CITY OF PLAINVIEW PLANNING COMMISSION
DECEMBER 6, 2022
MEETING MINUTES

The December 6, 2022, meeting for the Plainview Planning Commission was called to order at 6:00 p.m. by Chair, Holly Reeve.

Members present: Holly Reeve, Aaron Nicklay, Scott Kujath, Roger Durgin, and Jim Walkes.

Members absent: Ben Jacobs and Ann Liebenow-Anttila.

Staff members present: City Administrator David Todd, City Clerk Carol Kujath, Deputy City Clerk Kayla Hall, and Public Works Director Shane Loftus.

Guests in attendance: None.

Motion by Kujath, second by Walkes to approve the Agenda. Motion carried.

Motion by Walkes, second by Kujath to approve the Consent Agenda. Motion carried. The July 25, 2022, minutes were approved without any corrections or amendments.

Development Updates:

Administrator Todd gave the Commission an update on all the different developments. *(see attached document)*

- Marshman Development – Lucas Marshman – The City is waiting on a couple verifications, but this development is essentially done. Brian Malm will be reaching out to Lucas Marshman to get the certificates we need to start the warranty period.
- Orchard Hills 7th – Fran Fox is finalizing infrastructure in roadway and gutter. Has been selling lots for houses.
- Orchard Hills 8th – Pete Meyer has completed a few things and as of today the City received a letter of credit which was reduced to \$61,000.
- Skyview Development – Tom Weiner has exhausted all his funding resources and is no longer able to carry the development through. HMFA will hold the grant open until spring of 2023 to see if Tom can find some way to close the funding gap.

PADCO is waiting for Weiner to submit a letter divesting himself from Skyview, so it can be opened to other developers. PADCO has not received this yet. There is still the question of Kenneth Bush, who still has stake in this development, and if the City would still receive the grant money if Bush was not a part of the development.

- Pleasant Acres – Tony Montgomery is not moving forward with his development, nor is he willing to sell his property at this time.

No motion made.

Updates/Discussion:

Discuss – 2022 Annual Report to Council – Chair Holly Reeve explained one of the tasks as a commission is to report to the Council a summary of the past year's activities. Reeve will type the report and bring to the January Planning/Zoning meeting for approval to be forwarded to Council.

Update – The new City of Plainview Code of Conduct – The City Council desired to craft a code of conduct policy for all boards, committees, and commission as well as the City Council. Council believes this is essential for the public affairs of the City. By eliminating conflicts of interest and providing standards for conduct in City matters, the City Council hopes to promote the faith and confidence of the citizens of Plainview in their government and to encourage its citizens to serve on its council and commissions. It was noted that the City of Plainview is the only city within 25 miles that does not have a Code of Conduct policy on record.

Discuss – January Election of Chair and Vice Chair – Reeve stated that in January the Planning/Zoning commission votes for Chair and Vice Chair for the year.

Memo from Construction Management Systems (CMS) – CMS and WSE Engineering Services, Ltd will be merging as of January 1, 2023. This brings up a unique set of challenges for the City of Plainview. Administrator Todd has reached out to the City's attorney and the City's engineer on this matter to discuss the City's options.

Motion by Nicklay, second by Walkes to adjourn.

Motion carried unanimously. Meeting adjourned at 6:25 p.m.
