Tardies Matter - Let's Stay On Time and Safe!

Instruction begins promptly at **8:00 a.m.**, and it is important that students are in their classrooms and ready to learn by that time. **When students arrive late, it disrupts instruction and impacts the learning of all students in the classroom.** Thank you for partnering with us to ensure a successful school day for all students.

No Slippers Please

For the safety of our students, please do not send your child to school wearing slippers or shoes that resemble slippers. All footwear must have a full back, in accordance with our school dress code policy. Thank you for your support in keeping our students safe.

What is AZ Find:

AZ Find, offered through Smoketree Developmental Preschool, is a screening program designed to locate, identify, and evaluate children ages three through five who may have developmental delays or disabilities. If you would like more information about screenings or upcoming dates, please contact Smoketree Developmental Preschool at **928-505-6033**.
