* Time projections will need to be made through the remainder of the timesheet period. We must get payroll in by June 4th, in order to complete before the deadline. Please notify the Finance Office immediately if projections change.

**Notify the Finance Office immediately when an employee resigns, retires, or is terminated after the payroll is submitted on the due date and before the pay period ends. If an employee is on sick leave at the time the payroll is submitted and further negative absences occur, please notify the Finance Office immediately. This prevents the employee from being overpaid.
