Meal Charge Policy

No student who requests a meal will be denied a main lunch option, unless the parent or guardian has provided written permission to withhold a school lunch.

Direct communications regarding money owed will be made to the parent or guardian only.

Students may deliver communications in letter form, addressed to the parent/guardian.

Meals served to students will not be removed or exchanged as a result of overdrawn cafeteria accounts. When it is discovered a student has selected a meal and they do not have positive funds or cash to purchase it, the student will be permitted to have the meal without discussion. The meal will be charged to the student's lunch account.

Students may not charge a la carte items (snacks, ice cream, etc.). K-6 students who have negative account balances with cash in hand will be permitted to make purchases, 7-12 students will be asked to apply cash towards the negative account balances.

Weekly notices will be sent via email, letter and/or automated phone call for account balances of \$5 or less.

If all district attempts to collect unpaid meal charges are unsuccessful, the account will be sent to a collection agency. Additional fees will be added by the collection agency.
