The list of Make-Up Dates will be converted to regular school days as needed in the event of closures for students during the school year. If faced with extenuating weather issues and the list of dates has been exhausted, Spring Break dates and/or Saturdays would then be considered.

The North Carolina General Assembly calendar legislation for public schools requires a minimum employment calendar for ten (10) month employees of 215 days. When schools are closed for employees we must designate an additional employment date for staff.
