As we step into the spring semester of 2026, we at Mountain Home Christian Academy are filled with excitement and gratitude.

This year is especially significant as a country as we celebrate the 250th anniversary of our nation's founding—a remarkable milestone that reminds us of the vision our Founding Fathers had for America as a nation under God. As John Jay, our first Chief Justice, stated, "Providence has given to our people the choice of their rulers, and it is the duty, as well as the privilege and interest, of our Christian nation to select men of wisdom and virtue." At MHCA, we are committed to honoring this vision by equipping our students with a biblical worldview, ensuring they understand the Godly foundations of our country and are prepared to live as disciples in every sphere of life.

This past semester, we have raised academic and behavioral expectations in our classrooms, encouraging students to reach higher in their studies and character development. We are thrilled to report that students and families have responded positively, embracing the challenge with enthusiasm and demonstrating growth in both their faith and academic achievement. Your support and partnership continue to be invaluable as we guide students toward excellence in body, mind, and spirit.

As always, we encourage open communication between parents, teachers, and school leadership. Your involvement strengthens our mission to partner with Christian parents in developing servant leaders with Christ-like values. Together, we can cultivate an environment where students thrive spiritually, academically, and personally.

Welcome back to MHCA—let's make this semester a joyful celebration of faith, learning, and the enduring Christian principles of our nation!
