Nautilus Mission Statement

At Nautilus, we are dedicated to providing a nurturing environment where every student is supported to reach their full potential. Our commitment to excellence ensures success every day, no matter what it takes.

MESSAGE FROM THE PRINCIPAL

Dear Nautilus Families,

February seems to have come and gone in a blink of an eye. March is a time for transformation as we continue to help our students strive to do their best in academics and behavior. I appreciate all your efforts at home to ensure this carries over into their school day, as it impacts their academic standing. We have seen much growth in our students and look forward to showing off our best work for the state testing, which begins the week of March 23th. Testing will continue through April, and your student must be at school on time on their testing days. Teachers will be communicating the testing days with you. The 4th quarter brings exciting changes as we transition from music to art in specials.

With gratitude, Principal S. Williams
