WE NEED YOUR FEEDBACK

COMMUNITY SURVEY COMING SOON

School District of Sheboygan Falls Facility Planning Efforts

Community feedback will help guide the next steps for our schools.

Reflect, Refine & Plan:

Since the unsuccessful referendum in April 2025, we've been revising our plans and reducing the cost based on community feedback.

Over the past year, we have:

- Held multiple community listening sessions and conducted a survey to better understand the priorities of our residents, including staff, parents, community members, and local business owners.
- Hired a new architectural firm to develop different options.
- Reduced the total cost of the plan.
