July 13, 2026

Dear Class of 2030, Students New to LMHS, and Parents/Guardians,

Welcome to Lyman Memorial High School! We look forward to providing you opportunities to develop passions for new learning and grow as both a student and a person in a small high school environment. We have a wide variety of course offerings to challenge you and we encourage you to try unfamiliar curricular areas to discover new interests as well as participate in the many extracurricular activities available to Lyman students. **We will be having a New Student Orientation on August 21 from 11:00am to 1:00pm.** All students will be issued a chromebook and must fill out the chromebook consent form. We offer insurance for the chromebooks and the cost is $25 for the school year. We strongly encourage each student to purchase this insurance coverage. We are also willing to give any student a personal tour of the building over the summer to familiarize students with Lyman in a more relaxed setting prior to the orientation and the start of school. Contact the Lyman Main Office and Kristy Michele at 860-642-5688 to schedule a tour.

This year we are utilizing our school information system, PowerSchool ParentPortal https://lebanonct.powerschool.com/public/home.html for our demographic information submission from parents. Currently, the Parent Portal is down for maintenance but will be back up and running on August 1st. In order to access it you will need to get login and password information from the Lyman Memorial Main Office Secretary Kristy Michele at 860-642-5688 or email at kristy.michele@lebanonct.org . This demographic information is crucial in case of emergencies and includes other people who may pick up your student from school. Paper copies of the emergency form are in the main office. **All students must have demographic information completed either on ParentPortal or paper form prior to starting the school year.** You will be able to use the ParentPortal to view your students grades, classroom attendance, send reports and updates to your email or phone and there is a daily bulletin of information for students and parents. If your student is coming from Lebanon Middle School your PowerSchool information is the same as previous years, if your student is from out of district you will have to get the new information in order to access the ParentPortal.

Please join us for our **New Student Orientation on August 21 at 11:00am.** The orientation is designed to provide an opportunity for students to get acquainted with their new classmates and Lyman Memorial High School. Returning Lyman students will provide small group discussions and tours. Student schedules will

be distributed and reviewed. Locker assignments and combinations will be assigned and students will have the opportunity to practice opening them. Lunch room protocol will also be discussed. This continues to be a successful program and we hope you can attend. We look forward to welcoming you and to a successful beginning of the school year. In the meantime we hope that you are enjoying a relaxing summer vacation and we hope to see you in August!

Sincerely,

James C. Apicelli and Susan J. Mike
