Dear Mossyrock School District Community,

I hope this message finds you well. My name is Dr. Effie Dean, and I'm honored to introduce myself as the new interim superintendent of the Mossyrock School District. It is with great enthusiasm that I join this community dedicated to fostering the growth and success of all students.

I want to express my gratitude for the warm welcome I have already received. I am truly excited to work alongside such a committed team of directors, staff, parents, and community members. Together, we can create an environment where every student has the opportunity to thrive, both academically and personally.

My vision for Mossyrock School District centers around enhancing the educational experience for each student. I believe in the importance of collaboration, open communication, and continuous improvement and therefore commit to listening to your thoughts and ideas on this journey together. As we move forward, I look forward to engaging with all of you, whether through school events, community gatherings, or informal conversations. Your insights and support are invaluable in shaping the district's future.

Thank you again for the warm welcome. I'm excited about the possibilities that lie ahead and look forward to serving you and your students.

Warm regards,

Dr. Effie Dean
Superintendent
Mossyrock School District
