Trap Shooting Team news!

MHCA trap team is truly grateful to The Second Amendment Legacy Foundation for providing us with a grant of \$5079.34 to purchase supplies. Their generous contribution will allow us to continue our mission of keeping God first in our lives while promoting safe and responsible firearms use for our team. Their support will make a significant impact on our team and help us achieve our goals.

A First-Place Ribbon At The Fair

Weeks before it's even time for the Baxter County Fair, MHCA elementary students are introduced to ideas of what they may see there. The sights, sounds, and smells of the amusement rides, the fun food, the carefully planned exhibits, and the groomed farm animals from our community fill the air with anticipation and excitement!

Of the many exhibits are the beautiful art pieces created by so many of our students. For a couple of weeks prior to the event, students are presented with ideas of how to draw some of the things they would see and create their pieces in Art class. Then, in each grade the selection process begins with students choosing one of their favorites to be considered for final judging within our school.

Finally, two are chosen to represent their grade level. Some of the teachers and staff are asked to help with this process. Then proudly, the first-place winners were off to the fair for display!
