Students taking semester tests must stay the whole testing period. If the student is done taking all their tests for the session, they must have parent permission to leave. Once the student is checked out, they must leave the school campus. They are not allowed to go to the gym!
If you have any questions you can come by the office to speak to Mr. Major.

All students in 7th – 12th grade can be exempt from taking the semester tests for individual classes by maintaining an “A” average with no more than 3 absences, a “B” average with no more than 2 absences, a “C” average with no more than 1 absence. Students taking semester tests must stay the whole testing period. If the student is done taking all their tests for the session, they must have parent permission to leave. Once the student is checked out, they must leave the school campus. They are not allowed to go to the gym!

· The first session of semester tests will include 5th, 6th and 7th period classes.

· The second session of testing will include 1st, 2nd, 3rd, and 4th period classes.
