MESSAGE FROM THE PRINCIPAL

🚩 State Testing 🚩

As we enter the month of April, our 3rd–6th grade students will be participating in state testing. This is an important time for our students, teachers, and school, as these assessments provide valuable insight into academic growth and achievement.

To help our students perform their very best, we encourage you to:

- ✓ Ensure they get a good night's sleep, so they are well-rested and ready to focus.
- ✓ Provide a healthy breakfast to fuel their brains for success.
- ✓ Make sure they arrive on time each morning so they can start their day feeling confident and prepared.

Your encouragement and support make a huge difference! A positive mindset goes a long way in helping students do their best. Let's remind them that they are capable, prepared, and ready to shine!

Thank you for being our partners in education. Together, we can help every student succeed!
