District ~ Board of Education ~ CSA Goals

2025–2026

Goal 1: Strengthen Foundational Literacy & Numeracy

- Implement early literacy and math screeners (PK–5) to identify student needs.
- Provide targeted interventions for struggling learners.
- Offer professional development in structured literacy and differentiated math instruction.
  Measurement: Increased student growth on benchmark assessments at midyear and year-end.

Goal 2: Foster a Positive & Inclusive School Culture

- Expand Social Emotional Learning (SEL) to all grade levels.
- Increase parent and family engagement through monthly events and communication.
- Promote equity and inclusion through curriculum review, staff development, and student activities.
  Measurement: Improved student climate survey results and higher family participation rates.

Goal 3: Strengthen Family and Community Engagement

- Increase transparent communication with families about student learning and school initiatives.
- Expand volunteer and community partnership opportunities.
- Celebrate student achievements and district successes through school and community events.
  Measurement: Increased family participation, positive survey feedback, and stronger community partnerships.

Goal 4: Implement targeted improvements inside and outside district facilities to enhance learning, safety, and community experience.

- Identify and prioritize small-scale facility upgrades that impact student learning and safety (e.g., classroom organization, lighting, signage, playgrounds).
- Improve aesthetic and functional aspects of school grounds to foster a welcoming atmosphere for students, staff, and families.
- Monitor progress through periodic walkthroughs and feedback from the school community.
  Measurement: Completion of identified facility improvements, positive feedback from staff, students, and families, and observable enhancements in the learning and community environment.
