Regardless of whether the officer or employee is given access to the student, the student's parent/guardian shall be immediately notified, unless prohibited by a valid judicial warrant or court order, or in cases involving investigations of child abuse, neglect, or dependency. (Education Code 48906)

Additionally, district staff shall notify the Superintendent or designee as early as possible of any request by an officer or employee of an agency conducting immigration enforcement for access to a student. (Education Code 234.7)

For a request for permission to enter a school bus, any other transportation provided by the district, a nonpublic area of any district property or facility, or a nonpublic area where any district-sponsored program or activity is occurring, the district shall deny the request unless any of the following apply: (Education 234.7)

(Penal Code 627.2, 627.3)

The Superintendent or designee shall email the Bureau of Children's Justice in the California Department of Justice (BCJ@doj.ca.gov) regarding any attempt by a law enforcement officer to access a student or a school site for immigration enforcement purposes.

Responding to Immigration Enforcement Activity on District Property

When any officer or employee of an agency conducting immigration enforcement is actually or imminently present on district property, district staff shall notify staff working at the property and, if the district property is a school, the parents/guardians of students at the school in accordance with Board Policy/Administrative Regulation 0450 - Comprehensive Safety Plan.

District staff shall report the presence of any officer or employee of an agency conducting immigration enforcement on district property to district police and other appropriate administrators.

District staff shall not obstruct, interfere with, or otherwise impede, or attempt to obstruct, interfere with, or otherwise impede, any officer or employee of an agency conducting immigration enforcement, even if the officer or employee appears to be acting outside the law or in excess of the stated or documented authorization. If such an officer or employee enters the premises without consent, district staff shall document their actions but only to the extent that documentation does not impede their actions and shall, at all times, obey any direction from such officers or employees.

After all officers and employees of an agency conducting immigration enforcement leave, each district staff member who observed or interacted with them shall promptly provide the following to the district's legal counsel or other district official designated by the Superintendent:

1. Copies of any information and documents collected from the officers or employees such as valid identification, name, badge number, phone number of the officer's or employee's supervisor, and documentation that authorizes the officer's or employee's request

Responding to the Detention or Deportation of Student's Parent/Guardian

The Superintendent or designee shall encourage parents/guardians to update their emergency contact information as needed at any time. The Superintendent or designee shall notify parents/guardians that the district will only use

information provided on the emergency cards in response to specific emergency situations and not for any other purpose. (Education Code 234.7)

Additionally, the Superintendent or designee may encourage all students and families to learn their emergency phone numbers and be aware of the location of important documentation, including birth certificates, passports, social security cards, physicians' contact information, medication lists, lists of allergies, and other such information that would allow the students and families to be prepared in the event that a student's parent/guardian is detained or deported.

In the event that a student's parent/guardian is detained or deported, the Superintendent or designee shall release the student to the person(s) designated in the student's emergency contact information or to any individual who presents a caregiver's authorization affidavit on behalf of the student. The Superintendent or designee shall only contact child protective services if district personnel are unable to arrange for the timely care of the student by the person(s) designated in the emergency contact information maintained by the school or identified on a caregiver's authorization affidavit. (Education Code 234.7)

In an instance where a student's parent/guardian was detained or deported, the Superintendent or designee shall notify the student, as well as the individuals designated in the student's emergency contact information and any individual who presented a caregiver's authorization affidavit on behalf of the student, that the student continues to meet the residency requirements for attendance in the district if the student and the student's parent/guardian who was detained or deported satisfy the conditions as specified in Education Code 48204.4.

The Superintendent or designee may refer a student or the student's family members to other resources for assistance, including, but not limited to, an U.S. Immigrant and Customs Enforcement detainee locator, legal assistance, or the consulate or embassy of the parent/guardian's country of origin.
