, private area that will be housed within the Middle School complex. This space is designed specifically for Mosaic students and includes its own secure entrance, dedicated classrooms, and separate restroom facilities. Mosaic students and the Middle School population will be completely separated and unable to interact during the school day, and the two schools will remain distinct.

We look forward to welcoming Mosaic students back to in-person learning very soon and are excited for the opportunities this new space will provide. We can't wait to have you back!

Graduation Spotlight

Graduation season is approaching, and we are thrilled to celebrate our students' accomplishments. We currently have five students who have already completed their graduation requirements and will receive their diplomas in May.

If you have never attended a Mosaic School graduation ceremony, we invite you to experience it. Since the Class of 2004, Mosaic seniors have upheld a meaningful tradition: instead of a guest speaker, each graduate invites a special person from their academic journey to personally introduce them before they receive their diploma.

These individuals may be teachers, paraprofessionals, secretaries, or bus drivers—sometimes traveling from near and far. Each introduction shares a piece of the student's story, making graduation night truly inspiring and unforgettable.

We look forward to celebrating our student successes!

Dawn Hawley

Mosaic in Action

Thank you, Volunteers!

A big shout-out to our Mosaic students and staff who have been volunteering in the basketball concession stand in support of the Chippewa Hills Sports Boosters. This experience allows our students to earn money for student activities while building life skills, connecting with the school community, and having fun with their peers.

We are proud of our students for stepping up, working hard, and representing Mosaic so well!

Chippewa Hills Mosaic School

BARRYTON ELEMENTARY

Working Together for a Great Year-End

As we move into the second half of the year, consistency becomes more important than ever. Daily attendance and on-time arrival at school play a significant role in student success. When students arrive late, they miss important instruction, routines, and opportunities to connect with their classmates. Being on time helps students feel confident, prepared, and ready to learn from the moment the day begins.

Thank you for your continued support, communication, and commitment to your child's education. Together, we can ensure a strong and successful finish to the school year.

Welcome to Our Team

Barryton Elementary is pleased to welcome Anika Newton as the newest member of our fourth-grade team. We're excited to have her join our Barryton family!

Five Houses, One Family

Five Houses, One Family continues to shape Barryton's school culture, giving students regular opportunities to connect across grade levels through mentorship, shared activities, and schoolwide goals. The initiative reinforces teamwork, positive behavior, and a strong sense of belonging.

Spring Raffle

Our Spring Raffle is Barryton Elementary's only fundraiser this year, and the support will help provide field trips, assemblies, and other opportunities that benefit our students throughout the school year.

Prizes include $500 for first place, $250 for second place, and $150 for third place. Students who sell at least 30 tickets—or families who sell 50—will be invited to a celebratory pizza party. The top two ticket sellers will win a brand-new bike, and the student who sells the grand prize ticket will receive $25.

Tickets are $1 each, and sales run through March 13, when the drawing will take place. Thank you for supporting our Barryton Warriors!

Warriors on the Run

Bringing our Elementary Schools Together Through Running!

Warriors on the Run, a beloved Chippewa Hills tradition, is offered at each of our elementary schools for 3rd and 4th grade students. This spring running club gives students the opportunity to train together, building confidence, friendships, and endurance along the way.

The season begins in April and culminates on May 20 with a two-mile fun run at the Chippewa Hills Cross Country Course, where families and staff come together to cheer on participants and celebrate their hard work. It's a fun and encouraging event that promotes wellness, perseverance, and Warrior pride across the district! More information coming soon!

MECOSTA ELEMENTARY

Growing and Learning Together!

March is always a busy and exciting time in our building. We are celebrating March is Reading Month, and classrooms will be filled with fun activities that encourage students to read, talk about books, and enjoy stories together. Several field trips are also coming up as we head into spring, giving students the chance to connect learning beyond the classroom. We are also looking forward to YES Day and our upcoming Enrichment Day, which are great opportunities for students to earn fun experiences and explore new interests while continuing to practice positive behaviors and responsibility.

As we move further into spring, we will also be hosting a Spring Raffle to build school spirit and support school activities—more information will be coming soon. Additionally, M-STEP testing will take place for our testing grades. This assessment helps us understand student learning and growth, and we appreciate your support in making sure students arrive on time, well-rested, and ready to do their best. Thank you for your continued partnership and support as we head into a busy and exciting spring season.

Discovery Club

Discovery Club Offers After-School Enrichment for 3rd & 4th Graders

We know students benefit most when schools and community partners work together to support learning beyond the classroom. The Morton Township Library is offering a free enrichment opportunity for our 3rd and 4th grade students through its Discovery Club, led by Juliane Schafer. Each week, students can explore hands-on activities including games, art projects, science experiments, scavenger hunts, and visits from special guests—all designed to spark curiosity, creativity, and new friendships in a fun, positive environment.

Discovery Club meets Wednesdays after school from 3:15–4:45 PM at the Morton Township Library. This is a free program and snacks will be provided. Registration is required and forms are available at the library. It's a great example of how community partnerships help create even more opportunities for our students to learn and grow.

Discovery Club runs through March 25.

WEIDMAN ELEMENTARY

Weidman Elementary is Leveling Up for Reading Month!

March is Reading Month at Weidman Elementary, and this year students will be powering up their reading skills with an exciting gaming-themed celebration! Throughout the month, our Warriors will embark on reading quests across the school designed to build stamina, confidence, and a love of books.

Students can look forward to classroom buddy reads, a special Read to a Hero Day, and a fun visit from Henry the Heron. Our schoolwide reading challenges will encourage every student to level up their reading minutes, while hands-on experiences like the STAR Lab, Finger Light Fridays, and our exciting Read-a-Thon Day will keep the momentum going all month long.

At Weidman, we believe reading is a superpower, and we can't wait to watch our Warriors level up their reading skills together!

K-Kids Club

Weidman K-Kids Making a Difference!

Weidman Elementary's K-Kids Club continues to inspire leadership and service among students. K-Kids is a Kiwanis-sponsored program that encourages elementary students to develop a passion for helping others, building leadership skills, and working together to improve their school and community.

This year, 36 student members meet weekly and lead projects they design themselves. Their efforts have included collecting food for the local pantry, creating holiday cards and crafts for community members, raising funds for UNICEF, and celebrating Kindness Week with activities that promote compassion throughout the school.

A highlight this year is the new Brick by Book initiative. With a generous $2,500 donation from the Kiwanis Club, every student selected a book to keep, while additional books were added to classroom lending bins. As students read, they help "build" a castle display by earning chances to decorate bricks and turning reading into a fun, schoolwide goal.

Through service, creativity, and teamwork, Weidman's K-Kids are making a meaningful impact while learning what it means to lead by example.

ATHLETICS

A Strong Winter for Warrior Athletics

As we wrap up an exciting winter season, we are proud of the effort, growth, and accomplishments of our Warrior student-athletes. This season brought many highlights across our programs, showcasing the dedication and competitive spirit of our teams.

In addition to our outstanding bowling achievements (highlighted below), the Varsity Boys Basketball Team earned a strong 2nd-place finish in the CSAA Red Conference. On the wrestling mat, sophomore Jake Edwards and freshman Carson Humphrey advanced to the MHSAA Individual State Finals at Ford Field on March 6–7, an incredible accomplishment at one of the state's biggest stages.

We also celebrate sophomore Frankie Fall of the Varsity Girls Basketball Team, who was named the *Morning Sun* Female Athlete of the Month for January in recognition of her impressive performance and leadership on the court.

Our Competitive Cheer program continues to build momentum, and we congratulate senior Markeith Bunker-Cass, who signed her commitment to cheer at the collegiate level for Cornerstone University.

We are grateful to our coaches, families, and community members for the support they provide our athletes throughout the season. Their encouragement helps create opportunities for our students to compete, grow, and represent Warrior Nation with pride.

Warrior Bowling Success

Rolling Into the Record Books!

Chippewa Hills bowling delivered an outstanding season filled with championship moments. The Varsity Boys Bowling Team captured the CSAA Red Conference Championship for the second year in a row (after earning co-champion honors last year), continuing to build a strong tradition of success.

At Regionals, senior Bodie Hadder placed 4th overall, securing his spot in the Division 3 State Finals Singles Competition on February 28 at JAX 60 in Jackson.

The Varsity Girls Bowling Team made school history by winning their first-ever Regional Championship. The team advanced to compete in the Division 3 State Finals Team Competition on February 27 at JAX 60. Senior Hannah Hough also earned a 4th-place Regional finish, qualifying for the State Finals Singles Competition on February 28.

We are incredibly proud of these Warriors for their dedication and accomplishments this season. You could say we're *bowled over* by their success! Congratulations, Warriors!
