Notes from the nurse

Health Forms

Please remember to complete your child's Health Forms through PowerSchool or submit a paper copy. These forms are different from the yellow sports physical form and the basic demographic information you may have already completed. **Please note:** These forms are required for students participating in the upcoming Jay Peak days. Students will not be able to attend unless all required health paperwork is completed and on file with the school.

When to Keep Your Child Home

As a reminder, please keep children home from school when they are sick. Keeping children home when they have symptoms such as a significant cough, fever, vomiting, or other signs of illness helps reduce the spread of germs and keeps our school community healthy.

Vision & Hearing Screenings

The school nurse will begin vision and hearing screenings at the end of this month for students in grades K, 1, 3, 5, and 7. Screenings will continue through the end of the month and through the holiday break as needed.

Dental Clinic

The Notch Dental Clinic will be visiting the school on Monday, October 12th for students whose families completed the required forms and requested a hygienist appointment. If you signed up for an appointment, your child will be seen during the school day.

Fall Sports Season

3-5 Soccer

10/10 Enosburg Jamboree ***Final Games***
