Rush County Schools Chromebook Service Plan

Rush County Schools offers a Chromebook Service Plan for a $25 premium per single incident for the repair or replacement of the school issued Chromebook and/or included power accessories for a single enrolled student. The plan expires upon use of Service Plan to repair or replace a Chromebook and/or included power accessories, and the plan may be purchased again for coverage of the replacement equipment. Coverage: damage, theft, fire, surge, liquid spills, depleted battery, hardware failure. Exclusions: cosmetic damage that does not affect functionality of the Chromebook; damage if loss occurs in conjunction with a violation of Board Policy, state, and or federal statute or regulation; any issue covered by manufacturer's warranty.

The plan may be purchased through your student's Harmony account. A form is available in the BRMS school office if you prefer to pay by check or cash.

STOPit App

At BRMS, we take the issue of bullying very seriously. The STOPit app is another way we are working towards creating a bully-free environment. The STOPit app is an anonymous reporting tool that allows everyone in our school community to report acts of bullying. If you've been a victim of bullying, witnessed it happening to someone else, or are worried about the person doing the bullying - the STOPit app is a safe place for you to report your concerns.

We encourage everyone to download the STOPit app today. The app is available in both Google Play Store and Apple App Store. Search for STOPit app, download it, and select our school in the directory.

BRMS Mission and Vision Statements

Mission: We the community of Benjamin Rush Middle School, will provide for the students:
1. A positive atmosphere for the progression from elementary to secondary school while encouraging a
   a desire to learn.
2. Opportunities to reach their academic, social, and emotional potential.
3. Instruction to assist in the development of skills needed to become productive members of society.

Vision: Educating our students today for their success tomorrow.
Our Collective Commitments (Core Beliefs) aim to show PRIDE:

- (Be) **Prepared**: We as educators will model preparedness with communicating clear expectations and remaining accountable in providing students with impactful lessons that meet state standards
- (Be) **Respectful**: We as educators will demonstrate attributes of respectful behaviors by listening to students' thoughts and ideas, modeling respect during class, and demonstrating sympathy and empathy
- (Be) **Immersed**: We as educators will model being immersed by being open to observing and implementing different strategies in the classroom to improve student learning and engagement
- (Be) **Driven**: We as educators will commit to achieving high levels of learning through collaborative efforts in which we take risks, are reflective, have perseverance, and are open-minded educators who continuously learn and grow from one another
- (Be) **Engaged**: We as educators will actively engage students during class instruction with data-driven and dynamic approaches to learning
