VINCENNES, IN

| VEF's Year in Review

A Year of Growth

The past year has been one of growth, renewed energy, and meaningful impact for the Vincennes Education Foundation. Thanks to the generosity of our donors, sponsors, volunteers, and community partners, we have continued our mission of enhancing educational opportunities for students and teachers throughout the Vincennes Community School Corporation. Every contribution—whether through a donation, sponsorship, or volunteer effort—helps create opportunities that enrich learning and strengthen our schools.

This year, the Foundation proudly awarded more than \$29,000 in Educational Grants, helping teachers bring innovative ideas, classroom resources, and unique learning experiences to students across the district.

We also awarded more than \$15,000 in scholarships to graduating seniors, helping them take the next step toward college, career training, and future success. These investments reflect our belief that every student deserves opportunities to learn, grow, and achieve their goals.

The Foundation's support extends well beyond grants and scholarships. We welcomed new VCSC teachers with gift baskets at the beginning of the school year, helping them feel appreciated as they joined our district. We also continued our support of Lincoln High School's fine arts programs, the yearbook, and athletics, recognizing that a well-rounded education includes academics, creativity, leadership, and school pride.

Whether supporting a classroom project, celebrating student achievement, or preserving traditions, the Foundation is committed to making a lasting difference throughout VCSC.

As we look ahead, we are excited about the opportunities that lie before us. With continued community support, we can expand our impact, build new partnerships, and provide even more resources for students and educators. Together, we are investing in today's learners while building a stronger future for our schools and our community. Thank you for believing in our mission and for being an important part of the Vincennes Education Foundation's continued growth.

Celebrating Vincennes History

100 Years of Adams Coliseum

This November marks a milestone in Vincennes history as Adams Coliseum celebrates its 100th anniversary. Built in 1926 following the Alices' 1923 Indiana State Championship, the Coliseum quickly became one of the most iconic high school basketball venues in the state. When it opened, it was the largest high school gymnasium in the nation, seating more than 6,000 fans and serving as a gathering place for athletic, civic, and cultural events.

To commemorate this remarkable milestone, the Vincennes Lincoln Alices will celebrate the 100th anniversary of Adams Coliseum with a special boys basketball game this November. The anniversary event will honor a century of unforgettable moments, celebrate the rich tradition of Alice basketball, and bring the community together to recognize one of Vincennes' most treasured landmarks.

Today, Adams Coliseum remains a symbol of Vincennes' rich heritage. Owned and preserved by the Vincennes Education Foundation, it continues to bring our community together through school pride, tradition, and unforgettable memories. We invite you to join us this November as we celebrate 100 years of this treasured landmark.

Upcoming Events

- VEF Homecoming Golf Outing - Saturday, Sept 26, 2026
- Adams Coliseum 100th Anniversary Game - November 25, 2026
- Rockin' for Kids February 27, 2027

Get Involved

How you can make a difference for our community

The Vincennes Education Foundation is dedicated to enriching educational opportunities for students and teachers throughout the Vincennes Community School Corporation. Whether you make a financial gift, sponsor a program or event, volunteer your time, or simply help spread our mission, your support helps create opportunities that have a lasting impact on our schools.

One of the easiest ways to get involved is by participating in our annual events, including the Rockin' for Kids fundraiser and the VEF Golf Outing. We also encourage you to keep an eye out for the Foundation throughout the year at community events and school activities. Follow us on social media, share our mission with others, and join us whenever you have the opportunity. Every donation, sponsorship, volunteer, and event attendee helps us invest in the future of VCSC students and our community.
