Tammy Newmanm, Town Manager

PUBLIC SERVICE ANNOUNCEMENT
Town of Springfield – Priority Snow Removal Routes

The Town of Springfield would like to remind all residents of the established priority routes for snow removal to ensure community safety and access to essential services.

1. **School Routes (Weekdays Only):**
   On weekdays, snow removal crews will first clear streets leading to the school to ensure safe access for students and staff.
2. **Emergency & Public Safety Routes:**
   After school routes—or immediately during non-school days—crews will prioritize access to:
   - The Hospital
   - Ambulance Barn
   - Police Department
   - Sheriff's Office
   - Fire Department

When staffing levels and equipment availability allow, these routes may be cleared **simultaneously**.

3. **Airport Access:**
   Once the above routes are open, crews will clear the airport to ensure that **Flight For Life** can land a fixed-wing aircraft if needed.
4. **Residential Side Streets:**
   Side streets will be cleared after all priority routes. Snow will be pushed from the curb toward the **center of the street**, when possible, and intersections will be opened for navigation.
5. **Main Street Businesses:**
   Businesses along Main Street are responsible for removing snow from their own sidewalks and property. **Please note:** Per **CDOT regulations**, snow from sidewalks **may not be pushed into the street. Also: Snow may not be piled within 20 feet of street corners blocking Stop signs, street signs, or driver's view of Main Street.**

We appreciate your patience and cooperation during winter weather events. These procedures help ensure that essential services remain accessible to all residents. Stay safe, Springfield!
