*Any employee who starts after the first day of employment for the school year (July 6, 2026) must be paid on the regular TCH payroll for the year and cannot participate in installments until the following year. The 2026-2027 calendar will prepay the employee much further in advance than is typical, so if an employee leaves Lee County Schools, they will be responsible for repayment of any prepaid salary.

****April 23rd is the last YRR payroll check for 10 month employees. May and June checks are paid via escrow accruals.**

Notify the Finance Office immediately when an employee resigns, retires, or is terminated after the payroll is submitted on the due date and before the pay period ends. If an employee is on sick leave at the time the payroll is submitted and further negative absences occur, please notify the Finance Office immediately. This prevents the employee from being overpaid.
