

Preschool Information Lebanon Elementary 2026-2027

Our NAEYC accredited preschool program creates a nurturing and caring atmosphere for our littlest learners. Our program incorporates play based learning experiences that are developmentally appropriate and align with the CT Early Learning and Development Standards

Through funds provided by The Office of Early Childhood School Readiness Program, we are able to offer families two options:

- Part day: **Tuition free classrooms**; morning session from 8:35am to 11:20am or an afternoon session from 12:20pm to 3:10pm.
- School day: **Tuition based classroom**; 8:35am to 3:10pm.

*Our application process will determine which classroom your child will attend. This application takes into consideration various factors: parent choice, age of child, income eligibility, and a scoring process for selection.

The school day tuition is calculated using The Office of Early Childhood Fee schedule based on family size and annual income and will be collected monthly. To access the fee schedule, please use the QR code or click on the link below and refer to the “Preschool School Time” column:
