Nautilus Mission Statement

We are dedicated to providing a nurturing environment where every student is supported to reach their highest potential. Our commitment to excellence ensures success every day, no matter what it takes.

Dear Nautilus Families,

As we enter the final month of the school year, this is the time to stay focused, be proactive, and **finish strong**! These last few weeks are incredibly important for learning, routines, and ending the year on a positive note.

One of our Wildly Important Goals (WIG) is to maintain **92% attendance**, and we are *so close* to reaching it! We need your partnership to help us cross the finish line. Please make every effort to ensure your child is at school each day and arrives on time.

I also want to take a moment to share how proud we are of our students. They worked incredibly hard during state testing this past month. It has been amazing to see their growth and determination. Our students continue to show us what they are capable of, and it is something to celebrate!

At Nautilus, we are fortunate to have students who are **kind, smart, and capable**. Thank you for your continued support in helping them be their very best each day.

Let's work together to make these final weeks meaningful, successful, and full of pride as we wrap up another great year!

As we celebrate Staff Appreciation Week this first week of May, I would like to take a moment to recognize and thank the incredible team at Nautilus Elementary.

Each and every day, our teachers, specialists, office staff, custodians, and support staff model leadership, build meaningful relationships, and put first things first by ensuring our students feel safe, valued, and inspired to learn. Their dedication to helping every child grow academically, socially, and emotionally truly reflects what it means to be leaders who make a difference.

If your child would like to create a thank-you card or note for a staff member, it would mean so much to them. Small gestures of appreciation go a long way in recognizing the big impact our staff makes every single day.

Thank you for partnering with us and helping us celebrate the amazing people who make Nautilus so special!

With appreciation,

Mrs. Williams
