FOR IMMEDIATE RELEASE

Bangor Township Schools Band Program Awarded $30,000 Grant from Gerstacker Foundation

BAY CITY — Bangor Township Schools is pleased to announce that its band program has been awarded a $30,000 grant from the Rollin M. Gerstacker Foundation to support the district's Band Instrument Access Initiative.

The grant will be used to purchase musical instruments, helping remove financial barriers and create more opportunities for students to participate in band. By expanding the district's instrument inventory, the initiative aims to make music education more accessible to students across the district.

The generous support from the Gerstacker Foundation represents a meaningful investment in the district's music programs and its commitment to providing students with opportunities to explore their interests, develop their talents and experience the benefits of music education.

Bangor Township Schools is grateful to the Rollin M. Gerstacker Foundation for its generosity and continued support of opportunities that benefit local students and the community!
