Exhibit - Waiver and Modification Request Process

Actor	Action
Exemptions from Unfunded Mandates, 105 ILCS 5/22-60.	**Explanation** Applies to unfunded or under-funded: (1) mandates in the School Code enacted after 8-20-10, or (2) regulatory mandates promulgated by the Ill. State Board of Education (ISBE) and adopted by rule after 8-20-10, other than those promulgated with respect to 105 ILCS 5/22-60 or statutes already enacted on or before 8-20-10. Allows the District to petition its Regional Superintendent or Intermediate Service Center Executive Director, whichever is appropriate, to request exemption from implementing the mandate in school(s) in the next school year. **Special Considerations** 1. Whether the significance of the unfunded or under-funded mandate justifies the effort needed to seek an exemption, and 2. The advisability of simultaneously seeking a waiver or modification using 105 ILCS 5/2-3.25g (see *Explanation* section in the row below). **Resources** ISBE Rules and Waivers division at: www.isbe.net/Pages/Waivers.aspx, (217) 782-5270, or waivers@isbe.net.
School Code Mandates and ISBE Rules, 105 ILCS 5/2-3.25g, amended by 104-391; 23 Ill.Admin.Code §1.100.	**Explanation** There are two options for the District (explanations are listed below each option): **Option 1: Petition ISBE** for a *waiver* of School Code mandates; ISBE forwards the petition for waiver to the Ill. General Assembly for consideration in its next-scheduled report. **Option 2: Petition ISBE** for one or more of the following: 1. A *modification* of the mandates in the School Code (this is different than asking for a *waiver* of mandates in the School Code). 2. A *waiver* of ISBE administrative rules. 3. A *modification* of ISBE administrative rules. For **Option 1**, *a waiver of mandates in the School Code*, the District must demonstrate that the waiver is necessary to: (a) stimulate innovation; (b) improve student performance; or (c) it can address the intent of the mandate in a more effective, efficient, or economical manner. 105 ILCS 5/2-3.25g, and 23 Ill.Admin.Code §1.100, list and describe mandates from which school districts may not seek a *waiver* or *modification*.

Actor	Action
	For **Option 2**, *a modification of the mandates in the School Code and/or a waiver or modification of administrative rules*, the District must demonstrate that: (1) it can address the intent of the rule or mandate in a more effective, efficient, or economical manner; or (2) the waiver or modification is necessary to stimulate innovation or improve student performance. The District must also provide certain notices as follows: 4. Publish a notice in a newspaper of general circulation within the District of the time, date, place, and general subject matter of a public hearing on the proposed waiver or modification request. This notice must be published at least seven days before the hearing. 5. If there is no newspaper published in the county, give notice in a secular newspaper published in an adjoining county having general circulation within the District. 715 ILCS 5/2 and 5/5. 6. Post the time, date, place, and general subject matter of the public hearing on the District's website at least 14 days before the hearing. 7. Notify, electronically or in writing, the affected exclusive bargaining agent(s) and the District's State legislators of the District's intent to seek approval of a waiver or modification and of the hearing to be held to take testimony from staff. This notice must occur at least seven days before the hearing, and the affected exclusive bargaining agent(s) shall be allowed to attend the public hearing. 105 ILCS 5/2-3.25g(c-5). Check the ISBE website listed below in the *Special Considerations* section for changes in notice requirements. **Special Considerations** The District must develop a plan supporting a waiver or modification request that meets the criteria in 105 ILCS 5/2-3.25g. See www.isbe.net/Pages/Overview-of-the-Waiver-Process.aspx. 105 ILCS 5/2-3.25g; 23 Ill.Admin.Code §1.100. **Resources** ISBE rules at: 23 Ill.Admin.Code §1.100 (*Waiver and Modification of State Board Rules and School Code Mandates*) 23 Ill.Admin.Code §1.110 (*Appeal Process Under Section 22-60 of the School Code*) ISBE waivers at: www.isbe.net/Pages/Waivers.aspx Waiver overview at: www.isbe.net/Pages/Overview-of-the-Waiver-Process.aspx Instructions at: www.isbe.net/Pages/Waiver-Application.aspx Application form at: www.isbe.net/documents/33-77_waiver_application.pdf
Physical Education, 105 ILCS 5/27-710,	**Explanation**

Actor	Action
renumbered by P.A. 104-391. Driver Education, 105 ILCS 5/27-815, renumbered by P.A. 104-391 and 105 ILCS 5/2-3.25g, amended by P.A. 104-391.	See the *Explanation* section in the row above. **Special Considerations** In addition to the *Explanation* section above: 8. **Physical education** is managed as a *waiver* of School Code mandates discussed in the *Explanation* section above. A waiver of this School Code mandate may be in effect for up to five years. Recent legislative changes removed any cap applicable to renewal of waivers related to physical education. 9. **Driver education fee increases** require the District to include the proposed amount of the fee increase: (a) in the public notice; and (b) on the District's website. 105 ILCS 5/2-3.25g(c-5). **Note:** For a sample school district resolution to increase driver education fees, see 4:140-E3, *Resolution to Increase Driver Education Fees*. **Resources** See the *Resources* section in the row above.
Holidays, 105 ILCS 5/24-2(b).	**Explanation** Allows the District to hold school or schedule teachers' institutes, parent-teacher conferences, or staff development on certain holidays without submitting a modification request to and obtaining approval from ISBE. After a public hearing, the District may hold school or schedule teachers' institutes, parent-teacher conferences, or staff development on: 10. The third Monday in January (Dr. Martin Luther King, Jr.'s Birthday); 11. February 12 (President Abraham Lincoln's Birthday); 12. The first Monday in March (Casimir Pulaski Day); 13. The second Monday in October (Columbus Day); and/or 14. November 11 (Veterans Day). **Special Considerations** The Board must provide notice before the public hearing to both educators and parents/guardians with: (1) the time, date, and place of the hearing; (2) a description of the proposal; and (3) information that testimony from educators and parents/guardians will be taken about the proposal during the hearing. The District must prepare a proposal for recognizing the person(s) honored by the holiday through instructional activities conducted on that day or, if the day is not used for student attendance, on the first school day preceding or following that day. The District may also consider aligning the proposal with Board policies 5:200, *Terms and Conditions of Employment and Dismissal*; 5:330, *Sick Days, Vacation, Holidays, and Leaves*; and 6:20, *School Year Calendar and Day.* **Resources** See the tab labeled *Waivers and modifications no longer needed for legal school holiday requests, most parent-teacher conference*

Parent-Teacher Conferences (Attendance Calculation), 105 ILCS 5/10-19.05(d).	The District is allowed to count a parent-teacher conference as a full day of attendance under any of the following configurations: 15. A minimum of five clock-hours of parent-teacher conferences; 16. Both a minimum of two clock-hours of parent-teacher conferences held in the evening following a full day of student attendance, and a minimum of three clock-hours of parent-teacher conferences held on the day immediately following evening parent-teacher conferences; or 17. Multiple parent-teacher conferences held in the evenings following full days of student attendance, in which the time used for the parent-teacher conferences is equivalent to a minimum of five clock-hours. **Special Considerations** Any other options for counting a parent-teacher conference as a full day of attendance not covered by the language above will require a waiver request to the General Assembly for its consideration. The above clock-hour requirements do not apply if the Governor declares a disaster due to a public health emergency pursuant to 20 ILCS 3305/7 and the State Superintendent of Education may establish minimum clock-hour requirements under 105 ILCS 5/10-30. 105 ILCS 5/10-19.05(j-5). **Resources** See the tab labeled *Waivers and modifications no longer needed for legal school holiday requests, most parent-teacher conference schedules* on ISBE's website at: www.isbe.net/Pages/Modifications-of-the-School-Codes-and-Rules-of-the-State-Board.aspx.

School District Elections

School District elections are non-partisan, governed by the general election laws of the State, and include the election of School Board members, various public policy propositions, and advisory questions. The canvass of votes is conducted by the election authority within 21 days after the election.

The School Board's election duties are:

1. The Board, by proper resolution, may place public policy propositions on the ballot.
2. The Board President, Secretary, and the member with the longest continuous service, whose nominating petition is not being challenged, compose the Education Officers Electoral Board to hear and rule on objections to candidate nominating petitions and voter petitions.
3. The Board Secretary or clerk serves as the local election official, assisted by designated representatives appointed by the Board.

Vacancy

Elective office of a School Board member becomes vacant before the term's expiration when any of the following occurs:

1. Death of the incumbent,
2. Resignation in writing filed with the Secretary of the Board,
3. Legal disability,
4. Conviction of a felony, bribery, perjury, or other infamous crime or of any offense involving a violation of official oath or of a violent crime against a child,
5. Removal from office,
6. The decision of a competent tribunal declaring his or her election void,
7. Ceasing to be an inhabitant of the District or a particular area from which he or she was elected, if the residential requirements contained in the School Code are violated,
8. An illegal conflict of interest, or
9. Acceptance of a second public office that is incompatible with Board membership.

Filling Vacancies

Whenever a vacancy occurs, the remaining members shall notify the Regional Superintendent of Schools of that vacancy within five days after its occurrence and shall fill the vacancy until the next regular board election, at which election a successor shall be elected to serve the remainder of the unexpired term. However, if the vacancy occurs with less than 868 days remaining in the term or less than 88 days before the next regularly scheduled election, the person so appointed shall serve the remainder of the unexpired term, and no election to fill the vacancy shall be held. Members appointed by the remaining members of the Board to fill vacancies shall meet any residential requirements as specified in the School Code. The Board shall fill the vacancy within 60 days after it occurred by a public vote at a meeting of the Board.

Immediately following a vacancy on the Board, the Board will publicize it and accept résumés from District residents who are interested in filling the vacancy. After reviewing the applications, the Board may invite the prospective candidates for personal interviews to be conducted during duly scheduled closed meetings.

Exhibit - Checklist for Filling Board Vacancies by Appointment

The School Board fills a vacancy by either appointment or election. The Board uses this checklist for guidance when it must fill a vacancy by appointment. Some items contain guidelines along with explanations. For more information, see *Answers to FAQs: Vacancies on the Board of Education*, published by a committee of the Ill. Council of School Attorneys (ICSA), and available at: www.iasb.com/policy-services-and-school-law/guidance-and-resources/vacancies-on-the-board.

☐ **Confirm that the Board must fill the vacancy by appointment.**

Guidelines	Explanation
Review Board policy 2:70, *Vacancies on the School Board - Filling Vacancies*, to determine if a vacancy on the Board occurred and, if so, whether the successor will be selected by election or Board appointment. Consult the Board Attorney as needed.	Filling a vacancy by Board appointment or election depends upon when the vacancy occurred. If a vacancy occurs with less than: (1) 868 days remaining in the term of office, or (2) 88 days before the next regularly scheduled election for the vacant office, the Board selects an appointee to fill the vacancy, no election to fill the vacancy is held, and the appointee serves the remainder of the term. At all other times, an appointee serves until the next regular school election, at which election a successor is elected to serve the remainder of the unexpired term. See 105 ILCS 5/10-10.
In the event a seat on the board goes unfilled at an election, consult the Board Attorney to determine (1) how long the seat can be *held over* by the incumbent member, and (2) the process by which the Board will fill the seat.	The School Code partially addresses the concept of a *holdover seat* (a board member remaining in office past their term); it states: "no elective office…becomes vacant until the successor of the incumbent of such office has been appointed or elected, as the case may be, and qualified." 105 ILCS 5/10-11.

☐ **Notify the Regional Superintendent of the vacancy within five days of its occurrence (105 ILCS 5/10-10).**

☐ **Develop a list of qualifications for appointment of a person to fill the vacancy.**

Each of the listed exceptions is mutually exclusive and independent of every other.

A Board member or employee, his or her spouse or an immediate family member living with the Board member or employee, does not violate this policy if the recipient promptly takes reasonable action to return a gift from a prohibited source to its source or gives the gift or an amount equal to its value to an appropriate charity that is exempt from income taxation under 26 U.S.C. §501(c)(3).

Enforcement

The Board President and Superintendent shall seek guidance from the Board attorney concerning compliance with and enforcement of this policy and State ethics laws. The Board may, as necessary or prudent, appoint an Ethics Advisor for this task.

Written complaints alleging a violation of this policy shall be filed with the Superintendent or Board President. The School Board desires that its individual members learn, understand, and practice effective governance principles. The Board is responsible for Board member orientation and development. Board members have an equal opportunity to attend State and national meetings designed to familiarize members with public school issues, governance, and legislation.

The Board President and/or Superintendent shall provide all Board members with information regarding pertinent education materials, publications, and notices of training or development.

Roll Call Vote

All Board member expense requests for travel, meals, and/or lodging must be approved by roll call vote at an open meeting of the Board.

Regulation of School District Expenses

The Board regulates the reimbursement of all travel, meal, and lodging expenses in the District by resolution. No later than approval of the annual budget and when necessary, the Superintendent will recommend a maximum allowable reimbursement amount for expenses to be included in the resolution. The recommended amount should be based upon the District's budget and other financial considerations.

Money shall not be advanced or reimbursed, or purchase orders issued for: (1) the expenses of any person except the Board member, (2) anyone's personal expenses, or (3) entertainment expenses. Entertainment includes, but is not limited to, shows, amusements, theaters, circuses, sporting events, or any other place of public or private entertainment or amusement, unless the entertainment is ancillary to the purpose of the program or event.

School Board

Exhibit - Guidance for Board Member Communications, Including Email Use

The Open Meetings Act (OMA) requires the School Board to discuss District business only at a properly noticed Board meeting. 5 ILCS 120/. Other than during a Board meeting, a majority or more of a Board quorum may not engage in contemporaneous interactive communication, whether in person or electronically, to discuss District business. This guidance assumes a Board has seven members and covers issues arising from Board policy 2:140*, Communications To and From the Board*.

Note: *Public records* stored by board members on personal devices (i.e., texts) or personal email accounts pose significant logistical and administrative challenges for public record preservation and certain FOIA requests. It is therefore a best practice for board members to utilize District-issued devices or District-issued email addresses for electronic communications that qualify as public records under the Freedom of Information Act (FOIA) or the Local Records Act (LRA). For that reason, the examples in this guidance focus primarily on board member email use and District-issued devices.

Communications Between or Among Board Members and/or the Superintendent Outside of a Properly Noticed Board Meeting

3. The Superintendent or designee is permitted to email information to Board members. For example, the Superintendent may email Board meeting agendas and supporting information to Board members. When responding to a single Board member's request, the Superintendent should copy all other Board members and include a do not reply all/forward alert to the group, such as: **"BOARD MEMBER ALERT: This email is in response to a request. Do not reply or forward to the group but only to the sender.**" Alternatively, the Superintendent may blind carbon copy (bcc) all other board members (preventing them from replying to all) and include a similar alert to the group, such as: **"BOARD MEMBER ALERT: This email is in response to a request. To prevent replies or forwards to the group, all board members are blind carbon copied on this email. Only reply to the sender."**
4. Board members are permitted to discuss any topic other than District business with each other, whether in person or by telephone, email, text, or other electronic means, regardless of the number of members participating in the discussion. For example, they may discuss sports, work, or current events.
5. Board members are permitted to provide information to each other, whether in person or by telephone, email, text, or other electronic means, that relates to District business but is non-deliberative and non-substantive. Examples of this type of communication include scheduling meetings and confirming receipt of information.
6. A Board member is not permitted to discuss District business with more than one other Board member at a time, whether in person or by telephone, email, text, or other electronic means. Stated another way, a Board member may discuss District business in person or by telephone, email, text, or other electronic means with only one other Board member at a time.
7. A Board member should not facilitate interactive communication by discussing District business in a series of visits with, or telephone calls, emails, texts, or other electronic communications to, Board members individually.
8. A Board member should include a do not reply all/forward alert when emailing a message concerning District business to more than one other Board member. The following is an example of such an alert: "**BOARD MEMBER ALERT: This email is not for interactive discussion purposes. The recipient should not reply to it or forward it to any other individual.**" Alternatively, the board member may bcc the other board members and include a similar alert to the other board members, such as **"BOARD MEMBER ALERT: This email is not for interactive discussion purposes. To prevent replies or forwards to the group, all board**

members are blind carbon copied on this email. The recipient should not reply to it or forward it to another individual."

9. Board members should not forward email received from another Board member.

When Must the Electronic Communications Sent or Received by Individual Board Members Be Disclosed Pursuant to a Freedom of Information Act (FOIA) Request?

An electronic communication must be disclosed if it is a public record as defined by FOIA, unless a specific exemption applies. A *public record* is any recorded information "pertaining to the transaction of public business, regardless of physical form or characteristics, having been prepared by or for, or having been or being used by, received by, in the possession of, or under the control of any public body." 5 ILCS 140/2, amended by P.A. 104-438. Public records do not include *junk mail*. Junk mail includes unsolicited commercial electronic communications sent to the District that it does not respond to. Id. Email or other electronic communications sent or received by an individual Board member may be, depending on the content and circumstances, subject to disclosure as a public record (unless a FOIA exemption is applicable).

If a Board member uses a District-provided device or email address to discuss public business, the electronic communication is subject to disclosure under FOIA, barring an applicable exemption. If a Board member uses a private device and email address, the communication is subject to FOIA if it satisfies this test:

> **First**, the communication pertains to the transaction of public business, and
> **Second**, the communication was: (1) prepared by a public body, (2) prepared for a public body, (3) used by a public body, (4) received by a public body, (5) possessed by a public body, and/or (6) controlled by a public body.

This test is from the appellate court decision in City of Champaign v. Madigan, 992 N.E.2d 629 (Ill. App. Ct. 2013).

The following examples describe FOIA's treatment of electronic communications:

10. If an electronic communication does not pertain to public business, it is not a public record and is not subject to a FOIA request.
11. An electronic communication pertaining to public business that is:
    a. Sent and/or received by an individual Board member using a personal electronic device and personal email address while he or she is at home or work would not be a public record. Individual Board members, alone, cannot conduct school District business. As stated earlier, emails among a majority or more of a Board-quorum violate OMA and, thus, are subject to disclosure during proceedings to enforce OMA.
    b. Sent and/or received by an individual Board member on a District-issued device or District-issued email address **will be a public record** and subject to FOIA. The electronic communication is under the control of the District.
    c. Received by an individual Board member on a personal electronic device and then forwarded by the Board member to a District-owned device or server **will be a public record** and subject to FOIA. The electronic communication is under the control of the District.
    d. Received by an individual Board member using a personal electronic device and personal email address, and then forwarded by the Board member to enough members to constitute a majority or more of a Board-quorum **will be a public record** and subject to FOIA. The electronic communication is in the District's possession.
    e. Either sent to or from a Board member's personal electronic device during a Board meeting **will be a public record** and subject to FOIA. The electronic communication is in the District's possession because Board members were functioning collectively as a public body.

The District's Freedom of Information Officer and/or Board Attorney will help determine whether a specific communication must be disclosed pursuant to a FOIA request.

When Must Electronic Communications Be Retained?

Electronic communications that qualify under FOIA as *public records* will need to be stored pursuant to the Local Records Act (LRA), only if it is evidence of the District's organization, function, policies, procedures, or activities or contains informational data appropriate for preservation. 50 ILCS 205/. An example is any email from a Board officer concerning a decision made in his or her capacity as an officer. If a Board member uses his or her personal email, he or she must copy this type of email to the appropriate District office where it will be stored. If made available, Board members should use their email accounts provided by the District, and the District will automatically store the official record messages. The District will delete these official record messages as provided in an applicable, approved **retention schedule**. Of course, email pertaining to public business that is sent or received by a Board Member using a District-issued device or email address will be subject to FOIA, even if the email does not need to be retained under the LRA.

Important: Do not destroy any electronic communication concerning a topic that is being litigated without obtaining the Board Attorney's direction. In federal lawsuits, there is an automatic discovery of virtually all types of electronically created or stored data that might be relevant. Attorneys will generally advise their clients at the beginning of a legal proceeding that they must not destroy any electronic records that might be relevant. This is referred to as a litigation hold. For more discussion of a litigation hold, see administrative procedure 2:250-AP2, Protocols for Record Preservation and Development of Retention Schedules. In addition, any person who knowingly with the intent to defraud any party destroys, removes, or conceals any public record commits a Class 4 felony. 50 ILCS 205/

School Board

Committees

The School Board may establish committees to assist with the Board's governance function and, in some situations, to comply with State law requirements. These committees are known as *Board committees* and report directly to the Board. Committee members may include both Board members and non-Board members depending on the committee's purpose. The Board President makes all Board committee appointments unless specifically stated otherwise. Board committee meetings shall comply with the Open Meetings Act. A Board committee may not take final action on behalf of the Board – it may only make recommendations to the Board.

Special Board Committees

A special committee may be created for specific purposes or to investigate special issues. A special committee is automatically dissolved after presenting its final report to the Board or at the Board's discretion.

Standing Board Committees

A standing committee is created for an indefinite term although its members will fluctuate. Standing committees are:

1. Board Policy Committee. This committee researches policy issues, and provides information and recommendations to the Board.
2. Parent-Teacher Advisory Committee. This committee assists in the development of student behavior policy and procedure, and provides information and recommendations to the Board. Its members are parents/guardians and teachers, and may include persons whose expertise or experience is needed. The committee reviews such issues as administering medication in the schools, reciprocal reporting between the School District and local law enforcement agencies regarding criminal and civil offenses committed by students, student discipline, disruptive classroom behavior, school bus safety procedures, and the dissemination of student conduct information.
3. Behavioral Interventions Committee. This committee develops and monitors procedures for using behavioral interventions in accordance with Board policy 7:230, *Misconduct by Students with Disabilities*, and provides information and recommendations to the Board. At the Board President's discretion, the Parent-Teacher Advisory Committee shall perform the duties assigned to the Behavioral Interventions Committee.

Nothing in this policy limits the authority of the Superintendent or designee to create and use committees that report to him or her or to other staff members.

Board Attorney

The School Board may retain legal services with one or more attorneys or law firms to be the Board Attorney(s). The Board Attorney represents the Board in its capacity as the governing body for the School District. The Board Attorney serves on a retainer or other fee arrangement as determined in advance. The Board Attorney will provide services as described in the agreement for legal services or as memorialized by an engagement letter. The District will only pay for legal services that are provided in accordance with the agreement for legal services, as memorialized by an engagement letter, or that are otherwise authorized by this policy or a majority of the Board.

The Superintendent, his or her designee, and Board President, are each authorized to confer with and/or seek the legal advice of the Board Attorney. The Board may also authorize a specific Board member to confer with the Board Attorney on its behalf.

The Superintendent may authorize the Board Attorney to represent the District in any legal matter until the Board has an opportunity to be informed of and/or consider the matter.

The Board retains the right to consult with or employ other attorneys and to terminate the service of any attorney.

School Board

Exhibit - Checklist for Selecting a Board Attorney

The School Board selects and retains the Board Attorney(s). The Board may use this checklist for guidance when it selects and retains attorney(s) and/or law firms for legal services. This checklist is designed for the Board to use a request for proposal (RFP) process to seek outside attorneys/law firms. The Board may also select an attorney without using an RFP process and adapt this checklist. The Board may also adapt this checklist and use it for an application process, if the Board seeks an inhouse attorney. For more information, call the Ill. Association of School Board's (IASB) Office of General Counsel; see its current phone numbers at www.iasb.com/about-us/staff/#office-general-counsel.

☐ **Determine what type of legal services the District needs.**

4. Review Board policy 2:160, *Board Attorney*. **Note:** Critically analyze whether the District's legal needs are best served by in-house attorneys or outside attorneys/law firms. Many districts use a combination of these services. Many districts also use multiple attorneys/law firms for their specialties, e.g., different law firms for bond counsel, special education, or labor law. Some boards also approve a panel of attorneys and allow the administration to choose which attorney to use.
5. Consider the following factors to analyze the type(s) of legal services needed for the District including, but are not limited to:
   - District's size;
   - Any past and current experiences with legal matters;
   - Complexity of the District's legal needs;
   - Availability of expertise; and
   - Cost of outside fees compared to internal staff expenses for an in-house arrangement.

☐ **Develop a list of qualifications necessary for providing quality legal services to the District.**

6. Review Board policy 4:60, *Purchases and Contracts*. **Note:** While State law exempts hiring an attorney from bidding requirements (105 ILCS 10-20.21(a)), the Board may want to review its procurement processes and align procurement for legal services to its non-bidding-related standards for purchases, e.g., avoiding favoritism, staying within the District's budget, etc.
7. Develop the list of qualifications. The major qualifications include, but are not limited to:
   - Licensed to practice law in Illinois and in good standing with the Ill. Attorney Registration and Disciplinary Commission (ARDC) (see checklist item *Conduct a reference check and other background investigations*, below)
   - Member of the District's assigned United States district court and the Seventh Circuit Court of Appeals
   - Substantive knowledge and experience in the legal areas matching District's needs, e.g., bidding, civil rights, collective bargaining, education reform, employment law, Freedom of Information Act, Open Meetings Act, other records laws, special education, student rights, etc. **Note:** This list of knowledge and experience must be created by the District's identified needs and may change from time to time.
   - Experience in all aspects of contract, employment, and school law
   - Experience that meets the District's needs, including litigation experience in State and federal courts
   - Membership in professional associations, such as, the Ill. Council of School Attorneys (ICSA) and education law sections of bar associations, etc.
   - Demonstrated knowledge of and ability to apply professional responsibility rules

- Accessibility for the District's identified needs, e.g., evening Board meetings, phone calls, etc.
- Ability to declare that representation of the District will be to the exclusion of all other clients having potential conflicts with the District's interests
- When additional qualifications apply, list those qualifications for providing legal services. This may include specialties such as bond counsel, etc.

☐ **Develop the RFP.**

8. Insert the list of qualifications that the Board developed.
9. Include the following information:
   - The deadline for responses to be submitted
   - The location (address or email) where responses should be sent
   - A statement that the Board is soliciting proposals from qualified lawyers and law firms to provide legal services to the School District
   - Significant information about the District (see Board policy 1:30, *School District Philosophy*, for the District's mission statement that is specific to the community's goals)
   - The scope of work, e.g., "The Board Attorney will provide legal advice concerning [*typical duties, specific duties, excluded duties].*"
   - Qualifications
   - Details about interviews and presentations
10. Specify what responders must include in their responses, such as the following:
    - Cover letter, complete name, address, and legal structure (if the responder is a law firm)
    - The individuals who prepared the response, including their titles
    - If different from above, the identity of and directory information for the individuals who have authority to answer questions regarding the submitted proposal
    - A proposed fee schedule, e.g., "Respondents may combine set fees and hourly fees. If hourly fees are proposed, please provide the minimum time increment for billing purposes. If a retainer agreement is proposed, please specifically describe options."
    - A summary of the responder's relevant experience representing public schools
    - A writing sample
    - An assurance that the responder meets the RFP's qualifications
    - References including current or past clients

☐ **Announce the RFP.**

11. Title the announcement. **Note:** How and where the RFP is announced are at the Board's sole discretion. The Board may want to announce the RFP during an open meeting, post it on the District's website, mail or email it to local law firms, and/or place it in the local newspaper(s) or other legal publications. A directory of those lawyers belonging to the ICSA is on the IASB website, www.iasb.com. A printed copy is available upon request. Inclusion in the directory does not represent an IASB endorsement. Some attorneys who practice school law do not belong to ICSA. Other online sources, such as the Ill. State Bar Association, also maintain directories of information about attorneys. The Board may want to title the announcement "The [*Insert District's name*] School Board Requests Proposals to Provide Legal Services."
12. Announce that the Board seeks an attorney or law firm to serve as its Board Attorney.
13. Inform the reader that the attorney or law firm selected will serve either *at will* or from the date of appointment to [*date*]. The length of the appointment is at the Board's discretion.
14. State the School District's philosophy or mission statement.
15. Insert the RFP location and contact information with the beginning date and time.
16. Tell prospective responders that completed RFPs must be returned by [*certain time and date*] to [*name and title of person receiving applications*].

☐ **Receive and manage responses to the RFP.**

1. Review Board policy 2:110, *Qualifications, Term, and Duties of Board Officers*. The Board President is a logical officer to accept the applications, but this task may be delegated to the Secretary or Superintendent's secretary if the Board determines that it is more convenient. Who accepts applications is at the Board's sole discretion and should be decided by the Board prior to posting the RFP announcement.
2. The Board will discuss, at an open meeting, its process to review the applications and who will contact RFP responders for an interview.
3. The designated person will contact RFP responders for interviews.

☐ **Develop interview questions if the Board interviews attorneys or law firms.**

1. Interview questions are at the Board's discretion.
2. A prospective attorney or law firm to fill the Board Attorney position may raise other specific issues that the Board will want to cover during an interview.
3. The following non-exhaustive list of interview questions may help the Board tailor its questions toward finding an attorney or law firm with an approach to the role of the Board Attorney that the Board desires:
   - What do you see as your role as Board Attorney?
   - How many other school districts do you currently represent?
   - What kind of legal services do you provide to your school clients? Please explain how your other experience is relevant to this position.
   - How many years of experience does your firm (or, the attorney) have? How long have you been practicing law? How long have you been representing school districts?
   - What methods will you use to ensure all members of the Board, which is your client, remain informed? See the discussion about the *Ill. Professional Rules of Conduc*t in f/n 2 of sample policy 2:160, *Board Attorney*.
   - How would you manage a situation in which the Board feels strongly about its position but you believe that position is not legally supportable? The *Ill. Rules of Professional Conduct*, at www.illinoiscourts.gov/supremecourt/rules/art_viii/default_new.asp, require attorneys to represent the Board in its capacity as the governing body for the District. The responders should be discussing these rules, specifically Rule 1.7 (Conflict of Interest: Current Clients) and Rule 1.13 (Organization as Client), among others, in their answers to this question. See also, sample policy 2:160, *Board Attorney*.
   - How would you manage a situation in which the Board's interest may be or become adverse to one or more of its members? See the discussion about the Il*l. Professional Rules of Conduct* in f/n 2 of sample policy 2:160, *Board Attorney*.
   - How would you manage a situation in which the Board and Superintendent are in conflict? How about a divided Board? See the discussion about the *Ill. Professional Rules of Conduct* in f/n 2 of sample policy 2:160, *Board Attorney*.
   - If the Board did something that you had advised against, could you still defend the Board's action? See the discussion about the *Ill. Professional Rules of Conduct* in f/n 2 of sample policy 2:160, *Board Attorney*.
   - Will you try to shape Board decisions or do you have a whatever the Board decides philosophy? See the discussion about the *Ill. Professional Rules of Conduct* in f/n 2 of sample policy 2:160, *Board Attorney*.
   - Do you give clients specific recommendations or do you advise them of the available options and let the client decide? See the discussion about the *Ill. Professional Rules of Conduct* in f/n 2 of sample policy 2:160, *Board Attorney*.
   - Do you provide your school Board clients with any updating services gratis?

- How do you keep your Board clients apprised of litigation and other legal matters you are handling for them?
- Will you be handling this business personally, i.e., will you delegate to your associates or partners?
- Can anyone else in your firm handle our inquiries when you are unavailable?
- How do you keep current on school law?
- When do you tell your school clients to contact you regarding a matter with possible legal repercussions?
- Have you represented a school district in a matter involving the rights of disabled students? …involving disabled employees? ... involving a student expulsion? … involving a teacher dismissal? … involving an employee's contract or dismissal? … involving a building contract or bidding matter? … Can you tell us about that case?
- How do you bill? How are you to be paid? Please explain your rates and/or fees. The subject of billing should cover whether the attorney or law firm prepares a budget for representation and its method for billing in detail, including the date and time, what work was performed, and who worked on the project, along with expenses.
- Did you bring a written agreement for legal services, engagement letter, or a retainer agreement? If yes, please review it for us now. If not, please explain the options for a written agreement for legal services, engagement letter, or a retainer agreement.

☐ **Develop an interview protocol.** Interviews may occur in closed session pursuant to 5 ILCS 120/2(c)(1).

1. The Board President will lead the Board as it interviews responders to its RFP. See 105 ILCS 5/10-13 stating that the Board President presides at all meetings and Board policy 2:110, *Qualifications, Term, and Duties of Board Officers*.
2. The Board may also want to consider allowing an equal amount of time for each interview.
3. Discuss the following items with each responder during the interview:
   - Introduce Board members to the responder
   - Describe the Board's interview process, selection process, and ask the responder if he or she has questions about the Board's process for selecting its attorney
   - Describe the District's philosophy or mission statement
   - Describe the Board Attorney position by reviewing the RFP
   - Begin asking the interview questions (see *Develop interview questions*, above)
   - Ask the responder whether he or she has any questions for the Board
   - Thank the responder and inform him or her when the Board expects to make its decision and how the responder will be contacted regarding the Board's decision

☐ **Conduct a reference check and other background investigation(s).**

1. The Board President may perform this check or direct the Superintendent to:
   - Check the ARDC's master roll of attorneys as "Authorized to Practice Law" (To do this, enter the attorney's name into the ARDC's registration and public disciplinary records database at: www.iardc.org/Lawyer/Search.)
   - Click on the attorney's name to review whether any disciplinary actions are pending or resolved; current and prior actions will appear at the bottom of the screen
   - If disciplinary actions are listed, ask the attorney or law firm for more information
2. There are other online attorney review services available. These services may be overly subjective and/or the attorney may have control over the content in these services. Always check with the ARDC.
3. Call references provided by the responder.

☐ **Enter into a written agreement or engagement letter with the selected attorney or law firm.**

1. All *agreements for legal services* should be in writing. At minimum, the agreement should provide the fee arrangement and the scope of services. *Agreements for legal services* and individual billing statements form the Board Attorney are subject to disclosure pursuant to a Freedom of Information Act request (PAO 14-02).
2. Discuss the fee arrangements with the responder and decide:
   - Whether to enter into a fee arrangement and/or a retainer agreement (**Note:** Attorneys typically bill by a pre-determined percentage of the hour, e.g., in one-tenth of an hour increments. Many districts enter into a retainer agreement for legal services or an engagement letter that requires them to pay the attorney a pre-determined fee every month. In return, the attorney provides a pre-determined amount of legal services whenever the district needs him or her. Districts find this useful because (1) they can budget for legal expenses, (2) legal advice is available up to the pre-determined amount for lower fees, and (3) this arrangement often provides for an enhanced, long-term relationship with the attorney.)
   - The appropriate scope of services
3. Review the written contract or memorialized relationship (*agreement for legal services or engagement letter*) for these provisions:
   - Fee arrangement
   - Scope of services
   - Which attorneys will be providing legal services
   - A statement that the Board controls all legal decisions
   - A statement that the attorney and his or her law firm have no conflicts of interest or, if a conflict exists, that the Board understands the conflict and waives it
   - Board's right to terminate the services of the attorney and law firm at any time for any reason
4. Approve the *agreement for legal services or engagement letter* during an open Board meeting.

☐ **Announce the appointment to District staff and community.**

1. The contents of the announcement and length of time it is displayed are at the Board's sole discretion.
2. The Board may want to consider announcing during an open meeting. See Board policy 8:10, *Connection with the Community*.
3. The Board may want to include the following information in its announcement:
   - The Board appointed [attorney's name or law firm name] as the Board Attorney
   - The appointment will begin on [*date*] for [*length of time*]
   - The Board previously established qualifications for the Board Attorney in a careful and thoughtful manner, e.g., "[*Attorney or law firm's name*] meets these qualifications and has demonstrated the willingness to accept its duties and responsibilities. [*Attorney or law firm's name*] brings a clear understanding of the demands and expectations of the Board Attorney position along with a constructive attitude toward the challenge."

No final Board action will be taken at a closed meeting.

Reconvened or Rescheduled Meetings

A meeting may be rescheduled or reconvened. Public notice of a rescheduled or reconvened meeting shall be given in the same manner as that for a special meeting, except that no public notice is required when the original meeting is open to the public and: (1) is to be reconvened within 24 hours, or (2) an announcement of the time and place of the reconvened meeting was made at the original meeting and there is no change in the agenda.

The School Board President is responsible for focusing the Board meeting agendas on appropriate content. The Superintendent shall prepare agendas in consultation with the Board President. The President shall designate a portion of the agenda as a consent agenda for those items that usually do not require extensive discussion before Board action. Upon the request of any Board member, an item will be withdrawn from the consent agenda and placed on the regular agenda for independent consideration.

Each Board meeting agenda shall contain the general subject matter of any item that will be the subject of final action at the meeting. Items submitted by Board members to the Superintendent or the President shall be placed on the agenda for an upcoming meeting. District residents may suggest inclusions for the agenda. The Board will take final action only on items contained in the posted agenda; items not on the agenda may still be discussed.

The Superintendent shall provide a copy of the agenda, with adequate data and background information, to each Board member at least 48 hours before each meeting, except a meeting held in the event of an emergency. The meeting agenda shall be posted in accordance with Board policy 2:200, *Types of School Board Meetings*.

The Board President shall determine the order of business at regular Board meetings. Upon consent of a majority of members present, the order of business at any meeting may be changed.

Voting Method

Unless otherwise provided by law, when a vote is taken upon any measure before the Board, with a quorum being present, a majority of the votes cast shall determine its outcome. A vote of *abstain* or *present*, or a vote other than *yea* or *nay*, or a failure to vote, is counted for the purposes of determining whether a quorum is present. A vote of abstain or present, or a vote other than yea or nay, or a failure to vote, however, is not counted in determining whether a measure has been passed by the Board, unless otherwise stated in law. The sequence for casting votes is rotated.

On all questions involving the expenditure of money and on all questions involving the closing of a meeting to the public, a roll call vote shall be taken and entered in the Board's minutes. An individual Board member may request that a roll call vote be taken on any other matter; the President or other presiding officer may approve or deny the request but a denial is subject to being overturned by a majority vote of the members present.

Minutes

The Board Secretary shall keep written minutes of all Board meetings (whether open or closed), which shall be signed by the President and the Secretary. The minutes include:

1. The meeting's date, time, and place;
17. Board members recorded as either present or absent;
18. A summary of the discussion on all matters proposed, deliberated, or decided, and a record of any votes taken;
19. On all matters requiring a roll call vote, a record of who voted yea and nay;
20. If the meeting is adjourned to another date, the time and place of the adjourned meeting;
21. The vote of each member present when a vote is taken to hold a closed meeting or portion of a meeting, and the reason for the closed meeting with a citation to the specific exception contained in the Open Meetings Act (OMA) authorizing the closed meeting;
22. A record of all motions, including individuals making and seconding motions;
23. Upon request by a Board member, a record of how he or she voted on a particular motion; and

24. The type of meeting, including any notices and, if a reconvened meeting, the original meeting's date.

The minutes shall be submitted to the Board for approval or modification at its next regularly scheduled open meeting. Minutes for open meetings must be approved within 30 days after the meeting or at the second subsequent regular meeting, whichever is later.

Every six months, or as soon after as is practicable, in an open meeting, the Board: (1) reviews minutes from all closed meetings that are currently unavailable for public release, and (2) determines which, if any, no longer require confidential treatment and are available for public inspection. This is also referred to as a *semi-annual review*. The Board may meet in a prior closed session to review the minutes from closed meetings that are currently unavailable for public release, but it reports its determination in open session.

The Board's meeting minutes must be submitted to the Board Treasurer at such times as the Treasurer may require.

The official minutes are in the custody of the Board Secretary. Open meeting minutes are available for inspection during regular office hours within 10 days after the Board's approval; they may be inspected in the District's main office, in the presence of the Secretary, the Superintendent or designee, or any Board member.

Minutes from closed meetings are likewise available, but only if the Board has released them for public inspection, except that Board members may access closed session minutes not yet released for public inspection (1) in the District's administrative offices or their official storage location, and (2) in the presence of the Recording Secretary, the Superintendent or designated administrator, or any elected Board member. The minutes, whether reviewed by members of the public or the Board, shall not be removed from the District's administrative offices or their official storage location except by vote of the Board or by court order.

The Board's open meeting minutes shall be posted on the District website within ten days after the Board approves them; the minutes will remain posted for at least 60 days.

Verbatim Record of Closed Meetings

The Superintendent, or the Board Secretary when the Superintendent is absent, shall audio record all closed meetings. If neither is present, the Board President or presiding officer shall assume this responsibility. After the closed meeting, the person making the audio recording shall label the recording with the date and store it in a secure location. The Superintendent shall ensure that: (1) an audio recording device and all necessary accompanying items are available to the Board for every closed meeting, and (2) a secure location for storing closed meeting audio recordings is maintained close to the Board's regular meeting location.

After 18 months have passed since being made, the audio recording of a closed meeting is destroyed provided the Board approved: (1) its destruction, and (2) minutes of the particular closed meeting.

Individual Board members may access verbatim recordings in the presence of the Recording Secretary, the Superintendent or designated administrator, or any elected Board member. Access to the verbatim recordings is available at the District's administrative offices or the verbatim recording's official storage location. Requests shall be made to the Superintendent or Board President. While a Board member is listening to a verbatim recording, it shall not be re-recorded or removed from the District's main office or official storage location, except by vote of the Board or by court order.

Before making such requests, Board members should consider whether such requests are germane to their responsibilities, service to District, and/or Oath of Office in policy 2:80, *Board Member Oath and Conduct*. In the interest of encouraging free and open expression by Board members during closed meetings, the recordings of closed meetings should not be used by Board members to confirm or dispute the accuracy of recollections.

Quorum and Participation by Audio or Video Means

A quorum of the Board must be physically present at all Board meetings. A majority of the full membership of the Board constitutes a quorum.

Provided a quorum is physically present, a Board member may attend a meeting by video or audio conference if he or she is prevented from physically attending because of: (1) personal illness or disability, (2) employment or District business, (3) a family or other emergency, (4) unexpected childcare obligations, or (5) performance of *active military duty* as a *service member*. If a member wishes to attend a meeting by video or audio means, he or she must notify the Recording Secretary or Superintendent at least 24 hours before the meeting unless advance notice is impractical. The recording secretary or Superintendent will inform the Board President and make appropriate arrangements. A Board member who attends a meeting by audio or video means, as provided in this policy, may participate in all aspects of the Board meeting including voting on any item.

No Physical Presence of Quorum and Participation by Audio or Video; Disaster Declaration

The ability of the Board to meet in person with a quorum physically present at its meeting location may be affected by the Governor or the Director of the Ill. Dept. of Public Health issuing a disaster declaration related to a public health emergency. The Board President or, if the office is vacant or the President is absent or unable to perform the office's duties, the Vice President determines that an in-person meeting or a meeting conducted under the **Quorum and Participation by Audio or Video Means** subhead above, is not practical or prudent because of the disaster declaration; if neither the President nor Vice President are present or able to perform this determination, the Superintendent shall serve as the duly authorized designee for purposes of making this determination.

The individual who makes this determination for the Board shall put it in writing, include it on the Board's published notice and agenda for the audio or video meeting and in the meeting minutes, and ensure that the Board meets every OMA requirement for the Board to meet by video or audio conference without the physical presence of a quorum.

Rules of Order

Unless State law or Board-adopted rules apply, the Board President, as the presiding officer, will use the most recent edition of Robert's Rules of Order Newly Revised, as a guide when a question arises concerning procedure.

Broadcasting and Recording Board Meetings

Any person may record or broadcast an open Board meeting. Special requests to facilitate recording or broadcasting an open Board meeting, such as seating, writing surfaces, lighting, and access to electrical power, should be directed to the Superintendent at least 24 hours before the meeting.

Recording meetings shall not distract or disturb Board members, other meeting participants, or members of the public. The Board President may designate a location for recording equipment, may restrict the movements of individuals who are using recording equipment, or may take such other steps as are deemed necessary to preserve decorum and facilitate the meeting.

Exhibit - Board Treatment of Closed Meeting Verbatim Records and Minutes

The following procedures govern the verbatim audio recordings and minutes of School Board meetings that are closed to the public.

Actor	Action
Before any Board meeting: Superintendent or designee	Arranges to have an audio recording device with adequate storage capacity and a back-up audio recording device in the Board meeting room during every Board meeting regardless of whether a closed meeting is scheduled. The Board may close a portion of a public meeting without prior notice; it cannot, however, have a closed meeting unless it can record the session.
Before a closed meeting: Board President or presiding officer (#3 and #4 may be delegated to the Board Secretary or Recording Secretary)	On the closed meeting date: (1) convenes an open meeting, (2) requests a motion to adjourn into closed meeting making sure the reason for the meeting is identified in the motion, (3) takes a roll call vote, (4) ensures that the minutes record the vote of each member present and the reason for the closed meeting with a citation to the specific exception contained in the Open Meetings Act (OMA) authorizing the closed meeting (5 ILCS 120/2a), and (5) adjourns the open meeting.
Before a closed meeting: Superintendent or Board Secretary	Immediately before a closed meeting, tests and activates the audio recording device.
During a closed meeting: Board President or presiding officer	Convenes the closed meeting stating: Seeing a quorum of the School Board gathered today, [*state the date*], at [*state the time*], at ____ location, for the purpose of holding a closed meeting in order to confidentially discuss ___, I call the meeting to order. To record who is present, I request that each individual state his or her name and position with the District, and whether you are in person or participating remotely by audio or video conference. (**Note:** This script is an example.) Limits discussion to the topics that were included in the motion to go into a closed meeting. The failure to immediately call a person out-of-order who strays from the purposes included in the motion may result in an appearance of acquiescence. This responsibility to call a person out-of-order falls on each Board member in the event of the President's failure. Once the closed meeting is finished, announces a return to an open meeting or adjournment, and states the time.
After a closed meeting:	**For Verbatim Recordings**:

Actor	Action
Superintendent, Recording Secretary, or Board Secretary	Takes possession of the recording of the closed meeting and labels it with identification information, specifically the date and items discussed. Adds the identification information contained on the recording's label to a cumulative list of closed meeting recordings. As soon as possible, puts the recording of the closed meeting in the previously identified secure location for storing recordings of closed meetings. Upon request of a Board member: 5. Provides access to the verbatim recording at a reasonable time and place without disrupting District operations; 6. Supervises the access to the verbatim recording or delegates it to one of the following individuals in the District: a. The Recording Secretary, b. The Superintendent or designated administrator, or c. Any elected Board member; and 7. Logs the access to the recordings in exhibit 2:220-E7, *Access to Closed Meeting Minutes and Verbatim Recordings*. **For Closed Meeting Minutes**: Prepares written closed meeting minutes that include: • The date, time, and place of the closed meeting • The Board members present and absent • A summary of discussion on all matters proposed or discussed • The time the closed meeting was adjourned Upon request of a Board member: 1. Provides access to the closed session minutes at a reasonable time and place without disrupting District operations; 8. Supervises the access to the closed session minutes or delegates it to one of the following individuals in the District: a. The Recording Secretary, b. The Superintendent or designated administrator, or c. Any elected Board member; and 9. Logs the access in exhibit 2:220-E7, *Access to Closed Meeting Minutes and Verbatim Recordings*.
After a closed meeting: School Board	Approves the previous closed meeting minutes at the next open meeting.
In preparation for the semi-annual review: Superintendent or designee	Every six months, prepares a recommendation concerning the continued need for confidential treatment of all of the Board's closed meeting minutes; includes this recommendation in the packet for the meeting in which the Board will conduct its semi-annual review. This step is in preparation for the Board's meeting to decide whether the need for confidential treatment of specific closed meeting minutes continues to exist.

Actor	Action
	If the Board wants to discuss closed meeting minutes in closed session, places "review of unreleased closed meeting minutes" on a closed meeting agenda. Places "result of Board's review of unreleased closed meeting minutes" as an item on a subsequent open meeting agenda.
In preparation for the semi-annual review: Individual Board members	Before the meeting in which the Board will conduct its semi-annual review, examines the material supplied by the Superintendent. Individual Board members should consider: (1) the Superintendent's recommendation, (2) the recommendation of the Board Attorney, (3) other Board members' opinions, (4) the minutes themselves, and/or (5) whether the minutes would be exempted from public disclosure under the Illinois Freedom of Information Act.
During the semi-annual review: School Board	The Board decides in open session whether: (1) the need for confidentiality still exists as to all or part of closed meeting minutes, or (2) the minutes or portions thereof no longer require confidential treatment and are available for public inspection. The Board may have an earlier meeting in closed session to discuss the continued need for confidential treatment.
After the semi-annual review: Superintendent or designee	Relabels and refiles closed meeting minutes as appropriate.
Monthly: Board President	Adds "destruction of closed meeting verbatim recording" as an agenda item to an upcoming open meeting.
Monthly: School Board	Approves the destruction of particular closed meeting recording(s) that are at least 18 months old and for which approved minutes of the closed meeting already exist.

Meeting Minutes Protocol

1. Meeting minutes are the permanent record of the proceedings during a School Board meeting. All Board action must be recorded in the minutes; thus, the minutes focus on Board action.
2. The minutes only include information provided at the meeting. Information may not be corrected or updated in the minutes unless it was discussed at the meeting.
3. Minutes include a summary of the Board's discussion on an agenda topic; the minutes do not state what is said verbatim. The minutes do not repeat the same point made by different individuals. If appropriate, the minutes include a brief background and an explanation of the circumstances surrounding an issue discussed. The minutes do not include the names of Board members making specific points during discussion. Requests from individual Board members to include their vote or an opinion in the minutes are handled according to Board policy 2:220, *School Board Meeting Procedure*.
4. The minutes include the topic of reports that are made to the Board including reports from the Superintendent or a Board committee. Written reports are filed with the minutes but do not become part of the minutes.
5. The minutes note when a member is not present for the entire meeting due to late arrival and/or early departure.
6. Although items may be considered by the Board in a different order than appeared on the agenda, items in the minutes are generally recorded in the same order as they appeared on the agenda. When a meeting is reconvened on a different date, the minutes must describe what happened on each meeting date.
7. The minutes should be recorded in an objective tone. Answers and explanations, rather than questions, are recorded. Writing style, including choice of words and sentence structure, is at the discretion of the individual recording the minutes.
8. The minutes include individuals' names who speak during the meeting's public participation segment as well as the topics they address. All written documents presented at a Board meeting are filed with the minutes but do not become part of the minutes.
9. The following template generally governs meeting minutes.

Exhibit - Semi-Annual Review of Closed Meeting Minutes

Logging and Review Process

1. Step 1. The Board Secretary or Recording Secretary maintains a log of the closed meeting minutes that are unavailable for public inspection. The meeting minutes are logged according to the reason the Board held the closed meeting. See exhibit 2:220-E6, *Log of Closed Meeting Minutes*.
2. Step 2. The Board meets in closed session to review the log of unreleased closed meeting minutes. The Board or Recording Secretary brings a copy of all unreleased closed meeting minutes and, if requested, allows Board members to review the actual minutes. The Board identifies which closed meeting minutes or portions thereof no longer need confidential treatment. Use *Report Following the Board's Semi-Annual Review of Closed Meeting Minutes*, below.
3. Step 3. At least *semi-annually* (every six months, or as soon after as is practicable, taking into account the nature and meeting schedule of the Board), in an open meeting, the Board takes action to release for public inspection those minutes, or portions thereof, no longer needing confidential treatment. Use *Action to Accept*, below. Closed meeting minutes will not be released for public inspection if confidential treatment is needed to protect the public interest or the privacy of an individual, including: (1) student disciplinary cases or other matters relating to an individual student, and (2) personnel files and employees' and Board members' personal information. 5 ILCS 120/2.06(d).
4. Step 4. The Board Secretary or Recording Secretary: (1) updates the log of unreleased closed meeting minutes to remove any minutes that the Board made available for public inspection; (2) makes a notation on any applicable closed meeting minutes of the Board's action to release it or a portion of it for public inspection; (3) continues to log new closed meeting minutes that the Board has not released for public inspection (see exhibit 2:220-E6, *Log of Closed Meeting Minutes*); and (4) maintains logs for access to closed session minutes pursuant to 5 ILCS 120/2.06(e).

Open Meetings Act

The Open Meetings Act (OMA) requires public bodies to "keep written minutes of all their meetings, whether open or closed, and a verbatim record of all their closed meetings in the form of an audio or video recording." 5 ILCS 120/2.06(a). Minutes must include, but are not limited to: (1) the date, time, and place of the meeting; (2) the members of the public body recorded as either present or absent and whether the members were physically present or present by means of video or audio conference; and (3) a summary of discussion on all matters proposed, deliberated, or decided, and record of any votes taken. Id.

The remainder of 5 ILCS 120/2.06 addresses the approval of open meeting minutes, the treatment of verbatim recordings of closed meetings, the semi-annual review of closed meeting minutes, the confidential nature of closed meeting minutes, and the right of persons to address public officials under rules established and recorded by the public body. The requirements of 5 ILCS 120/2.06, as well as OMA requirements pertaining to Board agendas, are included in Board policy 2:220, *School Board Meeting Procedure*.

Exhibit 2:220-E3, *Closed Meeting Minutes*, provides a sample template for keeping closed meeting minutes that incorporates the requirements of 5 ILCS 120/2.06 of OMA. It also includes an area to designate if the Board has determined, pursuant to 5 ILCS 120/2.06(d), that the closed meeting minutes no longer need confidential treatment.

Exhibit 2:220-E4, *Open Meeting Minutes*, contains a protocol for open meeting minutes that incorporates the requirements of Section 2.06 of OMA. It also provides a sample template for keeping open meeting minutes.

Exhibit 2:220-E5, *Semi-Annual Review of Closed Meeting Minutes*, contains a process for implementing the semi-annual review of closed meeting minutes, and exhibit 2:220-E6, *Log of Closed Meeting Minutes*, is designed to facilitate this semi-annual review (every six months, or as soon after as is practicable, taking into account the nature and meeting schedule of the Board). 5 ILCS 120/2.06(d).

Exhibit 2:220-E9, *Requirements for No Physical Presence of Quorum and Participation by Audio or Video During Disaster Declaration*, contains a process for compliance with 5 ILCS 120/7(e) when a board is meeting without a physical quorum present at the meeting location during a disaster declaration related to public health concerns.

Local Records Act

The Local Records Act (LRA) provides that public records, including "any book, paper, map, photograph, digitized electronic material, or other official documentary material, regardless of physical form or characteristics, made, produced, executed or received by any agency or officer pursuant to law or in connections with the transaction of public business and preserved or appropriate for preservation by such agency or officer" must be preserved unless the State Local Records Commission has given permission to destroy those records. 50 ILCS 205/3 and 7. Board records, including agendas, meeting packets and meeting minutes, fall into this definition.

Public bodies located in Cook County must work with the Local Records Commission of Cook County to determine how long they must retain public records. Public bodies located outside of Cook County must work with the Downstate Local Records Commission to determine how long they must retain public records.

Board policy 2:250, *Access to District Public Records*, contains a subhead entitled **Preserving Public Records** which provides as follows:

> Public records, including email messages, shall be preserved and cataloged if: (1) they are evidence of the District's organization, function, policies, procedures, or activities, (2) they contain informational data appropriate for preservation, (3) their retention is required by State or federal law, or (4) they are subject to a retention request by the Board Attorney (e.g., a litigation hold), District auditor, or other individual authorized by the School Board or State or federal law to make such a request. Unless its retention is required as described in items numbered 3 or 4 above, a public record, as defined by the Illinois Local Records Act, may be destroyed when authorized by the Local Records Commission.

See the sample policy, 2:220, *School Board Meeting Procedure*, for all relevant footnotes. Also see administrative procedure 2:250-AP2, *Protocols for Record Preservation and Development of Retention Schedules*, for recommendations regarding school district records retention protocols and links to web-based record management resources.

Open Meeting Minutes

Are we required to approve them?	**Must they be semi-annually reviewed?**	**May we release them to the public?**	**May we destroy them?**
Yes, within 30 days or at the next subsequent meeting, whichever is later. *A public body shall approve the minutes of its open meeting within 30 days after that meeting or at the public body's second subsequent regular meeting, whichever is later*. 5 ILCS 120/2.06(b).	No. Unlike the closed meeting requirement, OMA does not contain semi-annual review requirements for open meeting minutes.	Yes, must release within 10 days after minutes are approved. *The minutes of meetings open to the public shall be available for public inspection within 10 days after the approval of such minutes by the public body. [A] public body that has a website that the full-time staff of the public body maintains shall post the minutes of a regular meeting of its governing body open to the public on the public body's website within 10 days after the approval of the minutes by the public body. [A]ny minutes of meetings open to the public posted on the public body's website shall remain posted on the website for at least 60 days after their initial posting.* 5 ILCS 120/2.06(b).	No. There is no OMA provision permitting the destruction of open meeting minutes, and **they must be preserved unless the State Local Records Commission has given permission to destroy them.** If a public body would like to destroy open meeting minutes, then it must comply with the LRA and work with its Local Records Commission. It is highly unlikely, however, that the Local Records Commission would approve of their destruction.

Open Meeting Verbatim Recordings

Are we required to approve them?	Must they be semi-annually reviewed?	May we release them to the public?	May we destroy them?
No. OMA does not require public bodies to approve verbatim recordings of open meetings.	No. Unlike the closed meeting requirement, OMA does not require public bodies to keep verbatim recordings of open meetings, unless the public body is meeting without the physical presence of a quorum during a disaster declaration related to public health concerns. 5 ILCS 120/7(e). OMA does not contain semi-annual review requirements for open meeting verbatim recordings.	Yes. Unlike the closed meeting requirement, OMA does not require public bodies to keep verbatim recordings of open meetings, unless the public body is meeting without the physical presence of a quorum during a disaster declaration related to public health concerns. 5 ILCS 120/7(e). If a public body makes verbatim recordings of open meetings, then such recordings are subject to public disclosure pursuant to the Freedom of Information Act. 5 ILCS 140/.	Open meeting verbatim recordings made of meetings held without the physical presence of a quorum of a public body during a disaster declaration related to public health concerns may be destroyed after 18 months if the prerequisites are met. (See **Closed Meeting Verbatim Recordings** subhead, below). *[P]ublic bodies holding open meetings under this subsection (e) must also keep a verbatim record of all their meetings in the form of an audio or video recording. Verbatim records made under this paragraph (9) shall be made available to the public under, and are otherwise subject to, the provisions of Section 2.06*. 5 ILCS 120/7(e)(9). In all other cases, if a public body would like to destroy open meeting verbatim recordings, then it must comply with the LRA and work with its Local Records Commission.

Closed Meeting Minutes

Are we required to approve them?	Must they be semi-annually reviewed?	May we release them to the public?	May we destroy them?
Yes.	Yes.	Yes, if prerequisites are met.	No.

Are we required to approve them?	**Must they be semi-annually reviewed?**	**May we release them to the public?**	**May we destroy them?**
OMA does not directly state public bodies are required to approve closed meeting minutes, nor does it set a time frame for such approval. However, OMA Section 2.06(d) requires public bodies to meet at least semi-annually to "review minutes of all closed meetings." 5 ILCS 120/2.06(d). Moreover, OMA Section 2.06(c) specifically allows the destruction of closed meeting verbatim recordings only if certain conditions are met, one of which is that "the public body approves minutes of the closed meeting that meet the written minutes requirements of subsection (a) of this Section." 5 ILCS 120/2.06(c)(2). Both of these tasks would be difficult to achieve if closed meeting minutes were not first approved. One practice is to approve closed meeting minutes within the same time frame that open meeting minutes are approved – within 30 days of the meeting or at the next subsequent meeting, whichever is later.	*Each public body shall periodically meet to review all existing minutes of all prior closed meetings (this includes records from all time that the board has been in existence). Meetings to review minutes shall occur every 6 months, or as soon thereafter as is practicable, taking into account the nature and meeting schedule of the public body. At such meetings a determination shall be made, and reported in an open session that (1) the need for confidentiality still exists as to all or part of those minutes or (2) that the minutes or portions thereof no longer require confidential treatment and are available for public inspection*. 5 ILCS 120/2.06(d).	*Minutes of meetings closed to the public shall be available only after the public body determines that it is no longer necessary to protect the public interest or the privacy of an individual by keeping them confidential.* 5 ILCS 120/2.06(f).	There is no OMA provision permitting the destruction of closed meeting minutes, and **they must be preserved unless the State Local Records Commission has given permission to destroy them.** In addition: *No minutes of meetings closed to the public shall be removed from the public body's main office or official storage location, except by vote of the public body or by court order.* 5 ILCS 120/2.06(f). If a public body would like to destroy closed meeting minutes, then it must comply with the LRA and work with its Local Records Commission. It is highly unlikely, however, that the Local Records Commission would approve of their destruction.

Closed Meeting Verbatim Recordings

Are we required to approve them?	Must they be semi-annually reviewed?	May we release them to the public?	May we destroy them?
No. OMA does not require approval of closed meeting verbatim recordings.	No. OMA does not require semi-annual review of closed meeting verbatim recordings.	Possibly but unlikely. *Unless the public body has made a determination that the verbatim recording no longer requires confidential treatment or otherwise consents to disclosure, the verbatim record of a meeting closed to the public shall not be open for public inspection or subject to discovery in any administrative or judicial proceeding other than one brought to enforce this Act.* 5 ILCS 120/2.06(e). But see Kodish v. Oakbrook Terrace Fire Protection Dist. (235 F.R.D. 447 (N.D.Ill. 2006), where a federal district court ordered that closed meeting verbatim recordings be disclosed to the Plaintiff in discovery because his primary claim was brought under federal law.	Yes, after 18 months if prerequisites are met. *The verbatim record may be destroyed without notification to or the approval of a records commission or the State Archivist under the Local Records Act or the State Records Act no less than 18 months after the completion of the meeting recorded but only after: 1.) the public body approves the destruction of a particular recording; and 2.) the public body approves minutes of the closed meeting that meet the written minutes requirements of subsection (a) of this Section.* 5 ILCS 120/2.06(c). In addition: *No verbatim recordings shall be recorded or removed from the public body's main office or official storage location, except by vote of the public body or by court order.* 5 ILCS 120/2.06(e).

Exhibit - Requirements for No Physical Presence of Quorum and Participation by Audio or Video During Disaster Declaration

Use this exhibit to document the Board's and/or its committee(s)'s (5 ILCS 120/1.02) processes to comply with the requirements of the Open Meetings Act (OMA) when a board and/or its committee(s) must meet during a disaster declaration related to a public health emergency/concern, and the meeting will have no physical presence of a quorum and participation by audio or video.

Note: *If a Board committee uses this exhibit, replace Board President, Vice President, and Superintendent with the appropriate committee leaders.*

Consult the Board Attorney for guidance.

Documentation of OMA Requirements for Board Members to Participate in a Meeting with No Physical Presence of Quorum

☐ The Governor or the Director of the Ill. Dept. of Public Health has issued a disaster declaration related to a public health emergency because of a disaster as defined in 20 ILCS 3305/4, and all or part of the jurisdiction of the Board is covered by the disaster area. 5 ILCS 120/7(e)(1). **Note:** OMA uses "public health concerns," but the Ill. Emergency Management Agency Act (IEMA) uses "public health emergency;" this exhibit matches the IEMA term because it governs disaster declarations.

Insert Disaster Declaration or Executive Order number [_____] or attach to this document.

☐ The Board President or, if the office is vacant or the President is absent or unable to perform the office's duties, the Vice President, or if neither the President nor Vice President are present or able to perform this determination, the Superintendent (5 ILCS 120/7(e)(2) and 140/2(e)) signs below that the following three **Steps** were executed by:

Step 1. Determining whether the meeting is a bona fide emergency (5 ILCS 120/7(e)(7)) (*check Yes or No, below*):

☐ Yes; it is an emergency meeting, and I:

a. Notified the Board members and the public, including any news medium which has filed an annual request for notice of meetings as soon as practicable, but in any event prior to the holding of such meeting pursuant to 5 ILCS 120/2.02(a) and 120/7(e)(7)(A);
b. Stated the nature of the emergency at the beginning of the meeting; and
c. Provided the Superintendent or Board Secretary the resources necessary during the meeting to keep a verbatim record of the meeting, **for both open and closed**, and managed it the same way that the Board complies with the verbatim recording requirements for closed meetings (see exhibit 2:220-E1, *Board Treatment of Closed Meeting Verbatim Recordings and Minutes*). **Note:** In this situation, a verbatim recording is not limited to closed meetings only.
d. Move to Step 2, below.

☐ No; it is a regular or special meeting, and I:

a. Ensured that the Board provided 48 hours' notice of the meeting to all Board members, to any news medium on file in the District that have requested notice of meetings pursuant to 5 ILCS 120/2.02(a), and to members of the public by posting it on the District's website. 5 ILCS 120/7(e)(7). **Note:** 5 ILCS 120/7(e) does not have the "if any" exception for school boards that do not have websites. Consult the Board Attorney regarding alternate ways to communicate notice of a meeting when the District does not have a website and a Disaster Declaration or Executive Order has been issued.

Insert meeting date and time, and a link to the meeting notice or attach a copy of the notice to this document.

b. Move to Step 2, below.

Step 2. Determining whether it is practical, prudent, or feasible for any in-person attendance at the regular meeting location (5 ILCS 120/7(e)(2)). (*check Yes or No, below*):

☐ Yes; in-person attendance is practical, prudent, or feasible, and I:

a. Ensured that at least one Board member, the Board Attorney, or the Superintendent was physically present at the regular meeting location (5 ILCS 120/7(e)(5)), and
b. Verified that members of the public who were present could hear all discussion and testimony and all votes of the members of the Board. 5 ILCS 120/7(e)(4).
c. Move to Step 3, below.

☐ No; in-person attendance is not practical, prudent, or feasible, and I:

a. Made a written determination referring to the specific Executive Order or Disaster Declaration citing the public health concern/emergency that applies to the Board and the meeting. 5 ILCS 120/7(e)(1) and (2).
b. Included the written determination made in letter a., above, on the Board's published notice and agenda for the alternative arrangements for the meeting. 5 ILCS 120/7(e)(7)(A).
c. Offered the alternative arrangements to the public by offering a telephone number or a web-based link. 5 ILCS 120/7(e)(4).

Insert a link to the meeting notice or attach a copy of the notice or refer to above if already attached to this document (see above).

Include this written determination on the Board/committee's published notice and agenda for the audio or video meeting, and in the meeting minutes.

d. Move to Step 3, below.

Step 3. During the meeting, I:

☐ Directed the Recording Secretary to, in addition to the requirements for open meetings under OMA, also keep verbatim record of the open meeting by recording it and making it open and available to the public under all provisions of OMA. 5 ILCS 120/7(e)(9). *Sample text follows below in the subhead* ***Report to the Public Following the Board's Meeting with No Physical Presence of Quorum.***

☐ Read my written determination referring to the specific Executive Order or Disaster Declaration citing the public health concern/emergency that applies to the Board and the meeting and directed the Recording Secretary to include it in the meeting minutes.

☐ Ensured that any interested member of the public has access to contemporaneously hear all discussion, testimony, and roll call votes. 5 ILCS 120/7(e)(4).

☐ Requested the Recording Secretary to enter into the appropriate minutes of the Board that each Board member participating in the meeting, wherever their physical locations:

1. Announced themselves present (5 ILCS 120/7(e)(3)), and
2. Verified that they could hear one another and all discussion and testimony. Id.

See exhibits 2:220-E3, *Closed Meeting Minutes* and/or 2:220-E4, *Open Meeting Minutes*.

Attach to this document copies or information about where these minutes may be found.

☐ Announced and considered each Board member participating in the meeting present at the meeting for purposes of determining a quorum and participating in all proceedings (5 ILCS 120/7(e)(8)) and directed the Recording Secretary to reflect it in the minutes (best practice for transparency).

☐ Conducted all votes by roll call, so each Board member's vote on each issue could be identified and recorded (5 ILCS 120/7(e)(6)), and ensured that the Recording Secretary entered all votes as **Roll Call**

Votes (*Use exhibit 2:220-E4, Open Meeting Minutes, but ensure all votes are recorded as roll call votes pursuant to the example below.*):

"Yeas"	"Nays"

Motion: ☐ Carried ☐ Failed

☐ Executed or directed execution of the subhead below **Report to the Public Following the Board's Meeting with No Physical Presence of Quorum.**

Report to the Public Following the Board's Meeting with No Physical Presence of Quorum

The text below may be used for the actual report.

The School Board met on [*insert date*] with no physical presence of quorum to conduct its business.

The verbatim [*circle one*] audio | video recording of this meeting is available to the public under all provisions of OMA and will be destroyed pursuant to 5 ILCS 120/2.06(c)(no less than 18 months after the completion of the meeting recorded but only after: (1) the Board approves the destruction of the particular recording; and (2) the Board approves minutes of the meeting that meet the written minutes requirements of OMA). 5 ILCS 120/7(e)(9).

Insert links to the verbatim recording of meeting here or attach to this document.

Note: Consult the Board Attorney for guidance on the destruction of a verbatim recording of an open meeting without the physical presence of a quorum. While 5 ILCS 120/2.06(c) refers to the process for destroying closed session verbatim recordings, 5 ILCS 120/7(e)(9), applies that process for destroying closed session verbatim recordings to the destruction of the verbatim open session recordings that are required when a board determines it is necessary for it to meet without the physical presence of a quorum due to a public health emergency.

Public Participation at School Board Meetings and Petitions to the Board

During each regular and special open meeting of the School Board or Board Committee, any person may comment to or ask questions of the Board (*public participation*), subject to the reasonable constraints established and recorded in this policy. The Board listens to comments or questions during public participation; responses to comments to or questions of the Board are most often managed through Board policy 3:30, *Chain of Command*.

To preserve sufficient time for the Board to conduct its business, any person appearing before the Board is expected to follow these guidelines:

1. Address the Board only at the appropriate time as indicated on the agenda and when recognized by the Board President. This includes following the directives of the Board President to maintain order and decorum for all.
2. Use a sign-in sheet, if requested.
3. Identify oneself and be brief. Ordinarily, the time for any one person to address the Board during public participation shall be limited to five minutes. In extenuating circumstances, e.g., to accommodate a person's disability or language interpreter, and when an individual has made a request to speak for a longer period of time, the Board President may allow a person to speak for more than three minutes. If multiple individuals wish to address the Board on the same subject, the group is encouraged to appoint a spokesperson.
4. Observe, when necessary and appropriate, the Board President's authority to:
    a. Shorten the time for each person to address the Board during public participation to conserve time and give the maximum number of people an opportunity to speak; and/or
    b. Determine procedural matters regarding public participation not otherwise covered in Board policy.
5. Conduct oneself with respect and civility toward others and otherwise abide by Board policy 8:30, *Visitors to and Conduct on School Property*.

Petitions or written correspondence to the Board shall be presented to the Board in the next regular Board packet.

Board Policy Development

The School Board governs using written policies. Written policies ensure legal compliance, establish Board processes, articulate District ends, delegate authority, and define operating limits. Board policies also provide the basis for monitoring progress toward District ends.

Policy Development

Anyone may propose new policies, changes to existing policies, or deletion of existing policies. Staff suggestions should be processed through the Superintendent. Suggestions from all others should be made to the Board President or the Superintendent.

A Board Policy Committee will consider all policy suggestions and provide information and recommendations to the Board.

The Superintendent is responsible for: (1) providing relevant policy information and data to the Board, (2) notifying those who will implement or be affected by or required to implement a proposed policy and obtaining their advice and suggestions, and (3) having policy recommendations drafted into written form for Board deliberation. The Superintendent shall seek the counsel of the Board Attorney when appropriate.

Policy Adoption and Dissemination

Policies or policy revisions will not be adopted at the Board meeting at which they are first introduced, except when: (1) appropriate for a consent agenda because no Board discussion is required, or (2) necessary or prudent in order to meet emergency or special conditions or to be legally compliant. Further Board consideration may be given at a subsequent meeting(s) and after opportunity for community input. The adoption of a policy will serve to supersede all previously adopted policies on the same topic.

The Board policies are available for public inspection in the District's main office during regular office hours. Copy requests should be made pursuant to Board policy 2:250, *Access to District Public Records*.

Board Policy Review and Monitoring

The Board will periodically review its policies for relevancy, monitor its policies for effectiveness, and consider whether any modifications are required. The Board may use an annual policy review and monitoring calendar.

Words Importing Gender

Throughout this policy manual, words importing the masculine and/or feminine gender include all gender neutral/inclusive pronouns.

Superintendent Implementation

The Board will support any reasonable interpretation of Board policy made by the Superintendent. If reasonable minds differ, the Board will review the applicable policy and consider the need for further clarification.

In the absence of Board policy, the Superintendent is authorized to take appropriate action.

Suspension of Policies

The Board, by a majority vote of members present at any meeting, may temporarily suspend a Board policy except those provisions that are controlled by law or contract. The failure to suspend with a specific motion does not invalidate the Board action.

Exhibit - Developing Local Policy

Actor	Action
Anyone (Superintendent, School Board member, staff, parent, student, community member, or Board Attorney)	Brings a concern that may necessitate a new policy or a current policy's revision to the attention of the School Board.
Superintendent	Confers with the Board Attorney as appropriate. Manages the Board's compliance with the Open Meetings Act. Ensures that, as appropriate, the agendas for the Board Policy Committee and full Board include discussion and list actions to consider, adopt, implement, or revise Board policies and Board exhibits. Manages the process for approving new or revised administrative procedures, administrative procedure exhibits, and changes to employee and student handbooks. Communicates all policy and administrative procedure revisions or adoptions as appropriate to staff members, parents, students, and community members.
Policy Committee (or Full Board)	**First**, answers these questions to decide whether new policy language is needed: 1. Does the IASB Policy Reference Manual provide guidance? 2. Is the request something that should be covered in policy (i.e., Board work), or is it something that should be covered in an administrative procedure (i.e., staff work)? 3. Is it already covered in Board policy? Checks for policies that cover similar or connected topics. Tools such as search engines, Tables of Contents, cross references, and indexes at PRESS Online can be used to identify relevant policy numbers to check for in the Board's policy manual. **Second**, uses a 3-step process to draft new policy language: 1. Frames the question and discusses the topic. 2. Requests the Superintendent to provide research, including appropriate data, and input from others, such as those who may be affected by the policy and those who will implement the policy. 3. Drafts or requests the Superintendent or Board Attorney to draft language addressing the concern that aligns with the Board's mission, vision, goals, and objectives. **Third**, decides whether the new language should be included in an existing policy or added as a new policy. Assigns any new policy an appropriate location and number.

Actor	Action
	The **PRESS** coding system reserves policy numbers ending in a '0' and '5' for **PRESS** material. Locally developed Board policies should use policy numbers ending in 2, 4, 6, or 8.
Full Board	Conducts a first reading of the policy that is recommended for adoption or revision. Policies may be adopted after a first reading when: (1) appropriate for a consent agenda because no Board discussion is required, or (2) necessary or prudent in order to meet emergency or special conditions or to be legally compliant. During the next regular meeting, conducts a second reading. A second reading allows the Board to hear feedback from interested parties, including staff, parents, students, and community members; however, State law does not require two readings. After the second reading, consider and take action to approve the policy at a duly convened open meeting.
Designated support staff	After a policy is adopted or revised, updates the District's policy manual master electronic file and adds or updates adoption dates. Archives previous version of revised policy. Follows District process for updating paper and online manuals.
Assistant Superintendents, Directors, Building Principals, and supervisory employees	Reads adopted policies, follows the Superintendent's process for updating administrative procedures, and makes necessary changes to employee and student handbooks within their assigned building(s).

Access to District Public Records

Full access to the District's public records is available to any person as provided in the Illinois Freedom of Information Act (FOIA), this policy, and implementing procedures. The Superintendent or designee shall: (1) provide the Board with sufficient information and data to permit the Board to monitor the District's compliance with FOIA and this policy, and (2) report any FOIA requests during the Board's regular meetings along with the status of the District's response.

Freedom of Information Officer

The Superintendent shall serve as the District's Freedom of Information Officer and assume all the duties and powers of that office as provided in FOIA and this policy. The Superintendent may delegate these duties and powers to one or more designees, but the delegation shall not relieve the Superintendent of responsibility for the delegated action.

Definition

The District's *public records* are defined as records, reports, forms, writings, letters, memoranda, books, papers, maps, photographs, microfilms, cards, tapes, recordings, electronic data processing records, electronic communications, recorded information and all other documentary material pertaining to the transaction of public business, regardless of physical form or characteristics, having been prepared by or for, or having been or being used by, received by, in the possession of, or under the control of the School District. The District's public records do not include *junk mail*.

Requesting Records

A request for inspection and/or copies of public records must be made in writing and may be submitted by personal delivery, mail, telefax, or email directed to the District's Freedom of Information Officer. Individuals making a request are not required to state a reason for the request other than to identify when the request is for a commercial purpose or when requesting a fee waiver. Email requests must include the entirety of the request within the body of the email and not as an attachment or hyperlink. The Superintendent or designee shall instruct District employees to immediately forward any request for inspection and copying of a public record to the District's Freedom of Information Officer or designee.

Responding to Requests

The Freedom of Information Officer shall approve all requests for public records unless:

1. The requested material does not exist;
2. The requested material is exempt from inspection and copying by the Freedom of Information Act;
3. Complying with the request would be unduly burdensome;
4. The request would require the District to open electronically attached files or hyperlinks to view or access details of a request. In that case, the requester shall be notified within five business days that the entirety of the electronic request must appear within the body of the electronic submission; or
5. The District has a reasonable belief that the request was not submitted by a person, and the requester fails to verify orally or in writing that they are a person within 30 days of the District's request for such verification.

Within five business days after receipt of a request for access to a public record, the Freedom of Information Officer shall comply with or deny the request, unless the time for response is extended as specified in Section 3 of FOIA. The Freedom of Information Officer may extend the time for a response for up to five business days from the original due date. If an extension is needed, the Freedom of

Information Officer shall: (1) notify the person making the request of the reason for the extension, and (2) either inform the person of the date on which a response will be made, or agree with the person in writing on a compliance period.

The time periods are extended for responding to requests for records made for a commercial purpose, requests by a recurrent requester, or voluminous requests, as those terms are defined in Section 2 of FOIA. The time periods for responding to those requests are governed by Sections 3.1, 3.2, and 3.6 of FOIA.

When responding to a request for a record containing both exempt and non-exempt material, the Freedom of Information Officer shall redact exempt material from the record before complying with the request.

Fees

Persons making a request for copies of public records must pay any and all applicable fees. The Freedom of Information Officer shall establish a fee schedule that complies with FOIA and this policy and is subject to the Board's review. The fee schedule shall include copying fees and all other fees to the maximum extent they are permitted by FOIA, including without limitation, search and review fees for responding to a request for a commercial purpose and fees, costs, and personnel hours in connection with responding to a voluminous request.

Copying fees, except when fixed by statute, shall be reasonably calculated to reimburse the District's actual cost for reproducing and certifying public records and for the use, by any person, of its equipment to copy records. In no case shall the copying fees exceed the maximum fees permitted by FOIA. If the District's actual copying costs are equal to or greater than the maximum fees permitted by FOIA, the Freedom of Information Officer is authorized to use FOIA's maximum fees as the District's fees. No copying fees shall be charged for: (1) the first 50 pages of black and white, letter or legal sized copies, or (2) electronic copies other than the actual cost of the recording medium, except if the response is to a voluminous request, as defined in FOIA.

A fee reduction is available if the request qualifies under Section 6 of FOIA. The Freedom of Information Officer shall set the amount of the reduction taking into consideration the amount of material requested and the cost of copying it.

Provision of Copies and Access to Records

A public record that is the subject of an approved access request will be available for inspection or copying at the District's administrative office during regular business hours, unless other arrangements are made by the Freedom of Information Officer.

Many public records are immediately available from the District's website including, but not limited to, the process for requesting a public record. The Freedom of Information Officer shall direct a requester to the District's website if a requested record is available there. If the requester is unable to reasonably access the record online, he or she may resubmit the request for the record, stating his or her inability to reasonably access the record online, and the District shall make the requested record available for inspection and copying as otherwise provided in this policy.

Preserving Public Records

Public records, including email messages, shall be preserved and cataloged if: (1) they are evidence of the District's organization, function, policies, procedures, or activities, (2) they contain informational data appropriate for preservation, (3) their retention is required by State or federal law, or (4) they are subject to a retention request by the Board Attorney (e.g., a litigation hold), District auditor, or other individual authorized by the School Board or State or federal law to make such a request. Unless its retention is required as described in items numbered 3 or 4 above, a public record, as defined by the Illinois Local Records Act, may be destroyed when authorized by the Local Records Commission.

The Complaint Manager will first attempt to resolve complaints without resorting to this grievance procedure. If a formal complaint is filed under this policy, the Complaint Manager will address the complaint promptly and equitably. A student and/or parent/guardian filing a complaint under this policy may forego any informal suggestions and/or attempts to resolve it and may proceed directly to this grievance procedure. The Complaint Manager will not require a student or parent/guardian complaining of any form of harassment to attempt to resolve allegations directly with the accused (or the accused's parent(s)/guardian(s)); this includes mediation.

Right to Pursue Other Remedies Not Impaired

The right of a person to prompt and equitable resolution of a complaint filed under this policy shall not be impaired by the person's pursuit of other remedies, e.g., criminal complaints, civil actions, etc. Use of this grievance procedure is not a prerequisite to the pursuit of other remedies and use of this grievance procedure does not extend any filing deadline related to the pursuit of other remedies. If a person is

pursuing another remedy subject to a complaint under this policy, the District will continue with a simultaneous investigation under this policy.

Deadlines

All deadlines under this policy may be extended by the Complaint Manager as he or she deems appropriate. As used in this policy, *school business days* means days on which the District's main office is open.

Filing a Complaint

A person (hereinafter Complainant) who wishes to avail him or herself of this grievance procedure may do so by filing a complaint with any District Complaint Manager. The Complainant shall not be required to file a complaint with a particular Complaint Manager and may request a Complaint Manager of the same gender. The Complaint Manager may request the Complainant to provide a written statement regarding the nature of the complaint or require a meeting with a student's parent(s)/guardian(s). The Complaint Manager shall assist the Complainant as needed.

For any complaint alleging bullying and/or cyberbullying of students, the Complaint Manager or designee shall process and review the complaint under Board policy 7:180, *Prevention of and Response to Bullying, Intimidation, and Harassment*, in addition to any response required by this policy.

For any complaint alleging sex discrimination that, if true, would implicate Title IX of the Education Amendments of 1972 (20 U.S.C. §1681 et seq.), the Title IX Coordinator or designee shall process and review the complaint under Board policy 2:265, *Title IX Grievance Procedure*.

For any complaint alleging harassment on the basis of race, color, or national origin, the Nondiscrimination Coordinator or a Complaint Manager or designee shall process and review the complaint under Board policy 2:270, *Discrimination and Harassment on the Basis of Race, Color, and National Origin Prohibited*, in addition to any response required by this policy.

For any complaint alleging sexual harassment or other violation of Board policy 5:20, *Workplace Harassment Prohibited*, the Nondiscrimination Coordinator or a Complaint Manager or designee shall process and review the complaint according to that policy, in addition to any response required by this policy, and shall consider whether an investigation under Board policy 5:120, *Employee Ethics; Code of Professional Conduct; and Conflict of Interest*, should be initiated.

Investigation Process

The Complaint Manager will investigate the complaint or appoint a qualified person to undertake the investigation on his or her behalf. The Complaint Manager shall ensure both parties have an equal opportunity to present evidence during an investigation. The complaint and identity of the Complainant will not be disclosed except: (1) as required by law, this policy, or any collective bargaining agreement, (2) as necessary to fully investigate the complaint, or (3) as authorized by the Complainant.

The identity of any student witnesses will not be disclosed except: (1) as required by law, this policy, or any collective bargaining agreement, (2) as necessary to fully investigate the complaint, or (3) as authorized by the parent/guardian of the student witness, or by the student if the student is 18 years of age or older.

The Complaint Manager will inform, at regular intervals, the person(s) filing a complaint under this policy about the status of the investigation. Within 30 school business days after the date the complaint was filed, the Complaint Manager shall file a written report of his or her findings with the Superintendent. The Complaint Manager may request an extension of time from the Superintendent.

The Superintendent will keep the Board informed of all complaints.

If a complaint contains allegations involving the Superintendent or Board member(s), the written report shall be filed directly with the Board, which will make a decision in accordance with paragraph four of the following section of this policy.

Decision and Appeal

Within five school business days after receiving the Complaint Manager's report, the Superintendent shall provide his or her written decision to the Complainant and the accused as well as to the Complaint Manager. All decisions shall be based upon the *preponderance of evidence* standard.

Within 10 school business days after receiving the Superintendent's decision, the Complainant or the accused may appeal the decision to the Board by making a written request to the Complaint Manager. The Complaint Manager shall promptly forward all materials relative to the complaint and appeal to the Board.

Within 30 school business days after an appeal of the Superintendent's decision, the Board shall affirm, reverse, or amend the Superintendent's decision or direct the Superintendent to gather additional information. Within five school business days after the Board's decision, the Superintendent shall inform the Complainant and the accused of the Board's action.

For complaints containing allegations involving the Superintendent or Board member(s), within 30 school business days after receiving the Complaint Manager's or outside investigator's report, the Board shall provide its written decision to the Complainant and the accused, as well as to the Complaint Manager.

This policy shall not be construed to create an independent right to a hearing before the Superintendent or Board. The failure to strictly follow the timelines in this grievance procedure shall not prejudice any party.

Appointing a Nondiscrimination Coordinator, Title IX Coordinator, and Complaint Managers

The Superintendent shall appoint a Nondiscrimination Coordinator to manage the District's efforts to provide equal opportunity employment and educational opportunities and prohibit the harassment of employees, students, and others.

The Superintendent shall appoint a Title IX Coordinator to coordinate the District's efforts to comply with Title IX.

The Superintendent shall appoint at least one Complaint Manager to administer this policy. If possible, the Superintendent will appoint two Complaint Managers, each of a different gender. The District's Nondiscrimination Coordinator may be appointed as one of the Complaint Managers.

The Superintendent shall insert into this policy and keep current the names, office addresses, email addresses, and telephone numbers of the Nondiscrimination Coordinator, Title IX Coordinator, and the Complaint Managers.

Title IX Grievance Procedure

Sexual harassment affects a student's ability to learn and an employee's ability to work. Providing an educational and workplace environment free from sexual harassment is an important District goal. The District does not discriminate on the basis of sex in any of its education programs or activities, and it complies with Title IX of the Education Amendments of 1972 (Title IX) and its implementing regulations (34 C.F.R. Part 106) concerning everyone in the District's education programs and activities, including applicants for employment, students, parents/guardians, employees, and third parties.

Title IX Sexual Harassment Prohibited

Sexual harassment as defined in Title IX (Title IX Sexual Harassment) is prohibited. Any person, including a District employee or agent, or student, engages in Title IX Sexual Harassment when that person engages in conduct on the basis of an individual's sex that satisfies one or more of the following:

1. A District employee conditions the provision of an aid, benefit, or service on an individual's participation in unwelcome sexual conduct; or
2. Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the District's educational program or activity; or
3. Sexual assault as defined in 20 U.S.C. §1092(f)(6)(A)(v), dating violence as defined in 34 U.S.C. §12291(a)(11), domestic violence as defined in 34 U.S.C. §12291(a)(12), or stalking as defined in 34 U.S.C. §12291(a)(36).

Examples of sexual harassment include, but are not limited to, touching, rape, sexual battery, sexual abuse, sexual coercion, crude jokes or pictures, discussions of sexual experiences, teasing related to sexual characteristics, and spreading rumors related to a person's alleged sexual activities.

Definitions from 34 C.F.R. §106.30

Complainant means an individual who is alleged to be the victim of conduct that could constitute sexual harassment.

Education program or activity includes locations, events, or circumstances where the District has substantial control over both the *Respondent* and the context in which alleged sexual harassment occurs.

Formal Title IX Sexual Harassment Complaint means a document filed by a *Complainant* or signed by the Title IX Coordinatoralleging sexual harassment against a *Respondent* and requesting that the District investigate the allegation.

Respondent means an individual who has been reported to be the perpetrator of the conduct that could constitute sexual harassment.

Supportive measures mean non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, and without fee or charge to the *Complainant* or the *Respondent* before or after the filing of a Formal Title IX Sexual Harassment Complaint or where no Formal Title IX Sexual Harassment Complaint has been filed.

Title IX Sexual Harassment Prevention and Response

The Superintendent or designee will ensure that the District prevents and responds to allegations of Title IX Sexual Harassment as follows:

1. Ensures that the District's comprehensive health education program in Board policy 6:60, *Curriculum Content*, incorporates (a) age-appropriate sexual abuse and assault awareness and

prevention programs in grades pre-K through 12, and (b) age-appropriate education about the warning signs, recognition, dangers, and prevention of teen dating violence in grades 7-12. This includes incorporating student social and emotional development into the District's educational program as required by State law and in alignment with Board policy 6:65, *Student Social and Emotional Development*.

2. Incorporates education and training for school staff as recommended by the Superintendent, Title IX Coordinator, Nondiscrimination Coordinator, Building Principal, Assistant Building Principal, Dean of Students, or a Complaint Manager.
3. Notifies applicants for employment, students, parents/guardians, employees, and collective bargaining units of this policy and contact information for the Title IX Coordinator by, at a minimum, prominently displaying them on the District's website, if any, and in each handbook made available to such persons.

Making a Report

A person who wishes to make a report under this Title IX grievance procedure may make a report to the Title IX Coordinator, Nondiscrimination Coordinator, Building Principal, Assistant Building Principal, Dean of Students, a Complaint Manager, or any employee with whom the person is comfortable speaking.

School employees shall respond to incidents of sexual harassment by promptly making or forwarding the report to the Title IX Coordinator. An employee who fails to promptly make or forward a report may be disciplined, up to and including discharge.

The Superintendent shall insert into this policy and keep current the name, office address, email address, and telephone number of the Title IX Coordinator.

Processing and Reviewing a Report

Upon receipt of a report made under this Title IX grievance procedure, the Title IX Coordinator and/or designee will promptly contact the Complainant to: (1) discuss the availability of supportive measures, (2) consider the *Complainant's* wishes with respect to *supportive measures*, (3) inform the Complainant of the availability of supportive measures with or without the filing of a Formal Title IX Sexual Harassment Complaint, and (4) explain to the Complainant the process for filing a Formal Title IX Sexual Harassment Complaint.

Further, the Title IX Coordinator will analyze the report to identify and determine whether there is another or an additional appropriate method(s) for processing and reviewing it. For any report received, the Title IX Coordinator shall review Board policies 2:260, *Uniform Grievance Procedure*; 5:20, *Workplace Harassment Prohibited*; 5:90, *Abused and Neglected Child Reporting*; 5:120, *Employee Ethics; Code of Professional Conduct; and Conflict of Interest*; 7:20, *Harassment of Students Prohibited*; 7:180*, Prevention of and Response to Bullying, Intimidation, and Harassment*; 7:185, *Teen*

Dating Violence Prohibited; and 7:190, *Student Behavior*, to determine if the allegations in the report require further action.

Reports of alleged sexual harassment will be confidential to the greatest extent practicable, subject to the District's duty to investigate and maintain an educational program or activity that is productive, respectful, and free of sexual harassment.

Formal Title IX Sexual Harassment Complaint Grievance Process

When a Formal Title IX Sexual Harassment Complaint is filed, the Title IX Coordinator will investigate it or appoint a qualified person to undertake the investigation.

The Superintendent or designee shall implement procedures to ensure that all Formal Title IX Sexual Harassment Complaints are processed and reviewed according to a Title IX grievance process that fully complies with 34 C.F.R. §106.45. The District's grievance process shall, at a minimum:

1. Treat *Complainants* and *Respondents* equitably by providing remedies to a *Complainant* where the *Respondent* is determined to be responsible for sexual harassment, and by following a grievance process that complies with 34 C.F.R. §106.45 before the imposition of any disciplinary sanctions or other actions against a *Respondent*.
2. Require an objective evaluation of all relevant evidence – including both inculpatory and exculpatory evidence – and provide that credibility determinations may not be based on a person's status as a *Complainant, Respondent,* or witness.
3. Require that any individual designated by the District as a Title IX Coordinator, investigator, decision-maker, or any person designated by the District to facilitate an informal resolution process:
    a. Not have a conflict of interest or bias for or against complainants or respondents generally or an individual *Complainant* or *Respondent*.
    b. Receive training on the definition of sexual harassment, the scope of the District's education program or activity, how to conduct an investigation and grievance process (including hearings, appeals, and informal resolution processes, as applicable), and how to serve impartially.
4. Require that any individual designated by the District as an investigator receiving training on issues of relevance to create an investigative report that fairly summarizes relevant evidence.
5. Require that any individual designated by the District as a decision-maker receive training on issues of relevance of questions and evidence, including when questions and evidence about the *Complainant's* sexual predisposition or prior sexual behavior are not relevant.
6. Include a presumption that the *Respondent* is not responsible for the alleged conduct until a determination regarding responsibility is made at the conclusion of the grievance process.
7. Include reasonably prompt timeframes for conclusion of the grievance process.
8. Describe the range of possible disciplinary sanctions and remedies the District may implement following any determination of responsibility.
9. Base all decisions upon the *preponderance of evidence* standard.
10. Include the procedures and permissible bases for the *Complainant* and *Respondent* to appeal.
11. Describe the range of *supportive measures* available to *Complainants* and *Respondents*.
12. Not require, allow, rely upon, or otherwise use questions or evidence that constitute, or seek disclosure of, information protected under a legally recognized privilege, unless the person holding such privilege has waived the privilege.

Enforcement

Any District employee who is determined, at the conclusion of the grievance process, to have engaged in sexual harassment will be subject to disciplinary action up to and including discharge. Any third party who is determined, at the conclusion of the grievance process, to have engaged in sexual harassment will be addressed in accordance with the authority of the Board in the context of the

relationship of the third party to the District, e.g., vendor, parent, invitee, etc. Any District student who is determined, at the conclusion of the grievance process, to have engaged in sexual harassment will be subject to disciplinary action, including, but not limited to, suspension and expulsion consistent with student behavior policies. Any person making a knowingly false accusation regarding sexual harassment will likewise be subject to disciplinary action.

This policy does not increase or diminish the ability of the District or the parties to exercise any other rights under existing law.

Retaliation Prohibited

The District prohibits any form of retaliation against anyone who, in good faith, has made a report or complaint, assisted, or participated or refused to participate in any manner in a proceeding under this policy. Any person should report claims of retaliation using Board policy 2:260, *Uniform Grievance Procedure*.

Any person who retaliates against others for reporting or complaining of violations of this policy or for participating in any manner under this policy will be subject to disciplinary action, up to and including discharge, with regard to employees, or suspension and expulsion, with regard to students.

Exhibit – Title IX Glossary of Terms

Use this exhibit to educate employees and students about Title IX terms, and with the required Title IX response and grievance process in Board policy 2:265, *Title IX Grievance Procedure*, implemented by administrative procedures 2:265-AP1, *Title IX Response*, and 2:265-AP2, *Formal Title IX Complaint Grievance Process*.

Glossary of Terms

Actual Knowledge – Notice of sexual harassment or allegations of sexual harassment to any District employee or to the District's Title IX Coordinator. Assumption of knowledge based solely on the District's status as an employer or other presumption under law does not constitute actual knowledge. This standard is not met when the only official of the District with actual knowledge is the Respondent. *Notice* as used here includes, but is not limited to, a report or complaint of sexual harassment to the Title IX Coordinator in person, by mail, by telephone, or by email using the contact information listed for the Title IX Coordinator, or by any other means that results in the Title IX Coordinator receiving the person's verbal or written report. 34 C.F.R. §§ 106.30, 106.8(a).

Appellate Decision-Maker – An individual or group, e.g., a Board-appointed appeal examiner or the Board, which reviews an appeal of the Initial Decision-Maker's determination regarding responsibility or a dismissal of a Formal Title IX Sexual Harassment Complaint (defined below). The Appellate Decision-Maker cannot be the same person as the Initial Decision-Maker, the Investigator, or the Title IX Coordinator. 34 C.F.R. §106.45(b)(8)(iii)(B). The Appellate Decision-Maker must be free from conflicts of interest or bias against complainants and respondents generally or against an individual Complainant or Respondent, and must be trained to serve impartially. 34 C.F.R. §106.45(b)(1)(iii).

Complainant – An individual who is alleged to be the victim of conduct that could constitute sexual harassment. 34 C.F.R. §106.30.

Consent – Knowing, voluntary, and clear permission by word or action, to engage in mutually agreed upon sexual activity. Consent may not be inferred from silence, passivity, or a lack of verbal or physical resistance. A person's manner of dress does not constitute consent. Past consent to sexual activities, or a current or previous dating relationship, does not imply ongoing or future consent. Consent to some sexual contact (such as kissing or fondling) cannot be presumed to be consent for other sexual activity (such as intercourse). Consent to engage in sexual activity with one person does not constitute consent to engage in sexual activity with another person. Consent may be withdrawn at any time. A person cannot consent to sexual activity if that person is unable to understand the nature of the activity or give knowing consent due to circumstances, including without limitation the following: (1) the person is incapacitated due to the use or influence of alcohol or drugs; (2) the person is asleep or unconscious; (3) the person is under age; or (4) the person is incapacitated due to a mental disability. The existence of consent is based on the totality of the circumstances, including the context in which the alleged incident occurred. Coercion, force, or the threat of either invalidates consent.

> **Note:** 34 C.F.R. §106.30, added at 85 Fed. Reg. 30574, states that Title IX recipients are not required to adopt a particular definition of consent with respect to sexual assault; however, in its 2020 Title IX rulemaking, the U.S. Dept. of Education (DOE) stated that "recipients must clearly define consent and must apply that definition consistently." 85 Fed. Reg. 30125. **Consult the Board Attorney if the District would like to customize this definition.**

Education Program or Activity – Includes locations, events, or circumstances in the United States over which the District exercised substantial control over both the Respondent and the context in which the sexual harassment occurred. 34 C.F.R. §106.44(a).

> **Note:** Title IX jurisdiction is geographically limited to discrimination against a person in the United States. 34 C.F.R. §106.8(d). The District's Title IX obligations extend to off-campus sexual harassment incidents "if the off-campus incident occurs as part of the [district]'s 'operations' pursuant to 20 U.S.C. 1687 and 34 CFR 106.2(h)" or if the District "exercised substantial control over the respondent and the context of alleged sexual harassment that occurred off campus pursuant to § 106.44(a)." 85 Fed. Reg. 30196. No single factor is determinative of whether the District exercised *substantial control* or whether an incident occurred as part of the District's *operations*. Id. at 30197. *Operations* may include computer and internet networks, digital platforms, and computer hardware or software owned or operated by, or used in, the District's operations. Id. at 30202. **Consult the Board Attorney for further guidance.**

Formal Title IX Sexual Harassment Complaint – A document filed by a Complainant or signed by the Title IX Coordinator alleging sexual harassment against a Respondent and requesting that the District investigate the allegation. At the time of filing a Formal Title IX Sexual Harassment Complaint, a Complainant must be participating in or attempting to participate in the District's education program or activity with which the Formal Title IX Sexual Harassment Complaint is filed.

> **Note:** Whether a Complainant is *attempting to participate* is a fact-specific inquiry. For example, a Complainant who has graduated may still be attempting to participate in an education program where he or she intends to remain involved in alumni programs or activities. 85 Fed. Reg. 30138. **Consult the Board Attorney for further guidance.**

Initial Decision-Maker – An individual designated by the Title IX Coordinator to reach an initial determination regarding responsibility in a Formal Title IX Sexual Harassment Complaint (defined above) by applying the standard of proof set forth in administrative procedure 2:265-AP2, *Formal Title IX Complaint Grievance Process*. See 85 Fed. Reg. 30054. The Title IX Coordinator cannot be the Initial Decision-Maker. 34 C.F.R. §106.45(b)(7)(i). The Initial Decision-Maker must be free from conflicts of interest or bias against complainants and respondents generally or against an individual Complainant or Respondent, and must be trained to serve impartially. 34 C.F.R. §106.45(b)(1)(iii).

Investigator – The Title IX Coordinator or an individual designated by the Title IX Coordinator to investigate a Formal Title IX Sexual Harassment Complaint (defined above) according to administrative procedure 2:265-AP2, *Formal Title IX Complaint Grievance Process*. The Investigator must be free from conflicts of interest or bias against complainants and respondents generally or against an individual Complainant or Respondent, and must be trained to serve impartially. 34 C.F.R. §106.45(b)(1)(iii).

Respondent – An individual who has been reported to be the perpetrator of the conduct that could constitute sexual harassment. 34 C.F.R. §106.30.

Supportive Measures – Non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, and without fee or charge to a Complainant or Respondent before or after the filing of a Formal Title IX Sexual Harassment Complaint or where no Formal Title IX Sexual Harassment Complaint has been filed. Such measures are designed to restore or preserve equal access to the District's education program or activity without unreasonably burdening the other party, including measures designed to protect the safety of all parties or the District's educational environment, or deter sexual harassment. Supportive measures may include counseling, extensions of deadlines or other course-related adjustments, modifications of work or class schedules, campus escort services, mutual restrictions on contact between the parties, changes in work locations, leaves of absence, increased security and monitoring of certain areas of the campus, and other similar measures. The District will maintain as confidential any supportive measures provided to a Complainant or

Respondent, to the extent that maintaining such confidentiality would not impair the ability of the District to provide the supportive measures. The Title IX Coordinator is responsible for coordinating the effective implementation of supportive measures. 34 C.F.R. §106.30.

Sexual Harassment Governed by Laws Other Than Title IX – The District must also address sexual harassment that does not meet the definition of Title IX sexual harassment, including but not limited to sexual harassment in violation of the State Officials and Employees Ethics Act (5 ILCS 430/), Illinois Human Rights Act (775 ILCS 5/), and Title VII of the Civil Rights Act of 1964 (42 U.S.C. §2000e et seq.).

For each report or complaint received, the Title IX Coordinator reviews the following Board policies to determine if they require additional action by the District in addition to or at the exclusion of policy 2:265, *Title IX Grievance Procedure*:

- 2:260, *Uniform Grievance Procedure*. This policy provides a method for any student, parent/guardian, employee, or community member to file a complaint if he or she believes that the School Board, its employees, or its agents have violated his or her rights under the State or federal Constitution, State or federal statute, Board policy, or various enumerated bases.
- 5:20, *Workplace Harassment Prohibited*. This policy prohibits employees from engaging in sexual harassment.
- 5:90, *Abused and Neglected Child Reporting*. This policy requires employees who suspect or receive knowledge that a student may be an abused or neglected child to immediately report their suspicion to the Ill. Dept. of Children and Family Services (DCFS). If an employee reports an alleged incident of sexual abuse to DCFS and DCFS accepts the report for investigation, it further requires the District to coordinate with the local Children's Advocacy Center.
- 5:120, *Employee Ethics; Code of Professional Conduct; and Conflict of Interest*. This policy sets forth high standards for employee ethics and conduct, and incorporates by reference the Code of Ethics for Illinois Educators.
- 7:20, *Harassment of Students Prohibited*. This policy prohibits all sexual harassment of students.
- 7:180, *Prevention of and Response to Bullying, Intimidation, and Harassment*. This policy prohibits students from engaging in bullying, intimidation, and harassment at school, school-related events and electronically. Prohibited conduct includes stalking, sexual harassment, sexual violence, or retaliation for asserting or alleging an act of bullying.
- 7:185, *Teen Dating Violence Prohibited*. This policy prohibits students from using or threatening to use physical, mental, or emotional abuse to control an individual in the dating relationship, and from using or threatening to use sexual violence in the dating relationship.
- 7:190, *Student Behavior*. This policy sets forth student conduct rules, prohibited student conduct, and behavioral interventions and disciplinary measures designed to address the causes of misbehavior and teach students positive behavioral skills.
- 7:255, *Students Who are Parents, Expectant Parents, or Victims of Domestic or Sexual Violence*. This policy requires that support services be provided to students who are parents, expectant parents, or victims of domestic or sexual violence under 105 ILCS 5/26A. It also provides a complaint resolution procedure to address alleged violations of 105 ILCS 5/26A.

Title IX Sexual Harassment – Conduct on the basis of sex that satisfies one or more of the following (34 C.F.R. §106.30):

- A District employee conditions the provision of an aid, benefit, or service on an individual's participation in unwelcome sexual conduct; or
- Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the District's education program or activity; or

- *Sexual assault* as defined in 20 U.S.C. §1092(f)(6)(A)(v), *dating violence* as defined in 34 U.S.C. §12291(a)(11), *domestic violence* as defined in 34 U.S.C. §12291(a)(12), or *stalking* as defined in 34 U.S.C. §12291(a)(36).
    - *Sexual assault* means an offense classified as a forcible or nonforcible sex offense under the uniform crime reporting system (UCR Program) of the Federal Bureau of Investigation (FBI), and includes rape, fondling, incest, and statutory rape. 20 U.S.C. §1092(f)(6)(A)(v); 34 C.F.R. Part 668, Appendix A to Subpart D. For more information regarding the FBI UCR Program, see www.fbi.gov/services/cjis/ucr/.
    - *Dating violence* means violence committed by a person: (1) who is or has been in a social relationship of a romantic or intimate nature with the victim, and (2) where the existence of such a relationship shall be determined based on a consideration of the length of the relationship, the type of relationship, and the frequency of interaction between the persons involved in the relationship. 34 U.S.C. §12291(a)(11).
    - *Domestic violence* includes any felony or misdemeanor crimes committed by a current or former spouse or intimate partner of the victim under the family or domestic violence laws of the jurisdiction receiving grant funding and, in the case of victim services, includes the use or attempted use of physical abuse or sexual abuse, or a pattern of any other coercive behavior committed, enabled, or solicited to gain or maintain power and control over a victim, including verbal, psychological, economic, or technological abuse that may or may not constitute criminal behavior, by a person who: (1) is a current or former spouse or intimate partner of the victim, or person similarly situated to a spouse of the victim; (2) is cohabitating, or has cohabitated, with the victim as a spouse or intimate partner; (3) shares a child in common with the victim; or (4) commits acts against a youth or adult victim who is protected from those acts under the domestic or family violence laws of the jurisdiction. 34 U.S.C. §12291(a)(12).
    - *Stalking* means engaging in a course of conduct directed at a specific person that would cause a reasonable person to: (1) fear for his or her safety or the safety of others, or (2) suffer substantial emotional distress. 34 U.S.C. §12291(a)(36).

Discrimination and Harassment on the Basis of Race, Color, and National Origin Prohibited

Discrimination and harassment on the basis of race, color, or national origin negatively affect a student's ability to learn and an employee's ability to work. Providing an educational and workplace environment free from such discrimination and harassment is an important District goal. The District does not discriminate on the basis of actual or perceived race, color, or national origin in any of its education programs or activities, and it complies with federal and State non-discrimination laws.

Examples of Prohibited Conduct

Examples of conduct that may constitute discrimination on the basis of race, color, or national origin include: disciplining students more harshly and frequently because of their race, color, or national origin; denying students access to high-rigor academic courses, extracurricular activities, or other educational opportunities based on their race, color, or national origin; denying language services or other educational opportunities to English learners; and assigning students special education services based on a student's race, color, or national origin.

Harassment is a form of prohibited discrimination. Examples of conduct that may constitute harassment on the basis of race, color, or national origin include: the use of racial, ethnic or ancestral slurs or stereotypes; taunts; name-calling; offensive or derogatory remarks about a person's actual or perceived race, color, or national origin; the display of racially-offensive symbols; racially-motivated physical threats and attacks; or other hateful conduct.

Making a Report or Complaint; Investigation Process

Individuals are encouraged to promptly report claims or incidents of discrimination or harassment based on race, color, or national origin to the Nondiscrimination Coordinator, a Complaint Manager, or any employee with whom the student is comfortable speaking. Reports under this policy will be processed under Board policy 2:260, *Uniform Grievance Procedure*.

Any District employee who receives a report or complaint of discrimination or harassment must promptly forward the report or complaint to the Nondiscrimination Coordinator or a Complaint Manager. Any employee who fails to promptly comply may be disciplined, up to and including discharge.

Reports and complaints of discrimination or harassment will be confidential to the greatest extent practicable, subject to the District's duty to investigate and maintain an educational environment that is productive, respectful, and free of unlawful discrimination, including harassment.

This policy does not impair or otherwise diminish the existing rights of unionized employees to request an exclusive bargaining representative to be present during any investigatory interviews, nor does this policy diminish any rights available under an applicable collective bargaining agreement, including, but not limited to, a grievance procedure.

Federal and State Agencies

If the District fails to take necessary corrective action to stop harassment based on race, color, or national origin, further relief may be available through the Ill. Dept. of Human Rights (IDHR) or the U.S. Dept. of Education's Office for Civil Rights. To contact IDHR, go to: https://dhr.illinois.gov/about-us/contact-idhr.html or call (312) 814-6200 (Chicago) or (217) 785-5100 (Springfield).

Prevention and Response Program

The Superintendent or designee shall establish a prevention and response program to respond to complaints of discrimination based on race, color, and national origin, including harassment, and retaliation. The program shall include procedures for responding to complaints which:

1. Reduce or remove, to the extent practicable, barriers to reporting discrimination, harassment, and retaliation;
13. Permit any person who reports or is the victim of an incident of alleged discrimination, harassment, or retaliation to be accompanied when making a report by a support individual of the person's choice who complies with the District's policies and rules;
14. Permit anonymous reporting, except that an anonymous report may not be the sole basis of any disciplinary action;
15. Offer remedial interventions or take such disciplinary action as may be appropriate on a case-by-case basis;
16. Offer, but do not require or unduly influence, a person who reports or is the victim of an incident of harassment or retaliation the option to resolve allegations directly with the accused; and
17. Protects a person who reports or is the victim of an incident of harassment or retaliation from suffering adverse consequences as a result of a report of, investigation of, or a response to the incident.

Policy Posting and Distribution

This policy shall be posted on the District's website. The Superintendent shall annually inform staff members of this policy by posting it in a prominent and accessible location such as the District website, employee handbook, staff intranet site, and/or in other areas where policies and rules of conduct are made available to staff. The Superintendent shall annually inform students and their parents/guardians of this policy by posting it on the District's website and including an age-appropriate summary of the policy in the student handbook(s).

Enforcement

Any District employee who is determined, after an investigation, to have engaged in conduct prohibited by this policy will be subject to remedial action and/or disciplinary action, up to and including discharge.

Any District student who is determined, after an investigation, to have engaged in conduct prohibited by this policy will be subject to remedial action and/or disciplinary action, including but not limited to, suspension and expulsion consistent with Board policy 7:190, *Student Behavior*.

Any third party who is determined, after an investigation, to have engaged in conduct prohibited by this policy will be addressed in accordance with the authority of the Board in the context of the relationship of the third party to the District, e.g., vendor, parent, invitee, etc. Any person making a knowingly false accusation regarding prohibited conduct will likewise be subject to remedial and/or disciplinary action.

Retaliation Prohibited

Retaliation against any person for bringing complaints, participating in the complaint process, or otherwise providing information about discrimination or harassment based on race, color, or national origin is prohibited (see Board policy 2:260, *Uniform Grievance Procedure*).

Individuals should report allegations of retaliation to the Building Principal, an administrator, the Nondiscrimination Coordinator, and/or a Complaint Manager.

Exhibit - Event Reporting and Notice Requirements for Building Principals Concerning School Safety and Security

The Building Principal shall comply with all State law reporting and notice requirements for principals. Compliance with the State law reporting and notice requirements is required by Board policy 3:60, *Administrative Responsibility of the Building Principal*, in its mandate to "perform all duties as described in State law." The specific statute identified in the following tables should be checked for current requirements. The lists of required reports and notices may not be exhaustive.

Events Requiring Reports Concerning School Safety and Security	Resources
A student or other person poses a clear and present danger to himself, herself, or others. This report is made to the Ill. State Police (ISP) within 24 hours after the Building Principal makes this determination. The Building Principal must also notify the Superintendent or designee whenever he or she makes a clear and present danger report to ISP. This report is required by the Firearm Concealed Carry Act (430 ILCS 66/105), and the Mental Health and Developmental Disabilities Code (405 ILCS 5/6-103.3). The Building Principal may delegate making reports concerning students, but not otherwise. *Clear and present danger* is defined in 430 ILCS 65/1.1, amended by P.A. 104-270, as a person who: (1) communicates a serious threat of physical violence against a reasonably identifiable victim or poses a clear and imminent risk of serious physical injury to himself, herself, or another person as determined by a physician, clinical psychologist, advanced practice psychiatric nurse, or qualified examiner; or (2) demonstrates threatening physical or verbal behavior, such as violent, suicidal, or assaultive threats, actions, or other behavior, as determined by a physician, clinical psychologist, advanced practice psychiatric nurse, qualified examiner, school administrator, or law enforcement official. ISP rules implementing this duty to report are found in 20 Ill.Admin.Code §1230.120(b), and state, in relevant part: b) Law enforcement officials and school administrators shall report determinations of a clear and present danger directly to [ISP]. [ISP] shall make a form and instruction for the reporting available to law enforcement officials and school administrators on its website. 1) Clear and present danger reports shall be reviewed by the Department to deny a FOID [Firearm Owners Identification] card application or revoke a FOID card under Section 8(f) or 8.1(d) of this Act. 2) Clear and present danger reporting shall be made consistent with the Family Educational Rights and Privacy Act (20 U.S.C. §1232g)	The ISP has posted information and instructions at: https://isp.illinois.gov/StaticFiles/docs/FirearmsSafety/Forms/CPD%20Reporting%20handout.pdf. 3:60, *Administrative Responsibility of the Building Principal* 7:340, *Student Records* 7:340-AP1, *School Student Records*

Events Requiring Reports Concerning School Safety and Security	Resources
to assist [ISP] with protecting the health and safety of the public by denying persons who present a clear and present danger from having lawful access to weapons. **Note:** 430 ILCS 65/8.1(d), as amended by P.A. 104-5, also allows ISP to suspend a person's FOID card.	
A student may be an abused or neglected child or, for a student aged 18 through 21, an abused or neglected individual with a disability. This report is made to the Ill. Dept. of Children and Family Services (DCFS) immediately upon suspicion or receipt of knowledge. The DCFS Child Abuse Hotline is 800/25-ABUSE (within Illinois) or 217/524-2606 (outside Illinois). In addition to the Building Principal, all school personnel are required to make this report. A staff member should inform the Building Principal if the staff member made a report; the Building Principal should inform the Superintendent of any report made. This report is required by the Abused and Neglected Child Reporting Act (325 ILCS 5/), and the Dept. of Human Services Act (20 ILCS 1305/). A knowing and willful failure to make the report to DCFS is a Class A misdemeanor for the first violation and a second or subsequent violation is a Class 4 felony. 325 ILCS 5/4. Fiscal and Business Management

The Superintendent is responsible for the School District's fiscal and business management. This responsibility includes annually preparing and presenting the District's statement of affairs to the School Board and publishing it by December 1 as required by State law.

The Superintendent shall ensure the efficient and cost-effective operation of the District's business management using computers, computer software, data management, communication systems, and electronic networks, including electronic mail, the Internet, and security systems. Each person using the District's electronic network shall complete an *Authorization for Access to the District's Electronic Network*.

Budget Planning

The District's fiscal year is from July 1 until June 30. The Superintendent shall present to the Board, no later than the first regular meeting in August, a tentative budget with appropriate explanation. This budget shall represent the culmination of an ongoing process of planning for the fiscal support needed for the District's educational program. The District's budget shall be entered upon the Ill. State Board of Education's (ISBE) *School District Budget Form*. To the extent possible, the tentative budget shall be balanced as defined by ISBE guidelines. The Superintendent shall complete a tentative deficit reduction plan if one is required by ISBE guidelines.

Preliminary Adoption Procedures

After receiving the Superintendent's proposed budget, the Board sets the date, place, and time for:

A public hearing on the proposed budget, and
The proposed budget to be available to the public for inspection.

The Board Secretary shall arrange to publish a notice in a local newspaper stating the date, place, and time of the proposed budget's availability for public inspection and the public hearing. The proposed budget shall be available for public inspection at least 30 days before the time of the budget hearing.

At the public hearing, the proposed budget shall be reviewed, including the cash reserve balance of all funds held by the District related to its operational levy and, if applicable, any obligations secured by those funds, and the public shall be invited to comment, question, or advise the Board.

Final Adoption Procedures

The Board adopts a budget before the end of the first quarter of each fiscal year, September 30, or by such alternative procedure as State law may define. To the extent possible, the budget shall be balanced as defined by ISBE; if not balanced, the Board will adopt a deficit reduction plan to balance the District's budget within three years according to ISBE requirements.

Present a written report that includes the annual average expenditures of the District's operational funds for the previous three fiscal years at or before the board meeting at which the Board adopts its levy. In the event the District's combined cash reserve balance of its operational funds is more than 2.5 times the annual average expenditures of those funds for the previous three fiscal years, the Board will adopt and file with ISBE a reserve reduction plan by December 31.

Make all preparations necessary for the Board to timely file its Certificate of Tax Levy, including preparations to comply with the Truth in Taxation Act; file the Certificate of Tax Levy with the County Clerk on or before the last Tuesday in December. The Certificate lists the amount of property tax money to be provided for the various funds in the budget.

Re: Protecting the Privacy of Social Security Numbers (SSNs)

The Illinois Identity Protection Act, 5 ILCS 179/, contains requirements applicable to school districts and their employees. This letter's purpose is to help you understand the protections and requirements of this law.

In implementing this law and the Board's policy, I am seeking to:

1. Increase the awareness of the confidential nature of the SSN and the risk of identity theft related to unauthorized disclosure;
2. Have every employee understand that he or she is prohibited from collecting, displaying, or using another individual's SSN unless authorized by a member of the District administrative staff; and
3. Ensure the use of consistent protocol regarding SSNs throughout the District.

I have copied below sections of the Identity Protection Act that must be followed by every school employee. I have also attached Board policy 4:15, *Identity Protection*. Please carefully read these documents. You will be contacted if you are scheduled to receive training on the protocol for collecting, using, maintaining, and disclosing SSNs.

An employee who has substantially breached the confidentiality of social security numbers may be subject to disciplinary action or sanctions up to and including dismissal, in accordance with District policy and procedures.

Sincerely,

Superintendent

Such factors include, but are not limited to: (1) corporate governance and leadership factors, (2) environmental factors, (3) social capital factors, (4) human capital factors, and (5) business model and innovation factors, as provided under the Ill. Sustainable Investing Act, 30 ILCS 238/.

Selection of Depositories, Investment Managers, Dealers, and Brokers

The Chief Investment Officer shall establish a list of authorized depositories, investment managers, dealers and brokers based upon the creditworthiness, reputation, minimum capital requirements, qualifications under State law, as well as a long history of dealing with public fund entities. The Board will review and approve the list at least annually.

In order to be an authorized depository, each institution must submit copies of the last two sworn statements of resources and liabilities or reports of examination that the institution is required to furnish to the appropriate State or federal agency. Each institution designated as a depository shall, while acting as such depository, furnish the District with a copy of all statements of resources and liabilities or all reports of examination that it is required to furnish to the appropriate State or federal agency.

The above eligibility requirements of a bank to receive or hold public deposits do not apply to investments in an interest-bearing savings account, demand deposit account, interest-bearing certificate of deposit, or interest-bearing time deposit if: (1) the District initiates the investment at or through a bank located in Illinois, and (2) the invested public funds are at all times fully insured by an agency or instrumentality of the federal government.

The District shall consider a financial institution's record and current level of financial commitment to its local community when deciding whether to deposit funds in that financial institution. The District may consider factors including:

18. For financial institutions subject to the federal Community Reinvestment Act of 1977 (CRA), the current and historical ratings that the financial institution has received, to the extent that those ratings are publicly available, under the CRA;
19. For financial institutions subject to the Ill. Community Reinvestment Act (ICRA), the current and historical ratings that the financial institution has received, to the extent that those ratings are publicly available, under the ICRA;
20. Any changes in ownership, management, policies, or practices of the financial institution that may affect the level of the financial institution's commitment to its community;
21. The financial impact that the withdrawal or denial of District deposits might have on the financial institution;
22. The financial impact to the District as a result of withdrawing public funds or refusing to deposit additional public funds in the financial institution; and
23. Any additional burden on the District's resources that might result from ceasing to maintain deposits of public funds at the financial institution under consideration.

The District may not deposit public funds in a financial institution subject to the CRA unless the institution has a current rating of satisfactory or outstanding under the CRA. The District may not deposit public funds in a financial institution subject to the ICRA unless either: (1) the institution has a current rating of satisfactory under the ICRA at the time of deposit; or (2) the Ill. Dept. of Financial and Professional Regulation has not yet completed its initial examination of the institution under the ICRA. The District may not withdraw public funds from a financial institution prior to the date of maturity solely on the basis of a less than satisfactory rating under the ICRA. When investing or depositing public funds, the District may give preference to financial institutions that have a current rating of outstanding under the CRA and the ICRA.

Collateral Requirements

All amounts deposited or invested with financial institutions in excess of any insurance limit shall be collateralized in accordance with the Public Funds Investment Act, 30 ILCS 235/. The Superintendent or designee shall keep the Board informed of collateral agreements.

Safekeeping and Custody Arrangements

The preferred method for safekeeping is to have securities registered in the District's name and held by a third-party custodian. Safekeeping practices should qualify for the Governmental Accounting Standards Board Statement No. 3, Deposits with Financial Institutions, Investments (including Repurchase Agreements), and Reverse Repurchase Agreements, Category I, the highest recognized safekeeping procedures.

Controls and Report

The Chief Investment Officer shall establish a system of internal controls and written operational procedures to prevent losses arising from fraud, employee error, misrepresentation by third parties, or imprudent employee action.

The Chief Investment Officer shall provide a quarterly investment report to the Board. The report will: (1) assess whether the investment portfolio is meeting the District's investment objectives, (2) identify each security by class or type, book value, income earned, and market value, (3) identify those institutions providing investment services to the District, and (4) include any other relevant information. The investment portfolio's performance shall be measured by appropriate and creditable industry standards for the investment type.

The Board will determine, after receiving the Superintendent's recommendation, which fund is in most need of interest income and the Superintendent shall execute a transfer. This provision does not apply when the use of interest earned on a particular fund is restricted.

Ethics and Conflicts of Interest

The Board and District officials will avoid any investment transaction or practice that in appearance or fact might impair public confidence. Board members are bound by the Board policy 2:100, *Board Member Conflict of Interest*. No District employee having influence on the District's investment decisions shall:

24. Have any interest, directly or indirectly, in any investments in which the District is authorized to invest,
25. Have any interest, directly or indirectly, in the sellers, sponsors, or managers of those investments, or
26. Receive, in any manner, compensation of any kind from any investments in that the agency is authorized to invest.

The Superintendent shall provide early notice to the School Board of the District's need to borrow money. The Superintendent or designee shall prepare all documents and notices necessary for the Board, at its discretion, to: (1) issue State Aid Anticipation Certificates, tax anticipation warrants, working cash fund bonds, bonds, notes, and other evidence of indebtedness, or (2) establish a line of credit with a bank or other financial institution. The Superintendent shall notify the Ill. State Board of Education before the District issues any form of long-term or short-term debt that will result in outstanding debt that exceeds 75% of the debt limit specified in State law.

Bond Issue Obligations

In connection with the Board's issuance of bonds, the Superintendent shall be responsible for ensuring the District's compliance with federal securities laws, including the anti-fraud provisions of the Securities Act of 1933, as amended and, if applicable, the continuing disclosure obligations under Rule 15c2-12 of the Securities Exchange Act of 1934, as amended.

Additionally, in connection with the Board's issuance of bonds, the interest on which is excludable from *gross income* for federal income tax purposes, or which enable the District or bond holder to receive other federal tax benefits, the Board authorizes the Superintendent to establish written procedures for post-issuance compliance monitoring for such bonds to protect their tax-exempt (or tax-advantaged) status.

Exhibit - Cover Page Documenting the Process to Seek Offset from the Illinois Office of the Comptroller (IOC)

This cover page documents the steps the District must take before recovering a delinquent debt through an offset (deduction) of a future payment the State makes to an individual responsible for the delinquent debt. An Intergovernmental Agreement (IGA) between the IOC and the District must be in place before the District may seek an offset to satisfy a delinquent debt. Consult the Board Attorney for assistance in implementing a District-wide delinquent debt recovery program that will satisfy the requirements necessary to enter into an IGA with the IOC, e.g., the Superintendent should ensure that the District uses a uniform process to seek offset from the IOC. After completing a step, the responsible staff person must record the date, initial the step, and put all material into the claim folder.

Credit and procurement cards shall only be used for those expenses that are for the District's benefit and serve a valid and proper public purpose; they shall not be used for personal purchases. Cardholders are responsible for exercising due care and judgment and for acting in the District's best interests.

The Superintendent or designee shall manage the use of District credit and procurement cards by employees. It is the Board's responsibility, through the audit and approval process, to determine whether District credit and procurement card use by the Superintendent is appropriate.

In addition to the other limitations contained in this and other Board policies, District credit and procurement cards are governed by the following restrictions:

3. Each cardholder, other than the Superintendent, may charge no more than $500 in a single purchase and no more than $1000 within a given month without prior authorization from the Superintendent.
4. The Superintendent or designee must approve the use of a District credit or procurement card whenever such use is by telephone, fax, and the Internet. Permission shall be withheld when the use violates any Board policy, is from a vendor whose reputation has not been verified, or would be more expensive than if another available payment method were used.
5. The consequences for unauthorized purchases include, but are not limited to, reimbursing the District for the purchase amount, loss of cardholding privileges, and, if made by an employee, discipline up to and including discharge.
6. All cardholders must sign a statement affirming that they are familiar with this policy.
7. The Superintendent shall implement a process whereby all purchases using a District credit or procurement card are reviewed and approved by someone other than the cardholder or someone under the cardholder's supervision.
8. Cardholders must submit the original, itemized receipt to document all purchases.
9. No individual may use a District credit or procurement card to make purchases in a manner contrary to State law, including, but not limited to, the bidding and other purchasing requirements in 105 ILCS 5/10-20.21, or any Board policy.

Free and Reduced-Price Food Services

Notice
The Superintendent shall be responsible for implementing the District's free and reduced-price food services policy.

Eligibility Criteria and Selection of Children
A student's eligibility for free and reduced-price food services shall be determined by the income eligibility guidelines, family-size income standards, set annually by the U.S. Department of Agriculture and distributed by the Illinois State Board of Education.

Notification
At the beginning of each school year, by letter, the District shall notify students and their parent(s)/guardian(s) of: (1) eligibility requirements for free and reduced-price food service, (2) its application process, and (3) other information required by federal law. The Superintendent shall provide the same information to informational media and any major area employers contemplating layoffs. Parent(s)/guardian(s) enrolling a child in the District for the first time, any time during the school year, shall receive the eligibility information.

Non-discrimination Assurance
The District shall avoid publicly identifying students receiving free or reduced-price meals and shall use methods for collecting meal payments which prevent identification of children receiving assistance.

Appeal From a Decision
A family may appeal the District's decision to deny an application for free and reduced-price food services or to terminate such services as outlined by the U.S. Department of Agriculture in 7 C.F.R. § 245.7, Determining Eligibility For Free and Reduced-Price Meals and Free Milk In Schools. The Superintendent shall establish a hearing procedure for adverse eligibility decisions and provide by mail a copy of them to the family. The District may also use these procedures to challenge a child's continued eligibility for free or reduced-price meals or milk.

During an appeal, students previously receiving food service benefits shall not have their benefits terminated. Students who were denied benefits shall not receive benefits during the appeal.
The Superintendent shall keep on file for a period of 3 years a record of any appeals made and the hearing record. The District shall also maintain accurate and complete records showing the data and method used to determine the number of eligible students served free and reduced-price food services. These records shall be maintained for 3 years.

Fees for textbooks, other instructional materials, and driver education, as well as fines for the loss or damage of school property are waived for students who meet the eligibility criteria for a waiver as described in this policy. In order that no student is denied educational services or academic credit due to the inability of parents/guardians to pay student fees and fines, the Superintendent will recommend to the Board which additional fees and fines, if any, the District will waive for students who meet the eligibility criteria for a waiver.

Notification

The Superintendent shall ensure that a notice of waiver applicability is provided to parents/guardians with every bill for fees and/or fines, and that applications for waivers are widely available and distributed according to State law and Ill. Facility Management and Building Programs

The Superintendent shall manage the District's facilities and grounds as well as facility construction and building programs in accordance with the law, the standards set forth in this policy, and other applicable School Board policies. The Superintendent or designee shall facilitate: (1) inspections of schools by the Regional Superintendent and State Fire Marshal or designee, (2) review of plans and specifications for future construction or alterations of a school if requested by the relevant municipality, county (if applicable), or fire protection district, and (3) compliance with the 10-year safety survey process required by the School Code.

All District buildings and grounds shall be adequately maintained in order to provide an appropriate, safe, and energy-efficient physical environment for learning and teaching. The Superintendent or designee shall provide the Board with periodic reports on maintenance data and projected maintenance needs that include cost analysis. Prior Board approval is needed for all renovations or permanent alterations to buildings or grounds when the total cost will exceed $17,500, including the cost equivalent of staff time. This policy is not intended to discourage efforts to improve the appearance of buildings or grounds that are consistent with the designated use of those buildings and grounds.

Any request to name or rename an existing facility should be submitted to the Board. When a facility is to be named or renamed, the Board President will appoint a special committee to consider nominations and make a recommendation, along with supporting rationale, to the Board. The Board will make the final selection. The Superintendent or designee may name a room or designate

some area on a school's property in honor of an individual or group that has performed outstanding service to the school without using the process in this policy.

Targeted School Violence Prevention Program

Threats and acts of targeted school violence harm the District's environment and school community, diminishing students' ability to learn and a school's ability to educate. Providing students and staff with access to a safe and secure District environment is an important Board goal. While it is not possible for the District to completely eliminate threats in its environment, a Targeted School Violence Prevention Program (Program) using the collective efforts of local school officials, staff, students, families, and the community helps the District reduce these risks to its environment.

The Superintendent or designee shall develop and implement the Program. The Program oversees the maintenance of a District environment that is conducive to learning and working by identifying, assessing, classifying, responding to, and managing threats and acts of targeted school violence. The Program shall be part of the District's Comprehensive Safety and Security Plan, required by Board policy 4:170, *Safety*, and shall:

1. Establish a District-level School Violence Prevention Team to: (a) develop a District-level Targeted School Violence Prevention Plan, and (b) oversee the District's Building-level Threat Assessment Team(s).
2. Establish Building-level Threat Assessment Team(s) to assess and intervene with individuals whose behavior may pose a threat to safety. This team may serve one or more schools.
3. Require all District staff, volunteers, and contractors to report any expressed threats or behaviors that may represent a threat to the community, school, or self.
4. Encourage parents/guardians and students to report any expressed threats or behaviors that may represent a threat to the community, school, or self.
5. Comply with State and federal law and align with Board policies.

The Local Governmental and Governmental Employees Tort Immunity Act protects the District from liability. The Program does not: (1) replace the care of a physician licensed to practice medicine in all of its branches or a licensed medical practitioner or professional trained in violence prevention, assessments and counseling services, (2) extend beyond available resources within the District, (3) extend beyond the school day and/or school-sponsored events, or (4) guarantee or ensure the safety of students, District staff, or visitors.

Hiring Process and Criteria

The District hires the most qualified personnel consistent with budget and staffing requirements and in compliance with School Board policy on equal employment opportunity and minority recruitment. The Superintendent is responsible for recruiting personnel and making hiring recommendations to the Board. If the Superintendent's recommendation is rejected, the Superintendent must submit another. No individual will be employed who has been convicted of a criminal offense listed in 105 ILCS 5/21B-80(c).

All applicants must complete a District application in order to be considered for employment.

Job Descriptions

The Board maintains the Superintendent's job description and directs, through policy, the Superintendent, in his or her charge of the District's administration.

The Superintendent shall develop and maintain a current comprehensive job description for each position or job category; however, a provision in a collective bargaining agreement or individual contract will control in the event of a conflict.

Investigations

The Superintendent or designee shall ensure that a fingerprint-based criminal history records check and a check of the Statewide Sex Offender Database and Violent Offender Against Youth Database is performed on each applicant as required by State law. When the applicant is a successful superintendent candidate who has been offered employment by the Board, the Board President shall ensure that these checks are completed. The Superintendent or designee, or if the applicant is a successful superintendent candidate, then the Board President shall notify an applicant if the applicant is identified in either database. The School Code requires the Board President to keep a conviction record confidential and share it only with the Superintendent, Regional Superintendent, State Superintendent, State Educator Preparation and Licensure Board, any other person necessary to the hiring decision, the Ill. State Police and/or Statewide Sex Offender Database for purposes of clarifying the information, and/or the Teachers' Retirement System of the State of Illinois when required by law. The Board reserves its right to authorize additional background inquiries beyond a fingerprint-based criminal history records check when it deems it appropriate to do so, in accordance with applicable laws.

Each newly hired employee must complete a U.S. Citizenship and Immigration Services Form as required by federal law.

The District retains the right to discharge any employee whose criminal background investigation reveals a conviction for committing or attempting to commit any of the offenses outlined in 105 ILCS 5/21B-80 or who falsifies, or omits facts from, his or her employment application or other employment documents. If an indicated finding of abuse or neglect of a child has been issued by the Ill. Department of Children and Family Services or by a child welfare agency of another jurisdiction for any applicant for student teaching, applicant for employment, or any District employee, then the Board must consider that person's status as a condition of employment.

The Superintendent shall ensure that the District does not engage in any investigation or inquiry prohibited by law and complies with each of the following:

1. The District uses an applicant's credit history or report from a consumer reporting agency only when a satisfactory credit history is an established bona fide occupational requirement of a particular position.

2. The District does not screen applicants based on their current or prior wages or salary histories, including benefits or other compensation, by requiring that the wage or salary history satisfy minimum or maximum criteria.
3. The District does not request or require a wage or salary history as a condition of being considered for employment, being interviewed, continuing to be considered for an offer of employment, an offer of employment, or an offer of compensation.
4. The District does not request or require an applicant to disclose wage or salary history as a condition of employment.
5. The District does not ask an applicant or applicant's current or previous employers about wage or salary history, including benefits or other compensation.
6. The District does not ask an applicant or applicant's previous employers about claim(s) made or benefit(s) received under the Workers' Compensation Act.
7. The District does not request of an applicant or employee access in any manner to his or her personal online account, such as social networking websites, including a request for passwords to such accounts.
8. The District provides equal employment opportunities to all persons. See Board policy 5:10, *Equal Employment Opportunity and Minority Recruitment*.

Sexual Misconduct Related Employment History Review (EHR)

Prior to hiring an applicant for a position involving *direct contact with children or students*, the Superintendent shall ensure that an EHR is performed as required by State law. When the applicant is a superintendent candidate, the Board President shall ensure that the EHR is initiated before a successful superintendent candidate is offered employment by the Board.

Physical Examinations

Each new employee must furnish evidence of physical fitness to perform assigned duties and freedom from communicable disease. The physical fitness examination must be performed by a physician licensed in Illinois, or any other state, to practice medicine and surgery in any of its branches, a licensed advanced practice registered nurse, or a licensed physician assistant who has been delegated the authority by his or her supervising physician to perform health examinations. The employee must have the physical examination performed no more than 90 days before submitting evidence of it to the District.

Any employee may be required to have an additional examination by a physician who is licensed in Illinois to practice medicine and surgery in all its branches, a licensed advanced practice registered nurse, or a licensed physician assistant who has been delegated the authority by his or her supervising physician to perform health examinations, if the examination is job-related and consistent with business necessity. The Board will pay the expenses of such examination.

Orientation Program

The District's staff will provide an orientation program for new employees to acquaint them with the District's policies and procedures, the school's rules and regulations, and the responsibilities of their position. Before beginning employment, each employee must sign the *Acknowledgement of Mandated Reporter Status* form as provided in Board policy 5:90, *Abused and Neglected Child Reporting*.

Compliance with the Fair Labor Standards Act

Job Classifications

The Superintendent will ensure that all job positions are identified as either "exempt" or "non-exempt" according to State law and the Fair Labor Standards Act (FLSA) and that employees are informed whether they are "exempt" or "non-exempt." "Exempt" and "non-exempt" employee categories may include certificated and non-certificated job positions. All non-exempt employees, whether paid on a salary or hourly basis, are covered by minimum wage and overtime provisions.

Workweek and Compensation

The workweek for District employees will be 12:00 a.m. Saturday until 11:59 p.m. Friday. Non-exempt employees will be compensated for all hours worked in a workweek including overtime. For non-exempt employees paid a salary, the salary is paid for a 40-hour workweek even if an employee is scheduled for less than 40 hours. "Overtime" is time worked in excess of 40 hours in a single workweek.

Overtime

A non-exempt employee shall not work overtime without his or her supervisor's express approval. All supervisors of non-exempt employees shall: (1) monitor overtime use on a weekly basis and report such use to the business office, (2) seek the Superintendent or designee's written pre-approval for any long term or repeated use of overtime that can be reasonably anticipated, (3) ensure that overtime provisions of this policy and the FLSA are followed, and (4) ensure that employees are compensated for any overtime worked. Accurate and complete time sheets of actual hours worked during the workweek shall be signed by each employee and submitted to the business office. The business office will review work records of employees on a regular basis, make an assessment of overtime use, and provide the assessment to the Superintendent. In lieu of overtime compensation, non-exempt employees may receive compensatory time-off, according to Board policy 5:310, *Compensatory Time-Off*.

Suspension Without Pay

No exempt employee shall have his or her salary docked, such as by an unpaid suspension, if the deduction would cause a loss of the exempt status. Licensed employees may be suspended without pay in accordance with Board policy 5:240, *Suspension*. Non-licensed employees may be suspended without pay in accordance with Board policy 5:290, *Employment Termination and Suspensions*.

Implementation

The Superintendent or designee shall implement the policy in accordance with the FLSA, including its required notices to employees. In the event of a conflict between the policy and State or federal law, the latter shall control.

Drug- and Alcohol-Free Workplace; E-Cigarette, Tobacco, and Cannabis Prohibition

All District workplaces are drug- and alcohol-free workplaces.

An employee is *on call* when the District schedules the employee with at least 24 hours' notice to be on standby or otherwise responsible for performing employment-related tasks either at the District or another location previously designated by the District. All employees are prohibited from engaging in any of the following activities while on District premises or while performing work or being on call for the District:

1. Unlawful manufacture, dispensing, distribution, possession, or use of an illegal or controlled substance.
2. Distribution, consumption, use, possession, or being impaired by or under the influence of an alcoholic beverage; being present on District premises or while performing work for the District when alcohol consumption is detectible, regardless of when and/or where the use occurred.
3. Distribution, consumption, possession, use, or being impaired by or under the influence of cannabis; being present on District premises or while performing work for the District when impaired by or under the influence of cannabis, regardless of when and/or where the use occurred, unless distribution, possession, and/or use is by a school nurse or school administrator pursuant to *Ashley's Law*, 105 ILCS 5/22-33. The District considers employees impaired by or under the influence of cannabis when there is a good faith belief that an employee manifests specific articulable symptoms while working that decrease or lessen the employee's performance of the duties or tasks of the employee's job position.

Upon the Superintendent or designee's reasonable suspicion of an employee's violation of any of the prohibited activities stated above, the Superintendent or designee may direct the employee to undergo a drug and/or alcohol test to corroborate or refute the alleged violation. State law protects the District from liability when it takes actions pursuant to a reasonable workplace drug policy, including but not limited to subjecting an employee or applicant to reasonable drug and alcohol testing, reasonable and nondiscriminatory random drug testing, discipline, termination of employment, or withdrawal of a job offer due to a failure of a drug test.

For purposes of this policy, a controlled substance means a substance that is:

1. Not legally obtainable,
2. Being used in a manner different than prescribed,
3. Legally obtainable, but has not been legally obtained, or
4. Referenced in federal or State controlled substance acts.

For purposes of this policy, *District premises* means workplace as defined in the Cannabis Regulation and Tax Act (CRTA) in addition to District and school buildings, grounds, and parking areas; vehicles used for school purposes; and any location used for a School Board meeting, school athletic event, or other school-sponsored or school-sanctioned events or activities. School grounds means the real property comprising any school, any conveyance used to transport students to school or a school-related activity, and any public way within 1,000 feet of any school ground, designated school bus stops where students are waiting for the school bus, and school-sponsored or school-sanctioned events or activities. "Vehicles used for school purposes" means school buses or other school vehicles.

As a condition of employment, each employee shall:

1. Abide by the terms of this Board policy respecting a drug- and alcohol-free workplace; and

2. Notify his or her supervisor of his or her conviction under any criminal drug statute for a violation occurring on the District premises or while performing work for the District, no later than five calendar days after such a conviction.

Unless otherwise prohibited by this policy, prescription and over-the-counter medications are not prohibited when taken in standard dosages and/or according to prescriptions from the employee's licensed health care provider, provided that an employee's work performance is not impaired.

To make employees aware of the dangers of drug and alcohol abuse, the Superintendent or designee shall perform each of the following:

1. Provide each employee with a copy of this policy.
2. Post notice of this policy in a place where other information for employees is posted.
3. Make available materials from local, State, and national anti-drug and alcohol-abuse organizations.
4. Enlist the aid of community and State agencies with drug and alcohol informational and rehabilitation programs to provide information to District employees.
5. Establish a drug-free awareness program to inform employees about:
    a. The dangers of drug abuse in the workplace,
    b. Available drug and alcohol counseling, rehabilitation, re-entry, and any employee assistance programs, and
    c. The penalties that the District may impose upon employees for violations of this policy.
6. Remind employees that Board policy 6:60, *Curriculum Content*, requires the District to educate students, depending upon their grade, about drug and substance abuse prevention and relationships between drugs, alcohol, and violence.

E-Cigarette, Tobacco, and Cannabis Prohibition

All employees are covered by the conduct prohibitions contained in policy 8:30, *Visitors to and Conduct on School Property*. The prohibition on the use of e-cigarettes, tobacco, and cannabis products applies both (1) when an employee is on school property, and (2) while an employee is performing work for the District at a school event regardless of the event's location.

Tobacco has the meaning provided in 105 ILCS 5/10-20.5b.

Cannabis has the meaning provided in the CRTA, 410 ILCS 705/1-10.

E-Cigarette is short for electronic cigarette and includes, but is not limited to, any electronic nicotine delivery system (ENDS), electronic cigar, electronic cigarillo, electronic pipe, electronic hookah, vape pen, or similar product or device, and any components or parts that can be used to build the product or device.

District Action Upon Violation of Policy

An employee who violates this policy may be subject to disciplinary action, including termination. In addition or alternatively, the Board may require an employee to successfully complete an appropriate drug- or alcohol-abuse rehabilitation program.

The Board shall take disciplinary action with respect to an employee convicted of a drug offense in the workplace within 30 days after receiving notice of the conviction.

Should District employees be engaged in the performance of work under a federal contract or grant, or under a State contract or grant of $5,000 or more, the Superintendent shall notify the appropriate State or federal agency from which the District receives contract or grant monies of the employee's conviction within 10 days after receiving notice of the conviction.

Disclaimer

The Board reserves the right to interpret, revise or discontinue any provision of this policy pursuant to the **Suspension of Policies** subhead in Board policy 2:240, *Board Policy Development*.

Expenses

The Board regulates the reimbursement of all travel, meal, and lodging expenses by resolution. Money shall not be advanced or reimbursed, or purchase orders issued for: (1) the expenses of any person except the employee, (2) anyone's personal expenses, or (3) entertainment expenses. Entertainment includes, but is not limited to, shows, amusements, theaters, circuses, sporting events, or any other place of public or private entertainment or amusement, unless the entertainment is ancillary to the purpose of the program or event. The District is not responsible for losses due to an employee's own negligence, losses due to normal wear, or losses due to theft, unless the theft was a result of the District's negligence. Employees must submit the appropriate itemized, signed, standardized form(s) to support any requests for expense advancements, reimbursements, or purchase orders that show the following:

1. The amount of the estimated or actual expense, with attached receipts for actual incurred expenses.
2. The name and title of the employee who is requesting the expense advancement or reimbursement. Receipts from group functions must include the names, offices, and job titles of all participants.
3. The date(s) of the official business on which the expense advancement, reimbursement, or purchase order will be or was expended.
4. The nature of the official business conducted when the expense advancement, reimbursement, or purchase order will be or was expended.

Advancements

The Superintendent may advance expenses to teachers and other licensed employees for the anticipated actual and necessary expenses to be incurred while attending meetings that are related to their duties and will contribute to their professional development, provided they fall below the maximum allowed in the Board's expense regulations.

Expense advancement requests must be submitted to the Superintendent or designee on the District's standardized estimated expense approval form for employees. After spending expense advancements, employees must use the District's standardized expense reimbursement form and submit to the Superintendent: (a) the itemized, signed advancement voucher that was issued, and (b) the amount of actual expenses by attaching receipts. Any portion of an expense advancement not used must be returned to the District. Expense advancements and vouchers shall be presented to the Board in its regular bill process.

Reimbursements and Purchase Orders

Expense reimbursements and purchase orders may be issued by the Superintendent or designee to employees, along with other expenses necessary for the performance of their duties, provided the expenses fall below the maximum allowed in the Board's expense regulations.

Expense reimbursements and purchase order approvals are not guaranteed and, when possible, employees should seek pre-approval of expenses by providing an estimation of expenses on the District's standardized estimated expense approval form for employees, except in situations when the expense is diminutive. When pre-approval is not sought, employees must seek reimbursement on the District's standardized expense reimbursement form for employees. Expense reimbursements and purchase orders shall be presented to the Board in its regular bill process.

Use of Credit and Procurement Cards

Credit and procurement card usage is governed by policy 4:55, *Use of Credit and Procurement Cards*.

Exceeding the Maximum Allowable Expense Amount(s)

All requests for expense advancements, reimbursements, and purchase orders exceeding the maximum allowed in the Board's expense regulations may only be approved when:

1. The Board's resolution to regulate expenses allows for such approval;
2. An emergency or other extraordinary circumstance exists; and
3. The request is approved by a roll call vote at an open Board meeting.

Registration

When possible, registration fees will be paid by the District in advance.

Travel

The least expensive method of travel will be used, provided that no hardship will be caused to the employee. Employees will be reimbursed for:

1. Air travel at the coach or economy class commercial airline rate. First class or business class air travel will be reimbursed only if emergency circumstances warrant. The emergency circumstances must be explained on the expense form and Board approval of the additional expense is required. Fees for the first checked bag will be reimbursed. Copies of airline tickets and baggage receipts must be attached to the expense form.
2. Rail or bus travel at actual cost. Rail or bus travel costs may not exceed the cost of coach airfare. Copies of tickets must be attached to the expense form to substantiate amounts.
3. Use of personal automobiles at the standard mileage rate approved by the Internal Revenue Service for income tax purposes. The reimbursement may not exceed the cost of coach airfare. Mileage for use of personal automobiles in trips to and from transportation terminals will also be reimbursed. Toll charges and parking costs will be reimbursed.
4. Automobile rental costs when the vehicle's use is warranted. The circumstances for such use must be explained on the expense form.
5. Taxis, airport limousines, ride sharing services, or other local transportation costs.

Meals

Meals charged to the District should represent mid-fare selections for the hotel/meeting facility or general area. Tips are included with meal charges. Expense forms must explain the meal charges incurred. Alcoholic beverages will not be reimbursed.

Lodging

Employees should request conference rate or mid-fare room accommodations. A single room rate will be reimbursed. Employees should pay personal expenses at checkout. If that is impossible, deductions for the charges should be made on the expense form.

Miscellaneous Expenses

Employees may seek reimbursement for other expenses incurred while attending a meeting sponsored by organizations described herein by fully describing the expenses on the expense form, attaching receipts.

Additional Requirements for Travel Expenses Charged to Federal and State Grants

All grant-related travel expenses must be pre-approved by the Superintendent or designee.

Expenses for travel, including expenses for transportation, lodging, meals, and related items incurred by employees and charged to a federal grant or State grant governed by the Grant Accountability and Transparency Act (30 ILCS 708/) must also meet the following requirements:

1. The participation of the employee is necessary to the award, and the costs are specifically related to the award.
2. Expenses must be permissible under the terms and conditions of the award.

3. Expenses must be reasonable and consistent with this policy.
4. The Board does not reimburse actual expenses or pay a per diem allowance unless the employee is on official *travel status* for more than 12 hours. However, employees remain eligible for mileage reimbursement (minus regular commuting mileage/costs) and other transportation expenses if on travel status less than 12 hours.
5. Expenses may be charged based on an actual cost basis or on a per diem basis in lieu of actual costs incurred; however, only one method may be applied per trip.
6. Commercial airfare costs in excess of the least expensive coach or economy class are prohibited except when such accommodations would: (1) require circuitous routing; (2) require travel during unreasonable hours; (3) excessively prolong travel; (4) result in additional costs that would offset transportation savings; or (5) offer accommodations not reasonably adequate for the traveler's medical needs. Qualifying circumstances must be explained on the expense form, and Board approval of the additional expense is required.
7. Per diem rates and actual reimbursement amounts for mileage, meals, and lodging may not exceed the rates established by the Governor's Travel Control Board or federal travel regulations, whichever is less. These limits do not apply when: (1) an employee stays in the lowest-priced room available at or near a hotel where a conference or seminar is located or in accommodations arranged by the conference/seminar organization, or (2) lodging at or below the established rate is unavailable. In those cases, the employee will be reimbursed for actual lodging expenses with prior approval, but in no case will the reimbursement exceed 300% of the applicable maximum per diem rate. If a conference fee includes a meal, the meal or per diem allowance will be reduced by the actual value of the meal or the applicable meal allowance, whichever is less.
8. Employees must use the least expensive compact car available when using a rental car for travel, unless an exception is approved. The Board does not reimburse employees for collision damage waiver or theft insurance.
9. The Board will reimburse travel expenses not chargeable to an award from other District funds consistent with this policy.

Abused and Neglected Child Reporting

Any District employee who suspects or receives knowledge that a student may be an abused or neglected child or, for a student aged 18 through 22, an abused or neglected individual with a disability, shall immediately report or cause a report to be made to the Ill. Dept. of Children and Family Services (DCFS) on its Child Abuse Hotline 1-800-25-ABUSE (1-800-252-2873)(within Illinois); 1-217-524-2606 (outside of Illinois); or 1-800-358-5117 (TTY). Any District employee who believes a student is in immediate danger of harm, shall first call 911. The employee shall also promptly notify the Superintendent or Building Principal that a report has been made. The Superintendent or Building Principal shall immediately coordinate any necessary notifications to the student's parent(s)/guardian(s) with DCFS, the applicable school resource officer (SRO), and/or local law enforcement. *Negligent failure to report* occurs when a District employee personally observes an instance of suspected child abuse or neglect and reasonably believes, in his or her professional or official capacity, that the instance constitutes an act of child abuse or neglect under the Abused and Neglected Child Reporting Act (ANCRA) and he or she, without willful intent, fails to immediately report or cause a report to be made of the suspected abuse or neglect to DCFS.

Any District employee who discovers child sexual abuse material on *electronic and information technology equipment*, as defined in 325 ILCS 5/4.5(a), shall immediately report it to local law enforcement, the National Center for Missing and Exploited Children's CyberTipline 1-800-THE-LOST (1-800-843-5678) or online at https://report.cybertip.org or www.missingkids.org. The Superintendent or Building Principal shall also be promptly notified of the discovery and that a report has been made.

Any District employee who observes any act of hazing that does bodily harm to a student must report that act to the Building Principal, Superintendent, or designee who will investigate and take appropriate action. If the hazing results in death or great bodily harm, the employee must first make the report to law enforcement and then to the Superintendent or Building Principal. Hazing is defined as any intentional, knowing, or reckless act directed to or required of a student for the purpose of being initiated into, affiliating with, holding office in, or maintaining membership in any group, organization, club, or athletic team whose members are or include other students.

Abused and Neglected Child Reporting Act (ANCRA), School Code, and *Erin's Law* Training

The Superintendent or designee shall provide staff development opportunities for District employees in the detection, reporting, and prevention of child abuse and neglect.

All District employees shall:

1. Before beginning employment, sign the *Acknowledgement of Mandated Reporter Status* form provided by DCFS. The Superintendent or designee shall ensure that the signed forms are retained.
2. Complete mandated reporter training as required by law within three months of initial employment and at least every three years after that date.
3. Complete an annual evidence-informed training related to child sexual abuse, grooming behaviors (including *sexual misconduct* as defined in *Faith's Law*), and boundary violations as required by law and policy 5:100, *Staff Development Program*.

Alleged Incidents of Sexual Abuse; Investigations

An *alleged incident of sexual abuse* is an incident of sexual abuse of a child, as defined in 720 ILCS 5/11-9.1A, that is alleged to have been perpetrated by school personnel, including a school vendor or volunteer, that occurred: on school grounds during a school activity; or outside of school grounds or not during a school activity.

If a District employee reports an alleged incident of sexual abuse to DCFS and DCFS accepts the report for investigation, DCFS will refer the matter to the local Children's Advocacy Center (CAC). The Superintendent or designee will implement procedures to coordinate with the CAC.

DCFS and/or the appropriate law enforcement agency will inform the District when its investigation is complete or has been suspended, as well as the outcome of its investigation. The existence of a DCFS and/or law enforcement investigation will not preclude the District from conducting its own parallel investigation into the alleged incident of sexual abuse in accordance with Board policy 7:20, *Harassment of Students Prohibited*.

Special Superintendent Responsibilities

The Superintendent shall execute the requirements in Board policy 5:150, *Personnel Records*, whenever another school district requests a reference concerning an applicant who is or was a District employee and was the subject of a report made by a District employee to DCFS.

When the Superintendent has reasonable cause to believe that a license holder (1) committed an intentional act of abuse or neglect with the result of making a child an abused child or a neglected child under ANCRA or an act of sexual misconduct under *Faith's Law*, and (2) that act resulted in the license holder's dismissal or resignation from the District, the Superintendent shall notify the State Superintendent and the Regional Superintendent in writing, providing the Ill. Educator Identification Number as well as a brief description of the misconduct alleged. The Superintendent must make the report within 30 days of the dismissal or resignation and mail a copy of the notification to the license holder.

The Superintendent shall develop procedures for notifying a student's parents/guardians when a District employee, contractor, or agent is alleged to have engaged in sexual misconduct with the student as defined in *Faith's Law*. The Superintendent shall also develop procedures for notifying the student's parents/guardians when the Board takes action relating to the employment of the employee, contractor, or agent following the investigation of sexual misconduct. Notification shall not occur when the employee, contractor, or agent alleged to have engaged in sexual misconduct is the student's parent/guardian, and/or when the student is at least 18 years of age or emancipated.

The Superintendent shall execute the recordkeeping requirements of *Faith's Law*.

Special School Board Member Responsibilities

Each individual Board member must, if an allegation is raised to the member during an open or closed Board meeting that a student is an abused child as defined in ANCRA, direct or cause the Board to direct the Superintendent or other equivalent school administrator to comply with ANCRA's requirements concerning the reporting of child abuse.

If the Board determines that any District employee, other than an employee licensed under 105 ILCS 5/21B, has willfully or negligently failed to report an instance of suspected child abuse or neglect as required by ANCRA, the Board may dismiss that employee immediately.

When the Board learns that a licensed teacher was convicted of any felony, it must promptly report it to the State agencies listed in Board policy 2:20, *Powers and Duties of the School Board; Indemnification*.

Each August, the school board will recognize those employees who have completed 5 years, 10 years, 15 years, 20 years, 25 years, or 30 years of consecutive service with the School District. The School Board will also recognize those employees who earn local, state, or national recognition in their area of employment.

ADOPTED: October 15, 2026

General Personnel

Employee Ethics; Code of Professional Conduct; and Conflict of Interest

All District employees are expected to maintain high standards in their job performance, demonstrate integrity and honesty, be considerate and cooperative, and maintain professional and appropriate relationships with students, parents/guardians, staff members, and others.

The Superintendent or designee shall provide this policy to all District employees and students and/or parents/guardians in their respective handbooks, and ensure its posting on the District's website, if any.

Professional and Appropriate Conduct

Professional and appropriate employee conduct are important Board goals that impact the quality of a safe learning environment and the school community, increasing students' ability to learn and the District's ability to educate. To protect students from sexual misconduct by employees, and employees from the appearance of impropriety, State law also recognizes the importance for District employees to constantly maintain professional and appropriate relationships with students by following established expectations and guidelines for employee-student boundaries. Many breaches of employee-student boundaries do not rise to the level of criminal behavior but do pose a potential risk to student safety and impact the quality of a safe learning environment. Repeated violations of employee-student boundaries may indicate the grooming of a student for sexual abuse. As bystanders, employees may know of concerning behaviors that no one else is aware of, so their training on: (1) preventing, recognizing, reporting, and responding to child sexual abuse and grooming behavior; (2) this policy; and (3) federal and state reporting requirements is essential to maintaining the Board's goal of professional and appropriate conduct.

The Superintendent or designee shall identify employee conduct standards that define appropriate employee-student boundaries, provide training about them, and monitor the District's employees for violations of employee-student boundaries. The employee conduct standards will require that, at a minimum:

1. Employees who are governed by the *Code of Ethics for Illinois Educators*, adopted by the Ill. State Board of Education (ISBE), will comply with its incorporation by reference into this policy.
2. Employees are trained on educator ethics, child abuse, grooming behaviors, and employee-student boundary violations as required by law and Board policies 2:265, *Title IX Grievance Procedure*; 4:165, *Awareness and Prevention of Child Sexual Abuse and Grooming Behaviors*; 5:90, *Abused and Neglected Child Reporting*; and 5:100, *Staff Development Program*.
3. Employees maintain professional relationships with students, including maintaining employee-student boundaries based upon students' ages, grade levels, and developmental levels and following District-established guidelines for specific situations, including but not limited to:
    a. Transporting a student;
    b. Taking or possessing a photo or video of a student; and
    c. Meeting with a student or contacting a student outside the employee's professional role.
4. Employees report prohibited behaviors and/or boundary violations pursuant to Board policies 2:260, *Uniform Grievance Procedure*; 2:265, *Title IX Grievance Procedure*; and 5:90, *Abused and Neglected Child Reporting*.
5. Discipline up to and including dismissal will occur for any employee who violates an employee conduct standard or engages in any of the following:
    a. Violates expectations and guidelines for employee-student boundaries.
    b. Sexually harasses a student.

c. Willfully or negligently fails to follow reporting requirements of the Abused and Neglected Child Reporting Act (325 ILCS 5/), Title IX of the Education Amendments of 1972 (20 U.S.C. §1681 et seq.), or the Elementary and Secondary Education Act (20 U.S.C. § 7926).
d. Engages in grooming as defined in 720 ILCS 5/11-25.
e. Engages in grooming behaviors. Prohibited grooming behaviors include, at a minimum, *sexual misconduct*. *Sexual misconduct* is any act, including but not limited to, any verbal, nonverbal, written, or electronic communication or physical activity, by an employee with direct contact with a student, that is directed toward or with a student to establish a romantic or sexual relationship with the student. Examples include, but are not limited to:
    i. A sexual or romantic invitation.
    ii. Dating or soliciting a date.
    iii. Engaging in sexualized or romantic dialog.
    iv. Making sexually suggestive comments that are directed toward or with a student.
    v. Self-disclosure or physical exposure of a sexual, romantic, or erotic nature.
    vi. A sexual, indecent, romantic, or erotic contact with the student.

Statement of Economic Interests

The following employees must file a *Statement of Economic Interests* as required by the Ill. Governmental Ethics Act:

1. Superintendent;
2. Building Principal;
3. Head of any department;
4. Any employee who, as the District's agent, is responsible for negotiating one or more contracts, including collective bargaining agreement(s), in the amount of $1,000 or greater;
5. Hearing officer;
6. Any employee having supervisory authority for 20 or more employees; and
7. Any employee in a position that requires an administrative or a chief school business official endorsement.

Ethics and Gift Ban

Board policy 2:105, *Ethics and Gift Ban*, applies to all District employees. Students shall not be used in any manner for promoting a political candidate or issue.

Prohibited Interests; Conflict of Interest; and Limitation of Authority

In accordance with 105 ILCS 5/22-5, "no school officer or teacher shall be interested in the sale, proceeds, or profits of any book, apparatus, or furniture used or to be used in any school with which such officer or teacher may be connected," except when the employee is the author or developer of instructional materials listed with ISBE and adopted for use by the Board. An employee having an interest in instructional materials must file an annual statement with the Board Secretary.

For the purpose of acquiring profit or personal gain, no employee shall act as an agent of the District nor shall an employee act as an agent of any business in any transaction with the District. This includes participation in the selection, award, or administration of a contract supported by a federal award or State award governed by the Grant Accountability and Transparency Act (GATA) (30 ILCS 708/) when the employee has a real or apparent conflict of interest. A conflict of interest arises when an employee or any of the following individuals has a financial or other interest in or a tangible benefit from the entity selected for the contract:

1. A member of the employee's immediate family;
2. An employee's partner; or

3. An entity that employs or is about to employ the employee or one of the individuals listed in one or two above.

Employees shall neither solicit nor accept gratuities, favors, or anything of monetary value from contractors, potential contractors, or parties to agreements or subcontracts. Situations in which the interest is not substantial or the gift is an unsolicited item of nominal value must comply with State law and Board policy 2:105, *Ethics and Gift Ban*.

School Counselor Gift Ban

School counselors are prohibited from intentionally soliciting or accepting any gift from a *prohibited source* or any gift that would be in violation of any federal or State statute or rule. For school counselors, a *prohibited source* is any person who is (1) employed by an institution of higher education, or (2) an agent or spouse of or an immediate family member living with a person employed by an institution of higher education. This prohibition does not apply to:

1. Opportunities, benefits, and services available on the same conditions as for the general public.
2. Anything for which the school counselor pays market value.
3. A gift from a relative.
4. Anything provided by an individual on the basis of a personal friendship, unless the school counselor believes that it was provided due to the official position or employment of the school counselor and not due to the personal friendship. In determining whether a gift is provided on the basis of personal friendship, the school counselor must consider the circumstances in which the gift was offered, including any of the following:
    a. The history of the relationship between the individual giving the gift and the school counselor, including any previous exchange of gifts between those individuals.
    b. Whether, to the actual knowledge of the school counselor, the individual who gave the gift personally paid for the gift or sought a tax deduction or business reimbursement for the gift.
    c. Whether, to the actual knowledge of the school counselor, the individual who gave the gift also, at the same time, gave the same or a similar gift to other school district employees.
5. Bequests, inheritances, or other transfers at death.
6. Any item(s) during any calendar year having a cumulative total value of less than $100.
7. Promotional materials, including, but not limited to, pens, pencils, banners, posters, and pennants.
8. Travel, lodging, food, and beverage costs incurred by the school counselor and paid by an institution of higher education for attendance by the school counselor of an educational or military program at the institution of higher education.

A school counselor does not violate this prohibition if he or she promptly returns the gift to the prohibited source or donates the gift or an amount equal to its value to a 501(c)(3) tax-exempt charity.

Temporary Illness or Temporary Incapacity

A temporary illness or temporary incapacity is an illness or other capacity of ill-being that renders an employee physically or mentally unable to perform assigned duties. During such a period, the employee can use accumulated sick leave benefits. However, income received from other sources (worker's compensation, District-paid insurance programs, etc.) will be deducted from the District's compensation liability to the employee. The School Board's intent is that in no case will the employee, who is temporarily disabled, receive more than 100 percent of his or her gross salary. Those insurance plans privately purchased by the employee and to which the District does not contribute, are not applicable to this policy.

If illness, incapacity, or any other condition causes a teacher or other licensed employee to be absent in one school year, after exhaustion of all available leave, for more than 90 consecutive work days, such absence may be considered a permanent disability and the Board may begin dismissal proceedings subject to State and federal law, including the Americans with Disabilities Act. The Superintendent may recommend this paragraph's use when circumstances strongly suggest that the teacher or other licensed employee returned to work intermittently in order to avoid this paragraph's application. This paragraph shall not be considered a limitation on the Board's authority to take any action concerning an employee that is authorized by State and federal law.

Any employee may be required to have an examination, at the District's expense, by a physician who is licensed in Illinois to practice medicine and surgery in all its branches, a licensed advanced practice registered nurse, or a licensed physician assistant if the examination is job-related and consistent with business necessity.

Family and Medical Leave

Leave Description

An eligible employee may use unpaid family and medical leave (FMLA leave), guaranteed by the federal Family and Medical Leave Act. The U.S. Department of Labor's rules (federal rules) implementing FMLA, as they may be amended from time to time, control FMLA leave.

An eligible employee may take FMLA leave for up to a combined total of 12 weeks each 12-month period, beginning September 1 and ending August 31 of the next year.

During a single 12-month period, an eligible employee's FMLA leave entitlement may be extended to a total of 26 weeks of unpaid leave to care for a covered servicemember (defined in the federal rules) with a serious injury or illness. The "single 12-month period" is measured forward from the date the employee's first FMLA leave to care for the covered servicemember begins.

While FMLA leave is normally unpaid, the District will substitute an employee's accrued compensatory time-off and/or paid leave for unpaid FMLA leave, provided such leave is available for use in accordance with Board policies and rules. In addition, all policies and rules regarding the use of paid leave apply when paid leave is substituted for unpaid FMLA leave. Any substitution of paid leave for unpaid FMLA leave will count against the employee's FMLA leave entitlement. Use of FMLA leave shall not preclude the use of other applicable unpaid leave that will extend the employee's leave beyond 12 weeks, provided that the use of FMLA leave shall not serve to extend such other unpaid leave. Any full workweek period during which the employee would not have been required to work, including summer break, winter break and spring break, is not counted against the employee's FMLA leave entitlement.

FMLA leave is available in one or more of the following instances:

1. The birth and first-year care of a son or daughter.
2. The adoption or foster placement of a son or daughter, including absences from work that are necessary for the adoption or foster care to proceed and expiring at the end of the 12-month period beginning on the placement date.
3. The serious health condition of an employee's spouse, child, or parent.
4. The employee's own serious health condition that makes the employee unable to perform the functions of his or her job.
5. The existence of a qualifying exigency arising out of the fact that the employee's spouse, child, or parent is a military member on covered active duty or has been notified of an impending call or order to active duty, as provided by federal rules.
6. To care for the employee's spouse, child, parent, or next of kin who is a covered servicemember with a serious injury or illness, as provided by federal rules.

If spouses are employed by the District, they may together take only 12-weeks for FMLA leaves when the reason for the leave is 1 or 2, above, or to care for a parent with a serious health condition, or a combined total of 26 weeks for item 6 above.

An employee may be permitted to work on an intermittent or reduced-leave schedule in accordance with federal rules.

Eligibility

To be eligible for FMLA leave, an employee must be employed at a worksite where at least 50 employees are employed within 75 miles. In addition, one of the following provisions must describe the employee:

1. The employee has been employed by the District for at least 12 months and has been employed for at least 1,000 hours of service during the 12-month period immediately before the beginning

of the leave. The 12 months an employee must have been employed by the District need not be consecutive. However, the District will not consider any period of previous employment that occurred more than seven years before the date of the most recent hiring, except when the service break is due to fulfillment of a covered service obligation under the employee's Uniformed Services Employment and Reemployment Rights Act (USERRA), 38 U.S.C. 4301, et seq., or when a written agreement exists concerning the District's intention to rehire the employee.

2. The employee is a full-time classroom teacher.

Requesting Leave

If the need for the FMLA leave is foreseeable, an employee must provide the Superintendent or designee with at least 30 days' advance notice before the leave is to begin. If 30 days' advance notice is not practicable, the notice must be given as soon as practicable. The employee shall make a reasonable effort to schedule a planned medical treatment so as not to disrupt the District's operations, subject to the approval of the health care provider administering the treatment. The employee shall provide at least verbal notice sufficient to make the Superintendent or designee aware that he or she needs FMLA leave, and the anticipated timing and duration of the leave. Failure to give the required notice for a foreseeable leave may result in a delay in granting the requested leave until at least 30 days after the date the employee provides notice.

Certification

Within 15 calendar days after the Superintendent or designee makes a request for certification for a FMLA leave, an employee must provide one of the following:

When the leave is to care for the employee's covered family member with a serious health condition, the employee must provide a complete and sufficient certificate signed by the family member's health care provider.

When the leave is due to the employee's own serious health condition, the employee must provide a complete and sufficient certificate signed by the employee's health care provider.

When the leave is to care for a covered servicemember with a serious illness or injury, the employee must provide a complete and sufficient certificate signed by an authorized health care provider for the covered servicemember.

When the leave is because of a qualified exigency, the employee must provide: (a) a copy of the covered military member's active duty orders or other documentation issued by the military indicating that the military member is on active duty or call to active duty status, and the dates of the covered military member's active duty service, and (b) a statement or description, signed by the employee, of appropriate facts regarding the qualifying exigency for which FMLA leave is requested.

The District may require an employee to obtain a second and third opinion at its expense when it has reason to doubt the validity of a medical certification.

The District may require recertification at reasonable intervals, but not more often than once every 30 days. Regardless of the length of time since the last request, the District may request recertification when the, (1) employee requests a leave extension, (2) circumstances described by the original certification change significantly, or (3) District receives information that casts doubt upon the continuing validity of the original certification. Recertification is at the employee's expense and must be provided to the District within 15 calendar days after the request. The District may request recertification every six months in connection with any absence by an employee needing an intermittent or reduced schedule leave for conditions with a duration in excess of six months.

Failure to furnish a complete and sufficient certification on forms provided by the District may result in a denial of the leave request.

Continuation of Health Benefits

During FMLA leave, employees are entitled to continuation of health benefits that would have been provided if they were working. Any share of health plan premiums being paid by the employee before taking the leave, must continue to be paid by the employee during the FMLA leave. A District's obligation to maintain health insurance coverage ceases if an employee's premium payment is more than 30 days late and the District notifies the employee at least 15 days before coverage will cease.

Changed Circumstances and Intent to Return

An employee must provide the Superintendent or designee reasonable notice of changed circumstances (i.e., within two business days if the changed circumstances are foreseeable) that will alter the duration of the FMLA leave. The Superintendent or designee, taking into consideration all of the relevant facts and circumstances related to an individual's leave situation, may ask an employee who has been on FMLA leave for eight consecutive weeks whether he or she intends to return to work.

Return to Work

If returning from FMLA leave occasioned by the employee's own serious health condition, the employee is required to obtain and present certification from the employee's health care provider that he or she is able to resume work.

An employee returning from FMLA leave will be given an equivalent position to his or her position before the leave, subject to: (1) permissible limitations the District may impose as provided in the FMLA or implementing regulations, and (2) the District's reassignment policies and practices.

Classroom teachers may be required to wait to return to work until the next semester in certain situations as provided by the FMLA regulations.

Implementation

The Superintendent or designee shall ensure that: (1) all required notices and responses to leave requests are provided to employees in accordance with the FMLA; and (2) this policy is implemented in accordance with the FMLA. In the event of a conflict between the policy and the FMLA or its regulations, the latter shall control. The terms used in this policy shall be defined as in the FMLA regulations.

Substitute Teachers

The Superintendent may employ substitute teachers as necessary to replace teachers who are temporarily absent.

A substitute teacher must hold either a valid teaching or substitute license and may teach in the place of a licensed teacher who is under contract with the Board. There is no limit on the number of days that a substitute teacher may teach in the District during the school year, except as follows:

1. A substitute teacher holding a substitute license may teach for any one licensed teacher under contract with the District only for a period not to exceed 90 paid school days in any one school term.
2. A teacher holding a Professional Educator License or Educator License with Stipulations may teach for any one licensed teacher under contract with the District only for a period not to exceed 120 paid school days.

The Ill. Teachers' Retirement System (TRS) limits a substitute teacher who is a TRS annuitant to substitute teaching for a period not to exceed 120 paid days or 600 paid hours in each school year through June 30, 2026, but not more than 100 paid days in the same classroom. Beginning July 1, 2026, a substitute teacher who is a TRS annuitant may substitute teach for a period not to exceed 100 paid days or 500 paid hours in any school year, unless the subject area is one where the Regional Superintendent has certified that a personnel shortage exists.

The School Board establishes a daily rate of pay for substitute teachers. Substitute teachers receive only monetary compensation for time worked and no other benefits.

Short-Term Substitute Teachers

A short-term substitute teacher must hold a valid short-term substitute teaching license and have completed the District's short-term substitute teacher training program. Unless otherwise permitted by law, short-term substitutes may teach no more than five consecutive school days for each licensed teacher who is under contract with the Board.

Emergency Situations

A substitute teacher may teach when no licensed teacher is under contract with the Board if the District has an emergency situation as defined in State law. During an emergency situation, a substitute teacher is limited to 30 calendar days of employment per each vacant position. The Superintendent shall notify the appropriate Regional Office of Education (ROE) within five business days after the employment of a substitute teacher in an emergency situation. The Board may continue to employ the same substitute teacher in a vacant position for 90 calendar days or until the end of the semester, whichever is greater, if, prior to the end of the then current 30 calendar-day-period, the District makes a written request to the ROE for a 30 calendar-day-extension and the extension is granted by the ROE.

Maintaining Student Discipline

Maintaining an orderly learning environment is an essential part of each teacher's instructional responsibilities. A teacher's ability to foster appropriate student behavior is an important factor in the teacher's educational effectiveness. The Superintendent shall ensure that all teachers, other licensed educational employees (except for individuals employed as paraprofessional educators), and persons providing a student's related service(s): (1) maintain discipline in the schools as required in the School Code, and (2) follow the School Board policies and administrative procedures on student conduct, behavior, and discipline.

When a student's behavior is unacceptable, the teacher should first discuss the matter with the student, if appropriate. If the unacceptable behavior continues, the teacher should consult with the Building Principal and/or discuss the problem with the parent(s)/guardian(s). A teacher may remove any student from the learning setting whose behavior interferes with the lessons or participation of fellow students. A student's removal must be in accordance with Board policy and administrative procedures.

School personnel shall not use disciplinary methods that may be damaging to students, such as ridicule, sarcasm, or excessive temper displays. Corporal punishment (including slapping, paddling, or prolonged maintenance of a student in physically painful positions, and intentional infliction of bodily harm) is prohibited in all circumstances. School personnel may only use reasonable force as permitted by 105 ILCS 5/10-20.33.

Suspension

Suspension Without Pay

The School Board may suspend a professional employee without pay: (1) pending a dismissal hearing, or (2) as a disciplinary measure for up to 30 employment days for misconduct that is detrimental to the District. A *professional employee* means a non-administrator employee who holds a professional educator license. Administrative staff members may not be suspended without pay as a disciplinary measure.

Misconduct that is detrimental to the District includes:

- Insubordination, including any failure to follow an oral or written directive from a supervisor;
- Violation of Board policy or administrative procedure;
- Conduct that disrupts or may disrupt the educational program or process;
- Conduct that violates any State or federal law that relates to the employee's duties; and
- Other sufficient causes.

The Superintendent or designee is authorized to issue a pre-suspension notification to a professional employee. This notification shall include the length and reason for the suspension as well as the deadline for the employee to exercise his or her right to appeal the suspension to the Board or Board-appointed hearing examiner before it is imposed. At the request of the professional employee made within five calendar days of receipt of a pre-suspension notification, the Board or Board-appointed hearing examiner will conduct a pre-suspension hearing. The Board or its designee shall notify the professional employee of the date and time of the hearing. At the pre-suspension hearing, the professional employee or his/her representative may present evidence. If the employee does not appeal the pre-suspension notification, the Superintendent or designee shall report the action to the Board at its next regularly scheduled meeting.

Suspension With Pay

The Board or Superintendent or designee may suspend a professional employee with pay: (1) during an investigation into allegations of disobedience or misconduct whenever the employee's continued presence in his or her position would not be in the District's best interests, (2) as a disciplinary measure for misconduct that is detrimental to the District as defined above, or (3) pending a Board hearing to suspend a professional employee without pay.

The Superintendent shall meet with the employee to present the allegations and give the employee an opportunity to refute the charges. The employee will be told the dates and times the suspension will begin and end.

Repayment of Compensation and Benefits

If a professional employee is suspended with pay, either voluntarily or involuntarily, pending the outcome of a criminal investigation or prosecution, and the employee is later dismissed as a result of his or her criminal conviction, then the employee must repay to the District all compensation and the value of all benefits received by him or her during the suspension. The Superintendent will notify the employee of this requirement when the employee is suspended.

Leaves of Absence

Each of the provisions in this policy applies to all professional personnel to the extent that it does not conflict with an applicable collective bargaining agreement or individual employment contract or benefit plan; in the event of a conflict, such provision is severable and the applicable bargaining agreement or individual agreement will control.

Sick and Bereavement Leave

Each full-time professional staff member is granted 10 days sick leave each school year at full pay. Unused days are allowed to accumulate to 180 days. Sick leave is defined in State law as personal illness, mental or behavioral health complications, quarantine at home, serious illness or death in the immediate family or household, or birth, adoption, placement for adoption, or the acceptance of a child in need of foster care.

As a condition for paying sick leave after three days absence for personal illness or as the Board or Superintendent deem necessary in other cases, the Board or Superintendent may require that the staff member provide a certificate from: (1) a physician licensed in Illinois to practice medicine and surgery in all its branches, (2) a mental health professional licensed in Illinois providing ongoing care or treatment to the staff member, (3) a chiropractic physician licensed under the Medical Practice Act, (4) a licensed advanced practice registered nurse, (5) a licensed physician assistant who has been delegated the authority to perform health examinations by his or her supervising physician, or (6) if the treatment is by prayer or spiritual means, a spiritual adviser or practitioner of the employee's faith. If the Board or Superintendent requires a certificate during a leave of less than three days for personal illness, the District shall pay the expenses incurred by the employee.

Staff members are entitled to use up to 30 days of paid sick leave because of the birth of a child that is not dependent on the need to recover from childbirth. Such days may be used at any time within the 12-month period following the birth of the child. Intervening periods of nonworking days or school not being in session, such as breaks and holidays, do not count towards the 30 working school days. As a condition of paying sick leave beyond the 30 working school days, the Board or Superintendent may require medical certification.

For purposes of adoption, placement for adoption, or acceptance of a child in need of foster care, paid sick leave may be used for reasons related to the formal adoption or the formal foster care process prior to taking custody of the child or accepting the child in need of foster care, and for taking custody of the child or accepting the child in need of foster care. Such leave is limited to 30 days, unless a longer leave is provided in an applicable collective bargaining agreement, and need not be used consecutively once the formal adoption or foster care process is underway. The Board or Superintendent may require that the employee provide evidence that the formal adoption or foster care process is underway.

Family Bereavement Leave

State law allows a maximum of 10 unpaid work days for eligible employees (Family and Medical Leave Act of 1993, 20 U.S.C. §2601 et seq.) to take family bereavement leave. The purpose, requirements, scheduling, and all other terms of the leave are governed by the Family Bereavement Leave Act. Eligible employees may use family bereavement leave, without any adverse employment action, for: (1) attendance by the bereaved staff member at the funeral or alternative to a funeral of a covered family member, which includes an employee's child, stepchild, spouse, domestic partner, sibling, parent, mother-in-law, father-in-law, grandchild, grandparent, or stepparent (2) making arrangements necessitated by the death of the covered family member, (3) grieving the death of the covered family member, or (4) absence from work due to a Significant Event, which includes: (i) miscarriage, (ii) an unsuccessful round of intrauterine insemination or of an assisted reproductive technology procedure,

(iii) a failed adoption match or an adoption that is not finalized because it is contested by another party, (iv) a failed surrogacy agreement, (v) a diagnosis that negatively impacts pregnancy or fertility, or (vi) a still birth. An employee qualifying for leave due to a Significant Event will not be required to identify which specific reason applies to the employee's request.

The leave must be completed within 60 days after the date on which the employee received notice of the death of the covered family member or the date on which an event under item (4) above occurs. However, in the event of the death of more than one covered family member in a 12-month period, an employee is entitled to up to a total of six weeks of bereavement leave during the 12-month period, subject to certain restrictions under State and federal law. Other existing forms of leave may be substituted for the leave provided in the Family Bereavement Leave Act. This policy does not create any right for an employee to take family bereavement leave that is inconsistent with the Family Bereavement Leave Act.

Child Extended Bereavement Leave

Unpaid leave from work is available to employees who experience the loss of a child by suicide or homicide. The Child Extended Bereavement Leave Act governs the duration, scheduling, continuity of benefits, and all other terms of the leave. Accordingly, if the District employs 250 or more employees on a full-time basis, an employee is entitled to a total of 12 weeks of unpaid leave within one year after the employee notifies the District of the loss. An employee may elect to substitute other forms of leave to which the employee is entitled for the leave provided under the Child Extended Bereavement Leave Act.

Sabbatical Leave

Sabbatical leave may be granted in accordance with the School Code.

Personal Leave

Professional staff members are granted one personal leave day per year. A personal leave day is defined as a day to allow professional personnel time to conduct personal business (but not vacation, travel, or work stoppage), which is impossible to schedule at a time other than during a school day. Any unused personal leave day in a school year will be credited to the cumulative sick leave.

The use of a personal day is subject to the following conditions:

1. Except in cases of emergency or unavoidable situations, personal leave requests should be submitted to the Building Principal three days in advance of the requested date,
2. No personal leave days may be used immediately before or immediately after a holiday unless the Superintendent grants prior approval,
3. Personal leave may not be used in increments of less than one-half day,
4. Personal leave days are subject to a substitute's availability,
5. Personal leave days may not be used during the first and/or last five days of the school year,
6. Personal leave days may not be used on in-service and/or institute training days, and
7. Personal leave may not be used by more than 10% of the teaching staff in each building at the same time.

Leave of Absence Without Pay

The Board may grant a leave of absence without pay to tenured professional staff members who have rendered satisfactory service and desire to return to employment in a similar capacity at a time determined by the Board.

Each leave of absence shall be of the shortest possible duration required to meet the leave's purpose consistent with a reasonable continuity of instruction for students.

Leave to Serve as an Election Judge

Any staff member who was appointed to serve as an election judge under State law may, after giving at least 20-days' written notice to the District, be absent without pay for the purpose of serving as an election judge. The staff member is not required to use any form of paid leave to serve as an election judge. No more than 10% of the District's employees may be absent to serve as election judges on the same Election Day.

Child-Rearing Leave

The Board shall grant a professional staff member's request for a non-paid, child-rearing leave, not to exceed the balance of the school year plus one additional school year (but in no event shall such leave exceed three semesters), provided the request complies with this policy. Nothing in this section shall prohibit a professional staff member from using paid sick days as provided in this policy.

A teacher should request, if possible, a child-rearing leave by notifying the Superintendent in writing no later than 90 days before the requested leave's beginning date. The request should include the proposed leave dates. The leave shall end before a new school year begins or before the first day of school after winter recess.

Subject to the insurance carrier's approval, the teacher may maintain insurance benefits at his or her own expense during a child-rearing leave.

A professional staff member desiring to return before the leave's expiration will be assigned to an available vacancy for which the teacher is qualified, subject to scheduling efficiency and instruction continuity.

Leaves for Service in the Military

Leaves for service in the U.S. Armed Services or any of its reserve components and the National Guard, as well as re-employment rights, will be granted in accordance with State and federal law. A professional staff member hired to replace one in military service does not acquire tenure.

General Assembly Leave

Leaves for service in the General Assembly, as well as re-employment rights, will be granted in accordance with State and federal law. A professional staff member hired to replace one in the General Assembly does not acquire tenure.

Leave for Employment in Department of Defense

The Board may grant teachers a leave of absence to accept employment in a Dept. of Defense overseas school.

School Visitation Leave

An eligible professional staff member is entitled to eight hours during any school year, no more than four hours of which may be taken on any given day, to attend school conferences, behavioral meetings, or academic meetings related to the teacher's child, if the conference or meeting cannot be scheduled during non-work hours. Professional staff members must first use all accrued vacation leave, personal leave, compensatory leave, and any other leave that may be granted to the professional staff member, except sick, and disability leave.

The Superintendent shall develop administrative procedures implementing this policy consistent with the School Visitation Rights Act.

Leaves for Victims of Domestic Violence, Sexual Violence, Gender Violence, or Other Crime of Violence

An unpaid leave from work is available to any staff member who: (1) is a victim of domestic violence, sexual violence, gender violence, or any other crime of violence or (2) has a family or household member who is a victim of such violence whose interests are not adverse to the employee as it relates

to the domestic violence, sexual violence, gender violence, or any other crime of violence. The unpaid leave allows the employee to seek medical help, legal assistance, counseling, safety planning, and other assistance, and to grieve and attend to matters necessitated by the death of a family or household member who is killed in a crime of violence, without suffering adverse employment action.

The Victims' Economic Security and Safety Act (VESSA) governs the purpose, requirements, scheduling, and continuity of benefits, and all other terms of the leave. Accordingly, if the District employs at least 50 employees, and subject to any exceptions in VESSA, an employee is entitled to a total of 12 work weeks of unpaid leave during any 12-month period. Neither the law nor this policy creates a right for an employee to take unpaid leave that exceeds the unpaid leave time allowed under, or is in addition to the unpaid leave time permitted by, the federal Family and Medical Leave Act of 1993 (29 U.S.C. §2601 et seq.).

Leaves to Serve as an Officer, Trustee, or Representative of a Specific Organization

Upon request, the Board will grant: (1) an unpaid leave of absence to an elected officer of a State or national teacher organization that represents teachers in collective bargaining negotiations, (2) up to 20 days of paid leave of absence per year to a trustee of the Teachers' Retirement System in accordance with 105 ILCS 5/24-6.3, (3) a paid leave of absence for the local association president of a State teacher association that is an exclusive bargaining agent in the District, or his or her designee, to attend meetings, workshops, or seminars as described in 105 ILCS 5/24-6.2, and (4) up to 10 days of paid leave per school term for teachers elected to represent a statewide teacher association in federal advocacy work in accordance with 105 ILCS 5/24-3.5.

COVID-19 Paid Administrative Leave

When applicable, paid administrative leave related to COVID-19 will be granted to eligible employees in accordance with State law.

Family Neonatal Intensive Care Leave

An unpaid leave from work is available to any staff member whose child is a patient in a neonatal intensive care unit (NICU) in accordance with the requirements of the Family Neonatal Intensive Care Leave Act. If the District employs at least 51 employees, an employee is entitled to a total of 20 days of unpaid leave while a child of the employee is a patient in a NICU. The District may require reasonable verification of the employee's child's length of stay in a NICU.

The School Code requires each individual student teaching or beginning a required internship to provide the District with written authorization for, and pay the costs of, his or her 105 ILCS 5/10-21.9(g) check (including any applicable vendor's fees). Upon receipt of this authorization and payment, the Superintendent or designee will submit the student teacher's name, sex, race, date of birth, social security number, fingerprint images, and other identifiers, as prescribed by the Department of State Police, to the Department of State Police. Employment At-Will, Compensation, and Assignment

Employment At-Will

Unless otherwise specifically provided, District employment is at-will, meaning that employment may be terminated by the District or employee at any time for any reason, other than a reason prohibited by law, or no reason at all. Nothing in School Board policy is intended or should be construed as altering the employment at-will relationship.

Exceptions to employment at-will may include employees who are employed annually, have an employment contract, or are otherwise granted a legitimate interest in continued employment. The Superintendent is authorized to make exceptions to employing non-certificated employees at-will but shall maintain a record of positions or employees who are not at-will and the reason for the exception.

Compensation and Assignment

The School Board will determine salary and wages for educational support personnel. Increments are dependent on evidence of continuing satisfactory performance. An employee covered by the overtime provisions in State or federal law, shall not work overtime without the prior authorization from the employee's immediate supervisor. Educational support personnel are paid twice a month.

The Superintendent is authorized to make assignments and transfers of educational support personnel.

Duties and Qualifications

All support staff: (1) must meet qualifications specified in job descriptions, (2) must be able to perform the essential tasks listed and/or assigned, and (3) are subject to School Board policies as they may be changed from time to time at the Board's sole discretion.

Paraprofessionals

Paraprofessionals provide supervised instructional support. Service as a paraprofessional requires an educator license with stipulations endorsed for a paraprofessional educator unless a specific exemption is authorized by the Ill. State Board of Education (ISBE).

Individuals with only non-instructional duties (e.g., providing technical support for computers, providing personal care services, or performing clerical duties) are not paraprofessionals, and the requirements in this section do not apply. In addition, individuals completing their clinical experiences and/or student teaching do not need to comply with this section, provided their service otherwise complies with ISBE rules.

Nonlicensed Personnel Working with Students and Performing Non-Instructional Duties

Nonlicensed personnel performing non-instructional duties may be used:

1. For supervising study halls, long-distance teaching reception areas used incident to instructional programs transmitted by electronic media (e.g., computers, video, and audio), detention and discipline areas, and school-sponsored extracurricular activities;
2. As supervisors, chaperones, or sponsors for non-academic school activities or for school activities connected to the academic program during any time in which the Governor has declared a disaster due to a public health emergency, in accordance with ISBE rule; or
3. For non-teaching duties not requiring instructional judgment or student evaluation.

Nothing in this policy prevents a nonlicensed person from serving as a guest lecturer or resource person under a licensed teacher's direction and with the administration's approval.

Coaches and Athletic Trainers

Athletic coaches and trainers shall have the qualifications required by any association in which the School District maintains a membership. Regardless of whether the athletic activity is governed by an association, the Superintendent or designee shall ensure that each athletic coach: (1) is knowledgeable regarding coaching principles, (2) has first aid training, and (3) is a trained Automated External Defibrillator user according to rules adopted by the Illinois Department of Public Health. Anyone performing athletic training services shall be licensed under the Illinois Athletic Trainers Practice Act, be an athletic trainer aide performing care activities under the on-site supervision of a licensed athletic trainer, or otherwise be qualified to perform athletic trainer activities under State law.

Bus Drivers

All school bus drivers must have a valid school bus driver permit. The Superintendent or designee shall inform the Illinois Secretary of State, within 30 days of being informed by a school bus driver, that the bus driver permit holder who is a service member has been called to active duty. New bus drivers and bus drivers who are returning from a lapse in their employment are subject to the requirements contained in Board policy 5:30, *Hiring Process and Criteria* and Board policy 5:285, *Drug and Alcohol Testing for School Bus and Commercial Vehicle Drivers*.

Employment Termination and Suspensions

Resignation and Retirement
An employee is requested to provide two weeks' notice of a resignation. A resignation notice cannot be revoked once given. An employee planning to retire should notify his or her supervisor at least two months before the retirement date.

Non-RIF Dismissal
The District may terminate an at-will employee at any time for any or no reason, but not for a reason prohibited by State or federal law.

Employees who are employed annually or have a contract, or who otherwise have a legitimate expectation of continued employment, may be dismissed: (1) at the end of the school year or at the end of their respective contract after being provided appropriate notice and after compliance with any applicable contractual provisions, or (2) mid-year or mid-contract provided appropriate due process procedures are provided.

The Superintendent is responsible for making dismissal recommendations to the School Board consistent with the Board's goal of having a highly qualified, high performing staff. This includes recommending a non-licensed employee for immediate dismissal for willful or negligent failure to report an instance of suspected child abuse or neglect as required by 325 ILCS 5/.

Reduction in Force and Recall
The Board may, as necessary or prudent, decide to decrease the number of educational support personnel or to discontinue some particular type of educational support service and, as a result of that action, dismiss or reduce the hours of one or more educational support employees. When making decisions concerning reduction in force and recall, the Board will follow Sections 10-22.34c (outsourcing non-instructional services) and 10-23.5 (procedures) of the School Code, to the extent they are applicable and not superseded by legislation or an applicable collective bargaining agreement.

Final Paycheck
A terminating employee's final paycheck will be adjusted for any unused, earned vacation credit. Employees are paid for all earned vacation. Terminating employees will receive their final pay on the next regular payday following the date of termination, except that an employee dismissed due to a reduction in force shall receive his or her final paycheck on or before the next regular pay date following the last day of employment.

Suspension
Except as provided below, the Superintendent is authorized to suspend an employee without pay as a disciplinary measure, during an investigation into allegations of misconduct or pending a dismissal hearing whenever, in the Superintendent's judgment, the employee's presence is detrimental to the District. A disciplinary suspension shall be with pay: (1) when the employee is exempt from the overtime provisions, or (2) until an employee with an employment contract for a definite term is provided a notice and hearing according to the suspension policy for professional employees.

Upon receipt of a recommendation from the Ill. Dept. Children and Family Services (DCFS) that the District remove an employee from his or her position when he or she is the subject of a pending DCFS

investigation that relates to his or her employment with the District, the Board or Superintendent or designee, in consultation with the Board Attorney, will determine whether to:

1. Let the employee remain in his or her position pending the outcome of the investigation; or
2. Remove the employee as recommended, proceeding with:
3. A suspension with pay; or
4. A suspension without pay.

Any criminal conviction resulting from the investigation or allegations shall require the employee to repay to the District all compensation and the value of all benefits received by the employee during the suspension. The Superintendent will notify the employee of this requirement when the employee is suspended.

Schedules and Employment Year

The Superintendent shall supervise a process for setting work schedules and an employment year for educational support employees in accordance with State and federal law, School Board policy, and applicable agreements and shall:

1. Assign each employee one supervisor who will establish a work schedule, including breaks, as required by building or District needs, workload, and the efficient management of human resources;
2. Allow for the ability to respond to changing circumstances by altering work schedules as needed; and
3. Consider the well-being of the employee. The Superintendent's approval is required to establish a flexible work schedule or job-sharing.

Breaks

An employee who works at least 7.5 continuous hours shall receive a 30-minute duty-free meal break that begins within the first five hours of the employee's workday. Compensatory Time-Off

This policy governs the use of compensatory time-off by employees who: (1) are covered by the overtime provisions of the Fair Labor Standards Act, 29 U.S.C. §201 et seq., and (2) are not represented by an exclusive bargaining representative.

Employees may be given 1-1/2 hours of compensatory time-off in lieu of cash payment for each hour of overtime worked. Other than as provided below, at no time may an employee's accumulated compensatory time-off exceed 240 hours, which represents compensation for 160 hours of overtime. An employee whose work regularly includes public safety, emergency response, or seasonal activities may accumulate a maximum of 480 hours of compensatory time, which represents compensation for 320 hours of overtime. If an employee accrues the maximum number of compensatory time-off hours, the employee: (1) is paid for any additional overtime hours worked, at the rate of one and one half times the employee's regular hourly rate of pay, and (2) does not accumulate compensatory time-off until the employee uses an equal amount of accrued time-off.

An employee who has accrued compensatory time-off shall be permitted to use such time in at least half-day components provided such requests do not unduly disrupt the District's operations. The employee's supervisor must approve a request to use compensatory time-off.

Upon termination of employment, an employee will be paid for unused compensatory time at the higher of:

1. The average regular rate received by such employee during the last three years of employment; or
1. The final regular rate received by such employee.

Compensatory time-off is time during which the employee is not working and is, therefore, not counted as "hours worked" for purposes of overtime compensation.

Implementation

The Superintendent or designee shall implement this policy in accordance with the FLSA. In the event of a conflict between the policy and the FLSA, the latter shall control.

Exhibit - Agreement to Receive Compensatory Time-Off

The School Board has a policy of granting compensatory time-off to non-exempt employees in lieu of overtime pay for time worked in excess of 40 hours in any workweek. I have either received a copy of the policy or been told where it may be found or downloaded. I understand that:

1. I must obtain my supervisor's express authorization to work overtime before working in excess of 40 hours in any workweek.
2. I will earn compensatory time-off at a rate of not less than one and one-half (1.5) hours for each one hour of overtime worked.
3. I will be allowed to use accrued compensatory time-off within a reasonable period after making a request to use it, provided that my absence would not unduly disrupt operations considering factors like emergency requirements for staff and the availability of qualified substitute staff.
4. My supervisor may require that I use my accrued compensatory time-off within a certain time period, may prohibit my use of accrued compensatory time-off on certain days, may require that I cash out my compensatory time-off after a particular time period, and may otherwise limit my use of compensatory time-off.

I agree to receive compensatory time-off in lieu of overtime pay for time worked in excess of 40 hours in any workweek, and I accept this as a condition of my employment.

3. The employee's work quality, promptness, attendance, reliability, conduct, judgment, and cooperation shall be considered.
4. The employee shall receive a copy of the annual evaluation.

Sick Days, Vacation, Holidays, and Leaves

Each of the provisions in this policy applies to all educational support personnel to the extent that it does not conflict with an applicable collective bargaining agreement or individual employment contract or benefit plan; in the event of a conflict, such provision is severable and the applicable bargaining agreement or individual agreement will control.

Sick and Bereavement Leave

Full or part-time educational support personnel who work at least 600 hours per year receive 10 paid sick leave days per year. Part-time employees will receive sick leave pay equivalent to their regular workday. Unused sick leave shall accumulate to a maximum of 240 days, including the leave of the current year.

Sick leave is defined in State law as personal illness, mental or behavioral complications, quarantine at home, serious illness or death in the immediate family or household, or birth, adoption, placement for adoption, or the acceptance of a child in need of foster care. The Superintendent or designee shall monitor the use of sick leave.

As a condition for paying sick leave after three days absence for personal illness or as the Board or Superintendent deem necessary in other cases, the Board or Superintendent may require that the staff member provide a certificate from: (1) a physician licensed in Illinois to practice medicine and surgery in all its branches, (2) a mental health professional licensed in Illinois providing ongoing care or treatment to the staff member (3) a chiropractic physician licensed under the Medical Practice Act, (4) a licensed advanced practice registered nurse, (5) a licensed physician assistant who has been delegated the authority to perform health examinations by his or her supervising physician, or (6) if the treatment is by prayer or spiritual means, a spiritual adviser or practitioner of the employee's faith. If the Board or Superintendent requires a certificate during a leave of less than three days for personal illness, the District shall pay the expenses incurred by the employee.

Employees are entitled to use up to 30 days of paid sick leave because of the birth of a child that is not dependent on the need to recover from childbirth. Such days may be used at any time within the 12-month period following the birth of the child. Intervening periods of nonworking days or school not being in session, such as breaks and holidays, do not count towards the 30 working school days. As a condition of paying sick leave beyond the 30 working school days, the Board or the Superintendent may require medical certification.

For purposes of adoption, placement for adoption, or acceptance of a child in need of foster care, paid sick leave may be used for reasons related to the formal adoption or the formal foster care process prior to taking custody of the child or accepting the child in need of foster care, and for taking custody of the child or accepting the child in need to foster care. Such leave is limited to 30 days, unless a longer leave is provided in an applicable collective bargaining agreement, and need not be used consecutively once the formal adoption or foster care process is underway. The Board or Superintendent may require that the employee provide evidence that the formal adoption or foster care process is underway.

Vacation

Twelve-month employees shall be eligible for paid vacation days according to the following schedule:

Length of Employment		Maximum Vacation Leave Earned Per Year
From:	To:	
After 3 months	End of year 1	5 Days per year

Beginning of year 2	End of year 5	10 Days per year
Beginning of year 6	End of year 15	15 Days per year
Beginning of year 16	End of year	20 Days per year

Part-time employees who work at least half-time are entitled to vacation days on the same basis as full-time employees, but the pay will be based on the employee's average number of part-time hours per week during the last vacation accrual year. The Superintendent will determine the procedure for requesting vacation.

Vacation days earned in one fiscal year must be used by the end of the following fiscal year; they do not accumulate. Employees resigning or whose employment is terminated are entitled to the monetary equivalent of all earned vacation.

Holidays

Unless the District has a waiver or modification of the School Code pursuant to Section 2-3.25g or 24-2(b) allowing it to schedule school on a legal school holiday listed below, District employees will not be required to work on:

New Year's Day	Labor Day
Martin Luther King Jr.'s Birthday	Columbus Day
Abraham Lincoln's Birthday	Veterans Day
Casimir Pulaski's Birthday	General Election Day, when required by law
Memorial Day	
Juneteenth National Freedom Day	Thanksgiving Day
Independence Day	Christmas Day

A holiday will not cause a deduction from an employee's time or compensation. The District may require educational support personnel to work on a school holiday during an emergency or for the continued operation and maintenance of facilities or property.

Personal Leave

Full-time educational support personnel have one paid personal leave day per year. The use of a personal day is subject to the following conditions:

1. Except in cases of emergency or unavoidable situations, a personal leave request should be submitted to the Building Principal three days before the requested date.
2. No personal leave day may be used immediately before or immediately after a holiday, or during the first and/or last five days of the school year, unless the Superintendent grants prior approval.
3. Personal leave may not be used in increments of less than one-half day.
4. Personal leave is subject to any necessary replacement's availability.
5. Personal leave may not be used on an in-service training day and/or institute training days.
6. Personal leave may not be used when the employee's absence would create an undue hardship.

Leave to Serve as a Trustee of the Ill. Municipal Retirement Fund

Upon request, the Board will grant 20 days of paid leave of absence per year to a trustee of the Ill. Municipal Retirement Fund in accordance with State law.

Other Leaves

Educational support personnel receive the following leaves on the same terms and conditions granted professional personnel in Board policy 5:250, *Leaves of Absence*:

1. Leave for Service in the Military.

2. Leave for Service in the General Assembly.
3. School Visitation Leave.

School Accountability

According to the Illinois General Assembly, the primary purpose of schooling is the transmission of knowledge and culture through which students learn in areas necessary to their continuing development and entry into the world of work. To fulfill that purpose, the Ill. State Board of Education (ISBE) prepared *State Goals for Learning and Learning Standards*.

The School Board gives priority in the allocation of resources, including funds, time, personnel, and facilities, to fulfilling this purpose.

Quality Assurance

2. Continuously assess the District's and each school's overall performance in terms of both academic success and equity. This includes, without limitation, a thorough analysis of ISBE's balanced accountability measure and each school's *Multiple Measure Index* and corresponding *Annual Measurable Objective* provided by ISBE.
3. If applicable, develop District and School Improvement Plans, present them for Board approval, and supervise their implementation.
4. Prepare a school report card, present it at a regular Board meeting, and disseminate it as provided in State law.
5. In accordance with 105 ILCS 5/2-3.153, annually administer a climate survey on the instructional environment within the school to, at minimum, students in grades 4 through 12 and teachers.

Student Social and Emotional Development

Social and Emotional Learning (SEL) is defined as the process through which students enhance their ability to integrate thinking, feeling, and behaving to achieve important life tasks. Students competent in SEL are able to recognize and manage their emotions, establish healthy relationships, set positive goals, meet personal and social needs, and make responsible and ethical decisions.

The Superintendent shall incorporate SEL into the District's curriculum and other educational programs consistent with the District's mission and the goals and benchmarks of the Ill. Learning Standards. The Ill. Learning Standards include three goals for students:

1. Develop self-awareness and self-management skills to achieve school and life success.
2. Use social awareness and interpersonal skills to establish and maintain positive relationships.
3. Demonstrate decision-making skills and responsible behaviors in personal, school, and community contexts.

The incorporation of SEL objectives into the District's curriculum and other educational programs may include but is not limited to:

1. Classroom and school-wide programming to foster a safe, supportive learning environment where students feel respected and valued. This may include incorporating scientifically based, age- and culturally appropriate classroom instruction, and District-wide and school-wide strategies that teach SEL skills, promote optimal mental health, and prevent risk behaviors for all students.
2. Ongoing staff professional development and support to promote students' SEL development.
3. Parent/Guardian and family involvement to promote students' SEL development. This may include providing parents/guardians and families with learning opportunities related to the importance of their children's optimal SEL development and ways to enhance it.
4. Community partnerships to promote students' SEL development. This may include establishing partnerships with diverse community agencies and organizations to assure a coordinated approach to addressing children's mental health and SEL development.
5. Early identification and intervention to enhance students' school readiness, academic success, and use of good citizenship skills. This may include development of a system and procedures for periodic and universal screening, assessment, and early intervention for students who have significant risk factors for social, emotional, or mental health conditions that impact learning.
6. Treatment to prevent or minimize mental health conditions in students. This may include building and strengthening referral and follow-up procedures for providing effective clinical services for students with social, emotional, and mental health conditions that impact learning. This may include student and family support services, school-based behavioral health services, and school-community linked services and supports.
7. Assessment and accountability for teaching SEL skills to all students. This may include implementation of a process to assess and report baseline information and ongoing progress about school climate, students' social and emotional development, and academic performance.

This application must be approved before an animal may be brought into any school facility. Animals may be brought into the classroom or learning center for educational purposes, provided: 1) prior permission is received from both the supervising teacher and the Building Principal or designee; and 2) the following *Guidelines for Using Animals in School Facilities* are agreed to by the applicant, supervising teacher, and/or the animal owner. The Building Principal may rescind such approval should the presence of the animal create a disruption to the educational environment.

Guidelines for Using Animals in School Facilities

Prohibited Animals

The following animals are prohibited in school facilities:

1. Inherently dangerous animals (e.g., lions, tigers, cougars, and bears)
2. Nonhuman primates (e.g., monkeys and apes)
3. Mammals at high-risk for transmitting rabies (e.g., bats, raccoons, skunks, foxes, and coyotes)
4. Aggressive or unpredictable animals, wild or domestic
5. Stray animals with unknown health and vaccination history
6. Venomous or toxin-producing animals (e.g., certain spiders, insects, reptiles, and amphibians)

Vaccination Requirements

Prior to bringing certain animals into school facilities, current health records and/or proof of current vaccination is required as follows:

1. **Cats** – A health certificate signed by a licensed veterinarian showing proof of current vaccination against feline distemper/upper respiratory vaccine (FVRCP), feline leukemia, feline chlamydiosis, and rabies; and proof of a negative fecal exam or successful treatment for internal parasites within the past six months.
2. **Dogs** – A health certificate signed by a licensed veterinarian showing proof of current vaccination against canine distemper, hepatitis, leptospirosis, canine parainfluenza (CPIV), parvovirus, Bordetella, and rabies; and proof of a negative fecal exam or successful treatment for internal parasites within the past six months.
3. **Ferrets** – A health certificate signed by a licensed veterinarian showing proof of current vaccination against rabies; and proof of a negative fecal exam or successful treatment for internal parasites within the past six months.
4. **Psittacine Birds** – Proof of treatment or negative test results for psittacosis (avian chlamydiosis).

General Guidelines

To protect students and staff from zoonotic diseases, the following guidelines apply to animals brought into school facilities for educational purposes:

1. The Building Principal or designee must approve all animals brought into school facilities.
2. Animals must be clean and free of intestinal parasites, fleas, ticks, and mites.
3. Students must be supervised by District staff during all human-animal contact.
4. Animals should be handled humanely.
5. Animals should be displayed in enclosed cages or under appropriate restraint (e.g., leash).
6. Animals may not roam free, fly free or have contact with wild animals.
7. No animals are allowed in areas where food or drink is prepared or consumed.
8. Food for animals must be stored in air-tight, closed containers (preferably hard plastic) to prevent spills and attracting nuisance animals and/or insects.
9. Anyone handling animals must wash his/her hands thoroughly with warm water and soap afterwards. Hand sanitizer may not be used as a substitute for soap and water.
10. Areas where animals have been present must be cleaned and disinfected by District staff.
11. Animal waste must be appropriately disposed of by a District staff member (e.g., using disposable plastic gloves and plastic bags). **Under no circumstances are students allowed to clean cages/aquariums or handle animal waste.**
12. The supervising teacher must:
13. Consult with parent(s)/guardian(s) to determine any special considerations needed for students who are immunocompromised or have allergies, asthma, or other health concerns; and
14. Complete and issue the *Student Permission for Exposure to Animal(s)* form to the parent(s)/guardian(s) of all students who will be exposed to the animal(s).
15. A responsible adult must accompany all animal visits into school facilities.

Procedures for the Housing, Care and Handling of Specific Animals

1. **Dogs** – All dogs must be housebroken.
2. **Farm Animals** – Due to the risk of E. coli O157:H7, Salmonella, Campylobacter, and Cryptosporidium, these animals are not appropriate unless meticulous attention to personal hygiene can be assured.
3. **Ferrets** – Ferrets bite when startled, therefore students should not handle ferrets in the classroom. Students under the age of five are prohibited from having contact with these animals.
4. **Fish** – Use disposable gloves when cleaning aquariums. Do not dispose of aquarium water in sinks used for food preparation or for obtaining drinking water.
5. **Hamsters, Guinea Pigs, and Gerbils** – Due to the risk of Salmonella bacteria and Lymphocytic choriomeningitis virus, special care must be taken when students handle these animals. Students under the age of five are prohibited from having contact with these animals.
6. **Psittacine Birds** – Because these birds (e.g., parrots, parakeets, budgies, and cockatiels) can carry disease, students are prohibited from handling them. Staff members should clean cages when students are not present.
7. **Reptiles and Amphibians** – Due to the risk of Salmonella bacteria, special precautions must be taken when students handle these animals. Students under the age of five are prohibited from having contact with these animals.

Animal-Related Injuries

If an animal bites, scratches, or otherwise injures someone at school and the skin is pierced, the Building Principal or designee will ensure:

1. The teacher immediately reports the incident to the Building Principal or designee and school nurse;
2. If necessary, the school nurse notifies public health authorities;

3. The school nurse notifies the student's parent(s)/guardian(s); and
4. An incident/accident report is completed by the staff member responsible at the time of the injury and forwarded to the school nurse.

Education of Children with Disabilities

The School District shall provide a free appropriate public education in the least restrictive environment and necessary related services to all children with disabilities enrolled in the District, as required by the Individuals With Disabilities Education Act (IDEA) and implementing provisions of the School Code, Section 504 of the Rehabilitation Act of 1973, and the Americans With Disabilities Act.**2** The term *children with disabilities*, as used in this policy, means children between ages 3 and 21 (inclusive) for whom it is determined, through definitions and procedures described in the Ill. State Board of Education (ISBE) *Special Education* rules, that special education services are needed. Children with disabilities who turn 22 years old during the school year are eligible for such services through the end of the school year.

Exhibit - Children's Online Privacy Protection Act

On District letterhead:

Re: Children's Online Privacy Protection Act

Dear Parents/Guardians:

This letter is being sent as part of the District's continuing effort to educate parents and students about privacy protection and Internet use that occurs outside of the protections required for use of educational technology in school.

The Children's Online Privacy Protection Act (COPPA) gives parents/guardians control over what information companies can collect from their children online. However, not all companies are transparent about what data a mobile app or website collects, who will have access to that data, and how it will be used. Allowing your child access to games and other seemingly harmless applications on a smartphone or computer risks his or her exposure to intrusive marketing and access to personal information.

The following suggestions may help keep children from being bombarded by unwanted advertising, from making unwanted purchases and from disclosing personal information and location:

- Talk to your child early and often about online behavior, safety, and security, and encourage your child to make good choices.
- Be selective about the online applications and websites that you let your child access. Try the app or website yourself to check for advertising messages and/or social networking and purchase options before allowing your child access. Pay particular attention to apps and websites that would allow your child to receive direct messages, video chats, file uploads and/or to interact with users anonymously. These types of features are frequently used by online child predators.
- Select safe activities that do not require access to the Internet or an application.
- Make certain that the ability to make online purchases is password protected.
- Set up rules and consequences explaining that all purchases made via a smartphone or computer must have parent/guardian consent.
- Caution children about the use of social networking and other websites and/or apps that can pinpoint locations.
- Adjust privacy settings and use parental controls for online games, apps, and social media sites.
- Monitor computer and smartphone use whenever and wherever possible.

All field trips must have the Superintendent or designee's prior approval. The Superintendent or designee shall analyze the following factors to determine whether to approve a field trip: educational value, student safety, parent concerns, heightened security alerts, and liability concerns. On all field trips, a bus fee set by the Superintendent or designee may be charged to help defray the transportation costs.

Parents/guardians of students: (1) shall be given the opportunity to consent to their child's participation in any field trip; and (2) are responsible for all entrance fees, food, lodging, or other costs, except that the District will pay such costs for students who qualify for a fee waiver under Board policy 4:140, *Waiver of Student Fees*. All non-participating students shall be provided an alternative experience. Any field trip may be cancelled without notice due to an unforeseen event or condition.

Privately arranged trips, including those led by District staff members, shall not be represented as or construed to be sponsored by the District or school. The District does not provide liability protection for privately arranged trips and is not responsible for any damages arising from them.

Grading and Promotion

The Superintendent or designee shall establish a system of grading and reporting academic achievement to students and their parents/guardians. The system shall also determine when promotion and graduation requirements are met. The decision to promote a student to the next grade level shall be based on successful completion of the curriculum, attendance, and performance on the standardized tests required by the Ill. State Board of Education (ISBE) and/or other assessments. A student shall not be promoted based upon age or any other social reason not related to academic performance. The administration shall determine remedial assistance for a student who is not promoted.

Every teacher shall maintain an evaluation record for each student in the teacher's classroom. A District administrator cannot change the final grade assigned by the teacher without notifying the teacher. Reasons for changing a student's final grade include:

- A technical error in assigning a particular grade or score,
- The teacher agrees to allow the student to do extra work that may impact the grade,
- An inappropriate grading system used to determine the grade, or
- An inappropriate grade based on an appropriate grading system.

Should a grade change be made, the administrator making the change must sign the changed record.

High School Credit for Non-District Experiences; Course Substitutions; Re-Entering Students

Credit for Non-District Experiences

A student may receive high school credit for successfully completing any of the listed courses or experiences even when it is not offered in or sponsored by the District:

1. Distance learning course, including a correspondence, virtual, or online course
2. Courses in an accredited foreign exchange program
3. Summer school or community college courses
4. College or high school courses offering dual credit at both the college and high school level
5. Foreign language courses taken in an ethnic school program approved by the Illinois State Board of Education
6. Work-related training at manufacturing facilities or agencies in a Tech Prep Partnership for Careers program
7. Credit earned in a Vocational Academy

The student must seek approval from the Superintendent or designee to receive graduation credit for any non-District course or experience. The Superintendent or designee shall determine the amount of credit and whether a proficiency examination is required before the credit is awarded. As approval is not guaranteed, students should seek conditional approval of the experience before participating in a non-District course or experience. The student assumes responsibility for any fee, tuition, supply, or other expense. The student seeking credit is responsible for (1) providing documents or transcripts that demonstrate successful completion of the experience, and (2) taking a proficiency examination, if requested. The Superintendent or designee shall determine which, if any, non-District courses or experiences, will count toward a student's grade point average, class rank, and eligibility for athletic and extracurricular activities. When applicable, the Building Principal or designee shall, prior to the first day of class, inform individual high school students enrolled in a mixed enrollment dual credit course that includes students who have and have not met the community college's criteria for dual credit coursework of whether or not they are eligible to earn college credit for the course. This section does not govern the transfer of credits for students transferring into the District.

Substitutions for Required Courses

Vocational or technical education. A student in grades 9-12 may satisfy one or more high school courses (including physical education) or graduation requirements by successfully completing related vocational or technical education courses if:

1. The Building Principal approves the substitution(s) and the vocational or technical education course is completely described in curriculum material along with its relationship to the required course; and
8. The student's parent/guardian requests and approves the substitution(s) in writing on forms provided by the District.

Registered Apprenticeship Program. The Superintendent or designee will ensure that the District complies with State law requirements for registered apprenticeship programs. The opportunities and requirements for registered apprenticeship programs contained in this policy will be posted on the District's website, and parents/guardians and students will also be notified of such opportunities in the appropriate school handbook(s).

A student in grades 9-12 who is 16 years or older may satisfy one or more high school courses (including physical education) or graduation requirements by successfully completing a registered apprenticeship program if:

1. The registered apprenticeship program meets all criteria contained in State law;
9. The registered apprenticeship program is listed by the District, or the student identifies a registered (but not listed) apprenticeship program with a business or organization if one is not offered in the District;
10. The student enrolled in a registered apprenticeship program has the opportunity to earn post-secondary credit toward a certificate or degrees, as applicable;
11. The student's parent/guardian requests and approves the substitution(s) in writing on forms provided by the District and on its website;
12. The Building Principal approves the substitution(s); and
13. All non-academic requirements mandated by the School Code for high school graduation that would otherwise prohibit or prevent the student from participating in the registered apprenticeship program are waived.

Advanced placement computer science. The advanced placement computer science course is equivalent to a high school mathematics course. A student in grades 9-12 may substitute the advanced placement computer science course for one year of mathematics, in accordance with Section 27-22 of the School Code. The transcript of a student who completes the advanced placement computer science course will state that it qualifies as a mathematics-based, quantitative course.

Substitutions for physical education. A student in grades 9-12, unless otherwise stated, may submit a written request to the Building Principal to be excused from physical education courses for the reasons stated below. The Superintendent or designee shall maintain records showing that the criteria set forth in this policy were applied to the student's individual circumstances, as appropriate.

1. Ongoing participation in a marching band program for credit;
14. Enrollment in Reserve Officer's Training Corps (ROTC) program sponsored by the District;
15. Ongoing participation in an *interscholastic* or *extracurricular athletic program*;
16. Enrollment in academic classes that are required for admission to an institution of higher learning (student must be in the 11th or 12th grade); or
17. Enrollment in academic classes that are required for graduation from high school, provided that failure to take such classes will result in the student being unable to graduate (student must be in the 11th or 12th grade).

A student who is eligible for special education may be excused from physical education courses pursuant to 7:260, *Exemption from Physical Education*.

Volunteer service credit. A student participating in the District's Volunteer Service Credit Program, if any, may earn credit toward graduation for the performance of community service. The amount of credit given for program participation shall not exceed that given for completion of one semester of language arts, math, science, or social studies.

Re-Entering Students

Individuals younger than 21 years of age may re-enter high school to acquire a high school diploma or an equivalency certificate, subject to the limitations in Board policy 7:50, *School Admissions and Student Transfers To and From Non-District Schools*. Re-entering students may obtain credit through the successful completion of the following (not all of these may be available at any one time):

1. District courses
18. Non-District experiences described in this policy
19. Classes in a program established under Section 10-22.20 of the School Code, in accordance with the standards established by the Illinois Community College Board
20. Proficiency testing, correspondence courses, life experiences, and other nonformal educational endeavors
21. Military service, provided the individual making the request has a recommendation from the American Council on Education

The provisions in the section **Credit for Non-District Experiences**, above, apply to the receipt of credit for any non-District course.

High School Credit for Students in Grade 7 or 8

The Superintendent or designee may investigate, coordinate, and implement a program for students in grades 7 and 8 to enroll in a course required for a high school diploma.

If a program is available, students in grades 7 and 8 may enroll in a course required for a high school diploma when the course is offered by the high school that the elementary student would attend and one of the following is satisfied: (1) the student participates in the course at the high school and the elementary student's enrollment in the course would not prevent a high school student from being able to enroll, or (2) the student participates in the course where the student attends school as long as the student passes the course and the end-of-course examination given at the high school granting the credit for the same course, demonstrating proficiency at the high school level, or (3) the course is taught by a teacher who holds a professional educator license with an endorsement for the grade level and content area of the course.

A student who successfully completes a course required for a high school diploma while in grades 7 and 8 shall receive academic credit for the course. That academic credit shall satisfy the requirements of 105 ILCS 5/27-615 for purposes of receiving a high school diploma, unless evidence about the course's rigor and content show that the course did not address the relevant Illinois learning standard at the level appropriate for the high school grade during which the course is usually taken. The student's grade in the course shall also be included in the student's grade point average.

High School Credit for Proficiency

Proficiency Credits

Subject to the limitations in this policy and State law, the Superintendent or designee is authorized to establish and approve a program for granting credit for proficiency with the goal of allowing a student who would not benefit from a course because the student is proficient in the subject area to receive credit without having to take the course. A student who demonstrates competency under this program will receive course credit for the applicable course and be excused from any requirement to take the course as a graduation prerequisite. No letter grade will be given for purposes of the student's cumulative grade point average. The Superintendent or designee shall notify students of the availability of and requirements for receiving proficiency credit.

Proficiency credit will be offered in the following subject areas:

Foreign language - A student is eligible to receive one year of foreign language credit if the student has graduated from an accredited elementary school and can demonstrate proficiency, according to this District's academic criteria, in a language other than English. A student who demonstrates proficiency in American Sign Language is deemed proficient in a foreign language and will receive one year of foreign language credit. A student who studied a foreign language in an approved ethnic school program is eligible to receive appropriate credit according to the level of proficiency reached; the student may be required to take a proficiency examination.

Other proficiency testing - The program for granting credit for proficiency may allow, as the Superintendent deems appropriate, course credit to be awarded on the basis of a local examination to a student who has achieved the necessary proficiency through independent study or work taken in or through another institution. Proficiency testing may also be used to determine eligible credit for other subjects whenever students enter from non-graded schools, non-recognized or non-accredited schools, or were in a home-schooling program.

Nonpublic School Students, Including Parochial and Home-Schooled Students

Part-Time Attendance

The District accepts nonpublic school students, including parochial and home-schooled students, who live within the District for part-time attendance in the District's regular education program on a space-available basis. Requests for part-time attendance must be submitted to the Building Principal of the school in the school attendance area where the student resides. All requests for attendance in the following school year must be submitted before May 1st.

A student accepted for partial enrollment must comply with all discipline and attendance requirements established by the school. He or she may participate in any co-curricular activity associated with a District class in which he or she is enrolled. The parent(s)/guardian(s) of a student accepted for partial enrollment must pay all fees, prorated on the basis of a percentage of full-time fees. Transportation to and/or from school is provided on regular bus routes to or from a point on the route nearest or most easily accessible to the nonpublic school or student's home. This transportation shall be on the same basis as the District provides transportation for its full-time students. Transportation on other than established bus routes is the responsibility of the parent(s)/guardian(s).

Students with a Disability

The District accepts for part-time attendance those children for whom it has been determined that special education services are needed, are enrolled in nonpublic schools, and otherwise qualify for enrollment in the District. Requests must be submitted by the student's parent/guardian. Special educational services shall be provided to such students as soon as possible after identification, evaluation, and placement procedures provided by State law, but no later than the beginning of the next school semester following the completion of such procedures. Transportation for such students shall be provided only if required in the child's Individualized Educational Program on the basis of the child's disabling condition or as the special education program location may require.

Extracurricular Activities, Including Interscholastic Competition

A nonpublic school student is eligible to participate in: (1) interscholastic competition, provided his or her participation adheres to the regulations established by any association in which the School District maintains a membership, and (2) non-athletic extracurricular activities, provided the student attends a District school for at least:

Two classes, excluding lunch, to include one selection from the core subjects including: English, Math, Science, or Social Studies, and one elective class.

A nonpublic school student wishing to participate in interscholastic competition or non-athletic extracurricular activities will be required to meet the following procedures:

1. The filing of a letter of intent to participate in interscholastic competition and/or non-athletic extracurricular activities to the building principal on or before May 1st of the year in which the student wishes to participate. The letter will include the name of the curriculum being used to educate the student.
2. In addition to the two classes the nonpublic school student takes in the School District, the student shall be enrolled in five classes through the homeschool curriculum chosen by the parent/guardian.
3. Upon request (Please see AP 1) the requesting parent/guardians shall provide written examples of the curriculum used for the nonpublic school student's education.
4. Upon approval by the building principal, a nonpublic school student wishing to participate in interscholastic competition or non-athletic extracurricular activities will submit to the principal or principal's designee, a weekly grade report for all academic program classes through the

academic program for the purpose of eligibility by Thursday of each week the nonpublic school student is involved in the extracurricular activity.

5. If the nonpublic school student wishes to continue to participate in interscholastic competition or non-athletic extracurricular activities, the nonpublic school student will remain enrolled in two classes for consecutive semesters beginning the first semester of their freshman year and concluding the semester of their final competition/activity.

A nonpublic student who participates in an extracurricular activity is subject to all policies, regulations, and rules that are applicable to other participants in the activity.

Assignment When Enrolling Full-Time in a District School

Grade placement by, and academic credits earned at, a nonpublic school will be accepted if the school has a Certificate of Nonpublic School Recognition from the Illinois State Board of Education, or, if outside Illinois, if the school is accredited by the state agency governing education.

A student who, after receiving instruction in a non-recognized or non-accredited school, enrolls in the District will: (1) be assigned to a grade level according to academic proficiency, and/or (2) have academic credits recognized by the District if the student demonstrates appropriate academic proficiency to the school administration. Any portion of a student's transcript relating to such instruction will not be considered for placement on the honor roll or computation in class rank.

Notwithstanding the above, recognition of grade placement and academic credits awarded by a nonpublic school is at the sole discretion of the District. All school and class assignments will be made according to School Board policy 7:30, Student Assignment and Intra-District Transfer, as well as administrative procedures implementing this policy.

Age

To be eligible for admission, a child must be five years old on or before September 1 of that school term. A child entering first grade must be six years of age on or before September 1 of that school term. Based upon an assessment of a child's readiness to attend school, the District may permit him or her to attend school prior to these dates. A child will also be allowed to attend first grade based upon an assessment of his or her readiness if he or she attended a non-public preschool, continued his or her education at that school through kindergarten, was taught in kindergarten by an appropriately licensed teacher, and will be six years old on or before December 31. A child with exceptional needs who qualifies for special education services is eligible for admission at three years of age. Early entrance to kindergarten or first grade may also be available through Board policy 6:135, *Accelerated Placement Program*.

Admission Procedure

All students must register for school each year on the dates and at the place designated by the Superintendent. Parents/guardians of students enrolling in the District for the first time must present:

1. A certified copy of the student's birth certificate. If a birth certificate is not presented, the Superintendent or designee shall notify in writing the person enrolling the student that within 30 days he or she must provide a certified copy of the student's birth certificate. A student will be enrolled without a birth certificate. When a certified copy of the birth certificate is presented, the school shall promptly make a copy for its records, place the copy in the student's permanent record, and return the certified copy to the person enrolling the child. If a person enrolling a student fails to provide a certified copy of the student's birth certificate, the Superintendent or designee shall immediately notify the local law enforcement agency, and shall also notify the person enrolling the student in writing that, unless he or she complies within 10 days, the case will be referred to the local law enforcement authority for investigation. If compliance is not obtained within that 10-day period, the Superintendent or designee shall so refer the case. The Superintendent or designee shall immediately report to the local law enforcement authority any material received pursuant to this paragraph that appears inaccurate or suspicious in form or content.
2. Proof of residence, as required by Board policy 7:60, *Residence*.
3. Proof of disease immunization or detection and the required physical examination, as required by State law and Board policy 7:100, *Health, Eye, and Dental Examinations; Immunizations; and Exclusion of Students*.

The individual enrolling a student shall be given the opportunity to voluntarily state whether the student has a parent or guardian who is a member of a branch of the U.S. Armed Forces and who is either deployed to active duty or expects to be deployed to active duty during the school year. Students who are children of active duty military personnel transferring will be allowed to enter: (a) the same grade level in which they studied at the school from which they transferred, if the transfer occurs during the District's school year, or (b) the grade level following the last grade completed.

Homeless Children

Any homeless child shall be immediately admitted, even if the child or child's parent/guardian is unable to produce records normally required for enrollment. Board policy 6:140, *Education of Homeless Children*, and its implementing administrative procedure, govern the enrollment of homeless children.

Foster Care Students

The Superintendent will appoint at least one employee to act as a liaison to facilitate the enrollment and transfer of records of students in the legal custody of the Ill. Dept. of Children and Family Services (DCFS) when enrolling in or changing schools. The District's liaison ensures that DCFS' Office of Education and Transition Services receives all written notices and records pertaining to students in the legal custody of DCFS as required by State law.

Student Transfers To and From Non-District Schools

A student may transfer into or out of the District according to State law and procedures developed by the Superintendent or designee. A student seeking to transfer into the District must serve the entire term of any suspension or expulsion, imposed for any reason by any public or private school, in this or any other state, before being admitted into the School District.

Foreign Students

The District accepts foreign exchange students with a J-1 visa and who reside within the District as participants in an exchange program sponsored by organizations screened by administration. Exchange students on a J-1 visa are not required to pay tuition.

Privately sponsored exchange students on an F-1 visa may be enrolled if an adult resident of the District has temporary guardianship, and the student lives in the home of that guardian. Exchange students on an F-1 visa are required to pay tuition at the established District rate. F-1 visa student admission is limited to high schools, and attendance may not exceed 12 months.

The Board may limit the number of exchange students admitted in any given year. Exchange students must comply with District immunization requirements. Once admitted, exchange students become subject to all District policies and regulations governing students.

Re-enrollment

Re-enrollment shall be denied to any individual 19 years of age or above who has dropped out of school and who could not earn sufficient credits during the normal school year(s) to graduate before his or her 21st birthday. However, at the Superintendent's or designee's discretion and depending on program availability, the individual may be enrolled in a graduation incentives program established under 105 ILCS 5/26-16 or an alternative learning opportunities program established under 105 ILCS 5/13B-1 (see 6:110, *Programs for Students At Risk of Academic Failure and/or Dropping Out of School and Graduation Incentives Program*). Before being denied re-enrollment, the District will offer the individual due process as required in cases of expulsion under policy 7:210, *Expulsion Procedures*. A person denied re-enrollment will be offered counseling and be directed to alternative educational programs, including adult education programs that lead to graduation or receipt of a GED diploma. This section does not apply to students eligible for special education under the Individuals with Disabilities Education Improvement Act or accommodation plans under the Rehabilitation Act, Section 504.

Residence

Resident Students

Only students who are residents of the District may attend a District school without a tuition charge, except as otherwise provided below or in State law. A student's residence is the same as the person who has legal custody of the student.

A person asserting legal custody over a student, who is not the child's natural or adoptive parent, shall complete a signed statement, stating: (a) that he or she has assumed and exercises legal responsibility for the child, (b) the reason the child lives with him or her, other than to receive an education in the District, and (c) that he or she exercises full control over the child regarding daily educational and medical decisions in case of emergency. If the District knows the current address of the child's natural or adoptive parent, the District shall request in writing that the person complete a signed statement or affidavit stating: (a) the role and responsibility of the person with whom their child is living, and (b) that the person with whom the child is living has full control over the child regarding daily educational and medical decisions in case of emergency.

A student whose family moves out of the District during the school year will be permitted to attend school for the remainder of the year without payment of tuition.

When a student's change of residence is due to the military service obligation of the student's legal custodian, the student's residence is deemed to be unchanged for the duration of the custodian's military service obligation if the student's custodian made a written request. The District, however, is not responsible for the student's transportation to or from school.

If, at the time of enrollment, a dependent child of military personnel is housed in temporary housing located outside of the District, but will be living within the District within six months after the time of initial enrollment, the child is allowed to enroll, subject to the requirements of State law, and must not be charged tuition.

Residence of Students with Disabilities

The residence of a child with a disability is determined in accordance with 105 ILCS 5/14-1.11, 5/14-1.11a, and 5/14-1.11b.

Requests for Nonresident Student Admission

Nonresident students may attend District schools upon the approval of a request submitted by the student's parent(s)/guardian(s) for nonresident admission. The Superintendent may approve the request subject to the following:

1. The student will attend on a year-to-year basis. Approval for any one year is not authorization to attend a following year.
2. The student will be accepted only if there is sufficient room.
3. The student's parent(s)/guardian(s) will be charged the maximum amount of tuition as allowed by State law.
4. The student's parent(s)/guardian(s) will be responsible for transporting the student to and from school.

For a nonresident student who is the child of a District employee, if the Superintendent approves the request for nonresident admission for the student, the tuition cost is waived pursuant to 105 ILCS 5/10-20.12a(a).

Admission of Nonresident Students Pursuant to an Agreement or Order

Nonresident students may attend District schools pursuant to:

1. A written agreement with an adjacent school district to provide for tuition-free attendance by a student of that district, provided both the Superintendent or designee and the adjacent district determine that the student's health and safety will be served by such attendance.
2. A written agreement with cultural exchange organizations and institutions supported by charity to provide for tuition-free attendance by foreign exchange students and nonresident pupils of charitable institutions.
3. According to an intergovernmental agreement, including, but not limited to, an agreement for interdistrict transfer of students who are parents, expectant parents, or victims of domestic or sexual violence under 105 ILCS 5/26A.
4. Whenever any State or federal law or a court order mandates the acceptance of a nonresident student.

Homeless Children

Any homeless child shall be immediately admitted, even if the child or child's parent/guardian is unable to produce records normally required to establish residency. School Board policy 6:140, *Education of Homeless Children*, and its implementing administrative procedure, govern the enrollment of homeless children.

Challenging a Student's Residence Status

If the Superintendent or designee determines that a student attending school on a tuition-free basis is a nonresident of the District for whom tuition is required to be charged, he or she on behalf of the School Board shall notify the person who enrolled the student of the tuition amount that is due. The notice shall detail the specific reasons why the Board believes that the student is a nonresident of the District and shall be given by certified mail, return receipt requested. The person who enrolled the student may challenge this determination and request a hearing as provided by the School Code, 105 ILCS 5/10-20.12b.

This policy applies to individuals who have custody or control of a child: (a) between the ages of six (on or before September 1) and 17 years (unless the child has graduated from high school), or (b) who is enrolled in any of grades kindergarten through 12 in the public school regardless of age.

Subject to specific requirements in State law, the following children are not required to attend public school: (1) any child attending a private school (including a home school) or parochial school, (2) any child who is physically or mentally unable to attend school (including a pregnant student suffering medical complications as certified by her physician), (3) any child lawfully and necessarily employed, (4) any child over 12 and under 14 years of age while in confirmation classes, (5) any child absent because of religious reasons, including to observe a religious holiday, for religious instruction, or because his or her religion forbids secular activity on a particular day(s) or time of day, and (6) any child 16 years of age or older who is employed and is enrolled in a graduation incentives program.

The parent/guardian of a student who is enrolled must authorize all absences from school and notify the school in advance or at the time of the student's absence. A valid cause for absence includes illness (including mental or behavioral health of the student), attendance at a verified medical or therapeutic appointment (including a victim services provider), observance of a religious holiday, death in the immediate family, attendance at a civic event, family emergency, other situations beyond the control of the student as determined by the Board, voting pursuant to Board policy 7:90, *Release During School Hours* (10 ILCS 5/7-42 and 5/17-15), other circumstances that cause reasonable concern to the parent/guardian for the student's mental, emotional, or physical health or safety, or other reason as approved by the Superintendent or designee. For students who are parents, expectant parents, or victims of domestic or sexual violence, valid cause for absence also includes the fulfillment of a parenting responsibility and addressing circumstances resulting from domestic or sexual violence. Students absent for a valid cause may make up missed homework and classwork assignments in a reasonable timeframe.

Absenteeism and Truancy Program

The Superintendent or designee shall manage an absenteeism and truancy program in accordance with the School Code and School Board policy. The program shall include but not be limited to:

1. A protocol for excusing a student from attendance who is necessarily and lawfully employed. The Superintendent or designee is authorized to determine when the student's absence is justified.
2. A protocol for excusing a student in grades 6 through 12 from attendance to sound *Taps* at a military honors funeral held in Illinois for a deceased veteran.
3. A protocol for excusing a student from attendance on a particular day(s) or at a particular time of day when his/her parent/guardian is an active duty member of the uniformed services and has been called to duty for, is on leave from, or has immediately returned from deployment to a combat zone or combat-support postings.
4. A process to telephone, within two hours after the first class, the parents/guardians of students in grade 8 or below who are absent without prior parent/guardian notification.
5. A process to identify and track students who are truants, chronic or habitual truants, or truant minors as defined in 105 ILCS 5/26-2a.
6. A description of diagnostic procedures for identifying the cause(s) of a student's unexcused absenteeism, including interviews with the student, his or her parent(s)/guardian(s), and staff

members or other people who may have information about the reasons for the student's attendance problem.

7. The identification of supportive services that may be offered to truant, chronically truant, or chronically absent students, including parent-teacher conferences, student and/or family counseling, and information about available community services relevant to such students' needs. See Board policy 6:110, *Programs for Students At Risk of Academic Failure and/or Dropping Out of School and Graduation Incentives Program*.
8. A process for the collection and review of chronic absence data and to:
    a. Determine what systems of support and resources are needed to engage chronically absent students and their families, and
    b. Encourage the habit of daily attendance and promote success.
9. Reasonable efforts to provide ongoing professional development to all school personnel, Board members, and school resource officers on the appropriate and available supportive services for the promotion of student attendance and engagement.
10. A process to request the assistance and resources of outside agencies, such as, the juvenile officer of the local police department or the truant office of the appropriate Regional Office of Education, if truancy continues after supportive services have been offered.
11. A protocol for cooperating with non-District agencies including County or municipal authorities, the Regional Superintendent, truant officers, the Community Truancy Review Board, and a comprehensive community based youth service agency. Any disclosure of school student records must be consistent with Board policy 7:340, *Student Records*, as well as State and federal law concerning school student records.
12. An acknowledgement that no punitive action, including out-of-school suspensions, expulsions, or court action, shall be taken against a truant minor for his or her truancy unless available supportive services and other school resources have been provided to the student.
13. The criteria to determine whether a student's non-attendance is due to extraordinary circumstances shall include economic or medical necessity or family hardship and such other criteria that the Superintendent believes qualifies.
14. An approval process for students to attend activities allowed under 105 ILCS 5/10-19.05(k), including provisions for making up missed coursework that do not penalize students.
15. A process for a 17-year-old resident to participate in the District's various programs and resources for truants. The student must provide documentation of his/her dropout status for the previous six months. A request from an individual 19 years of age or older to re-enroll after having dropped out of school is handled according to provisions in Board policy 7:50, *School Admissions and Student Transfers To and From Non-District Schools*.
16. A process for the temporary exclusion of a student 17 years of age or older for failing to meet minimum attendance standards according to provisions in State law. A parent/guardian has the right to appeal a decision to exclude a student.

Health, Eye, and Dental Examinations; Immunizations; and Exclusion of Students

Required Health Examinations and Immunizations

A student's parents/guardians shall present proof that the student received a health examination, with proof of the immunizations against, and screenings for, preventable communicable diseases, as required by the Illinois Department of Public Health (IDPH), within one year prior to:

1. Entering kindergarten or the first grade;
2. Entering the sixth and ninth grades; and
3. Enrolling in an Illinois school, regardless of the student's grade (including nursery school, special education, Head Start programs operated by elementary or secondary schools, and students transferring into Illinois from out-of-state or out-of-country).

Proof of immunization against meningococcal disease is required for students in grades 6 and 12.

As required by State law:

1. Health examinations must be performed by a physician licensed to practice medicine in all of its branches, an advanced practice registered nurse, or a physician assistant who has been delegated the performance of health examinations by a supervising physician.
2. A diabetes screening is a required part of each health examination; diabetes testing is not required.
3. An age-appropriate developmental screening and an age-appropriate social and emotional screening are required parts of each health examination. A student will not be excluded from school due to his or her parent/guardian's failure to obtain a developmental screening or a social and emotional screening.
4. Before admission and in conjunction with required physical examinations, parents/guardians of children between the ages of one and seven years must provide a statement from a physician that their child was *risk-assessed* or screened for lead poisoning.
5. The IDPH will provide all students entering sixth grade and their parents/guardians information about the link between human papillomavirus (HPV) and HPV-related cancers and the availability of the HPV vaccine.
6. The District will provide informational materials regarding influenza and influenza vaccinations developed, provided, or approved by the IDPH when it provides information on immunizations, infectious diseases, medications, or other school health issues to students' parents/guardians.

Unless an exemption or extension applies, the failure to comply with the above requirements by October 15 of the current school year will result in the student's exclusion from school until the required health forms are presented to the District. New students who register after October 15 of the current school year shall have 30 days following registration to comply with the health examination and immunization regulations. If a medical reason prevents a student from receiving a required immunization by October 15, the student must present, by October 15, an immunization schedule and a statement of the medical reasons causing the delay. The schedule and statement of medical reasons must be signed by the physician, advanced practice registered nurse, physician assistant, or local health department responsible for administering the immunizations.

A student transferring from out-of-state who does not have the required proof of immunizations by October 15 may attend classes only if he or she has proof that an appointment for the required vaccinations is scheduled with a party authorized to submit proof of the required vaccinations. If the required proof of vaccination is not submitted within 30 days after the student is permitted to attend classes, the student may no longer attend classes until proof of the vaccinations is properly submitted.

Eye Examination

Parents/guardians are encouraged to have their children undergo an eye examination whenever health examinations are required.

Parents/guardians of students entering kindergarten or an Illinois school for the first time shall present proof before October 15 of the current school year that the student received an eye examination within one year prior to entry of kindergarten or the school. A physician licensed to practice medicine in all of its branches, or a licensed optometrist, must perform the required eye examination.

If a student fails to present proof by October 15, the school may hold the student's report card until the student presents proof: (1) of a completed eye examination, or (2) that an eye examination will take place within 60 days after October 15. The Superintendent or designee shall ensure that parents/guardians are notified of this eye examination requirement in compliance with the rules of the IDPH. Schools shall not exclude a student from attending school due to failure to obtain an eye examination.

Dental Examination

All children in kindergarten and the second, sixth, and ninth grades must present proof of having been examined by a licensed dentist before May 15 of the current school year in accordance with rules adopted by the IDPH.

If a child in the second, sixth, or ninth grade fails to present proof by May 15, the school may hold the child's report card until the child presents proof: (1) of a completed dental examination, or (2) that a dental examination will take place within 60 days after May 15. The Superintendent or designee shall ensure that parents/guardians are notified of this dental examination requirement at least 60 days before May 15 of each school year.

Exemptions

In accordance with rules adopted by the IDPH, a student will be exempted from this policy's requirements for:

1. Religious grounds, if the student's parents/guardians present the IDPH's Certificate of Religious Exemption form to the Superintendent or designee. When a Certificate of Religious Exemption form is presented, the Superintendent or designee shall immediately inform the parents/guardians of exclusion procedures pursuant to Board policy 7:280, *Communicable and Chronic Infectious Disease*, and State rules if there is an outbreak of one or more diseases from which the student is not protected.
7. Health examination or immunization requirements on medical grounds, if the examining physician, advanced practice registered nurse, or physician assistant provides written verification.
8. Eye examination requirement, if the student's parents/guardians show an undue burden or lack of access to a physician licensed to practice medicine in all of its branches who provides eye examinations or a licensed optometrist.
9. Dental examination requirement, if the student's parents/guardians show an undue burden or a lack of access to a dentist.

Homeless Child

Any homeless child shall be immediately admitted, even if the child or child's parent/guardian is unable to produce immunization and health records normally required for enrollment. Board policy 6:140, *Education of Homeless Children*, governs the enrollment of homeless children.

Search and Seizure

In order to maintain order and security in the schools, school authorities are authorized to conduct reasonable searches of school property and equipment, as well as of students and their personal effects. "School authorities" includes school liaison police officers.

School Property and Equipment as well as Personal Effects Left on School Property by Students

School authorities may inspect and search school property and equipment owned or controlled by the school (such as, lockers, desks, and parking lots), as well as personal effects left there by a student, without notice to or the consent of the student. Students have no reasonable expectation of privacy in these places or areas or in their personal effects left there.

The Superintendent may request the assistance of law enforcement officials to conduct inspections and searches of lockers, desks, parking lots, and other school property and equipment for illegal drugs, weapons, or other illegal or dangerous substances or materials, including searches conducted through the use of specially trained dogs.

Students

School authorities may search a student and/or the student's personal effects in the student's possession (such as, purses, wallets, knapsacks, book bags, lunch boxes, etc.) when there is a reasonable ground for suspecting that the search will produce evidence the particular student has violated or is violating either the law or the District's student conduct rules. The search itself must be conducted in a manner that is reasonably related to its objective and not excessively intrusive in light of the student's age and sex, and the nature of the infraction.

When feasible, the search should be conducted as follows:

1. Outside the view of others, including students,
2. In the presence of a school administrator or adult witness, and
3. By a licensed employee or liaison police officer of the same sex as the student.

Immediately following a search, a written report shall be made by the school authority who conducted the search, and given to the Superintendent.

Seizure of Property

If a search produces evidence that the student has violated or is violating either the law or the District's policies or rules, such evidence may be seized and impounded by school authorities, and disciplinary action may be taken. When appropriate, such evidence may be transferred to law enforcement authorities.

Notification Regarding Student Accounts or Profiles on Social Networking Websites

The Superintendent or designee shall notify students and their parents/guardians of each of the following in accordance with the Right to Privacy in the School Setting Act, 105 ILCS 75/:

1. School officials may not request or require a student or his or her parent/guardian to provide a password or other related account information to gain access to the student's account or profile on a social networking website.
2. School officials may conduct an investigation or require a student to cooperate in an investigation if there is specific information about activity on the student's account on a social networking website that violates a school disciplinary rule or policy. In the course of an investigation, the student may be required to share the content that is reported in order to allow school officials to make a factual determination.

Federal and State Law Requirements Regarding Citizenship and Immigration Status in Schools

No student shall be denied an education based on the student's, or their parent's/guardian's, actual or perceived citizenship or immigration status. Based on such status, the District will not:

2. Use policies or procedures or engage in practices that have the effect of excluding a student from participating in or denying the benefits of any District program or activity.

5. Maintain discipline and recognize that school employees stand in the relationship of the parents/guardians to the students during the school day.
6. Comply with State law including, but not limited to, ensuring that before a law enforcement agent, school resource officer, or other school security person detains and questions on school grounds a student under 18 years of age who is suspected of committing a criminal act, the Superintendent or designee will:
    a. Notify or attempt to notify the student's parent(s)/guardian(s) and document the time and manner in writing;
    b. Make reasonable efforts to ensure the student's parent/guardian is present during questioning or, if they are not present, ensure that school employees (including, but not

4. Wear the uniform of a nationally recognized youth organization such as Boy Scouts or Girl Scouts on regular meeting days.

No student shall be denied attendance at school, penalized, or otherwise subject to compliance measures for failing to wear a uniform because of:

1. Personal choice;

Prevention of and Response to Bullying, Intimidation, and Harassment

Bullying, intimidation, and harassment diminish a student's ability to learn and a school's ability to educate. Preventing students from engaging in these disruptive behaviors and providing all students equal access to a safe, non-hostile learning environment are important District goals.

Bullying on the basis of actual or perceived race, color, religion, sex, national origin, ancestry, physical appearance, socioeconomic status, academic status, pregnancy, parenting status, homelessness, age, marital status, physical or mental disability, military status, sexual orientation, gender-related identity or expression, unfavorable discharge from military service, order of protection status, association with a person or group with one or more of the aforementioned actual or perceived characteristics, or any other distinguishing characteristic **is prohibited** in each of the following situations:

1. During any school-sponsored education program or activity.
2. While in school, on school property, on school buses or other school vehicles, at designated school bus stops waiting for the school bus, or at school-sponsored or school-sanctioned events or activities.
3. Through the transmission of information from a school computer, a school computer network, or other similar electronic school equipment.
4. Through the transmission of information from a computer that is accessed at a nonschool-related location, activity, function, or program or from the use of technology or an electronic device that is not owned, leased, or used by the School District or school if the bullying causes a substantial disruption to the educational process or orderly operation of a school. This paragraph (item #4) applies only when a school administrator or teacher receives a report that bullying through this means has occurred; it does not require staff members to monitor any nonschool-related activity, function, or program.

Definitions from 105 ILCS 5/22-110

Artificial intelligence means a machine-based system that, for explicit or implicit objectives, infers, from the input it receives, how to generate outputs such as predictions, content, recommendations, or decisions that can influence physical or virtual environments. *Artificial intelligence* includes generative artificial intelligence.

Bullying includes *cyberbullying* and means any severe or pervasive physical or verbal act or conduct, including communications made in writing or electronically, directed toward a student or students that has or can be reasonably predicted to have the effect of one or more of the following:

1. Placing the student or students in reasonable fear of harm to the student's or students' person or property;
2. Causing a substantially detrimental effect on the student's or students' physical or mental health;
3. Substantially interfering with the student's or students' academic performance; or
4. Substantially interfering with the student's or students' ability to participate in or benefit from the services, activities, or privileges provided by a school.

Bullying may take various forms, including without limitation one or more of the following: harassment, threats, intimidation, stalking, physical violence, sexual harassment, sexual violence, posting or distributing sexually explicit images, theft, public humiliation, destruction of property, or retaliation for asserting or alleging an act of bullying. This list is meant to be illustrative and non-exhaustive.

Cyberbullying means bullying through the use of technology or any electronic communication, including without limitation any transfer of signs, signals, writing, images, sounds, data, or intelligence

of any nature transmitted in whole or in part by a wire, radio, electromagnetic system, photo-electronic system, or photo-optical system, including without limitation electronic mail, Internet communications, instant messages, or facsimile communications. *Cyberbullying* includes the creation of a webpage or weblog in which the creator assumes the identity of another person or the knowing impersonation of another person as the author of posted content or messages if the creation or impersonation creates any of the effects enumerated in the definition of bullying. *Cyberbullying* also includes the distribution by electronic means of a communication to more than one person or the posting of material on an electronic medium that may be accessed by one or more persons if the distribution or posting creates any of the effects enumerated in the definition of *bullying*. *Cyberbullying* also includes the posting or distribution of an unauthorized digital replica by electronic means if the posting or distribution creates any of the effects enumerated in the definition of *bullying*.

Digital replica means a newly created, electronic representation of the identity of an actual individual created using a computer, algorithm, software, tool, artificial intelligence, or other technology that is fixed in a sound recording or audiovisual work in which that individual did not actually perform or appear and that is so realistic that a reasonable observer would believe it is a performance by the individual being portrayed and no other individual.

Restorative measures means a continuum of school-based alternatives to exclusionary discipline, such as suspensions and expulsions, that: (i) are adapted to the particular needs of the school and community, (ii) contribute to maintaining school safety, (iii) protect the integrity of a positive and productive learning climate, (iv) teach students the personal and interpersonal skills they will need to be successful in school and society, (v) serve to build and restore relationships among students, families, schools, and communities, (vi) reduce the likelihood of future disruption by balancing accountability with an understanding of students' behavioral health needs in order to keep students in school, and (vii) increase student accountability if the incident of bullying is based on religion, race, ethnicity, or any other category that is identified in the Ill. Human Rights Act.

School personnel means persons employed by, on contract with, or who volunteer in a school district, including without limitation school and school district administrators, teachers, school social workers, school counselors, school psychologists, school nurses, cafeteria workers, custodians, bus drivers, school resource officers, and security guards.

Unauthorized digital replica means the use of a digital replica of an individual without the consent of the depicted individual.

Bullying Prevention and Response Plan

The Superintendent or designee shall develop and maintain a bullying prevention and response plan that advances the District's goal of providing all students with a safe learning environment free of bullying and harassment. This plan must be consistent with the requirements listed below.

1. The District uses the definition of *bullying* as provided in this policy.
2. Bullying is contrary to State law and the policy of this District. However, nothing in the District's bullying prevention and response plan is intended to infringe upon any right to exercise free expression or the free exercise of religion or religiously based views protected under the First Amendment to the U.S. Constitution or under Section 3 of Article I of the Illinois Constitution.
3. Students are encouraged to immediately report bullying. A report may be made orally or in writing to the Nondiscrimination Coordinator, Title IX Coordinator, Building Principal, Assistant Building Principal, Dean of Students, a Complaint Manager, or any staff member with whom the student is comfortable speaking. Anyone, including staff members and parents/guardians, who has information about actual or threatened bullying is encouraged to report it to the District named officials or any staff member. The District named officials and all staff members are available for help with a bully or to make a report about bullying.

Anonymous reports are also accepted; however, this shall not be construed to permit formal disciplinary action solely on the basis of an anonymous report.

1. Consistent with federal and State laws and rules governing student privacy rights, the parents/guardians of all students involved in an alleged incident of bullying will be notified of such, along with threats, suggestions, or instances of self-harm determined to be the result of bullying, within 24 hours after the school's administration is made aware of the student's involvement in the incident. As appropriate, the school's administration shall also discuss the availability of social work services, counseling, school psychological services, other interventions, and restorative measures. The school shall make diligent efforts to notify a parent or legal guardian, utilizing all contact information the school has available or that can be reasonably obtained within the 24-hour period.
2. The Superintendent or designee shall promptly investigate and address reports of bullying, by, among other things:
    a. Making all reasonable efforts to complete the investigation within 10 school days after the date the report of a bullying incident was received and taking into consideration additional relevant information received during the course of the investigation about the reported bullying incident.
    b. Involving appropriate school support personnel and other staff persons with knowledge, experience, and training on bullying prevention, as deemed appropriate, in the investigation process.
    c. Notifying the Building Principal or school administrator or designee of the reported incident of bullying as soon as possible after the report is received.
    d. Consistent with federal and State laws and rules governing student privacy rights, providing parents/guardians of the students who are parties to the investigation information about the investigation and an opportunity to meet with the Building

Principal or school administrator or his or her designee to discuss the investigation, the findings of the investigation, and the actions taken to address the reported incident of bullying.

The Superintendent or designee shall investigate whether a reported incident of bullying is within the permissible scope of the District's jurisdiction and shall require that the District provide the victim with information regarding services that are available within the District and community, such as counseling, support services, and other programs.

3. The Superintendent or designee shall use interventions to address bullying, that may include, but are not limited to, school social work services, restorative measures, social-emotional skill building, counseling, school psychological services, and community-based services.
4. A reprisal or retaliation against any person who reports an act of bullying **is prohibited**. Any person's act of reprisal or retaliation will be subject to disciplinary action, up to and including discharge with regard to employees, or suspension and/or expulsion with regard to students.
5. A student will not be punished for reporting bullying or supplying information, even if the District's investigation concludes that no bullying occurred. However, a person who is found to have falsely accused another of bullying, as a means of retaliation, as a means of bullying, or provided false information will be treated as either: (a) *bullying*, (b) student discipline up to and including suspension and/or expulsion, and/or (c) both (a) and (b) for purposes of determining any consequences or other appropriate remedial actions.
6. The District's bullying prevention and response plan is based on the engagement of a range of school stakeholders, including students and parents/guardians.
7. The Superintendent or designee shall post this policy on the District's publicly accessible website, if any, and include it in the student handbook, and, where applicable, post it where other policies, rules, and standards of conduct are currently posted. The policy must be distributed annually to parents/guardians, students, and school personnel (including new employees when hired), and must also be provided periodically throughout the school year to students and faculty.
8. Pursuant to State law and Board policy 2:240, *Board Policy Development*, the Board monitors this policy every two years by conducting a review and re-evaluation of this policy to make any necessary and appropriate revisions. The Superintendent or designee shall assist the Board with its re-evaluation and assessment of this policy's outcomes and effectiveness. Updates to this policy will reflect any necessary and appropriate revisions. This process shall include, without limitation:
    a. The frequency of victimization;
    b. Student, staff, and family observations of safety at a school;
    c. Identification of areas of a school where bullying occurs;
    d. The types of bullying utilized; and
    e. Bystander intervention or participation.

    The evaluation process may use relevant data and information that the District already collects for other purposes. Acceptable documentation to satisfy the re-evaluated policy submission include one of the following:
        i. An updated version of the policy with the amendment/modification date specifying the date of adoption (indicated by month, date, and year) included in the reference portion of the policy;
        ii. If no revisions are deemed necessary, a copy of Board minutes indicating that the policy was re-evaluated and no changes were deemed to be necessary; or
        iii. A signed statement from the Board President indicating that the Board re-evaluated the policy and no changes to it were necessary.

    The Superintendent or designee must post the information developed as a result of the policy re-evaluation on the District's website, or if a website is not available, the information must be provided to school administrators, Board members, school personnel, parents/guardians, and

Teen Dating Violence Prohibited

Engaging in teen dating violence that takes place at school, on school property, at school-sponsored activities, or in vehicles used for school-provided transportation is prohibited. For purposes of this policy, *teen dating violence* occurs whenever a student who is 13 to 19 years of age uses or threatens to use physical, mental, or emotional abuse to control an individual in the dating relationship; or uses or threatens to use sexual violence in the dating relationship.

The Superintendent or designee shall develop and maintain a program to respond to incidents of teen dating violence that:

1. Fully implements and enforces each of the following Board policies:
    a. 2:260, Uniform Grievance Procedure. This policy provides a method for any student, parent/guardian, employee, or community member to file a complaint if he or she believes that the School Board, its employees, or its agents have violated his or her rights under the State or federal Constitution, State or federal statute, Board policy, or various enumerated bases.
    b. 2:265, Title IX Grievance Procedure. This policy prohibits a District employee, agent, or student from engaging in sexual harassment in violation of Title IX of the Education Amendments of 1972. Prohibited conduct includes but is not limited to sexual assault, dating violence, domestic violence, and stalking.
    c. 7:20, Harassment of Students Prohibited. This policy prohibits any person, including a District employee, agent, or student, from harassing intimidating, or bullying a student based on the student's actual or perceived characteristics of sex; sexual orientation; gender identity; and gender-related identity or expression (this policy includes more protected statuses).
    d. 7:180, Prevention of and Response to Bullying, Intimidation, and Harassment. This policy prohibits students from engaging in bullying, intimidation, and harassment at school, school-related events and electronically. Prohibited conduct includes threats, stalking, physical violence, sexual harassment, sexual violence, theft, public humiliation, destruction of property, or retaliation for asserting or alleging an act of bullying.
7. Encourages anyone with information about incidents of teen dating violence to report them to any of the following individuals:
    a. Any school staff member. School staff shall respond to incidents of teen dating violence by following the District's established procedures for the prevention, identification, investigation, and response to bullying and school violence.
    b. The Nondiscrimination Coordinator, Building Principal, Assistant Building Principal, Dean of Students, or a Complaint Manager identified in Board policy 7:20, Harassment of Students Prohibited.
8. Incorporates age-appropriate instruction in grades 7 through 12, in accordance with the District's comprehensive health education program in Board policy 6:60, Curriculum Content. This includes incorporating student social and emotional development into the District's educational program as required by State law and in alignment with Board policy 6:65, Student Social and Emotional Development.
9. Incorporates education for school staff, as recommended by the Nondiscrimination Coordinator, Building Principal, Assistant Building Principal, Dean of Students, or a Complaint Manager.

Exhibit - Memo to Parents/Guardians Regarding Teen Dating Violence

On District or School letterhead

Date

Re: Teen Dating Violence

Dear Parents/Guardians:

At our school, teen dating violence is unacceptable. We are committed to providing our students with a school environment where they can learn free from worries about school violence. The purpose of this letter is to inform you of School Board policy, 7:185, *Teen Dating Violence Prohibited*, which is a component of the District's anti-bullying program.

Research has shown that teen dating violence can form lifelong, unhealthy habits during young adults' formative years. Educating parents/guardians, students, and staff about teen dating violence can help us identify incidents of teen dating violence at school or school-related activities. The Board's policy states that *teen dating violence* occurs whenever a student uses or threatens to use physical, mental, or emotional abuse to control an individual in the dating relationship; or uses or threatens to use sexual violence in the dating relationship.

Students in grades 7 through 12 will receive age-appropriate instruction on teen dating violence including its warning signs and prevention. School staff will also receive training on handling the signs and incidents of teen dating violence. I have asked our school staff members to respond immediately and with compassion to a student who reports teen dating violence. After evaluating the situation to determine if an immediate referral to my office is needed, a staff member will give the student our form for reporting bullying, 7:180-AP1, E5, *Report Form for Bullying*.

Finally, I have directed staff members to intervene immediately to stop incidents of teen dating violence occurring at school. They will proceed under our District's procedures for responding to incidences of bullying and school violence.

Below are some warning signs that your child may be involved in teen dating violence:

- Name-calling and *put-downs*. Does one individual in the relationship call the other person names? Do they use insults to put the other person down?
- Extreme Jealousy. Does one individual in the relationship act overly jealous when the other talks to peers? Does one individual accuse the other of flirting even when it's innocent conversation?
- Making Excuses. Does one individual in the relationship make excuses for the other? Do they have to apologize for the other person's behavior?
- Canceling or changing plans. Does one individual cancel plans often, and at the last minute? Do the reasons make sense or sound untrue?
- Monitoring. Does one individual call, text message, or check up on the other constantly? Do they demand to know the other person's plans or with whom the other person was with?
- Uncontrolled Anger. Have you seen one individual lose his or her temper? Do they throw things – or break things – when angry? Does one individual in the relationship worry a lot about upsetting the other?
- Isolation. Has one individual in the relationship given up spending time with friends? Has that individual stopped doing activities that used to be important?

- Dramatic Changes. Have either of the individuals in the relationship had appearance changes? Have they lost or gained weight? Have their grades dropped? Do they seem depressed?
- Injuries. Does one individual in the relationship have unexplained injuries, or do they give explanations that don't make sense?
- Quick Progression. Did the relationship get serious very quickly?

These signs do not necessarily mean that your child is involved in teen dating violence, but, if present, talk to your child about teen dating violence.

Student Behavior

The goals and objectives of this policy are to provide effective discipline practices that: (1) ensure the safety and dignity of students and staff; (2) maintain a positive, weapons-free, and drug-free learning environment; (3) keep school property and the property of others secure; (4) address the causes of a student's misbehavior and provide opportunities for all individuals involved in an incident to participate in its resolution; and (5) teach students positive behavioral skills to become independent, self-disciplined citizens in the school community and society.

When and *Where* Conduct Rules Apply

A student is subject to disciplinary action for engaging in prohibited student conduct, as described in the section with that name below, whenever the student's conduct is reasonably related to school or school activities, including, but not limited to:

1. On, or within sight of, school grounds before, during, or after school hours or at any time;
2. Off school grounds at a school-sponsored activity or event, or any activity or event that bears a reasonable relationship to school;
3. Traveling to or from school or a school activity, function, or event; or
4. Anywhere, if the conduct interferes with, disrupts, or adversely affects the school environment, school operations, or an educational function, including, but not limited to, conduct that may reasonably be considered to: (a) be a threat or an attempted intimidation of a staff member; or (b) endanger the health or safety of students, staff, or school property.

Prohibited Student Conduct

The school administration is authorized to discipline students for gross disobedience or misconduct, including but not limited to:

1. Using, possessing, distributing, purchasing, or selling tobacco or nicotine materials, including without limitation, electronic cigarettes.
2. Using, possessing, distributing, purchasing, or selling alcoholic beverages. Students who are under the influence of an alcoholic beverage are not permitted to attend school or school functions and are treated as though they had alcohol in their possession.
3. Using, possessing, distributing, purchasing, selling, or offering for sale:
    a. Any illegal drug or controlled substance, or cannabis (including marijuana, hashish, and medical cannabis unless the student is authorized to be administered a medical cannabis infused product under *Ashley's Law*).
    b. Any anabolic steroid unless it is being administered in accordance with a physician's or licensed practitioner's prescription.
    c. Any performance-enhancing substance on the Illinois High School Association's most current banned substance list unless administered in accordance with a physician's or licensed practitioner's prescription.
    d. Any prescription drug when not prescribed for the student by a physician or licensed practitioner, or when used in a manner inconsistent with the prescription or prescribing physician's or licensed practitioner's instructions. The use or possession of medical cannabis, even by a student for whom medical cannabis has been prescribed, is prohibited unless the student is authorized to be administered a medical cannabis infused product under Ashley's Law.
    e. Any inhalant, regardless of whether it contains an illegal drug or controlled substance: (a) that a student believes is, or represents to be capable of, causing intoxication, hallucination, excitement, or dulling of the brain or nervous system; or (b) about which

the student engaged in behavior that would lead a reasonable person to believe that the student intended the inhalant to cause intoxication, hallucination, excitement, or dulling of the brain or nervous system. The prohibition in this section does not apply to a student's use of asthma or other legally prescribed inhalant medications.

f. Any substance inhaled, injected, smoked, consumed, or otherwise ingested or absorbed with the intention of causing a physiological or psychological change in the body, including without limitation, pure caffeine in tablet or powdered form.

g. *Look-alike* or counterfeit drugs, including a substance that is not prohibited by this policy, but one: (a) that a student believes to be, or represents to be, an illegal drug, controlled substance, or other substance that is prohibited by this policy; or (b) about which a student engaged in behavior that would lead a reasonable person to believe that the student expressly or impliedly represented to be an illegal drug, controlled substance, or other substance that is prohibited by this policy.

h. Drug paraphernalia, including devices that are or can be used to: (a) ingest, inhale, or inject cannabis or controlled substances into the body; and (b) grow, process, store, or conceal cannabis or controlled substances.

Students who are under the influence of any prohibited substance are not permitted to attend school or school functions and are treated as though they had the prohibited substance, as applicable, in their possession.

4. Using, possessing, controlling, or transferring a *weapon* as that term is defined in the **Weapons** section of this policy, or violating the **Weapons** section of this policy.
5. Using or possessing an electronic paging device.
6. Using a cellular telephone, video recording device, personal digital assistant (PDA), or other electronic device in any manner that disrupts the educational environment or violates the rights of others, including using the device to take photographs in locker rooms or bathrooms, cheat, or otherwise violate student conduct rules. Unless otherwise banned under this policy or by the Building Principal, all electronic devices must be kept powered off or silenced and out-of-sight during the regular school day unless: (a) the supervising teacher grants permission; (b) use of the device is provided in a student's individualized education program (IEP) or Section 504 plan; (c) it is used during the student's lunch period, or (d) it is needed in an emergency that threatens the safety of students, staff, or other individuals.
7. *Sexting*, which, for purposes of this policy, is the act of creating, sending, sharing, viewing, receiving, or possessing sexually explicit messages, images, or videos electronically, regardless of whether they are authentic or computer-generated, through the use of a computer, electronic communication device, or cellular phone. Sexting also includes creating, sending, sharing, viewing, receiving, or possessing *indecent visual depictions*, *non-consensual dissemination of private sexual images*, and *non-consensual dissemination of sexually explicit digitized depictions*, as defined in State law.
8. Using or possessing a laser pointer unless under a staff member's direct supervision and in the context of instruction.
9. Disobeying rules of student conduct or directives from staff members or school officials. Examples of disobeying staff directives include refusing a District staff member's request to stop, present school identification, or submit to a search.
10. Engaging in academic dishonesty, including cheating, intentionally plagiarizing, using a writing service and/or generative artificial intelligence technology in place of original work unless specifically authorized by staff, wrongfully giving or receiving help during an academic examination, altering report cards, and wrongfully obtaining test copies or scores.
11. Engaging in hazing or any kind of bullying or aggressive behavior that does physical or psychological harm to a staff person or another student, or urging other students to engage in such conduct. Prohibited conduct specifically includes, without limitation, any use of violence,

intimidation, force, noise, coercion, threats, stalking, harassment, sexual harassment, public humiliation, theft or destruction of property, retaliation, hazing, bullying, bullying using a school computer or a school computer network, or other comparable conduct.

12. Engaging in any sexual activity, including without limitation, offensive touching, sexual harassment, indecent exposure (including mooning), and sexual assault. This does not include the non-disruptive: (a) expression of gender or sexual orientation or preference, or (b) display of affection during non-instructional time.
13. Teen dating violence, as described in Board policy 7:185, *Teen Dating Violence Prohibited*.
14. Causing or attempting to cause damage to, or stealing or attempting to steal, school property or another person's personal property.
15. Entering school property or a school facility without proper authorization.
16. In the absence of a reasonable belief that an emergency exists, calling emergency responders (such as calling 911); signaling or setting off alarms or signals indicating the presence of an emergency; or indicating the presence of a bomb or explosive device on school grounds, school bus, or at any school activity.
17. Being absent without a recognized excuse; State law and School Board policy regarding truancy control will be used with chronic and habitual truants.
18. Being involved with any public school fraternity, sorority, or secret society, by: (a) being a member; (b) promising to join; (c) pledging to become a member; or (d) soliciting any other person to join, promise to join, or be pledged to become a member.
19. Being involved in gangs or gang-related activities, including displaying gang symbols or paraphernalia.
20. Violating any criminal law, including but not limited to, assault, battery, arson, theft, gambling, eavesdropping, vandalism, and hazing.
21. Making an explicit threat on an Internet website against a school employee, a student, or any school-related personnel if the Internet website through which the threat was made is a site that was accessible within the school at the time the threat was made or was available to third parties who worked or studied within the school grounds at the time the threat was made, and the threat could be reasonably interpreted as threatening to the safety and security of the threatened individual because of his or her duties or employment status or status as a student inside the school.
22. Operating an unmanned aircraft system (UAS) or drone for any purpose on school grounds or at any school event unless granted permission by the Superintendent or designee.
23. Engaging in any activity, on or off campus, that interferes with, disrupts, or adversely affects the school environment, school operations, or an educational function, including but not limited to, conduct that may reasonably be considered to: (a) be a threat or an attempted intimidation of a staff member; or (b) endanger the health or safety of students, staff, or school property.

For purposes of this policy, the term possession includes having control, custody, or care, currently or in the past, of an object or substance, including situations in which the item is: (a) on the student's person; (b) contained in another item belonging to, or under the control of, the student, such as in the student's clothing, backpack, or automobile; (c) in a school's student locker, desk, or other school property; or (d) at any location on school property or at a school-sponsored event.

Efforts, including the use of positive interventions and supports, shall be made to deter students, while at school or a school-related event, from engaging in aggressive behavior that may reasonably produce physical or psychological harm to someone else. The Superintendent or designee shall ensure that the parent/guardian of a student who engages in aggressive behavior is notified of the incident. The failure to provide such notification does not limit the Board's authority to impose discipline, including suspension or expulsion, for such behavior.

No disciplinary action shall be taken against any student that is based totally or in part on the refusal of the student's parent/guardian to administer or consent to the administration of psychotropic or psychostimulant medication to the student.

Disciplinary Measures

School officials shall limit the number and duration of expulsions and out-of-school suspensions to the greatest extent practicable, and, where practicable and reasonable, shall consider forms of non-exclusionary discipline before using out-of-school suspensions or expulsions. School personnel shall not advise or encourage students to drop out voluntarily due to behavioral or academic difficulties. Potential disciplinary measures include, without limitation, any of the following:

1. Notifying parent(s)/guardian(s).
2. Disciplinary conference.
3. Withholding of privileges.
4. Temporary removal from the classroom.
5. Return of property or restitution for lost, stolen, or damaged property.
6. In-school suspension. The Building Principal or designee shall ensure that the student is properly supervised.
7. After-school study or Saturday study provided the student's parent/guardian has been notified. If transportation arrangements cannot be agreed upon, an alternative disciplinary measure must be used. The student must be supervised by the detaining teacher or the Building Principal or designee.
8. Community service with local public and nonprofit agencies that enhances community efforts to meet human, educational, environmental, or public safety needs. The District will not provide transportation. School administration shall use this option only as an alternative to another disciplinary measure, giving the student and/or parent/guardian the choice.
9. Seizure of contraband; confiscation and temporary retention of personal property that was used to violate this policy or school disciplinary rules.
10. Suspension of bus riding privileges in accordance with Board policy 7:220, *Bus Conduct*.
11. Out-of-school suspension from school and all school activities in accordance with Board policy 7:200, *Suspension Procedures*. A student who has been suspended may also be restricted from being on school grounds and at school activities.
12. Expulsion from school and all school activities for a definite time period not to exceed two calendar years in accordance with Board policy 7:210, *Expulsion Procedures*. A student who has been expelled may also be restricted from being on school grounds and at school activities.
13. Transfer to an alternative program if the student is expelled or otherwise qualifies for the transfer under State law. The transfer shall be in the manner provided in Article 13A or 13B of the School Code.
14. Notifying juvenile authorities or other law enforcement whenever the conduct involves criminal activity, including but not limited to, illegal drugs (controlled substances), look-alikes, alcohol, or weapons or in other circumstances as authorized by the reciprocal reporting agreement between the District and local law enforcement agencies.

The above list of disciplinary measures is a range of options that will not always be applicable in every case. In some circumstances, it may not be possible to avoid suspending or expelling a student because behavioral interventions, other than a suspension and expulsion, will not be appropriate and available, and the only reasonable and practical way to resolve the threat and/or address the disruption is a suspension or expulsion.

Corporal punishment is prohibited in all circumstances. *Corporal punishment* is defined as a discipline method in which a person deliberately inflicts pain upon a student in response to the student's unacceptable behavior or inappropriate language, with an aim to halt an offense, prevent its recurrence, or set an example for others. It includes slapping, paddling, or prolonged maintenance of students in

physically painful positions, or intentional infliction of bodily harm. Corporal punishment does not include reasonable force as permitted by 105 ILCS 5/10-20.33.

Isolated Time Out, Time Out, and Physical Restraint

Neither isolated time out, time out, nor physical restraint shall be used to discipline or punish a student. These methods are only authorized for use as permitted in 105 ILCS 5/10-20.33, Ill. State Board of Education (ISBE) rules (23 Ill.Admin.Code §§ 1.280, 1.285), and the District's procedure(s).

Weapons

A student who is determined to have brought one of the following objects to school, any school-sponsored activity or event, or any activity or event that bears a reasonable relationship to school shall be expelled for a period of at least one calendar year but not more than two calendar years:

1. A *firearm*, meaning any gun, rifle, shotgun, or weapon as defined by Section 921 of Title 18 of the United States Code (18 U.S.C. § 921), firearm as defined in Section 1.1 of the Firearm Owners Identification Card Act (430 ILCS 65/), or firearm as defined in Section 24-1 of the Criminal Code of 2012 (720 ILCS 5/24-1).
2. A knife, brass knuckles, or other knuckle weapon regardless of its composition, a billy club, or any other object if used or attempted to be used to cause bodily harm, including *look-alikes* of any *firearm* as defined above.

The expulsion requirement under either paragraph one or two above may be modified by the Superintendent, and the Superintendent's determination may be modified by the Board on a case-by-case basis. The Superintendent or designee may grant an exception to this policy, upon the prior request of an adult supervisor, for students in theatre, cooking, ROTC, martial arts, and similar programs, whether or not school-sponsored, provided the item is not equipped, nor intended, to do bodily harm.

This policy's prohibitions concerning weapons apply regardless of whether: (1) a student is licensed to carry a concealed firearm, or (2) the Board permits visitors, who are licensed to carry a concealed firearm, to store a firearm in a locked vehicle in a school parking area.

Re-Engagement of Returning Students

The Superintendent or designee shall maintain a process to facilitate the re-engagement of students who are returning from an out-of-school suspension, expulsion, or an alternative school setting. The goal of re-engagement shall be to support the student's ability to be successful in school following a period of exclusionary discipline and shall include the opportunity for students who have been suspended to complete or make up work for equivalent academic credit.

Required Notices

A school staff member shall immediately notify the office of the Building Principal in the event that he or she: (1) observes any person in possession of a firearm on school grounds, becomes aware of any person in possession of a firearm on school grounds, or becomes aware of any threat of gun violence on school grounds; however, such action may be delayed if immediate notice would endanger students under his or her supervision, (2) observes or has reason to suspect that any person on school grounds is or was involved in a drug-related incident, or (3) observes a battery committed against any staff member or is subject to a battery. *School grounds* includes modes of transportation to school activities and any public way within 1000 feet of the school, as well as school property itself.

Upon receiving a report of (1), above, the Building Principal or designee shall immediately notify local law enforcement. If the report of (1), above, pertains to a threat of firearm violence made by a student, the Building Principal or designee shall attempt to notify the student's parent/guardian as soon as possible and shall further attempt to contact the parent/guardian to ensure that the student does not have access to a firearm. In addition, upon receiving a report on any of the above (1)-(3), the Building Principal or designee shall notify the Superintendent or designee and any involved student's parent/guardian.

Upon receiving a report on any of the above (1)-(3), the Superintendent or designee shall immediately notify local law enforcement. The Superintendent or designee shall also report these incidents to ISBE through its web-based School Incident Reporting System as they occur during the year and no later than July 31 for the preceding school year.

Delegation of Authority

Each teacher, and any other school personnel when students are under his or her charge, is authorized to impose any disciplinary measure, other than suspension, expulsion, corporal punishment, or in-school suspension, that is appropriate and in accordance with the policies and rules on student discipline. Teachers, other licensed educational employees, and any other persons (whether or not a licensed employee) providing a related service for or with respect to a student, may only use reasonable force as permitted by 105 ILCS 5/10-20.33. Teachers may temporarily remove students from a classroom for disruptive behavior.

The Superintendent, Building Principal, Assistant Building Principal, or Dean of Students is authorized to impose the same disciplinary measures as teachers and may suspend students guilty of gross disobedience or misconduct from school (including all school functions) and from riding the school bus, up to 10 consecutive school days, provided the appropriate procedures are followed. The Board may suspend a student from riding the bus in excess of 10 school days for safety reasons.

Student Handbook

The Superintendent, with input from the parent-teacher advisory committee, shall prepare disciplinary rules implementing the District's disciplinary policies. These disciplinary rules shall be presented annually to the Board for its review and approval.

A student handbook, including the District disciplinary policies and rules, shall be distributed to the students' parents/guardians within 15 days of the beginning of the school year or a student's enrollment.

A. Introduction

In consideration of the mutual promises, terms, and conditions set forth in the sections below, and for other good and valuable consideration, the receipt and sufficiency of which is hereby expressly acknowledged, this Memorandum of Understanding (MOU) is entered into by [INSERT District's name] (District) and [INSERT Local Law Enforcement Agency's name] (LLEA)on the [INSERT DATES _____ day of _____, 20__].

The District and LLEA agree that they may enter into and participate in joint programs and intergovernmental agreements with units of local government and other school districts to obtain or share services and to exercise, combine, or transfer any power or function, in any manner not prohibited by law or by ordinance (Ill. Constitution, Art. VII, Sec. 10, 5 ILCS 220/1 et seq., and Board Policy 1:20, *District Organization, Operations, and Cooperative Agreements*).

The District is organized and operates as follows:

The LLEA is organized and operates as follows:

The District and LLEA further agree to the following sections:

B. Definitions/Acronyms

Memorandum of Understanding (MOU) - Defines a local law enforcement agency's role in schools and describes the respective duties of a school district and local law enforcement agencies (105 ILCS 5/10-20.14(b) encourages school districts to create memoranda of understanding (MOU) with law enforcement agencies). Its purpose is to prevent confusion, decrease conflict, and promote school safety.

Leadership Team (Team) - A group of designated key staff members from each party. These individuals will be responsible for the implementation of the MOU. They will communicate directly with each other about MOU issues.

Local Law Enforcement Agency (LLEA) - A police department or State's Attorney's Office within the District's boundaries.

Police Officer - A police officer employed by the LLEA but who is not specifically assigned to the District or any of its buildings.

School Resource Officer (SRO) - A police officer who is assigned to the District or any of its buildings through an memorandum of understanding with the LLEA.

C. MOU Leadership Team (Team)

The following individuals are designated for the MOU Team as described in Section B, above.

District Staff:

LLEA Staff:

D. District Authority Over the Educational Environment

The District has identified the need for a partnership with LLEA. LLEA will partner with District school officials to manage substantially disruptive student behavior and discipline issues. Collaboration between the District and LLEA and respect for the important role each party holds in connection with our community's youth are essential to the success of the mission of both parties. Where it is necessary for LLEA to be present on school property, its employees will conduct themselves according to the District's principles of schooling and interactions with minors, will not knowingly communicate false facts or lie to minors, and will always recognize the responsibility and authority of the District's officials to manage the educational environment and work with them to minimize any impact its actions might have upon that environment. The District's management authority includes the ability to order the LLEA to leave District property immediately.

Both parties recognize that disciplining students is better left for District officials to manage, especially in light of 105 ILCS 5/10-20.14(b). If a student in the District is recommended for prosecution in a court of law, the Team conferences about the most appropriate form of discipline for the student. Final discretion regarding discipline lies with the District. Final discretion regarding whether to charge an individual with an ordinance, criminal, or traffic violation lies with the LLEA.

E. Identified Needs for Services to Maintain the Educational Environment

LLEA's activities shall align to the District's identified needs for creating and maintaining its educational environment. All services rendered by LLEA for the District shall seek to implement a partnership that creates effective and positive school student discipline that (a) functions in concert with efforts to address school safety and climate; (b) utilizes all appropriate and available behavioral and disciplinary interventions, including restorative measures as defined in 105 ILCS 5/22-110-(b); (c) is clear, consistent, and equitable; and (d) reinforces positive behaviors.

1. The District's identified needs for services from LLEA are each of the following:
    a. When requested, assistance with conducting inspections and searches of lockers, desks, parking lots, and other school property and equipment owned or controlled by the District for illegal drugs, weapons, or other illegal or dangerous substances or materials, including searches conducted through the use of specially trained dogs. If a search produces evidence that the student has violated or is violating either the law, local ordinance, or the District's policies or rules, such evidence may be seized by school authorities and turned over to law enforcement authorities, and disciplinary action may be taken. 105 ILCS 5/10-22.6(e) and 10-22.10a.
    b. Utilization by Building Principals of proper law enforcement agency resources when the safety and welfare of students and teachers are threatened by illegal use of drugs and alcohol, by illegal possession or use of weapons, or by illegal gang activity. 105 ILCS 5/10-21.4a.
    c. Cooperation with the parent-teacher advisory committee to develop policy guideline procedures that establish and maintain a reciprocal reporting system between the District applicable local law enforcement agencies regarding criminal and civil offenses committed by students. 105 ILCS 5/10-20.14(b) and see Board Policy 2:150, *Committees.*
    d. Immediate required reporting to local law enforcement authorities by the superintendent of batteries committed against teachers, teacher personnel, administrative personnel, or educational support personnel. 105 ILCS 5/10-21.7.
    e. Immediate required notification by the Building Principal or his or her designee to a local law enforcement agency upon receiving a report that any person has been observed in possession of a firearm on school grounds, becomes aware of any person in possession of a firearm on school grounds, or becomes aware of any threat of gun violence on school grounds.
    f. Upon receipt of a report from any school personnel regarding a verified incident involving a firearm in a school or on school owned or leased property, immediate required notification by the Superintendent or designee to the local law enforcement authorities of all such firearm-related incidents occurring in a school or on school property. 105 ILCS 5/10-27.1A.
    g. Upon receipt of a report from any school personnel regarding a verified incident involving prohibited drugs in a school or on school owned or leased property, immediate required reporting by the Superintendent or designee to the local law enforcement authorities of all such drug-related incidents occurring in a school or on school property. 105 ILCS 5/10-27.1B.
    h. Implementation of other sections of the School Code that authorize the District to work with LLEA for the purposes of keeping schools safe and providing education or training.
    i. Based upon locally based District outcomes, the District has identified these additional needs:

2. The LLEA has identified partnership needs from the District, which include each of the following:
    a. Sharing required reports to applicable Building Principals whenever a child enrolled in the District is detained for proceedings under the Juvenile Court Act of 1987 (705 ILCS 405/), or for any criminal offense or any violation of a municipal or county ordinance (105 ILCS 5/22-20). The report shall include the basis for detaining the child, circumstances surrounding the events that led to the child's detention, and status of proceedings. The report shall be updated as appropriate to notify the Building Principal of developments and the disposition of the matter. Building Principals shall keep this information separate from the official school record of the student and ensure that it does not become part of the official school record of the student. Such information shall not be a public record and will be used solely by the appropriate school official or officials that the Building Principal determines have a legitimate educational or safety interest to aid in the proper rehabilitation of the child and to protect the safety of students and employees in the school. 105 ILCS 5/22-20.
    b. In accordance with administrative procedure 7:190-AP3, *Guidelines for Reciprocal Reporting of Offenses Committed by Students*, transmitting juvenile law enforcement records concerning a minor enrolled in any District school who has been arrested or taken into custody for certain offenses. 705 ILCS 405/1-7(A)(8)(A) and 405/5-905(1)(h)(A) and see *Section H., Reciprocal Reporting of Offenses Committed by Students*, below.
    c. Based upon locally-based LLEA outcomes, the LLEA has identified these additional needs:

F. Annual Evaluation of MOU; Renewal; Termination

The parties will periodically review the MOU for relevancy, monitor its terms for effectiveness, and consider whether any modifications are required. This review may align with the School Board's annual policy review and monitoring calendar. The MOU will remain in effect and automatically renew from year to year unless terminated. Any party may terminate its participation in this MOU upon thirty (30) days prior written notice to the other(s).

G. Record Sharing

Both parties recognize the privacy protections of federal and State law in the disclosure of student records. When sharing information, State and federal laws regarding *school student records* apply. See the Family Educational Rights and Privacy Act (20 U.S.C. §1232g; 34 C.F.R. Part 99) and the Illinois School Student Records Act (105 ILCS 10/; 23 Ill.Admin.Code Part 375). The applicable federal and/or State law shall control, and the District may refuse disclosure requests by LLEA without a warrant or subpoena/court order. The SRO and LLEA's officers shall at all times recognize and comply with the confidentiality of student and education records and may only seek such records in accordance with the requirements of the District's Policy 7:340, *Student Records*.

School student records may only be released to the LLEA by the Building Principal. Information kept by law enforcement professionals working in a school is not considered a *school student record*. See 105 ILCS 10/2. Information derived from reports of law enforcement to principals regarding students detained for proceedings are not considered a *school student record*. 105 ILCS 5/22-20. The *school student records* definition and 7:340-AP1, *School Student Records* are incorporated into this agreement.

Within its standard operating procedures, the LLEA will include training for its officers about these laws, along with information about how to access the District's policies and procedures for school

student records. For general guidance both parties will refer to *Answers to FAQs Responding to a Subpoena* (Illinois Council of School Attorneys, Revised October 2021) at:

www.iasb.com/IASB/media/School-Law/FAQ_Responding_to_Subpoena.pdf.

H. Reciprocal Reporting of Offenses Committed by Students

As outlined in Section E.2.b., above, the District and LLEA's officers shall at all times recognize and comply with (a) the School Code requirements for a reciprocal reporting system regarding criminal and civil offenses committed by students (105 ILCS 5/10-20.14(b)), and (b) the Juvenile Court Act of 1987 and the School Code's requirements for the management and sharing of law enforcement records and other information about students who have contact with LLEA.

The District's administrative procedure 7:190-AP3, *Guidelines for Reciprocal Reporting of Offenses Committed by Students* is incorporated into this MOU.

Nothing in this MOU is intended to impose upon any party a duty to report information to any other party that is not otherwise required by law. This MOU shall not be interpreted as making an obligation of a party mandatory that is otherwise discretionary under the law or vice versa. No party to this MOU waives any defenses or immunities it otherwise has under the law, including without limitation any immunities under the Sections 2-204 or 2-205 of the Local Governmental and Governmental Employees Tort Immunity Act or the State Employee Indemnification Act. 5 ILCS 350/.

I. Live Feeds

The District will provide access to its live feeds to one or more of its buildings in the event of a health or safety emergency. Access is strictly to allow LLEA tactical forces to become familiar with current conditions that underlie the health or safety emergency in the District's building(s).

J. Cell Phone/Electronic Device Searches

The established procedures between the parties for searching cell phones/electronic devices must be followed. Both parties agree that cell phone/electronic device searches involve Fourth Amendment search and seizure issues and the federal Stored Communication Act (SCA) (18 U.S.C. §2701) issues. Generally asking for permission, calling the parents to come and search the phone, or getting a warrant solves this issue. Investigations of sexting allegations shall follow administrative procedure, 7:190-AP6, *Guidelines for Investigating Sexting Allegations*, which is incorporated into this agreement.

K. Agency and Police Interviews

Board Policy 7:150, *Agency and Law Enforcement Requests*, and administrative procedure 7:150-AP, *Managing Agency and Law Enforcement Requests*, are incorporated into this MOU and must be followed at all times.

Within its standard operating procedures, LLEA will include training for its officers about this policy and procedure, along with information about how to access the District's policies and procedures.

Before a student under 18 years of age who is suspected of committing a criminal act is detained and questioned on school grounds, a law enforcement officer, school resource officer, or other school security personnel will (a) notify or attempt to notify the student's parent/guardian, (b) document the time and manner of the notification or attempted notification, (c) make reasonable efforts to ensure the student's parent/guardian is present during questioning or, if not present, ensure that school personnel (including, but not limited to, a school social worker, school psychologist, school nurse, school counselor, or any other mental health professional) are present during the questioning, and (d) if practicable, make reasonable efforts to ensure a law enforcement

officer trained in promoting safe interactions and communications with youth is present during questioning.

L. Body-Worn Cameras (BWCs)

All parties agree that any use of BWCs by officers must be subject to and in compliance with federal, state, and local regulations regarding the use and operation of them. The LLEA shall notify the District at least two weeks before its officers assigned to the District are to begin use of BWCs, and it will provide written information and training to the Building Principals and assistant principals of the schools in which the officers may enter. Training shall include the objectives and procedures for the use of BWCs in public and in schools. Every officer equipped with a BWC shall be trained in the operation of the equipment prior to its use. To maximize the effectiveness of the BWC and the integrity of the video documentation, officers shall adhere to the objectives and procedures outlined in this MOU and the LLEA's General Operations Orders or similar policies when they utilize BWCs. LLEA shall, if not otherwise prohibited by law, provide to the District copies of any such filming of students, parents, employees, or others upon school property, upon request for such copies by the District, as a law enforcement record. In the event that the LLEA receives advice that providing a copy of such videos is prohibited, the LLEA agrees to facilitate the availability of its officer(s) that made the video to testify, upon request by the District, in any school disciplinary hearing concerning his/her/their knowledge of the facts and circumstances of the videoed incident. Any such film or video taken by and kept in the possession of LLEA's officers may be considered *law enforcement records* under the Family Educational Rights and Privacy Act (FERPA) (20 U.S.C. §1232g and 34 C.F.R. §99.8) and Ill. School Student Records Act (ISSRA) (105 ILCS 10/2(d)). Any copy of such film or video, if permitted by law to be provided to the District, may become an *educational record* of the District. The LLEA's officers shall at all times recognize and comply with the confidentiality of student and education records and may only seek such records in accordance with the requirements of Board Policy 7:340, *Student Records*, which is incorporated into the terms of this MOU.

M. General Provisions

1. Scope of Agreement

Nothing in this MOU is intended to impose upon any party a duty to report information to any other party that is not otherwise required by law. This MOU shall not be interpreted as making an obligation of a party mandatory that is otherwise discretionary under the law or vice versa. No party to this MOU waives any defenses or immunities it otherwise has under the law, including without limitation any immunities under Sections 2-204 and/or 2-205 of the Local Governmental and Governmental Employees Tort Immunity Act or the State Employee Indemnification Act. 5 ILCS 350/.

E. Funding; Payment for SROs; Chain of Command

1. **Funding.** Members of the Leadership Team (Team) will negotiate the terms for funding including any grant funding that is available. Any terms tied to grant funding, such as data collection include:

2. **Payment for SROs.** The Team has agreed that the District shall compensate LLEA for the SROs in 10 equal installments commencing on August 15th of each fiscal year in the following amounts:

3. **Chain of Command.** The Team shall develop a local, District-specific chain of command for the placement of SROs in school buildings. Each District administrator responsible for supervising and evaluating the SRO in his/her/their assigned building(s) shall be included in an individual SRO's District-specific chain of command.

F. Data Collection; Review & Evaluation of SRO Program

1. **Data Collection.** The Team will outline a process for collecting data in accordance with 105 ILCS 5/2-3.206 on the number of students who are referred to a law enforcement agency or official and the number of instances of referrals to law enforcement that such students received. This District will annually report this data to the Ill. State Board of Education, disaggregated by race and ethnicity, sex, grade level, whether a student is an English learner, and disability.

Referral to law enforcement means an action by which a student is reported to a law enforcement agency or official, including a school police unit, for an incident that occurred on school grounds, during school-related events or activities (whether in-person or virtual), or while taking school transportation, regardless of whether official action is taken. *Referral to law enforcement* includes citations, tickets, court referrals, and school-related arrests.

2. **Review & Evaluation of SRO Program.** The Team will determine and implement a process for the regular review and evaluation of the SRO Program, which shall include community and stakeholder input.

G. Ongoing Training of SROs

Both parties agree that training is critical to the success of this partnership. The LLEA's assigned SROs (as defined in Section H below) will receive minimum in-service training and certification requirements as would normally apply to all other certified officers of LLEA through LLEA and/or local State's attorney offices. In addition, an ongoing District training calendar shall be developed for assigned SROs and District officials.

Trainings will consist of updates from the District's School Board Attorney on current laws and difficult issues such as search and seizure, questioning, and requests for student records. In addition, trainings will delineate legal authority for when assigned SROs will be acting at the direction of a District official (reasonableness) or at the direction of LLEA (probable cause).

Other LLEA employees that are not SROs but have frequent contact with District buildings will be encouraged to attend any of these trainings.

All trainings, when possible, must occur during school breaks or at times that would least impact the District and should include: (1) emerging education issues, (2) state law training requirements, (3) mental health awareness training, (4) restorative justice (if applicable), and (5) record sharing.

H. SRO Selection Process; Qualifications & Certification

1. **Selection Process.** The Team shall develop formal screening criteria based upon the following *Office of Community Oriented Policing Services (COPS)* characteristics: (1) likes kids – wants to, and is able to, work with kids; (2) has the right demeanor and people skills, including being calm, patient, approachable, and "able to put up gracefully with guff from kids;" (3) has experience as a patrol officer or road deputy; (4) has above-average integrity; (5) demonstrated willingness to work hard, be dependable and on time, be self-directed, and has the ability to teach. Other formal screening criteria shall include:

In addition, the Team shall designate the appropriate school officials in buildings to be assigned an SRO to provide input to LLEA on SRO applicants for open SRO positions, such as reviewing applications and memoranda of interest provided by candidates, sitting in on interviews of candidates and/or rating of applicants.

2. **SRO Qualifications & Certification.** The LLEA must ensure that the SRO has either of the following qualifications issued by the Ill. Law Enforcement Training Standards Board under Section 10.22 of the Ill. Police Training Act (50 ILCS 705/10.22): (1) a certificate of completion for the required course of instruction or (2) an approved waiver (prior experience and training only). Such training must include specific training on working with students with disabilities to ensure appropriate and effective interactions that support their educational and behavioral needs. The certificate of completion or waiver of it must be obtained within one year of assignment to the District. The SRO must possess, at minimum, 48 hours of National Association of School Resource Officer (NASRO) training, along with the following other qualifications:

I. SRO Employer; Assignments; Mentoring & Outreach; Supervision; Performance Evaluations; Conflict Resolution; Termination/Replacement; Extra Duties/Projects

3. **Employer.** SROs are employed by LLEA. The District does not employ any SROs that are assigned in any of its buildings. The District is not considered a joint employer of SROs for purposes of the Fair Labor Standards Act (FLSA). The SRO remains covered by the LLEA's insurance and continues to enjoy the immunities specific to his or her employment with LLEA. Section D, *District Authority Over the Educational Environment*, above shall apply to the District's specific responsibilities for supervision and performance evaluations of assigned SROs while in District school buildings as their duties pertain to fulfilling the identified needs and goals of a District building.

4. **Assignments.** For purposes of this section, SRO means a sworn police officer of LLEA who has been assigned to a District building pursuant to this MOU. SROs shall be assigned to District buildings by the LLEA with input from the MOU Leadership Team. Staffing issues at LLEA may take precedence to the assignment of an SRO to the District.

    a. **SRO Work Hours, Uniform, and Visibility on Campus.** The SRO shall remain on school grounds during normal school hours, except when necessary to attend a law enforcement emergency, to attend any meetings or trainings described in this MOU, or on limited occasions to attend to official law enforcement business off campus. With the exception of emergency situations out of the SRO's control, the SRO shall give the SRO Supervisor and Building Principal(s) reasonable advanced notice of any times when the SRO is not expected to be on campus during normal school hours, and LLEA may provide a replacement SRO to the extent possible.

The SRO shall wear the official law enforcement uniform or other apparel issued by the LLEA at all times while serving on District property. The SRO shall make best efforts to maintain high visibility at all times when practical and safe to do so, especially in areas where incidents of crime or violence are most likely to occur.

The SRO shall, whenever possible and in accordance with guidance from the Building Principal or designee, participate in or attend school functions during the SRO's regular duty hours in order to assure the peaceful operation of school-related programs.

b. **Student Search Assistance.** When requested, assistance with conducting inspections and searches of lockers, desks, parking lots, and other school property and equipment owned or controlled by the District for illegal drugs, weapons, or other illegal or dangerous substances or materials, including searches conducted through the use of specially trained dogs. If a search produces evidence that the student has violated or is violating the law, local ordinance, or the District's policies or rules, such evidence may be seized by school authorities and/or turned over to law enforcement authorities, and disciplinary action may be taken. 105 ILCS 5/10-22.6 and 10-22.10a.

c. **Prohibition on Issuing Tickets or Citations.** In accordance with 105 ILCS 5/10-22.6(i), the SRO is prohibited from issuing municipal code tickets or citations to students for incidents occurring: (1) on school property during school hours; or (2) during school-related transportation. 105 ILCS 5/10-20.68(a-5)(3).

d. **Administrative Hearings.** Contingent upon pre-approval by the LLEA, the SROs will attend suspension review and/or expulsion hearings upon the request of school officials or the Superintendent. The SRO will be prepared to provide testimony on any actions that were taken by the SRO and any personally observed conduct witnessed by the SRO.

e. **Goal Setting for Services in District.**

5. **Mentoring & Outreach.** The SRO shall conduct himself or herself as a role model at all times and in all facets of the job; shall seek to establish a strong rapport with staff, faculty, students, parents, and other members of the school community; and shall encourage students to develop positive attitudes toward the school, education, law enforcement officers, and good citizenship in general.
6. **Supervision.** With input from the LLEA and/or the MOU Team, the District will assign school officials to supervise SROs in District buildings based upon the individual SRO's needs, School Board policies, available local resources, specific school building needs, and geographical realities. Both parties expect excellence from SROs and commit to frequent communication between supervising school officials and the SROs assigned to their buildings. The SRO and his or her supervising District official shall meet both formally and informally on a regular basis to discuss issues, duties, and responsibilities.
7. **Performance Evaluations.** An instrument for SRO performance evaluations in the school setting shall be agreed upon by the assigned SRO and the District's official supervising the SRO. Both parties recognize that a performance evaluation instrument for an SRO should incorporate data results from the District's school climate assessments, if available.
8. **Conflict Resolution.** If the District's expectation of excellence is not being met by an SRO, the supervising District official will report unresolved concerns to the SRO's direct law enforcement supervisor at LLEA sooner rather than later. Addressing issues promptly helps

increase understanding and minimize potential negative impact on the school environment. If that method of communication does not solve the conflict, the Team has agreed to the following formal conflict resolution process between the District and LLEA:

9. **Termination/Replacement of SROs.** When paragraph 6, *Conflict Resolution*, above, has not been successful, the District may request that the SRO be removed from his or her assignment and replaced with another SRO from LLEA. If a replacement is not immediately available, the District reserves the right to terminate the SRO's assignment in a specific building until a replacement is available.
10. **Extra Duties/Projects.** The Team has negotiated the below terms for special projects and/or extra duties:

In such cases, the notice and conference shall follow as soon as practicable.
3. An attempted phone call to the student's parent(s)/guardian(s).

Conduct Code for Participants in Extracurricular Activities

The Superintendent or designee, using input from coaches and sponsors of extracurricular activities, shall develop a conduct code for all participants in extracurricular activities consistent with School Board policy. The conduct code shall: (1) require participants in extracurricular activities to conduct themselves as good citizens and exemplars of their school at all times, including after school, on days when school is not in session, and whether on or off school property; (2) emphasize that hazing and bullying activities are strictly prohibited; and (3) notify participants that failure to abide by it could result in discipline, up to and including removal from the activity. Participants who violate the conduct code will be allowed to give an explanation before being progressively disciplined. The conduct code shall be reviewed by the Building Principal periodically at his or her discretion and presented to the Board.

Participants in extracurricular activities must abide by the conduct code for the activity and Board policy 7:190, *Student Behavior*. All coaches and sponsors of extracurricular activities shall annually review the conduct code with participants and provide participants with a copy. Each student and his or her parents/guardians must consent to having the student submit to random drug and alcohol testing in order to participate in any extracurricular activity. Failure to sign the District's *Consent to Participate in Extracurricular Drug and Alcohol Testing Program* form will result in non-participation.

If a test is *positive*, the student will not participate in extracurricular activities per the Extra-Curricular and Athletic Activities Code of Conduct.

The Superintendent or designee shall develop procedures to implement this policy. No student shall be expelled or suspended from school as a result of any verified positive test conducted under this program other than when independent reasonable suspicion of drug and/or alcohol usage exists. This program does not affect the District policies, practices, or rights to search or test any student who at the time exhibits cause for reasonable suspicion of drug and/or alcohol use.

Performance Enhancing Drug Testing of High School Student Athletes

The Illinois High School Association (IHSA) prohibits participants in an athletic activity sponsored or sanctioned by IHSA from ingesting or otherwise using any performance enhancing substance on its banned substance list, without a written prescription and medical documentation provided by a licensed physician who evaluated the student-athlete for a legitimate medical condition. IHSA administers a performance-enhancing substance testing program. Under this program, student athletes are subject to random drug testing for the presence in their bodies of performance-enhancing substances on the IHSA's banned substance list. In addition to being penalized by IHSA, a student may be disciplined according to Board policy 7:190, *Student Behavior*.

Exemption from Physical Education

In order to be excused from participation in physical education, a student must present an appropriate excuse from his or her parent/guardian or from a person licensed under the Medical Practice Act. The excuse may be based on medical or religious prohibitions. An excuse because of medical reasons must include a signed statement from a person licensed under the Medical Practice Act that corroborates the medical reason for the request. An excuse based on religious reasons must include a signed statement from a member of the clergy that corroborates the religious reason for the request. Upon written notice from a student's parent/guardian, a student will be excused from engaging in the physical activity components of physical education during a period of religious fasting.

Special activities in physical education will be provided for a student whose physical or emotional condition, as determined by a person licensed under the Medical Practice Act, prevents his or her participation in the physical education course.

State law prohibits the Board from honoring parental excuses based upon a student's participation in athletic training, activities, or competitions conducted outside the auspices of the School District.

A student who is eligible for special education may be excused from physical education courses in either of the following situations:

He or she (a) is in grades 3-12, (b) his or her Individualized Educational Program/Plan (IEP) requires that special education support and services be provided during physical education time, and (c) the parent/guardian agrees or the IEP team makes the determination; or

He or she (a) has an IEP, (b) is participating in an adaptive athletic program outside of the school setting, and (c) the parent/guardian documents the student's participation as required by the Superintendent or designee.

A student requiring adapted physical education must receive that service in accordance with his or her IEP.

A student in grades 9-12, unless otherwise stated, may submit a written request to the Building Principal to be excused from physical education courses for the reasons stated in Board policy 6:310, *High School Credit for Non-District Experiences; Course Substitutions; Re-Entering Students*.

Students in grades 7 and 8 may submit a written request to the Building Principal to be excused from physical education courses because of his or her ongoing participation in an interscholastic or extracurricular athletic program. The Building Principal will evaluate requests on a case-by-case basis.

The Superintendent or designee shall maintain records showing that the criteria set forth in this Board policy were applied to the student's individual circumstances, as appropriate.

Students who have been excused from physical education shall return to the course as soon as practical. The following considerations will be used to determine when a student shall return to a physical education course:

The time of year when the student's participation ceases;

The student's class schedule; and

The student's future or planned additional participation in activities qualifying for substitutions for physical education as outlined in Board policy 6:310, *High School Credit for Non-District Experiences; Course Substitutions; Re-Entering Students*.

Administering Medicines to Students

Students should not take medication during school hours or during school-related activities unless it is necessary for a student's health and well-being. When a student's licensed health care provider and parent/guardian believe that it is necessary for the student to take a medication during school hours or school-related activities, the parent/guardian must request that the school dispense the medication to the child and otherwise follow the District's procedures on dispensing medication.

No School District employee shall administer to any student, or supervise a student's self-administration of, any prescription or non-prescription medication until a completed and signed *School Medication Authorization Form (SMA Form)* is submitted by the student's parent/guardian.

No student shall possess or consume any prescription or non-prescription medication on school grounds or at a school-related function other than as provided for in this policy and its implementing procedures.

Nothing in this policy shall prohibit any school employee from providing emergency assistance to students, including administering medication.

The Building Principal shall include this policy in the Student Handbook and shall provide a copy to the parents/guardians of students.

Self-Administration of Medication

A student may possess and self-administer an epinephrine injector, e.g., EpiPen®, and/or asthma medication prescribed for use at the student's discretion, provided the student's parent/guardian has completed and signed an *SMA Form*. The Superintendent or designee will ensure an Emergency Action Plan is developed for each self-administering student.

A student may self-administer medication required under a *qualifying plan*, provided the student's parent/guardian has completed and signed an *SMA Form*. A qualifying plan means: (1) an asthma action plan, (2) an Individual Health Care Action Plan, (3) an allergy emergency action plan, (4) a plan pursuant to Section 504 of the federal Rehabilitation Act of 1973, or (5) a plan pursuant to the federal Individuals with Disabilities Education Act. A student may also possess the supplies and equipment necessary to monitor and treat diabetes in accordance with the student's diabetes care plan and/or the supplies, equipment, and medication necessary to treat epilepsy in accordance with the student's seizure action plan.

The District shall incur no liability, except for willful and wanton conduct, as a result of any injury arising from a student's self-administration of medication, including asthma medication or epinephrine injectors, or medication required under a qualifying plan. A student's parent/guardian must indemnify and hold harmless the District and its employees and agents, against any claims, except a claim based on willful and wanton conduct, arising out of a student's self-administration of an epinephrine injector, asthma medication, and/or a medication required under a qualifying plan.

School District Supply of Undesignated Asthma Medication

The Superintendent or designee shall implement 105 ILCS 5/22-30(f) and maintain a supply of undesignated asthma medication in the name of the District and provide or administer them as necessary according to State law. *Undesignated asthma medication* means an asthma medication prescribed in the name of the District or one of its schools. A school nurse or trained personnel, as defined in State law, may administer an undesignated asthma medication to a person when they, in good faith, believe a person is having *respiratory distress*. Respiratory distress may be characterized as *mild-to-moderate* or *severe*. Each building administrator and/or his or her corresponding school nurse shall maintain the names of trained personnel who have received a statement of certification pursuant to State law.

School District Supply of Undesignated Epinephrine Injectors

The Superintendent or designee shall implement 105 ILCS 5/22-30(f) and maintain a supply of undesignated epinephrine injectors in the name of the District and provide or administer them as necessary according to State law. *Undesignated epinephrine injector* means an epinephrine injector prescribed in the name of the District or one of its schools. A school nurse or trained personnel, as defined in State law, may administer an undesignated epinephrine injector to a person when they, in good faith, believe a person is having an anaphylactic reaction. Each building administrator and/or his or her corresponding school nurse shall maintain the names of trained personnel who have received a statement of certification pursuant to State law.

School District Supply of Undesignated Opioid Antagonists

The Superintendent or designee shall implement 105 ILCS 5/22-30(f) and maintain a supply of undesignated opioid antagonists and provide or administer them as necessary according to State law. *Opioid antagonist* means a drug that binds to opioid receptors and blocks or inhibits the effect of opioids acting on those receptors, including, but not limited to, naloxone hydrochloride or any other similarly acting drug approved by the U.S. Food and Drug Administration. *Undesignated opioid antagonist* is not defined by the School Code; for purposes of this policy it means an opioid antagonist prescribed in the name of the District or one of its schools or obtained by the District without a prescription. A school nurse or trained personnel, as defined in State law, may administer an undesignated opioid antagonist to a person when they, in good faith, believe a person is having an opioid overdose. Each building administrator and/or his or her corresponding school nurse shall maintain the names of trained personnel who have received a statement of certification pursuant to State law. See the website for the Ill. Dept. of Human Services for information about opioid prevention, abuse, public awareness, and a toll-free number to provide information and referral services for persons with questions concerning substance abuse treatment.

School District Supply of Undesignated Oxygen Tanks

In schools where the District maintains special educational facilities, the Superintendent or designee shall implement 105 ILCS 5/22-30(f) and maintain a supply of undesignated oxygen tanks in the name of the District and provide or administer them as necessary. The supply shall be maintained in accordance with manufacturer instructions and local fire department rules.

School District Supply of Undesignated Glucagon

The Superintendent or designee shall implement 105 ILCS 145/27 and maintain a supply of undesignated glucagon in the name of the District in accordance with manufacturer's instructions.

When a student's prescribed glucagon is not available or has expired, a school nurse or delegated care aide may administer undesignated glucagon only if he or she is authorized to do so by a student's diabetes care plan.

Administration of Medical Cannabis

The Compassionate Use of Medical Cannabis Program Act allows a *medical cannabis infused product* to be administered to a student by one or more of the following individuals:

1. A parent/guardian of a student who is a minor who registers with the Ill. Dept. of Public Health (IDPH) as a designated caregiver to administer medical cannabis to their child. A designated caregiver may also be another individual other than the student's parent/guardian. Any designated caregiver must be at least 21 years old and is allowed to administer a medical cannabis infused product to a child who is a student on the premises of his or her school or on his or her school bus if:
    a. Both the student and the designated caregiver possess valid registry identification cards issued by IDPH;
    b. Copies of the registry identification cards are provided to the District;

c. That student's parent/guardian completed, signed, and submitted a School Medication Authorization Form - Medical Cannabis; and
d. After administering the product to the student, the designated caregiver immediately removes it from school premises or the school bus.

2. A properly trained school nurse or administrator, who shall be allowed to administer the medical cannabis infused product to the student on the premises of the child's school, at a school-sponsored activity, or before/after normal school activities, including while the student is in before-school or after-school care on school-operated property or while being transported on a school bus.
3. The student him or herself when the self-administration takes place under the direct supervision of a school nurse or administrator.

Medical cannabis infused product (product) includes oils, ointments, foods, and other products that contain usable cannabis but are not smoked or vaped. Smoking and/or vaping medical cannabis is prohibited.

The product may not be administered in a manner that, in the opinion of the District or school, would create a disruption to the educational environment or cause exposure of the product to other students. A school employee shall not be required to administer the product.

Discipline of a student for being administered a product by a designated caregiver, or by a school nurse or administrator, or who self-administers a product under the direct supervision of a school nurse or administrator pursuant to this policy is prohibited. The District may not deny a student attendance at a school solely because he or she requires administration of the product during school hours.

Void Policy

The **School District Supply of Undesignated Asthma Medication** section of the policy is void whenever the Superintendent or designee is, for whatever reason, unable to: (1) obtain for the District a prescription for undesignated asthma medication from a physician or advanced practice nurse licensed to practice medicine in all its branches, or (2) fill the District's prescription for undesignated school asthma medication.

The **School District Supply of Undesignated Epinephrine Injectors** section of the policy is void whenever the Superintendent or designee is, for whatever reason, unable to: (1) obtain for the District a prescription for undesignated epinephrine injectors from a physician or advanced practice nurse licensed to practice medicine in all its branches, or (2) fill the District's prescription for undesignated school epinephrine injectors.

The **School District Supply of Undesignated Opioid Antagonists** section of the policy is void whenever the Superintendent or designee is unable to obtain a supply of opioid antagonists due to a shortage, in which case the District shall make reasonable efforts to maintain a supply.

The **School District Supply of Undesignated Oxygen Tanks** section of the policy is void whenever the Superintendent or designee is, for whatever reason, unable to: (1) obtain for the District a prescription for oxygen tanks from a qualifying prescriber, or (2) fill the District's prescription for undesignated oxygen tanks.

The **Administration of Medical Cannabis** section of the policy is void and the District reserves the right not to implement it if the District or school is in danger of losing federal funding.

Administration of Undesignated Medication

Upon any administration of an undesignated medication permitted by State law, the Superintendent or designee(s) must ensure all notifications required by State law and administrative procedures occur.

Undesignated Medication Disclaimers

Upon implementation of this policy, the protections from liability and hold harmless provisions applicable under State law apply.

No one, including without limitation, parents/guardians of students, should rely on the District for the availability of undesignated medication. Exhibit - Placement of Students with AIDS

The following are excerpts from, "Placement of School Children with Acquired Immune Deficiency Syndrome (AIDS)," U.S. Department of Education, Office for Civil Rights, www.ed.gov/offices/ocr.

OCR Policy on the School Placement of Children with AIDS

Children with AIDS are handicapped persons. Section 504 prohibits discrimination against persons with handicaps in federally assisted programs such as elementary and secondary schools. ***

Where Should Children with AIDS Be Educated

Most children with AIDS can attend school in the regular classroom without restrictions. There has been no medical evidence disclosed to show that AIDS is contagious in the school setting. According to the latest medical information, there have been no reported cases of the transmission of the AIDS virus in schools. The Surgeon General and other health authorities, such as the Centers for Disease Control and the American Medical Association, have reinforced this position stating that there is no significant risk of contracting AIDS in the classroom.

If a parent or school official believes that a child with AIDS needs related services or placement outside the regular classroom, Section 504 requires an evaluation and placement process to determine the appropriate educational setting for a child with AIDS. However, a full educational evaluation is not required when neither the school officials nor parents believe that a child is in need of special education or related services.

If an evaluation is necessary, Section 504 requires the following procedures. Placement determinations are to be made by a group of persons, including persons knowledgeable about the child, the meaning of the evaluation data, and the placement options available. The group may include the child's physician, public health personnel, the child's parent or guardian, and personnel familiar with all possible educational services. The group would draw upon information from a variety of sources, such as tests, teacher recommendations, and assessments of the child's physical condition.

In making placement decisions, the information needed by the placement team varies with the handicapping condition. In the case of children with AIDS, the placement group must have the benefit of the latest reliable public health information with regard to the risks that the disease entails. This information would be considered along with information on the child's medical condition, behavior, and so forth. In each case, risks and benefits to both the infected child and others in the setting should be weighed.

A Child with AIDS Has a Right to Section 504 Procedural Safeguards

Section 504 requires elementary and secondary school districts to provide a free appropriate public education for handicapped students that includes evaluation and placement procedures, and a system of procedural safeguards that includes notice to parents or guardians of their rights under the law, an opportunity for the child's parents or guardians to examine relevant records, an impartial hearing with an opportunity for participation by the parents or guardians and representation by counsel, and a review procedure.

A Child with AIDS Has a Right to Confidentiality

Under Section 504, singling out children handicapped with AIDS for treatment that differs from that provided to nonhandicapped children or children with other handicaps with respect to confidentiality would constitute different treatment on the basis of handicap, and would be a violation of the regulation.

This provision would not affect State and local public health rules regarding the duty of school districts to report specified diseases to public health departments. However, when reporting any cases of AIDS to public health authorities, school districts should convey such information in a manner that respects

the privacy of the individual and the confidential nature of the information, in the same way that information about other diseases is treated.***

Exhibit - Reporting and Exclusion Requirements for Common Communicable Diseases

The following chart contains requirements from rules adopted by the Ill. Dept. of Public Health (IDPH). They provide routine measures for the control of communicable diseases by establishing progressive initiatives for implementing disease-reporting and exclusions measures. School personnel must notify the local health authority if they have knowledge of a known or suspected case or carrier of communicable disease, and such reports must be kept confidential. 77 Ill.Admin.Code §690.200.

Diseases and Conditions, 77 Ill.Admin.Code §690.100

The following are declared to be contagious, infectious, or communicable and may be dangerous to the public health. The Section number associated with the listed diseases or conditions indicates the Section of the rules explaining the notifiable disease or condition. Diseases and conditions are listed alphabetically by class. Every class has a different timeframe for mandatory reporting to IDPH.

Standard precautions refers to infection prevention and control measures for healthcare settings that apply to all patients regardless of diagnosis or presumed infection status. 77 Ill.Admin.Code §690.10.

Contact precautions refers to infection control measures for healthcare settings designed to reduce the risk of transmission of infectious agents that can be spread through direct contact with the suspected or known case or indirect contact with potentially infectious items or surfaces. 77 Ill.Admin.Code §690.10.

Droplet precautions refers to infection prevention and control measures for healthcare settings designed to reduce the risk of transmission of infectious agents via large particle droplets that do not remain suspended in the air and are usually generated by coughing, sneezing, or talking. 77 Ill.Admin.Code §690.10.

Case refers to any living or deceased person having a recent illness due to a notifiable condition. 77 Ill.Admin.Code §690.10.

Anaphylaxis Prevention, Response, and Management Program

School attendance may increase a student's risk of exposure to allergens that could trigger anaphylaxis. Students at risk for anaphylaxis benefit from a School Board policy that coordinates a planned response in the event of an anaphylactic emergency. Anaphylaxis is a severe systemic allergic reaction from exposure to allergens that is rapid in onset and can cause death. Common allergens include animal dander, fish, latex, milk, shellfish, tree nuts, eggs, insect venom, medications, peanuts, soy, and wheat. A severe allergic reaction usually occurs quickly; death has been reported to occur within minutes. An anaphylactic reaction can also occur up to one to two hours after exposure to the allergen.

While it is not possible for the District to completely eliminate the risks of an anaphylactic emergency when a student is at school, an Anaphylaxis Prevention, Response, and Management Program using a cooperative effort among students' families, staff members, students, health care providers, emergency medical services, and the community helps the District reduce these risks and provide accommodations and proper treatment for anaphylactic reactions.

The Superintendent or designee shall develop and implement an Anaphylaxis Prevention, Response, and Management Program for the prevention and treatment of anaphylaxis that:

1. Fully implements the Ill. State Board of Education (ISBE)'s model policy required by the School Code that: (a) relates to the care and response to a person having an anaphylaxis reaction, (b) addresses the use of epinephrine in a school setting, (c) provides a full food allergy and prevention of allergen exposure plan, and (d) aligns with 105 ILCS 5/22-30 and 23 Ill.Admin.Code §1.540.
2. Ensures staff members receive appropriate training, including: (a) an in-service training program for staff who work with students that is conducted by a person with expertise in anaphylactic reactions and management, and (b) training required by law for those staff members acting as *trained personnel*, as provided in 105 ILCS 5/22-30 and 23 Ill.Admin.Code §1.540.
3. Implements and maintains a supply of undesignated epinephrine in the name of the District, in accordance with policy 7:270, *Administering Medicines to Students.*
4. Follows and references the applicable best practices specific to the District's needs in the Centers for Disease Control and Prevention's *Voluntary Guidelines for Managing Food Allergies in Schools and Early Care and Education Programs* and the *National Association of School Nurses Allergies and Anaphylaxis Resources/Checklists*.
5. Provides annual notice to the parents/guardians of all students to make them aware of this policy.
6. Complies with State and federal law and is in alignment with Board policies.

Monitoring

Pursuant to State law and policy 2:240, *Board Policy Development*, the Board reviews and makes any necessary updates to this policy at least once every three years. The Superintendent or designee shall assist the Board with its review and any necessary updates.

f. 7:50, *School Admissions and Student Transfers To and From Non-District Schools*, implementing State law requirements related to students who are in foster care;
g. 7:250, *Student Support Services*, implementing the Children's Mental Health Act, 405 ILCS 49/ (requiring protocols for responding to students with social, emotional, or mental health issues that impact learning ability); and
h. State and/or federal resources that address emotional or mental health safety plans for students who are possibly at an increased risk for suicide, if available on the ISBE's website pursuant to *Ann Marie's Law*.

4. Methods of responding to a student or staff suicide or suicide attempt. Implementation of this requirement shall incorporate building-level Student Support Committee(s) established through Board policy 7:250, *Student Support Services*.

Student Use of Buildings - Equal Access

For purposes of this Board policy, the District has established a *limited open forum* for high school students enrolled in the District. Each District high school shall offer an opportunity for student-led *noncurriculum related student groups* to meet on school premises during *noninstructional time*. Noncurriculum related student groups are those student groups, clubs, or organizations that do not directly relate to the curriculum. For purposes of this Board policy, a *non-school sponsored* noncurriculum related student group is a noncurriculum related student group that is student led.

A student group or club is *school sponsored* if the District approves the student group or club to have a paid adult sponsor to promote, participate, and/or lead its activities. However, assigning a teacher, administrator, or other school employee to supervise a meeting for custodial purposes, allowing groups to promote meetings, and providing access to resources as determined by the District do not constitute sponsorship of the student group or club, nor does it constitute the District's endorsement or agreement with the activity or the speech of the students who participate in the activity.

Extracurricular and co-curricular student groups or clubs that are school sponsored are governed by Board policy 6:190, *Extracurricular and Co-Curricular Activities*.

Student groups or clubs directed and controlled by non-school persons are governed by Board policy 8:20, *Community Use of School Facilities*.

Student-led noncurriculum related student groups or clubs that are not school sponsored are granted free use of school premises and/or access to school resources for a meeting or series of meetings under the following conditions:

1. The meeting is held during those noninstructional times identified by the Superintendent or designee for noncurriculum related student groups, clubs, or organizations to meet. *Noninstructional time* means time set aside by the school before actual classroom instruction begins or after actual classroom instruction ends.
2. All noncurriculum related student groups that are not school sponsored receive substantially the same treatment.
3. The student group or club and the meeting are student-initiated, meaning that the request is made by a student, and the group or club is led by a student.
4. Student attendance at the meeting is voluntary.
5. The school and school employees will not promote, lead, participate in, or otherwise sponsor the meeting.
6. School employees are present at religious meetings only in a nonparticipatory capacity.
7. The meeting and/or any activities engaged in by the student group or club do not materially or substantially interfere with the orderly conduct of educational activities.
8. Non-school persons do not direct, conduct, control, or regularly attend the meetings.
9. The school retains its authority to maintain order and discipline.
10. A school staff member is present in a supervisory capacity.
11. The Superintendent or designee approves the use of school premises and/or access to school resources for a meeting or series of meetings.
12. The school requires neutral content generally limited to club/group name, meeting time(s), and location(s) as well as the approval of the Building Principal or designee for all advertisements, wall postings, or flyers.

The Superintendent or designee shall develop administrative procedures to implement this policy.

9. The Equal Access Act, 20 U.S.C. §4071 et seq., controls the free use of school premises by non-school-sponsored noncurriculum related student groups.
10. The use of school facilities by student groups or clubs directed and controlled by non-school persons is governed by Board policy 8:20, *Community Use of School Facilities*. Do not use this form to request meeting space for those groups or clubs.
11. The school retains the right to suspend the student group's or club's approval status and/or use of school premises or resources at any time for violations of these rules.

I agree to follow the rules stated in this application and all Board policies and administrative procedures related to the student group's use of the school's facilities.

Student Records

School student records are confidential. Information from them shall not be released other than as provided by law. A school student record is any writing or other recorded information concerning a student and by which a student may be identified individually that is maintained by a school or at its direction by a school employee, regardless of how or where the information is stored, except as provided in State or federal law as summarized below:

13. Records kept in a staff member's sole possession.
14. Records maintained by law enforcement professionals working in the school.
15. Video and other electronic recordings (including without limitation, electronic recordings made on school buses) that are created in part for law enforcement, security, or safety reasons or purposes. The content of these recordings may become part of a school student record to the extent school officials create, use, and maintain this content, or it becomes available to them by law enforcement professionals, for disciplinary or special education purposes regarding a particular student.
16. Any information, either written or oral, received from law enforcement officials concerning a student less than the age of 18 years who has been arrested or taken into custody.

State and federal law grants students, parents/guardians, and when applicable, the Ill. Dept. of Children and Family Services' Office of Education and Transition Services, certain rights, including the right to inspect, copy, and/or challenge school student records. The information contained in school student records shall be kept current, accurate, clear, and relevant. All information maintained concerning a student receiving special education services shall be directly related to the provision of services to that child. The District may release directory information as permitted by law, but a parent/guardian shall have the right to opt-out of the release of directory information regarding his or her child. The District will comply with State or federal law with regard to release of a student's school records, including, where applicable, without notice to, or the consent of, the student's parent/guardian or eligible student. Upon request, the District discloses school student records without parent consent to the official records custodian of another school in which a student has enrolled or intends to enroll, as well as to any other person as specifically required or permitted by State or federal law.

The Superintendent shall fully implement this policy and designate an *official records custodian* for each school who shall maintain and protect the confidentiality of school student records, inform staff members of this policy, and inform students and their parents/guardians of their rights regarding school student records.

Student Biometric Information Collection

The Superintendent or designee may recommend a student biometric information collection system solely for the purposes of identification and fraud prevention. Such recommendation shall be consistent with budget requirements and in compliance with State law. Biometric information means any information that is collected through an identification process for individuals based on their unique behavioral or physiological characteristics, including fingerprint, hand geometry, voice, or facial recognition or iris or retinal scans.

Before collecting student biometric information, the District shall obtain written permission from the person having legal custody/parental responsibility or the student (if over the age of 18). Upon a student's 18th birthday, the District shall obtain written permission from the student to collect student biometric information. Failure to provide written consent to collect biometric information shall not be the basis for refusal of any services otherwise available to a student.

All collected biometric information shall be stored and transmitted in a manner that protects it from disclosure. Sale, lease, or other disclosure of biometric information to another person or entity is strictly prohibited.

The District will discontinue use of a student's biometric information and destroy all collected biometric information within 30 days after: (1) the student graduates or withdraws from the School District, or (2) the District receives a written request to discontinue use of biometric information from the person having legal custody/parental responsibility of the student or the student (if over the age of 18). Requests to discontinue using a student's biometric information shall be forwarded to the Superintendent or designee.

The Superintendent or designee shall develop procedures to implement this policy consistent with State and federal law.

Use of Educational Technologies; Student Data Privacy and Security

Educational technologies used in the District shall further the objectives of the District's educational program, as set forth in Board policy 6:10, *Educational Philosophy and Objectives*, align with the curriculum criteria in policy 6:40, *Curriculum Development*, and/or support efficient District operations. The Superintendent shall ensure that the use of educational technologies in the District meets the above criteria.

The District and/or vendors under its control may need to collect and maintain data that personally identifies students in order to use certain educational technologies for the benefit of student learning or District operations.

Federal and State law govern the protection of student data, including school student records and/or *covered information*. The sale, rental, lease, or trading of any school student records or covered information by the District is prohibited. Protecting such information is important for legal compliance, District operations, and maintaining the trust of District stakeholders, including parents, students and staff.

Definitions

Covered information means personally identifiable information (PII) or information linked to PII in any media or format that is not publicly available and is any of the following: (1) created by or provided to an operator by a student or the student's parent/guardian in the course of the student's or parent/guardian's use of the operator's site, service or application; (2) created by or provided to an operator by an employee or agent of the District; or (3) gathered by an operator through the operation of its site, service, or application.

Operators are entities (such as educational technology vendors) that operate Internet websites, online services, online applications, or mobile applications that are designed, marketed, and primarily used for K-12 school purposes.

Breach means the unauthorized acquisition of computerized data that compromises the security, confidentiality or integrity of covered information maintained by an operator or the District.

Operator Contracts

The Superintendent or designee designates which District employees are authorized to enter into written agreements with operators for those contracts that do not require separate Board approval. Contracts between the Board and operators shall be entered into in accordance with State law and Board policy 4:60, *Purchases and Contracts*, and shall include any specific provisions required by State law.

Security Standards

The Superintendent or designee shall ensure the District implements and maintains reasonable security procedures and practices that otherwise meet or exceed industry standards designed to protect covered information from unauthorized access, destruction, use, modification, or disclosure. In the event the District receives notice from an operator of a breach or has determined a breach has occurred, the Superintendent or designee shall also ensure that the District provides any breach notifications required by State law.

As official spokesperson for the Board, the Board President will communicate on behalf of the Board to the news media and community. Statements made by Board members when not authorized by the Board will be considered personal comments of the Board member, and Board members are encouraged to identify such statements as their personal opinions. Official Board or District statements (other than those made directly to the media) will be made through the District website and/or its social media accounts, at official District events, or through other official communication methods, such as District email or mailings. Individuals may speak for the District only with prior approval from the Superintendent.

4. Other efforts that highlight the District's programs and activities.

Community Engagement

Community engagement is a process that the Board uses to actively involve diverse citizens in dialogue, deliberation, and collaborative thinking around common interests for the District's schools. Effective community engagement is essential to create trust and support among the community, Board, Superintendent, and District staff.

The Board, in consultation with the Superintendent, articulates the District's community engagement goals.

The Board will periodically: (1) review whether its community engagement goals(s) are achieving the identified purpose(s) and objective(s); (2) consider what, if any, modifications would improve effectiveness; and (3) determine whether to continue individual tactics.

Gifts to the District

The School Board appreciates gifts from any education foundation, other entities, or individuals. All gifts must adhere to each of the following:

1. Be accepted by the Board or, if less than $500.00 in value, the Superintendent or designee. Individuals should obtain a pre-acceptance commitment before identifying the District, any school, or school program or activity as a beneficiary in any fundraising attempt, including without limitation, any Internet fundraising attempt.
2. Be given without a stated purpose or with a purpose deemed by the party with authority to accept the gift to be compatible with the Board's educational objectives and policies.
3. Be consistent with the District's mandate to provide equal educational and extracurricular opportunities to all students in the District as provided in Board policy 7:10, *Equal Educational Opportunities*. State and federal laws require the District to provide equal treatment for members of both sexes to educational programming, extracurricular activities, and athletics. This includes the distribution of athletic benefits and opportunities.
4. Permit the District to maintain resource equity among its learning centers.
5. Be viewpoint neutral when the gift involves the incorporation of any messages. The Superintendent or designee shall manage a process for the review and approval of donations involving the incorporation of messages into or placing messages upon school property.
6. Comply with all laws applicable to the District including, without limitation, the Americans with Disabilities Act, the Prevailing Wage Act, the Health/Life Safety Code for Public Schools, and all applicable procurement and bidding requirements.

The District will provide equal treatment to all individuals and entities seeking to donate money or a gift. Upon acceptance, all gifts become the District's property. The acceptance of a gift is not an endorsement by the Board, District, or school of any product, service, activity, or program. The method of recognition is determined by the party accepting the gift.

Parent Organizations and Booster Clubs

Parent organizations and booster clubs are invaluable resources to the District's schools. While parent organizations and booster clubs have no administrative authority and cannot determine Board policy, the School Board welcomes their suggestions and assistance.

Parent organizations and booster clubs may be recognized by the Board and permitted to use the District's name, a District school's name, a District school's team name, or any logo attributable to the District provided they first receive the Superintendent or designee's express written consent. Consent to use one of the above-mentioned names or logos will generally be granted if the organization or club has bylaws containing the following:

1. The organization's or club's name and purpose, such as, to enhance students' educational experiences, to help meet educational needs of students, to provide extra athletic benefits to students, to assist specific sports teams or academic clubs through financial support, or to enrich extracurricular activities.
2. The rules and procedures under which it operates.
3. An agreement to adhere to all Board policies and administrative procedures.
4. A statement that membership is open and unrestricted, meaning that membership is open to all parents/guardians of students enrolled in the school, District staff, and community members.
5. A statement that the District is not, and will not be, responsible for the organization's or club's business or the conduct of its members, including on any organization or club websites or social media accounts.
6. An agreement to maintain and protect its own finances.
7. A recognition that money given to a school cannot be earmarked for any particular expense. Booster clubs may make recommendations, but cash or other valuable consideration must be given to the District to use at its discretion. The Board's legal obligation to comply with Title IX by providing equal athletic opportunity for members of both genders will supersede an organization's or club's recommendation.

Permission to use one of the above-mentioned names or logos may be rescinded at any time and does not constitute permission to act as the District's representative. At no time does the District accept responsibility for the actions of any parent organization or booster club regardless of whether it was recognized and/or permitted to use any of the above-mentioned names or logos. The Superintendent shall designate an administrative staff member to serve as the recognized liaison to parent organizations or booster clubs. The liaison will serve as a resource person and provide information about school programs, resources, policies, problems, concerns, and emerging issues. Building staff will be encouraged to participate in the organizations.

On District letterhead

Date

Dear Parents/Guardians:

The School Visitation Rights Act permits employed parents/guardians, who are unable to meet with educators because of a work conflict, the right to time off from work to attend necessary educational or behavioral conferences at their child's school. Please review the following copy of this Act to determine if you are entitled to a school visitation leave.

Sincerely,

Superintendent

SCHOOL VISITATION RIGHTS ACT
820 ILCS 147/

147/1. **Short title**

This Act may be cited as the School Visitation Rights Act.

147/5. **Policy**

The General Assembly of the State of Illinois finds that the basis of a strong economy is an educational system reliant upon parental involvement. The intent of this Act is to permit employed parents and guardians who are unable to meet with educators because of a work conflict the right to an allotment of time during the school year to attend necessary educational or behavioral conferences at the school their children attend.

147/10. **Definitions**

As used in this Act:

(a) "Employee" means a person who performs services for hire for an employer for:

(1) at least 6 consecutive months immediately preceding a request for leave under this Act; and

(2) an average number of hours per week equal to at least one-half the full-time equivalent position in the employer's job classification, as defined by the employer's personnel policies or practices or in accordance with a collective bargaining agreement, during those 6 months.

"Employee" includes all individuals meeting the above criteria but does not include an independent contractor.

(b) "Employer" means any of the following: a State agency, officer, or department, a unit of local government, a school district, an individual, a corporation, a partnership, an association, or a nonprofit organization.

(c) "Child" means a biological, adopted or foster child, a stepchild or a legal ward of an employee and who is enrolled in a primary or secondary public or private school in this State or a state which shares a common boundary with Illinois.

(d) "School" means any public or private primary or secondary school or educational facility located in this State or a state which shares a common boundary with Illinois.

(e) "School administrator" means the principal or similar administrator who is responsible for the operations of the school.

147/15. **School conference and activity leave**

(a) An employer must grant an employee leave of up to a total of 8 hours during any school year, and no more than 4 hours of which may be taken on any given day, to attend school conferences, behavioral meetings, or academic meetings related to the employee's child if the conference or meeting cannot be scheduled during non-work hours; however, no leave may be taken by an employee of an employer that is subject to this Act unless the employee has exhausted all accrued vacation leave, personal leave, compensatory leave and any other leave that may be granted to the employee except sick leave and disability leave. Before arranging attendance at the conference or activity, the employee shall provide the employer with a written request for leave at least 7 days in advance of the time the employee is required to utilize the visitation right. In emergency situations, no more than 24 hours' notice shall be required. The employee must consult with the employer to schedule the leave so as not to disrupt unduly the operations of the employer.

(b) Nothing in this Act requires that the leave be paid.

(c) For regularly scheduled, non-emergency visitations, schools shall make time available for visitation during regular school hours and evening hours.

147/20. **Compensation**

An employee who utilizes or seeks to utilize the rights afforded by this Act may choose the opportunity to make up the time so taken as guaranteed by this Act on a different day or shift as directed by the employer. An employee who exercises his rights under this Act shall not be required to make up the time taken, but if such employee does not make up the time taken, such employee shall not be compensated for the time taken. An employee who does make up the time taken shall be paid at the same rate as paid for normal working time. Employers shall make a good faith effort to permit an employee to make up the time taken for the purposes of this Act. If no reasonable opportunity exists for the employee to make up the time taken, the employee shall not be paid for the time. A reasonable opportunity to make up the time taken does not include the scheduling of make-up time in a manner that would require the payment of wages on an overtime basis. Notwithstanding any other provision of this Section, if unpaid leave under this Act conflicts with the unreduced compensation requirement for exempt employees under the federal Fair Labor Standards Act, an employer may require an employee to make up the leave hours within the same pay period.

147/25. **Notification**

The State Superintendent of Education shall notify each public and private primary and secondary school of this Act. Each public and private school shall notify parents or guardians of the school's students of their school visitation rights. The Department of Labor shall notify employers of this Act.

147/30. **Verification**

Upon completion of school visitation rights by a parent or guardian, the school administrator shall provide the parent or guardian documentation of the school visitation. The parent or guardian shall submit such verification to the employer. The State Superintendent and the Director of the Department of Labor shall suggest a standard form of documentation of school visitation to schools for use as required by this Section. The standard form of documentation shall include, but not be limited to, the exact time and date the visitation occurred and ended. Failure of a parent or guardian to submit the verification statement from the school to his or her employer within 2 working days of the school

visitation subjects the employee to the standard disciplinary procedures imposed by the employer for unexcused absences from work.

147/35. **Employee rights**

No employee shall lose any employee benefits, except as provided for in Section 20 of this Act, for exercising his or her rights under this Act. Nothing in this Act shall be construed to affect an employer's obligation to comply with any collective bargaining agreement or employee benefit plan. Nothing in this Act shall prevent an employer from providing school visitation rights in excess of the requirements of this Act. The rights afforded by this Act shall not be diminished by any collective bargaining act or by any employee benefit plan.

An employer may not terminate an employee for an absence from work if the absence is due solely to the employee's attendance at a school conference, behavioral meeting, or academic meeting, as provided in Section 15.

147/40. **Applicability**

This Act applies solely to public and private employers that employ at least 50 or more individuals in Illinois, and to their employees.

147/45. **Violation**

Any employer who violates this Act is guilty of a petty offense and may be fined not more than $100 for each offense.

147/49. **Limits on leave**

No employer that is subject to this Act is required to grant school visitation leave to an employee if granting the leave would result in more than 5% of the employer's work force or 5% of an employer's work force shift taking school conference or activity leave at the same time.

Public Suggestions and Concerns

The School Board is interested in receiving suggestions and concerns from members of the community. Any individual may make a suggestion or express a concern by contacting any District or School office. Community members who email the District or any District employee or board member are expected to abide by the standards in Board policy 6:235, *Access to Electronic Networks*, and should, to the extent possible, limit their communications to relevant individuals.
