NEW STUDENT
REGISTRATION

Use the **CALENDARS & SCHEDULES** link to find:

- District Calendar - with openings, closings and emergency day information.
- District Report Card Schedule - Release Dates for Elementary and Secondary Report Cards and the Report Card Keys
- District Event Calendar

Use the **SCHOOLS** dropdown menu to choose one of the District's 15 schools or the District website. Once selected, you will see a similar toolbar to help you navigate through the different information offered for your student's school building, including General School Information, Forms & Notices, Schedules, PTO, and School Events. *NEW - You can also find Summer Reading and Summer Math under the school heading SUMMER.

The Main Toolbar directs you to information about the District, Central Office, and Community.

Important icons. These are located on ALL school home pages. Make sure to scroll down the page to view.

The OnCourse Connect (Directions and FAQ) section contains:

- **New User Directions**
- **Parent Login Directions**
- **Retrieve Parent/Guardian Username or Password**
- **Updating Parent/Guardian/Student Contact Info**
- **FAQs (including troubleshooting tips)**
- **Annual Back to School Form Acknowledgement**

NOTE: Parents/Guardian Usernames/Passwords are not given out. To obtain your Parent/Guardian credentials for your new student, follow the **New User Directions** in the OnCourse Connect section. ****If your child is pre-enrolled for an upcoming school year, you will not be able to get your credentials until mid-August, before schedules and teacher assignments are distributed.****

Once logged in, view the Dashboard for your student as well as Schedule, Attendance, Academic History, and Other Student Data tabs. Other Student Data includes the student's homeroom teacher, username, password, and more information.

***Students in grades K-2 receive siteword passwords, grades 3-12 receive district issued eight character letter/number passwords. There are no exceptions.**
