SENIOR FREEDOM

Senior Freedom * Greater Responsibility Program

This program is aimed at providing students the opportunity to make responsible decisions regarding the use of their study hall time. Once a parental permission form is signed by the student and parent, it is submitted to the school and Senior Freedom may be granted. Students 18 years and older may sign for themselves if a letter from a parent is on file acknowledging this procedure.

A student who is granted Senior Freedom may use this privilege to sign out early from **last period study hall only (7 or 8) or come in late if they have a study hall first period (1 or 2). Students may not sign out during the middle of the day. Students are responsible to attend all assemblies and events during study time. Students must be aware of scheduling revisions.**

Seniors will be eligible for Senior Freedom by maintaining a 70 average and have no F's from the previous marking period's report card. If the student falls below a 70 average and/or has one or more F's in a marking period, the student will lose greater freedom for the subsequent marking period. Senior Freedom is simple: THIS IS A PRIVILEGE. Maintain good grades and you earn the privilege. Students must maintain good grades and be in good standing regarding attendance, discipline, financial obligations and promptness to school and classes.

Students are required to exit the building and leave the school grounds promptly. "Senior Freedom" privileges may be removed from any student by administration if that student does not meet stated criteria or by parental request.

I have read the above and agree to follow established criteria from "Senior Freedom."
