**UNDER ANY CIRCUMSTANCE:** In the event of Emergency School Closings or Delayed Openings, it is extremely important you make arrangements with someone to cover the possibility you may not be home. Discuss these arrangements with your child and caregiver, making sure their contact information is updated at your child’s school.

**Note:** As parents/guardians, we defer to your judgment to keep your child home if you determine the conditions in your neighborhood to be too hazardous for them to travel. If your child is a bus student and the bus does not arrive after 20 minutes, instruct your child to return home.
