

THE REVERBERATIONS OF OUR YEAR

SENIOR Q AND A (2) BY: QUINCY TAYLOR

This edition's senior interview was with Reagan Buchs. She was asked the same questions as last time; let's see what she has to say:

Q: Why did you decide to be a part of the Spirit Crew this school year?

A: I wanted to be more involved in the school.

Q: Is there any advice you would give underclassmen that you feel is important?

A: Do your work, and don't fall behind.

Q: How does it feel to be a Sebring senior?

A: Relieved.

Q: What would you miss most when you eventually graduate from Sebring?

A: Being together with people.

ECOLOGY CLUB BY: QUINCY TAYLOR

Ecology Club is Sebring McKinley's recycling team. Their job is to grab a trash can every Thursday morning during first period and go around to your assigned hallway and grab the recycling. Throughout the year, there are different activities they take part in. The biggest ones are Earth Day and Trick or Treat for turkeys, which is almost always successful. There are a few other activities like Johnson Road cleanup and Literacy under the lights for some examples, and cleaning up around the school, both high school and elementary. And if you complete at least three activities throughout the year, then you will get to go on the zoo trip at the end of the year. If any of this sounds interesting, come by next year and join us; we always need more people!

Congrats guys!

SENIOR VB NIGHT BY: EMILY WARRICK

This Wednesday evening, we celebrated our volleyball seniors! This year, we have seven seniors on our team. These people are Sophia Clark, Kiera Kemmery, Kiley Lacher, Reagan Buchs, Chloe Ensell, Marissa Saldivar and Alexis Stillion. They all played a very tough game and played well. We are so proud of our senior volleyball players, and hope they continue their hard work!
