Welcome to Lebanon Public Schools, where our mission is simple yet powerful:
We Grow Learners, We Cultivate Leaders, We Create Legacies.

Thank you for visiting our website and taking an active interest in our schools. Whether you are a student, family member, staff member, community partner, or prospective resident, we invite you to explore all that Lebanon Public Schools has to offer.

I am honored to serve as Superintendent of Lebanon Public Schools and to lead a district with a proud tradition of excellence and a strong commitment to continuous improvement. As we look to the future, we remain grounded in the values that have long defined our community while embracing innovation and new opportunities that prepare students for success in an ever-changing world.

At Lebanon Public Schools, we are committed to providing every student with a safe, inclusive, and engaging learning environment where they are known, valued, and challenged. Through rigorous academics, enriching extracurricular opportunities, and strong relationships, we strive to meet the needs of the whole child, supporting students academically, socially, emotionally, and physically.

Our schools offer diverse pathways that empower students to explore their interests and prepare for college, careers, and civic life. From early childhood education to advanced coursework, career and technical education, and innovative learning experiences, we seek to ensure that every student graduates with the knowledge, skills, and dispositions needed to thrive.

Guiding this work is our Portrait of a Graduate, which identifies six qualities we seek to cultivate in every learner: Responsible Citizen, Effective Communicator, Critical Thinker, Innovative Problem Solver, Lifelong Learner, and Engaged Collaborator. These competencies help prepare students not only for graduation, but for meaningful lives of contribution and purpose.

The strength of Lebanon Public Schools lies in our partnerships among students, families, staff, and the broader community. Together, we create learning experiences that inspire curiosity, foster resilience, and build lasting connections.

As a close-knit community, I am confident that by working together, we will continue to provide our students with exceptional educational experiences and create lasting impacts that extend far beyond graduation.

Thank you for your continued support of Lebanon Public Schools. I encourage you to stay connected, celebrate our successes, and share your ideas as we continue to grow together.

Best,
Andy
