Michael Bailey, Chief of Police

Chief of Police Michael Bailey respectfully requests the Mayor and Council to approve entering into a yearly contract with Flock Safety for the purchase of five Flock Cameras that have been placed throughout the Town of Parker and Parker South. Flock LPRs are currently being utilized throughout the United States for Law Enforcement as a tool to assist with numerous investigations ranging from stolen vehicles/license plates, missing or endangered persons, and

vehicle-associated crimes. Currently, our officers can utilize the Flock LPRs to assist them with various investigations ranging from drug seizures to assault crimes. Officers can enter a vehicle's license plate into the Flock system and can view any flock "hits" with a network of cameras throughout the state and more. The police department discussed and budgeted approximately \$15,000 for this project during the FY 2023/2024 Budget. Mayor Hartless asked if this was for the purchase of the cameras. Chief Bailey stated it was for the license to use the Flock System. Mayor Hartless asked what that would cost every year. Chief Bailey stated approximately \$18,000.
