Dear Bearcat Families:

Last night, one of our teachers discovered a single bullet on the floor in front of a classroom. The teacher immediately followed all required safety procedures and notified District administration. An action plan was put in place right away.

At this time, there is no evidence of a threat, and it is possible this was an accidental or isolated incident. However, student safety is our highest priority, and we take every situation seriously.

As part of our response, we will be contacting the families of all students to ensure awareness and to request that parents/guardians speak with their children about the importance of safety and reporting anything unusual.

Thank you for your partnership in helping us keep our students and staff safe.

Sincerely,

Dr. Jeremi Brewer
Superintendent
Ray Unified School District
