Dear Parents and Guardians,

I am writing to inform you of an incident that occurred on our campus today. A student was found to be in possession of a simulated weapon. Please be assured that students were safe at all times, and at no point was anyone placed in danger. The item was not loaded, not functional, and not usable as a weapon.

The employee who observed the student in possession of the item acted promptly, confiscated it immediately, and reported the matter without delay. Law enforcement was notified and assisted the school in conducting a thorough investigation. Throughout the incident, staff ensured that all other students remained safe, supervised, and protected.

In accordance with District Policy JICI, *no student shall carry or possess a weapon or simulated weapon on school premises without the authorization of a school administrator*. The situation was handled swiftly and appropriately by school staff. The student involved has been disciplined in accordance with district policy.

We remain committed to maintaining a safe, secure, and supportive environment for all students. Should you have any questions or concerns, please contact the school office.

Thank you for your continued partnership.

Sincerely,

Dr. Jeremi Brewer
