**BUILDING PERMIT APPLICATION REQUIREMENTS**

- All Building Permit Applications need Zoning Permit approval PRIOR to permit issuance.
- A \$150 deposit is required for application to be accepted. Building permit fees are based on square footage and the type of construction.
- 2 sets of detailed plans are required for permit approval
- If you are hooking in to city water and /or sewer; the **application** for services and **hookup fees** must be paid prior to building permit approval.
- You will be notified by the City office when permit is approved. Payment for Building Permit and hookup fees are required at the time the permit is picked up.
- Building permits should be posted on the construction site when the project is started and should remain on site until final inspection and occupancy is granted.
- It is the responsibility of the applicant to contact the building inspector for inspections. To schedule an inspection please call 208-709-3030 (24-hour advance notice is required)

\*\*\*Construction documents shall be dimensioned and drawn upon suitable material. Electronic media documents are acceptable. Construction documents shall be of sufficient clarity to indicate the location, nature, and extent of the work proposed and show in detail that it will conform to the provisions of the International Building Code; the International Existing Building Code; Idaho Residential Code; IDAPA 07.03.01 - Rules of Building Safety; Idaho State Plumbing Code; Electrical Code, 2017 NEC, including amendments listed in IDAPA 07.01.01 - 07.01.11; Mechanical Codes, including 2012 International Mechanical Code, 2012 International Fuel Gas Code and the 2012 International Residential Code; Fire Code (administered by the Idaho State Fire Marshall) 2015 edition. All codes as applicable. **The submittal documents must be prepared (or signed off on) by a registered design professional.**

Such other data and information as required by the building inspector.
