Community and School

Bridgewater-Raritan High School is located in the scenic, rolling hills of Somerset County in Central New Jersey, 35 miles southwest of New York City and 55 miles northeast of Philadelphia. The district includes the Township of Bridgewater and the Borough of Raritan with a combined total population of approximately 54,000. Many residents work as entrepreneurs or professionals or are employed by local corporations. Our Pre K-12 school system includes seven primary schools (K-4), two intermediate schools (5-6), one middle school (7-8), and one high school (9-12), serving approximately 8000 students.

Bridgewater-Raritan, a picturesque, campus-style high school, is a Blue Ribbon School of excellence accredited by the New Jersey Department of Education and is a member of the College Entrance Examination Board as well as the National and New Jersey Associations for College Admission Counseling. Bridgewater Raritan High School, with a total enrollment of 2668 students, is recognized annually for its achievements in athletic, performing art, and academic endeavors.

Curriculum

The academic program at Bridgewater-Raritan High School has a long tradition of excellence designed to prepare students for both college and the workplace. A variety of academic and extracurricular options provide a challenging environment aimed at helping students reach their full potential. Bridgewater-Raritan High School maintains articulation agreements with local colleges where students have the opportunity to earn college credits prior to graduation. Coursework is designed to progress within program concentrations and course sequences to build on content and skill. This design allows for varied levels of learning to meet individual student needs. The program of studies offers 29 Advanced Placement courses and a wide range of academic electives taught on three levels of instructional rigor (Academic, Honors, AP). Bridgewater-Raritan High School is consistently ranked among the top high schools in New Jersey.

For the 2025-2026 school year, Advanced Placement enrollment and Dual Enrollment courses have been expanded, along with Option 2 opportunities, such as service learning projects and independent study courses. Also, students are permitted to enroll in online courses that satisfy graduation requirements including physical education, health, and other courses to accelerate.

The professional staff has an average of 13 years of service to the district with 78% having earned an advanced degree (MA, MS, PhD, EdD). The district is committed to the professional development of its teaching staff to enhance instructional strategies using best practices and maintain a relevant and progressive approach to student learning.
