Dear Lebanon Families,

Welcome to Lebanon Middle School! Whether your family is new to our community or returning for another exciting year, we are thrilled to have you as part of the LMS family.

This website is designed to be your central resource throughout the school year. Here you'll find school news, upcoming events, athletic schedules, lunch menus, important forms, our student handbook, Chromebook information, and quick links to PowerSchool, MyPaymentsPlus, and other resources you'll use regularly. We encourage you to bookmark this page and visit often.

You can also stay connected by following us both on this website and on Facebook, where we regularly celebrate student accomplishments, highlight classroom learning, and share the many exciting things happening throughout our school.

At Lebanon Middle School, we believe middle school should be a place where students are challenged, supported, and inspired. Our mission extends beyond helping students master academic standards. We strive to develop confident learners, compassionate leaders, and responsible citizens who are prepared to make meaningful contributions to their community.

Our dedicated faculty and staff are committed to providing rigorous instruction while ensuring every student feels valued, included, and supported. We want students to develop resilience, embrace productive struggle, and discover that mistakes are often the first step toward growth.

Learning doesn't end when the school day does. Lebanon Middle School offers a wide variety of opportunities for students to explore their interests, build friendships, and develop leadership skills through athletics, clubs, performing arts, service organizations, and student leadership programs. Whether a student joins a sports team, performs on stage, serves on Student Council, or simply tries something new for the first time, we encourage every student to become an active member of our school community.

Strong partnerships with families are essential to student success. We value open communication and believe parents and guardians are our most important partners in helping students reach their full potential. Please don't hesitate to reach out with questions, ideas, or suggestions for improvement. I can always be reached at chad.johnson@lebanonct.org.

Thank you for taking the time to visit our website and for the trust you place in Lebanon Middle School. Together, we will continue building a school where students grow as learners, cultivate leadership, and create legacies that extend far beyond our classrooms.

Respectfully,

Chad Johnson
