Greetings,

I am writing to introduce myself and welcome everyone back to the 2026-2027 school year. My name is Steve Bouvy and I am honored to serve as superintendent of Bangor Township Schools. Over the past twenty-four years, I worked at Millington Community Schools in the capacity of teacher, coach, principal, and superintendent. My wife, Melissa, works as a surgical technologist at MyMichigan Health Towne Center in Saginaw. We have three children, two grandchildren, and a dog named Eleanore (Roosevelt). I look forward to working alongside our students, families, staff, and community to build upon the strong foundation that makes Bangor Township Schools a special place to learn and grow.

Thank you for the warm welcome and the kindness that the staff, students, parents, and community members have shown me over the past six weeks. As an outside observer, I cannot help but notice that the salient feature of Bangor Township Schools is the pride that each of you have in our school and community and that the pride is contagious. That pride is evident in the way our students represent their school, the dedication of our staff, the support of our families, and the involvement of our community.

Now that summer is coming to an end, I am looking forward to the upcoming school year and I hope that you are all excited about the learning opportunities that await us all. I would like to take this opportunity to share my goals for the upcoming school year.

1. **Communication:** Expand upon existing opportunities for families, staff, students, and community members to have timely, clear, and meaningful information about what is happening in our schools.
2. **Practices and Procedures:** Continue to ensure that our systems are efficient, consistent, student-centered, and supportive of the important work happening each day.
3. **Instruction:** The administrative team will continue to strive to support our teachers, strengthen our instructional practices, and ensure that every student engages in deeper and more meaningful learning opportunities in order to reach their full potential.

As we embark on this new school year, I am excited about what we can accomplish together. Thank you for the trust you place in our schools and for the pride, commitment, and support you demonstrate each day. I look forward to meeting many of you at upcoming school events and to celebrating the accomplishments of our students and school community together throughout the year.

Yours truly,

S. Bouvy
