🤸 Apex Fun Run is Coming to Nautilus!

We are excited to welcome **Apex Fun Run** to Nautilus! Apex is more than a fundraiser—it is a **two-week leadership and fitness program** that combines daily character lessons, school spirit, fitness, and fun.

This is our **biggest fundraiser of the year**, and the program will culminate with our exciting **Fun Run on September 24!** 🎉

Families will receive more information soon, including ways to support our fundraiser and opportunities to **volunteer on Fun Run Day**.

We can't wait for two weeks of **leadership, teamwork, fitness, and FUN!** 🐬💙

#Excellence Begins With Me!

Check out our website **https://nautilus.lhusd.org &** Nautilus Facebook Page

Title 1

Nautilus Elementary is proud to be a **Title I school**. Title I is a federally funded program that provides additional resources to schools to help ensure that **every student has the opportunity to be successful**.

- 📚 **Reading and academic intervention services**
- 👩‍🏫 **Additional staff who provide targeted support to students**
- 👨‍👩‍👧 **Family engagement opportunities and resources**

Attendance Matters

Our **Wildly Important Goal (WIG)** at Nautilus is for **93% of all students to be in school each day**, and our Dolphins are already exceeding that goal! 🎉 **August Attendance: 96%!** 🎉

Thank you to our families for making daily attendance a priority. Every day at school matters!

⏰ Our Next Goal: Be On Time!

While our attendance is off to a fantastic start, we have one area where we need your help. During the month of August, we had **119 students arrive late to school**.

Our school day begins at **8:00 AM**, and arriving on time is important. When students are late, they can miss morning announcements, important directions, and the beginning of instruction. Even a few minutes can make a difference!

Leader In Me Habit 1: Be Proactive

This month, we are learning about **Being Proactive**. That means **I am in charge of myself!** I choose my own actions, words, and attitude. Instead of blaming others or saying "I can't," I stop and think, then make a good choice. Being proactive helps me be ready for learning, be a kind friend, and take responsibility.

💡 **Family Connection:** Talk with your child at home about ways they can be proactive. Ask questions like, *"What can you do to get yourself ready for school?"* or *"How can you choose a positive attitude when something doesn't go your way?"* These conversations help students practice leadership skills both at school and at home!

🎂 Celebrate Your Child's Birthday!

Want to make your child's birthday extra special? Have their **name displayed on the Nautilus marquee** for their big day! 🎉 Birthday marquee messages are just **$1 per day**. Forms are available in the **front office**. Please submit your request in advance whenever possible so we can make sure your Dolphin gets their special birthday shout-out!
