****May 25th is the last TCH payroll check for 10-month employees. May payroll should project any leave without pay and personal leave (i.e. cost leave) used through May 31, 2027.**

Notify the Finance Office immediately when an employee resigns, retires, or is terminated after the payroll is submitted on the due date and before the pay period ends. If an employee is on sick leave at the time the payroll is submitted and further negative absences occur, please notify the Finance Office immediately. This prevents the employee from being overpaid.
