Speaking to a Public Hearing Item Protocol

In the interest of time and to ensure fairness of all persons who appear before the Planning and Zoning Commission to speak for or against a public hearing item, speakers will be limited to three (3) minutes each to address Planning and Zoning Commission except as described herein. One speaker for the Petitioner may address the Planning and Zoning Commission for no more than 10 minutes, unless extended by the Chairperson. In an effort to help the Planning and Zoning Commission and the general public to better understand the issues, the Chairperson requests that a city staff member address the Planning and Zoning commission from the podium. Speakers from the general public may only speak when recognized by the Chairperson during the public hearing. Speakers will be asked to come to the podium to address the Planning and Zoning Commission for three (3) minutes and they shall state their name and resident address for the record.

Speakers addressing the Planning and Zoning Commission on a public hearing item should coordinate comments to respect Planning and Zoning Commission time limits. Groups should select a spokesperson to present the major points that summarized their position and opinions. Speakers are urged to be brief and non-repetitive with their comments. Comments shall specifically address the public hearing item before the Planning and Zoning Commission and the speaker shall maintain appropriate tone and decorum when addressing the Planning and Zoning Commission. The Planning and Zoning Commission may ask questions of the applicant, speakers, or staff during these proceedings only for the purpose of clarifying information. The speaker shall not direct derogatory comments to any individual, organization or business. At the conclusion of the three (3) minute time period, the speaker will be notified that his/her time has elapsed and the next speaker will be recognized to come forward to the podium and address the Planning and Zoning Commission. Once the public hearing is closed on an item, there will be no further opportunity for formal or informal public input at the Planning and Zoning Commission meeting.

The Chairperson may grant additional time; provided, however, an equal period of time shall be granted both sides.
- The petitioner requesting such zoning decision, or the applicant's agent, shall be recognized first and shall be permitted to present and explain the request for the zoning decision. Thereafter, all individuals who so desire shall be permitted to speak in favor of the zoning decision.
