

"TAKE 5" – 5 takeaways from last night's board meeting:

1. Mr. Greg Welch will be the High School Principal next school year as Mr. Jackson is retiring. Mr. Welch has been the assistant principal for the last two years and has served in our district for the past 11 years.
2. Mr. Luke Claar will be the High School Assistant Principal next school year. He previously served as a principal in El Dorado, Coffeyville, and Cheney and has 33 years of experience in education.
3. Mr. Reece Petty will move from teaching PE at the Elementary School to teaching PE/Weights at the High School. This summer we will be exploring ways to divide our weightlifting times throughout the day and are open to having different sponsors run each separate session to help meet the needs of all of our athletes.
4. This coming week we will be advertising for the following positions: 1st Grade, Kindergarten, Elementary PE, MS PE, MS Art, and MS Technology.
5. We have kept our daycare rates the same for many years. However, we are consistently running in the "red," so we will be raising our rates for next year—in most cases by \$10 per week. Even with this increase, our rates will continue to be extremely low compared to other daycares.
