Dear Mrs. Green:

Pursuant to the requirements of *N.J.A.C.* 6A:30, the Hope Township School District has undergone the New Jersey Quality Single Accountability Continuum (NJQSAC) review. The Warren Executive County Superintendent and team conducted a review of the self-assessment on the district performance review (DPR) to verify compliance with the five areas of NJQSAC: Instruction and Program, Fiscal Management, Governance, Operations and Personnel. Based on the review, the District has been placed on the continuum of NJQSAC with the following placement scores:

NJQSAC Areas	Initial Placement June 2026
Instruction and Program	79%
Fiscal Management	100%
Governance	100%
Operations	89%
Personnel	96%

These placement results will be presented to the State Board of Education at an upcoming meeting. Please be advised that NJQSAC regulations require the District Board of Education to report these placement results at the next regularly scheduled board meeting.

The District did not satisfy at least 80% of the indicators in all five areas, therefore, regulations require the District to create a district improvement plan (DIP). The plan must address all noncompliant area(s) that did not achieve at least 80% on the DPR. Attached are instructions for developing the DIP. The deadline for submission of the DIP and accompanying board approval is September 1, 2026.

Pursuant to *N.J.A.C*. 6A:30-4.1, if it is believed that any indicators were scored incorrectly, the District has seven days from the receipt of this letter to submit a written reconsideration request and supporting documentation. Email your request and accompanying documents to qsac@doe.nj.gov.

Sincerely,

A. Robert Gregory
