Town Hall Meeting Announced: Join the conversation on Two School Bond Proposals to "Build Our Future"

The Build Our Future Committee invites all Osage City residents to a Town Hall meeting to learn about two upcoming school bond proposals that invest in our students and school infrastructure.

The town hall will provide an in-depth look at the Early Childhood Center, one focus area, and the Middle School, Agricultural Science, Career & Technical Education, and Weights/Fitness remodel and new construction, another area of focus.

Attendees will have the opportunity to tour the current middle school building, hear a brief presentation from school district leaders, review architectural plans, and participate in an open Q&A session.

Date: Tuesday, November 17, 2026
Time: 6:30 pm
Location: Osage City Middle School building
Enter through the south doors
420 S. 5th Street, Osage City, KS 66523

For more information regarding the bond proposals, contact Chris Mullins, co-chair of the Build Our Future Committee, at cmullins@usd420.org, or Dena Paul, co-chair of the Build Our Future Committee, at dpaul@usd420.org.
